### About Patriot One Technologies Inc.

Patriot One’s mission is to deliver innovative threat detection and counter-terrorism solutions for safer communities. Our PATSCAN™ Multi-Sensor Covert Threat Detection Platform provides a network of advanced sensor technologies with powerful next generation AI/machine learning software. The network can be covertly deployed from far perimeter to interiors across multiple weapons-restricted facilities. The PATSCAN™ platform identifies and reports threats wherever required; car park, building approach, employee & public entryways and inside the facilities. Each solution in the platform identifies weapons, related threats or disturbances for immediate security response. Our motto Deter, Detect and Defend is based on the belief that widespread use of the PATSCAN™ platform will act as an effective deterrent to diminish the epidemic of active threats around the globe.
