WebEx meeting number: 730 757 826

WebEx password: Currency2019

We recommend that participants connect approximately 10 minutes prior to the start of the event to register with the operator. Participants can test their device for WebEx compatibility in advance using <https://www.webex.com/test-meeting.html>

A copy of the presentation and a replay of the call will be available approximately twenty-four hours after completion at <https://namsys.com/investor-relations/>

*NamSys Inc. products are designed to bring efficiency to the processing of currency and other value instruments in financial institutions, retailers, public transportation operations and the gaming industry. NamSys's proprietary software products for this market are "open-architected" and have been developed to interface with clients' legacy systems. The products are available to customers on a "SaaS" basis or by way of license acquisitions.*
