The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals' authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out-of-pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

NOTICE-AND-ACCESS

The Company is not relying on the "Notice and Access" delivery procedures outlined in National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

APPOINTMENT OF PROXY

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of February 5, 2026 (the "**Record Date**") on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "**Designated Persons**") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their respective forms of proxy with the Company's registrar and transfer agent, Endeavor Trust Corporation ("**Endeavor**") by: (a) mail addressed to Endeavor Trust Corporation, by facsimile to 604-559-8908 or by electronic mail to proxy@endeavortrust.com or by mail to 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-

fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarized certified copy thereof, must accompany the form of proxy.

REVOCATION OF PROXIES

A registered Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to Endeavor Trust Corporation, Suite 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned, any reconvening thereof, or (ii) to the Chair of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING OF COMMON SHARES AND PROXIES AND EXERCISE OF DISCRETION BY DESIGNATED PERSONS

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. **The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS (NON-REGISTERED SHAREHOLDERS)

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name ("Beneficial Shareholders"). Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co.

(the registration name for The Canadian Depository for Securities Limited), which acts as nominee for many Canadian brokerage firms, and in the United States (the “U.S.”) under the name of Cede & Co. as nominee for The Depository Trust Company, which acts as depository for many U.S. brokerage firms and custodian banks.

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to firms such as Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the U.S. Broadridge mails a voting instruction form (a “**VIF**”) in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge (or such other service company) the VIF must be completed and returned to Broadridge (or such other service company), in accordance with the instructions therein, well in advance of the Meeting in order to have your Common Shares voted at the Meeting, or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares.**

The Company does not intend to pay for Intermediaries to forward the materials to objecting beneficial owners as defined under National Instrument 54-101 – Communication with Beneficial Owners of a Reporting Issuer (“NI 54-101”) (i.e., those shareholders that object to having their contact information provided to the Company), in which case the objecting beneficial owner will only receive the material if the Intermediary assumes the cost of delivery.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada, and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (“**BCABC**”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgement by a United States court.

The Company's current Omnibus equity incentive plan, (the "**Incentive Plan**") is a 20% "fixed" equity incentive plan, whereby the maximum number of Shares that may be reserved for issuance pursuant to the exercise of options and Awards is **37,940,929** being 20% of the issued and outstanding Shares of the Company on February 5, 2026, as adopted by the Board and approved by shareholders of the Company.

The purpose of the Omnibus Equity Incentive Plan is to provide the Company with a mechanism to attract, retain and motivate qualified employees, consultants, directors and management whose present and potential contributions are important to the success of the Company and its subsidiaries, if any, by offering them an opportunity to participate in the Company's future performance through share-based awards.

At the Meeting, disinterested shareholders will be asked to approve an ordinary resolution to approve the continuation of the Incentive Plan. The following is a summary of the Incentive Plan. The summary is qualified in its entirety by the full text of the Incentive Plan filed on www.sedarplus.ca on September 10, 2024.

Summary of Incentive Plan

Description of the Incentive Plan

All employees, consultants, consultant companies, officers, management company employees and directors (each a "**Participant**") are eligible to participate in the Incentive Plan. Eligibility to participate does not confer upon any participant any right to receive any grant of an Award pursuant to the Incentive Plan.

The Incentive Plan allows the Board to grant an Award to eligible employees, directors, management and consultants for their contribution to the Company. An Award means any Option (including incentive stock option), Restricted Share Unit, Performance Share Unit or Deferred Share Unit (as these terms are defined in the Incentive Plan).

The Incentive Plan will be administered by the Board who has sole and complete authority, in its discretion, among other things, to: determine individuals eligible for Awards; make grants of Awards under the Incentive Plan, including the time of Award grant, number of shares covered by an Award, the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by Awards, establish the form(s) of Award Agreements and cancel, amend, adjust or otherwise change any Award under such circumstances as the Board may consider appropriate in accordance with the Incentive Plan.

Subject to adjustment and any subsequent amendment to the Incentive Plan, the aggregate number of Shares reserved for issuance pursuant to all Awards, including Options, granted under the Incentive Plan shall not exceed **37,940,929** Awards, less 16,575,440 Options which are currently issued and outstanding. Each Award under the Incentive Plan will be evidenced by an Award Agreement and the Awards are non-transferable.

Participation Limits

The Incentive Plan provides that:

- (a) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the Incentive Plan, within any 12 month period, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements (as defined in the Incentive Plan), shall not exceed 10% of the issued and outstanding Shares (calculated as at the date of any grant and in accordance with the policies of the Exchange (the "**Exchange Policies**"));
- (b) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the Incentive Plan, at any point in time, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares;
- (c) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any participant (as defined in the Incentive Plan) under the Incentive Plan, within any 12 month period, together with Shares reserved for issuance to such participant (and to Companies wholly-owned by that participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 5% of the issued and outstanding Shares (calculated as at the date of any grant);
- (d) the maximum aggregate number of Shares issuable to any one consultant (as defined in the Incentive Plan) under the Incentive Plan, within any 12-month period, together with Shares issuable to such consultant under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing investor relations activities under the Incentive Plan, within any 12-month period, shall not in aggregate exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant). For the avoidance of doubt, persons performing investor relations activities are only eligible to receive Options under the Incentive Plan; they are not eligible to receive any Performance-Based Award or other type of securities-based compensation under the Incentive Plan.

Administration of the Incentive Plan

The Incentive Plan shall be administered by the Board and the Board has full authority to administer the Incentive Plan, including the authority to interpret and construe any provision of the Incentive Plan and to adopt, amend and rescind such rules and regulations for administering the Incentive Plan as the Board may deem necessary in order to comply with the requirements of the Incentive Plan.

Eligible Persons under the Incentive Plan

When used in connection with the grant of Options, all officers, directors, employees, management company employees and consultants of the Company are eligible to participate in the Incentive Plan. When used in connection with the grant of Performance-Based Awards, all officers, directors, employees, management company employees and consultants of the Company that do not perform investor relations activities are eligible to participate in the Incentive Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the Incentive Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the Incentive Plan is referred to as a "Participant".

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the Incentive Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the Incentive Plan, and will generally be evidenced by an award agreement.

Options

An Option entitles a holder thereof to purchase a prescribed number of Shares at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the Incentive Plan shall not be less than the Discounted Market Price (as defined in the Exchange Policies), provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least ten trading days since the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the date of grant of the Option. The Board may, in its absolute discretion, upon granting Options under the Incentive Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may designate different exercise prices and numbers of Shares in respect of which Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the Incentive Plan shall vest as determined by the Board on the date of grant of such Options. If the Board does not specify a vesting schedule at the date of grant, then Options granted to persons, other than those conducting investor relations activities, shall vest fully on the date of grant, and in any event in accordance with the policies of the Exchange. Options issued to persons conducting investor relations activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that:

- (a) no more than 1/4 of the Options vest no sooner than three months after the date of grant (the "**Grant Date**");
- (b) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
- (c) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
- (d) the remainder of the Options vest no sooner than 12 months after the Grant Date.

If the award agreement for the grant of Options so provides, in the event of a change of control (as defined in the Incentive Plan), all Options granted to a Participant that ceases to be an Eligible Person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such award agreement and the Incentive Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting investor relations activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with the Incentive Plan and may be exercised by the Participant's estate within one year of the death of the Participant.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the Incentive Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all Options granted to the Participant under this Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the date the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. The number of RSUs to be credited to each participant shall be determined by the Board in its sole discretion in accordance with the Incentive Plan. All RSUs will vest and become payable by the issuance of Shares at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the Incentive Plan) and the Participant ceases to be an Eligible Person, all restrictions upon any RSUs held by such Participant shall lapse immediately and all such RSUs shall become fully vested in such Participant in accordance with the Incentive Plan.

Other than as may be set forth in the applicable award agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the Incentive Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under this Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Incentive Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the Incentive Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all RSUs granted to the Participant under the Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with Incentive Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Incentive Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. No PSUs may vest before the date that is one year following the date of the Award.

Subject to the provisions of the Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to eligible persons that do not perform investor relations activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the Incentive Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the Incentive Plan) and the Participant ceases to be an Eligible Person, all PSUs granted to such Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the Incentive Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the

extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the Incentive Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all PSUs granted to the Participant under the Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the Determination Date; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Incentive Plan) on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. DSUs may not be granted to any Participant performing investor relation activities.

Subject to the provisions of the Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other eligible persons as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the Incentive Plan.

The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of his or her fees in DSUs under this Incentive Plan. The number of DSUs shall be calculated by dividing the amount of Fees selected by a director by the Market Unit Price (as defined in the Incentive Plan) on the grant date (or such other price as required under the Exchange Policies) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No Deferred Share Units may vest before the date that is one year following the date of the award of the DSU.

Each participant shall be entitled to receive, after the effective date that the Participant ceases to be an eligible person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the participant ceases to be an eligible person as the participant and the Company may agree, which date shall be no later than one year after the date upon which the participant ceases to be an eligible person) and if no such notice is given,

then on the first anniversary of the effective date that the Participant ceases to be an eligible person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an eligible person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the Incentive Plan to the Participant upon such Participant ceasing to be an eligible person.

The Company is proposing to settle the balance of an outstanding debt owed to Certain directors, officers and Consultants of the Company in the amount of CAD\$535,375 in exchange for 5,353,750 Common Shares of the Company at a price of CAD\$0.10 per Common Share (the "Debt Transaction"). The amount of the debt held by insiders or Former insiders (the "insiders") is CAD\$464,375 resulting in 4,643,750 Common shares to be issued to insiders. (the "Insider Debt Transaction"). The Debt Transaction amounts are the result of consulting and Board fees that have accrued since June 2022. The breakdown for accrued insider debt is:

Table 1.1

INSIDER	POSITION	AMOUNT OF ACCRUED DEBT \$	PROPOSED SHARES
Ralph Garcea	Director	150,000	1,500,000
Jim Lovie	Director	150,000	1,500,000
Craig Pentland	Director	42,500	425,000
Konstantin Lichtenwald	Officer	30,000	300,000
Erin Campbell	Former Director	39,375	393,750
Johan Arnet	Former Director	52,500	525,000
TOTALS		464,375	4,643,750

All securities issued in connection with the Insider Debt Transaction will be subject to a statutory hold period of four months plus a day from the date of issuance in accordance with applicable securities law.

Related Party Transactions

The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(b) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Insider Debt Transaction by insiders does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101.

Board Approval

The independent Directors of the Company have reviewed and approved of the proposed Insider Debt Transaction. The independent Directors concluded that the Company does not have the financial resources to settle the outstanding indebtedness; the Insider Debt Transaction would improve the financial position of the Company; and it is in the best interests of the Company. There is no prior valuation in respect of the Company as contemplated by MI 61-101. Shareholder Approval Minority approval, or disinterested shareholder approval, requires the approval of the majority of the votes cast by shareholders at the Meeting excluding votes attached to Common Shares that are beneficially owned or over which control is exercised by an interested party or a related party of an interested party. Consequently, the Company is seeking approval of the proposed resolution regarding the Insider Debt Transaction by 2/3 of the votes cast in respect of the Resolution (as such term is defined below)

by or on behalf of shareholders present in person or represented by proxy at the Meeting, excluding those votes cast by interested parties (as such term is defined in MI 61-101). Accordingly, the Common Shares held or controlled by the insiders noted in Table 1.1 will be excluded from the calculation of votes in favour of the Resolution.

Insider Debt Transaction Resolution

Shareholders are being asked to consider, and if thought fit, to pass, with or without variation, a resolution of disinterested shareholders, authorizing and approving the Insider Debt Transaction (the “**Resolution**”).

The text of the Resolution approving the Insider Debt Transaction is as follows:

BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. In settlement of a total of CAD\$535,375 of debt owing to Insiders as outlined above, the Company be and is hereby authorized to issue a total of 5,353,750 Common Shares in the capital of the Company, at a deemed price of CAD\$0.10 per Common Share;
2. any director and/or officer of the Company be and is hereby authorized and directed in the name of and on behalf of the Company to take all such actions, do all such things, enter into, execute and deliver or cause to be delivered all such documents, agreements and writings, as such director/officer may in his/her sole discretion deem necessary or advisable in connection with any of the matters referred to in the preceding resolution, or in respect thereof, or in connection with any actions to be taken by the Company in the performance and fulfillment of its obligations as contemplated by the matters referred to in the preceding resolution, and the execution by an officer or director of the Company shall be conclusive evidence of their authority to act on behalf of the Company; and
3. notwithstanding that this resolution has been duly passed by the shareholders, the board of directors is hereby authorized and empowered, if it decides not to proceed with this resolution, to revoke this resolution in whole or in part at any time prior to it being given effect without further notice to, or approval of, the shareholders."

In order to be effective, the Resolution must be passed by 2/3 of the votes of shareholders voting on it at the Meeting, excluding any votes cast by the insiders noted above in Table 1.1.

The Board recommends that shareholders vote in favour of the Resolution. The management appointees named in the accompanying Proxy (absent contrary directions) intend to vote in favour of the Resolution.

7. OTHER BUSINESS

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting the common shares represented by the proxies solicited hereby will be voted on such matter in accordance with the best judgement of the persons voting by proxy.

Compensation and Corporate Governance Committee

The Compensation and Corporate Governance Committee is responsible for ensuring an appropriate plan for executive compensation is in place and for making recommendations to the Board with respect to the compensation of the Company's executive officers. The Board will ensure that the total compensation paid to all Named Executive Officers is fair and reasonable and is consistent with the Company's compensation philosophy. This compensation philosophy is intended to ensure that executive compensation is reflective of prevailing market rates and is designed to create incentives to executive performance to achieve the strategic objectives and increase the value to shareholders.

The Compensation and Corporate Governance Committee periodically reviews the compensation paid to the directors and executive officers and ensures that the total compensation paid to all of the Named Executive Officers is fair, reasonable and competitive with the industry and is consistent with the Company's compensation philosophy and is aligned with the overall business objectives and with shareholders' interests.

The Compensation and Corporate Governance Committee is responsible for the review and assessment of compensation arrangements for the Company's executive officers and is authorized to approve terms of employment, salaries, bonuses, option grants and other incentive arrangements for the executive officers, and, where appropriate, any severance arrangements. The Compensation and Corporate Governance Committee reviews and assesses the performance of executive officers in accordance with the Company's compensation policies and practices. In addition to informal industry comparables from publicly available information, the Compensation and Corporate Governance Committee considers a variety of factors when determining both compensation policies and programs, and individual compensation levels. These factors include the long-range interests of the Company and its shareholders, overall financial and operating performance and the Compensation and Corporate Governance Committee's assessment of each executive's individual performance and contribution toward meeting corporate objectives. The Compensation and Corporate Governance Committee and Board of Directors considers annually the risks associated with the compensation policies and practices including such risks as the retention of qualified executive staff during an economic downturn in the market. The CEO together with the Compensation and Corporate Governance Committee, reviews and discusses on an annual base the risks and provide oversight of the compensation policies and practices, and discusses with the Compensation and Corporate Governance Committee any additional practices that the Company may use to identify and mitigate compensation policies and practices that could encourage an NEO or individual at a principle business unit or division to take inappropriate or excessive risks. The Company also has each NEO and employee annually review and sign off on the Company's corporate policies and procedures, including anti-bribery and anti-corruption policies and procedures. As part of this annual review, the CEO will discuss with the Compensation and Corporate Governance Committee any risks arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The members of the Compensation and Corporate Governance Committee are Jim Lovie (Chair), Ralph Garcea and Craig Pentland. The Compensation and Corporate Governance Committee have direct experience in their past executive and board positions that are relevant to their responsibilities as members of the Compensation and Corporate Governance Committee.

Oversight and description of director and named executive officer compensation

Compensation of Directors

The Company does not have a compensation program other than paying consulting fees and incentive bonuses. The compensation of the executive officers is determined by the Board, based in part on recommendations from the Chief Executive Officer. The Board recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The objectives of the Company's compensation policies and practices are:

- to reward individual contributions in light of the Company's performance;
- to be competitive with the companies with whom the Company competes for talent;
- to align the interests of the executives with the interests of the shareholders; and
- to attract and retain executives who could help the Company achieve its objectives.

The objectives of management fees are to recognize market pay and acknowledge the competencies and skills of individuals. The rate established for each executive officer is intended to reflect each individual's responsibilities, experience, prior performance and other discretionary factors deemed relevant by any compensation committee that may be formed in future. In deciding on the management fee portion of the compensation of the executive officers, major consideration is given to the fact that the Company is an early stage exploration company and does not generate any material revenue and must rely exclusively on funds raised from equity financings. In the future, the objectives of incentive bonuses in the form of cash payments will be designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. The objectives of the stock option will be to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Company. The Company has no other forms of compensation, other than payments made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company, to the best of its ability, at competitive industry rates for work of a similar nature by reputable arm's length service providers. Actual compensation will vary based on the performance of the executives relative to the achievement of goals and the price of the Company's securities, as well as the financial condition of the Company.

The Board evaluates individual executive performance with the goal of setting compensation at levels that it believes is comparable with executives in other companies of similar size and stage of development operating in the same industry. In connection with setting appropriate levels of compensation, members of the Board base their decisions on their general business and industry knowledge and experience and publicly available information of comparable companies while also taking into account the Company's relative performance and strategic goals.

In the course of its deliberations, the Board considered the implications of the risks associated with adopting the compensation practices currently in place. The Board does not believe that its current compensation practices create a material risk that the NEOs or any employee would be encouraged to take inappropriate or excessive risks, and no such risks have been detected to date. The Board will continue to include this consideration in its deliberations and believes that it would detect actions of management and employees of the Company that constitute or would lead to inappropriate or excessive risks.

Pension disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

SECTION 4 - CORPORATE GOVERNANCE

GENERAL

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Company is required to disclose its corporate governance practices. Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are in the interest of its Shareholders and contribute to effective and efficient decision-making.

National Policy 58-201 - *Corporate Governance Guidelines* ("NP 58-201") establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices and believes the Company's corporate governance practices are appropriate and effective for the Company given its current size.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* - mandates disclosure of corporate governance practices in Form 58-101Fs, which disclosures is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

The mandate of the Board of the Company, as prescribed by the *Business Corporations Act* (British Columbia) ("BCABC"), is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through its committees. The Board will facilitate its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The current independent members of the Board of Directors are Jim Lovie, Paul Pagliaro and Ralph Garcea.

Directors are expected to attend Board meetings and meetings of committees on which they serve and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities.

MANDATE OF THE BOARD

The Board is elected by and accountable to the Shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer's business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

Certain of the board nominees are also directors or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)⁽¹⁾

ORIENTATION AND CONTINUING EDUCATION

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings. Board meetings may sometimes be held at the Company's offices and, from time to time, may be combined with presentations by the Company's management to give the directors additional insight into the business. In addition, management of the Company makes itself available for discussion with all board members.

ETHICAL BUSINESS CONDUCT

The board of directors believe that the fiduciary duties placed on individual directors by the governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the board in which the director has an interest will be sufficient to ensure that the board operates independently of management and in the best interests of the Company.

NOMINATION OF DIRECTORS

The Board will, in each year, consider its size when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience. The Company does not have a nominating committee, and these functions will be performed by the Board as a whole.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Company also has a Compensation and Corporate Governance Committee, which is responsible for, among other things, evaluating the performance of the Company's executive officers, determining or making recommendations with respect to the compensation of the Company's executive officers, making recommendations with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations with respect to the compensation policy for the employees of the Company or its subsidiaries and ensuring that the Company is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the board will have the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

All members of the board are experienced participants in business or finance and have sat on the board of directors of other companies, charities or business associations.

The Board will conduct reviews with regard to directors' and officers' compensation at least once a year. For information regarding the steps taken to determine compensation for the directors and executive officers, see "Section 2 - Executive Compensation".

The Board has two committees: the Audit Committee (the "Audit Committee"). The members of the Audit Committee are Jim Lovie (Chair), Craig Pentland and Paul Pagliaro. A description of the function of the Audit Committee can be found in this Information Circular under "Section 3- Audit Committee".

In addition to the Audit Committee, the Board has a Compensation and Corporate Governance Committee, the members of which are Jim Lovie (Chair), Ralph Garcea and Craig Pentland.

ARTICLE 2 PURPOSE AND ADMINISTRATION OF THE PLAN; GRANTING OF AWARDS

2.1 Purpose of the Plan

The purpose of the Plan is to permit the Corporation to grant Awards to Eligible Participants, subject to certain conditions as hereinafter set forth, for the following purposes:

- (a) to increase the interest in the Corporation's welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Corporation or a Subsidiary;
- (b) to provide an incentive to such Eligible Participants to continue their services for the Corporation or a Subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Corporation or a Subsidiary

are necessary or essential to its success, image, reputation or activities;

- (c) to reward Participants for their performance of services while working for the Corporation or a Subsidiary; and
- (d) to provide a means through which the Corporation or a Subsidiary may attract and retain able Persons to enter its employment or service.

2.2 Implementation and Administration of the Plan

- (1) The Plan shall be administered and interpreted by the Board or, if the Board by resolution so decides, by a committee appointed by the Board. If such committee is appointed for this purpose, all references to the "Board" herein will be deemed references to such committee. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of an Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, applicable laws and the rules of the TSXV, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operation of the Plan and any Award Agreements as it may deem necessary or advisable. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board shall be final and binding on the Corporation, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. Members of the Board, or any Person acting at the direction or on behalf of the Board, shall, to the extent permitted by law, be fully indemnified and protected by the Corporation with respect to any such action or determination.
- (5) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Corporation. For greater clarity, the Corporation shall not by virtue of this Plan be in any way restricted from declaring and paying stock dividends, repurchasing Shares or varying or amending its share capital or corporate structure.

2.3 Participation in this Plan

- (1) The Corporation makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant, vesting, exercise or settlement of an Award or any transactions in the Shares or otherwise in respect of participation under the Plan. Neither the Corporation nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant (or any Person with whom the Participant does not deal at arm's length within the meaning of the ITA) under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant (or any Person with whom the Participant does not deal at arm's length within the meaning of the ITA) to compensate for a downward fluctuation in the price of the Shares or any shares of the Corporation or of a related (within the meaning of the ITA) corporation, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Corporation and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with his or her own tax advisors.

- (2) Participants (and their legal representatives) shall have no legal or equitable right, claim or interest in any specific property or asset of the Corporation or any of its Subsidiaries. No asset of the Corporation or any of its Subsidiaries shall be held in any way as collateral security for the fulfillment of the obligations of the Corporation or any of its Subsidiaries under this Plan. Unless otherwise determined by the Board, this Plan shall be unfunded. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Awards under this Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.
- (3) Unless otherwise determined by the Board, the Corporation shall not offer financial assistance to any Participant in regards to the exercise of any Award granted under this Plan; provided, however, if any financial assistance is provided to a Participant, such lending of funds shall comply with Section 6.5 of Policy 4.4 and shall be subject to the prior approval of the Exchange.

2.4 Shares Subject to the Plan

- (1) Subject to adjustment pursuant to Article 7 hereof, and as may be approved by the Exchange and the shareholders of the Corporation from time to time:
 - (a) the securities that may be acquired by Participants pursuant to Awards under this Plan shall consist of authorized but unissued Shares, provided that in the case of Share Units and DSUs, the Corporation (or applicable Subsidiary) may, at its sole discretion, elect to settle such Share Units or DSUs in Shares acquired in the open market by a Designated Broker for the benefit of a Participant; and
 - (b) the total number of Shares reserved and available for grant and issuance pursuant to Awards under the Plan (including such number of securities issued as Dividend **Equivalents**) shall fixed at **20% of the Outstanding Issue as at February 5, 2026 being 37,940,929**, this includes the number of any Shares reserved for issuance pursuant to any other Share Compensation Arrangement, if any (the "**Share Limit**"). During the terms of the Awards, the Corporation shall keep available at all times the number of Shares required to satisfy such Awards. Except for Options which shall be settled in Shares issued from treasury, Shares available for distribution under the Plan may consist, in whole or in part, of authorized and unissued shares, treasury shares or shares reacquired by the Corporation in any manner.
- (2) For the purposes of calculating the number of Shares reserved for issuance under this Plan:
 - (a) each Option shall be counted as reserving one Share under the Plan, and
 - (b) notwithstanding that the settlement of any Share Unit or DSU in Shares shall be at the sole discretion of the Corporation as provided herein, each Share Unit and each DSU shall, in each case, be counted as reserving one Share under the Plan.
- (3) No Award may be granted if such grant would have the effect of causing the total number of Shares reserved for issuance under this Plan to exceed the Share Limit as set out above.
- (4) If (a) an outstanding Award (or portion thereof) expires or is forfeited, surrendered, cancelled or otherwise terminated for any reason without having been exercised, or (b) an outstanding Award (or portion thereof) is settled in cash, then in each such case the Shares reserved for issuance in respect of such Award (or portion thereof) will again be available for issuance under the Plan.

2.5 Participation Limits

- (1) In no event shall this Plan, together with all other established and outstanding Share Compensation Arrangements of the Corporation, permit at any time:
 - (a) the aggregate number of Shares reserved for issuance under Awards granted to Insiders (as a group) at any point in time exceeding 37,940,929 of the fixed number as outlined in 2.4; or
 - (b) the grant to Insiders (as a group), within any 12-month period, of an aggregate number of Awards exceeding 10% of the Outstanding Issue, calculated at the date an Award is granted to any Insider, unless the Corporation has obtained the requisite disinterested shareholder approval.
- (2) The aggregate number of Awards granted to any one Person (and companies wholly owned by that Person) in any 12-month period shall not exceed 5% of the Outstanding Issue, calculated on the date an Award is granted to the Person, unless the Corporation has obtained the requisite disinterested shareholder approval.
- (3) The aggregate number of Awards granted to any one Consultant in any 12-month period shall not exceed 5% of the Outstanding Issue, calculated at the date an Award is granted to the Consultant.
- (4) The aggregate number of Options granted to all Persons retained to provide Investor Relations Activities shall not exceed 5% of the Outstanding Issue in any 12-month period, calculated at the date an Option is granted to any such Person.
- (5) Upon authorization by the Board of the exercise of an Option on a "cashless exercise" basis pursuant to Section 3.6(3) or "net exercise" basis pursuant to Section 3.6(4), the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Corporation, will be included in calculating the limits set forth in Section 2.4(1)(b) and this Section

2.5. Notwithstanding the forgoing, Shares reserved for issuance pursuant to an Award that have been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised, and pursuant to which no securities have been issued, will continue to be issuable under this Plan.

2.6 Granting of Awards

Any Award granted under or otherwise governed by the Plan shall be subject to the requirement that, if at any time counsel to the Corporation shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant, exercise or settlement of such Award or the issuance or purchase of Shares thereunder, as applicable, such Award may not be granted, exercised or settled, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval.

ARTICLE 3 OPTIONS

3.1 Nature of Options

An Option is an option granted by the Corporation to a Participant entitling such Participant to acquire a designated number of Shares from treasury at the Option Price, but subject to the provisions hereof. For greater certainty, the Corporation is obligated to issue and deliver the designated number of Shares on the exercise of an Option and shall have no independent discretion to settle an Option in cash or other property other than Shares issued from treasury. For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

3.2 Option Awards

- (1) Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (a) designate the Eligible Participants who may receive Options under the Plan, (b) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted (which shall not be prior to the date of the resolution of the Board), (c) subject to Section 3.3, determine the price per Share to be payable upon the exercise of each such Option (the "**Option Price**"), (d) determine the relevant vesting provisions (including Performance Criteria, if applicable) and (e) determine the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of the Exchange. For Options granted to employees, management company employees and Consultants, the Corporation and the Participant are responsible for ensuring and confirming that the Participant is a *bona fide* Employee, Management Company Employee or Consultant (in each case as such terms are defined in Section 1.2 of Policy 4.4), as the case may be.
- (2) All Options granted herein shall vest in accordance with the terms of the Option Agreement entered into in respect of such Options. Notwithstanding the foregoing, Options granted to Persons retained to provide Investor Relations Activities must vest in stages over a period of not less than twelve months with no more than one-quarter (1/4) of the Options vesting in any three month period. No acceleration of the vesting provisions of Options granted to Persons retained to provide Investor Relations Activities is allowed without the prior acceptance of the TSXV.

3.3 Option Price

The Option Price in respect of any Option shall be determined and approved by the Board when such Option is granted, but shall not be less than the Market Value of a Share as of the date of the grant. A minimum exercise price cannot be established unless the Options are allocated to particular Participants.

3.4 Option Term

The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten (10) years from the date of grant of the Option ("**Option Term**"). Unless otherwise determined by the Board, all unexercised Options shall be cancelled, without any compensation, at the expiry of such Options. Notwithstanding the expiration provisions hereof, if the date on which an Option Term expires falls within a Blackout Period, the expiration date of the Option will be the date that is ten (10) Business Days after the Blackout Period Expiry Date. Notwithstanding anything else herein contained, the ten (10) Business Day period referred to in this Section 3.4 may not be further extended by the Board.

3.5 Exercise of Options

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board, at the time of granting the particular Option, may determine in its sole discretion.

3.6 Method of Exercise and Payment of Purchase Price

- (1) Subject to the provisions of the Plan, including Sections 3.6(3) and 3.6(4), an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5 hereof) by the Participant (or by the legal representative of the Participant) by delivering a fully completed Exercise Notice, a form of which is attached hereto as Exhibit "B", to the Corporation at its registered office to the attention of the Chief Financial Officer of the Corporation (or the individual that the Chief Financial Officer of the Corporation may from time to time designate) or by giving notice in such other manner as the Corporation may from time to time designate, which notice shall specify the number of Shares

in respect of which the Option is being exercised and shall be accompanied by payment, in full, of (a) the Option Price multiplied by the number of Shares specified in such Exercise Notice, and (b) such amount in respect of withholding taxes and other applicable source deductions as the Corporation may require under Section 8.2. Such payment shall be in the form of cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board.

- (2) Upon exercise of an Option, the Corporation shall, as soon as practicable after such exercise and receipt of all payments required to be made by the Participant to the Corporation in connection with such exercise, but no later than ten (10) Business Days following such exercise and payment, forthwith cause the transfer agent and registrar of the Shares either to:
 - (a) deliver to the Participant (or to the legal representative of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or the legal representative of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the legal representative of the Participant) shall have then paid for and as are specified in such Exercise Notice, which Shares shall be evidenced by a book position on the register of the shareholders of the Corporation to be maintained by the transfer agent and registrar of the Shares.
- (3) The Board may, on terms established by it in its sole discretion and in accordance with Exchange policies (including, if the Corporation is listed on the TSXV, Section 4.8(d)(i) of Policy 4.4), permit an Option to be exercised by way of a "cashless exercise" basis.
- (4) The Board may, in its sole discretion and in accordance with Exchange policies (including, if the Corporation is listed on the TSXV, Section 4.8(d)(ii) of Policy 4.4), permit Options held by a Participant who is not a Person retained to provide Investor Relations Activities to be exercised on a "net exercise" basis such that the Participant receives only the number of Shares underlying such Options that is equal to the quotient obtained by dividing:
 - (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Outstanding Issue and the Option Price of such Options; by
 - (b) the VWAP of the underlying Outstanding Issue.
- (5) Where the Board permits a cashless exercise of Options as provided in Section 3.6(3) or a net exercise of Options as provided in Section 3.6(4), the Corporation shall, where the holder of the Option would otherwise be entitled to a deduction under paragraph 110(1)(d) of the ITA in respect of the ordinary exercise of the Option, make the requisite elections under subsection 110(1.1) of the ITA to agree not to claim a corporate level deduction in respect of such Option.
- (6) No fractional Shares will be issued upon the exercise of Options granted under the Plan and, accordingly, if a Participant would become entitled to a fractional Share upon the exercise of an Option, or from an adjustment pursuant to Section 7.1, such Participant will only have the right to acquire the next lowest whole number of Shares, and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

3.7 Option Agreements

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine with reference to the form attached as Exhibit "A". The Option Agreement shall contain such terms that may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax laws (including, in respect of Canadian Participants (other than Canadian Participants that are Consultants), such terms and conditions so as to ensure that the Option shall be continuously governed by section 7 of the ITA) or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or provide services in or the rules of any

regulatory body having jurisdiction over the Corporation.

ARTICLE 4 RESTRICTED AND PERFORMANCE SHARE UNITS

4.1 Nature of Share Units

A Share Unit is an Award that is a bonus for services rendered in the year of grant, that, upon settlement, entitles the recipient Participant to receive a cash payment equal to the Market Value of a Share or, at the sole discretion of the Board, a Share, and subject to such restrictions and conditions on vesting as the Board may determine at the time of grant, unless such Share Unit expires prior to being settled. Restrictions and conditions on vesting may, without limitation, be based on the passage of time during continued employment or other service relationship (sometimes referred to as a "Restricted Share Unit" or "RSU"), the achievement of specified Performance Criteria (sometimes referred to as a "Performance Share Unit" or "PSU"), or both.

Unless otherwise provided in the applicable Share Unit Agreement, it is intended that Share Units awarded to U.S. Taxpayers will be exempt from Code Section 409A under U.S. Treasury Regulation section 1.409A-1(b)(4), and accordingly such Share Units will be settled/redeemed by March 15th of the year following the year in which such Share Units are not, or are no longer, subject to a substantial risk of forfeiture (as such term is interpreted under Code Section 409A). For greater certainty, upon the satisfaction or waiver or deemed satisfaction of all Performance Criteria and other vesting conditions, the Share Units of U.S. Taxpayers will no longer be subject to a substantial risk of forfeiture, and will be settled/redeemed by March 15th of the following year (the "**U.S. Share Unit Outside Expiry Date**"). It is intended that, in respect of Share Units granted to Canadian Participants (other than Canadian Participants that are Consultants) as a bonus for services rendered in the year of grant, neither the Plan nor any Share Units granted hereunder will constitute a "salary deferral arrangement" as defined in subsection 248(1) of the ITA, by reason of the exemption in paragraph (k) thereof. All Share Units granted hereunder shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages received or receivable by any Canadian Participant in respect of his or her services to the Corporation or a Subsidiary, as applicable.

4.2 Share Unit Awards

- (1) Subject to the provisions herein and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (a) designate the Eligible Participants who may receive Share Units under the Plan, (b) fix the number of Share Units, if any, to be granted to each Eligible Participant and the date or dates on which such Share Units shall be granted, (c) determine the relevant conditions, vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restriction Period of such Share Units, and (d) determine any other terms and conditions applicable to the granted Share Units, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any Share Unit Agreement. For Share Units granted to employees, management company employees and Consultants, the Corporation and the Participant are responsible for ensuring and confirming that the Participant is a *bona fide* Employee, Management Company Employee or Consultant (in each case as such terms are defined in Section 1.2 of Policy 4.4), as the case may be.
- (2) All Share Units granted herein shall vest in accordance with the terms of the Share Unit Agreement entered into in respect of such Share Units, provided that no Share Unit shall vest before the one-year anniversary from the date of grant.
- (3) Subject to the vesting and other conditions and provisions in this Plan and in the applicable Share Unit Agreement, each Share Unit awarded to a Participant shall entitle the Participant to receive, on settlement, a cash payment equal to the Market Value of a Share, or, at the discretion of the Board, one Share or any combination of cash and Shares as the Board in its sole discretion may determine, in each case subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.2. For greater certainty, no Participant shall have any

right to demand to be paid in, or receive, Shares in respect of any Share Unit, and, notwithstanding any discretion exercised by the Board to settle any Share Unit, or a portion thereof, in the form of Shares, the Board reserves the right to change such form of payment at any time until payment is actually made.

4.3 Share Unit Agreements

- (1) The grant of a Share Unit by the Board shall be evidenced by a Share Unit Agreement in such form not inconsistent with the Plan as the Board may from time to time determine with reference to the form attached as Exhibit "C". Such Share Unit Agreement shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and which the Board deems appropriate for inclusion in a Share Unit Agreement. The provisions of the various Share Unit Agreements issued under this Plan need not be identical.
- (2) The Share Unit Agreement shall contain such terms that the Corporation considers necessary in order that the Share Units granted to U.S. Taxpayers will comply with Code Section 409A and any provisions respecting restricted share units in the income tax laws (including, in respect of Canadian Participants (other than Canadian Participants that are Consultants), such terms and conditions so as to ensure that the Share Units shall not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the ITA, by reason of the exemption in paragraph (k) thereof) or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or provide services in or the rules of any regulatory body having jurisdiction over the Corporation.

4.4 Vesting of Share Units

The Board shall have sole discretion to (a) determine if any vesting conditions with respect to a Share Unit, including any Performance Criteria or other vesting conditions contained in the applicable Share Unit Agreement, have been met, (b) waive the vesting conditions applicable to Share Units (or deem them to be satisfied), and (c) extend the Restriction Period with respect to any grant of Share Units, provided that (i) any such extension shall not result in the Restriction Period for such Share Units extending beyond the Share Unit Outside Expiry Date, and (ii) with respect to any grant of Share Units to a U.S. Taxpayer, such extension constitutes a substantial risk of forfeiture and such Share Units will continue to be exempt from (or otherwise comply with) Code Section 409A. The Corporation shall communicate to a Participant, as soon as reasonably practicable, the date on which all such applicable vesting conditions in respect of a grant of Share Units to the Participant have been satisfied, waived or deemed satisfied and such Share Units have vested (the "**Vesting Date**").

4.5 Redemption / Settlement of Share Units

- (1) Subject to the provisions of this Section 4.5 and Section 4.6, a Participant's vested Share Units shall be redeemed in consideration for a cash payment on the date (the "**Redemption Date**") that is determined by the Corporation in its sole discretion, provided that such date shall not be later than:
 - (a) in the case of a Canadian Participant, the earlier of: i) 30 days following the Participant's Termination Date; or, ii) the Share Unit Outside Expiry Date, and
 - (b) in the case of a Participant who is a U.S. Taxpayer, the earlier of: i) 30 days following the Participant's Termination Date; or, ii) the U.S. Share Unit Outside Expiry Date.
- (2) Subject to the provisions of this Section 4.5 and Section 4.6, during the period between the Vesting Date and the Redemption Date in respect of a Participant's vested Share Units, the Corporation (or any Subsidiary that is party to an Employment Agreement or Consulting Agreement with the Participant whose vested Share Units are to be redeemed) shall, at its sole discretion, be entitled to elect to settle all or any portion of the cash payment obligation otherwise arising in respect of the Participant's vested Share Units either (a) by the issuance of Shares to the Participant (or the legal

representative of the Participant, if applicable) on the Redemption Date, or (b) by paying all or a portion of such cash payment obligation to the Designated Broker, who shall use the funds received to purchase Shares in the open market, which Shares shall be registered in the name of the Designated Broker in a separate account for the Participant's benefit.

- (3) Settlement of a Participant's vested Share Units shall take place on the Redemption Date as follows:
- (a) where the Corporation (or applicable Subsidiary) has elected to settle all or a portion of the Participant's vested Share Units in Shares issued from treasury:
 - (i) in the case of Shares issued in certificated form, by delivery to the Participant (or to the legal representative of the Participant, if applicable) of a certificate in the name of the Participant (or the legal representative of the Participant, if applicable) representing the aggregate number of Shares that the Participant is entitled to receive, subject to satisfaction of any applicable withholding tax and other applicable source deductions in accordance with Section 8.2; or
 - (ii) in the case of Shares issued in uncertificated form, by the issuance to the Participant (or to the legal representative of the Participant, if applicable) of the aggregate number of Shares that the Participant is entitled to receive, subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.2, which Shares shall be evidenced by a book position on the register of the shareholders of the Corporation to be maintained by the transfer agent and registrar of the Shares;
 - (b) where the Corporation or a Subsidiary has elected to settle all or a portion of the Participant's vested Share Units in Shares purchased in the open market, by delivery by the Corporation or Subsidiary of which the Participant is a director, executive officer, employee or Consultant to the Designated Broker of readily available funds in an amount equal to the Market Value of a Share as of the Redemption Date multiplied by the number of vested Share Units to be settled in Shares purchased in the open market, less the amount of any applicable withholding tax and other applicable source deductions under Section 8.2, along with directions instructing the Designated Broker to use such funds to purchase Shares in the open market for the benefit of the Participant and to be evidenced by a confirmation from the Designated Broker of such purchase;
 - (c) any cash payment to which the Participant is entitled (excluding, for the avoidance of doubt, any amount payable in respect of the Participant's Share Units that the Corporation or a Subsidiary has elected to settle in Shares) shall, subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.2, be paid to the Participant (or to the legal representative of the Participant, if applicable) by the Corporation or Subsidiary of which the Participant is a director, executive officer, employee or Consultant, in cash, by cheque or by such other payment method as the Corporation and Participant may agree; and
 - (d) where the Corporation or a Subsidiary has elected to settle a portion, but not all, of the Participant's vested Share Units in Shares, the Participant shall be deemed to have instructed the Corporation or Subsidiary, as applicable, to withhold from the cash portion of the payment to which the Participant is otherwise entitled such amount as may be required in accordance with Section 8.2 and to remit such withheld amount to the applicable taxation authorities on account of any withholding tax obligations, and the Corporation or Subsidiary, as applicable, shall deliver any remaining cash payable, after making any such remittance, to the Participant (or to the legal representative of the Participant, if applicable) as soon as reasonably practicable. In the event that the cash portion payable to settle a Participant's Share Units in the foregoing circumstances is not sufficient to satisfy the withholding obligations of the Corporation or a Subsidiary pursuant to Section 8.2, the Corporation or Subsidiary, as applicable, shall be entitled to satisfy any remaining withholding obligation by any other mechanism as may be required or determined by the Corporation or Subsidiary as appropriate.

- (4) Notwithstanding any other provision in this Article 4, no payment, whether in cash or in Shares, shall be made in respect of the settlement of any Share Units later than December 15th of the third (3rd) calendar year following the end of the calendar year in respect of which such Share Unit is granted (the "**Share Unit Outside Expiry Date**").

4.6 Determination of Amounts

- (1) The cash payment obligation arising in respect of the redemption and settlement of a vested Share Unit pursuant to Section 4.5 shall be equal to the Market Value of a Share as of the applicable Redemption Date. For the avoidance of doubt, the aggregate cash amount to be paid to a Participant (or the legal representative of the Participant, if applicable) in respect of a particular redemption of the Participant's vested Share Units shall, subject to any adjustments in accordance with Section 7.1 and any withholding required pursuant to Section 8.2, be equal to the Market Value of a Share as of the Redemption Date for such vested Share Units multiplied by the number of vested Share Units in the Participant's Account at the commencement of the Redemption Date (after deducting any such vested Share Units in the Participant's Account in respect of which the Corporation (or applicable Subsidiary) makes an election under Section 4.5(2) to settle such vested Share Units in Shares).
- (2) If the Corporation (or applicable Subsidiary) elects in accordance with Section 4.5(2) to settle all or a portion of the cash payment obligation arising in respect of the redemption of a Participant's vested Share Units by the issuance of Shares, the Corporation shall, subject to any adjustments in accordance with Section 7.1 and any withholding required pursuant to Section 8.2, issue to the Participant (or the legal representative of the Participant, if applicable), for each vested Share Unit which the Corporation (or applicable Subsidiary) elects to settle in Shares, one Share. Where, as a result of any adjustment in accordance with Section 7.1 and/or any withholding required pursuant to Section 8.2, the aggregate number of Shares to be received by a Participant upon an election by the Corporation (or applicable Subsidiary) to settle all or a portion of the Participant's vested Share Units in Shares includes a fractional Share, the aggregate number of Shares to be received by the Participant shall be rounded down to the nearest whole number of Shares.

4.7 Award of Dividend Equivalents

- (1) Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded as a bonus for services rendered in the year in respect of unvested Share Units in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional Share Units, the number of which shall be equal to a fraction where the numerator is the product of (a) the number of Share Units in such Participant's Account on the date that dividends are paid multiplied by (b) the dividend paid per Share and the denominator of which is the Market Value of a Share calculated as of the date that dividends are paid. Any additional Share Units credited to a Participant's Account as a Dividend Equivalent shall be subject to the same terms and conditions (including vesting, Restriction Periods and expiry) as the Share Units in respect of which such additional Share Units are credited. If the number of securities issued as Dividend Equivalents, together with all of the Corporation's other share-based compensation, would exceed the Share Limit, then such Dividend Equivalents will be paid in cash.
- (2) In the event that the Participant's applicable Share Units do not vest, all Dividend Equivalents, if any, associated with such Share Units will be forfeited by the Participant.

ARTICLE 5

DEFERRED SHARE UNITS

5.1 Nature of DSUs

A DSU is an Award for services rendered, or for future services to be rendered, and that, upon settlement, entitles the recipient Eligible Participant to receive cash or acquire Shares, as determined by the Corporation

in its sole discretion, unless such DSU expires prior to being settled.

For greater certainty, the aggregate of all amounts each of which may be received in respect of a DSU shall depend, at all times, on the fair market value of shares in the capital of the Corporation or any corporation related (within the meaning of the ITA) thereto within the period that commences one year prior to the Participant's Termination Date and ends at the time the amount is received.

5.2 DSU Awards

- (1) Subject to the provisions of this Plan, any shareholder or regulatory approval which may be required, and the requirements of paragraph 6801(d) of the ITA Regulations and Code Section 409A, the Board shall, from time to time by resolution, in its sole discretion, (a) designate the Eligible Participants who may receive DSUs under the Plan, (b) fix the number of DSUs, if any, to be granted to any Eligible Participant and the date or dates on which such DSUs shall be granted, and (c) determine the relevant conditions and vesting provisions for such DSUs, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement, as applicable.
- (2) All DSUs granted herein shall vest in accordance with the terms of the DSU Agreement entered into in respect of such DSUs, provided that no DSU shall vest before the one-year anniversary from the date of grant.
- (3) Subject to the vesting and other conditions and provisions in this Plan and in any DSU Agreement, each DSU awarded to a Participant shall entitle the Participant to receive on settlement a cash payment equal to the Market Value of a Share, or, at the discretion of the Board, one Share or any combination of cash and Shares as the Corporation in its sole discretion may determine. For greater certainty, no Participant shall have any right to demand to be paid in, or receive, Shares in respect of any DSU, and, notwithstanding any discretion exercised by the Corporation to settle any DSU, or portion thereof, in the form of Shares, the Corporation reserves the right to change such form of payment at any time until payment is actually made.

5.3 DSU Agreements

- (1) The grant of a DSU by the Board shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine with reference to the form attached as Exhibit "D". Such DSU Agreement shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and which the Board deems appropriate for inclusion in a DSU Agreement. The provisions of the various DSU Agreements issued under this Plan need not be identical.
- (2) Each DSU Agreement shall contain such terms that the Corporation considers necessary in order that the DSUs granted thereunder to U.S. Taxpayers will comply with Code Section 409A and any provisions respecting deferred share units in the income tax laws (including, in respect of Canadian Participants, such terms and conditions so as to ensure that the DSUs shall not constitute a "salary deferral arrangement" as defined in subsection 248(1) of the ITA by reason of the exemption in paragraph 6801(d) of the ITA Regulations) or other laws in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or provide services in or the rules of any regulatory body having jurisdiction over the Corporation.

5.4 Redemption / Settlement of DSUs

- (1) Except as otherwise provided in this Section 5.4 or Section 8.8 of this Plan, (i) DSUs of a Participant who is a U.S. Taxpayer shall be redeemed and settled by the Corporation as soon as reasonably practicable following the Participant's Separation from Service, and (ii) DSUs of a Participant who is a Canadian Participant (or who is neither a U.S. Taxpayer nor a Canadian Participant) shall be redeemed and settled by the Corporation as soon as reasonably practicable following the Participant's Termination Date, but in any event not later than, and any payment (whether in cash

or in Shares) in respect of the settlement of such DSUs shall be made no later than, December 15th of the first (1st) calendar year commencing immediately after the Participant's Termination Date. Notwithstanding the foregoing, if a payment in settlement of DSUs of a Participant who is both a U.S. Taxpayer and a Canadian Participant:

- (a) is required as a result of his or her Separation from Service in accordance with clause (i) above, but such payment would result in such DSUs failing to satisfy the requirements of paragraph 6801(d) of the ITA Regulations, and the Board determines that it is not practical to make such payment in some other manner or at some other time that complies with both Code Section 409A and paragraph 6801(d) of the ITA Regulations, then such payment will be made to a trustee to be held in trust for the benefit of the Participant in a manner that causes the payment to be included in the Participant's income under the Code but does not contravene the requirements of paragraph 6801(d) of the ITA Regulations, and the amount shall thereafter be paid out of the trust at such time and in such manner as complies with the requirements of paragraph 6801(d) of the ITA Regulations; or
 - (b) is required pursuant to clause (ii) above, but such payment would result in such DSUs failing to satisfy the requirements of Code Section 409A because the Participant has not experienced a Separation from Service, and if the Board determines that it is not practical to make such payment in some other manner or at some other time that satisfies the requirements of both Code Section 409A and paragraph 6801(d) of the ITA Regulations, then the Participant shall forfeit such DSUs without compensation therefor.
- (2) The Corporation will have, at its sole discretion, the ability to elect to settle all or any portion of the cash payment obligation otherwise arising in respect of the redemption and settlement of a Participant's DSUs either (a) by the issuance of Shares to the Participant (or the legal representative of the Participant, if applicable) on the DSU Redemption Date, or (b) by paying all or a portion of such cash payment obligation to the Designated Broker, who shall use the funds received to purchase Shares in the open market, which Shares shall be registered in the name of the Designated Broker in a separate account for the Participant's benefit.
 - (3) For greater certainty, the Corporation shall not pay any cash or issue or deliver any Shares to a Participant in satisfaction of the redemption of a Participant's DSUs prior to the Corporation being satisfied, in its sole discretion, that all applicable withholding taxes and other applicable source deductions under Section 8.2 will be timely withheld or received and remitted to the appropriate taxation authorities in respect of any particular Participant and any particular DSUs.
 - (4) The redemption and settlement of a Participant's DSUs shall occur on the applicable DSU Redemption Date as follows:
 - (a) where the Corporation has elected to settle all or a portion of the Participant's DSUs in Shares issued from treasury:
 - (i) in the case of Shares issued in certificated form, by delivery to the Participant (or to the legal representative of the Participant, if applicable) of a certificate in the name of the Participant (or the legal representative of the Participant, if applicable) representing the aggregate number of Shares that the Participant is entitled to receive, subject to satisfaction of any applicable withholding tax and other applicable source deductions in accordance with Section 8.2; or
 - (ii) in the case of Shares issued in uncertificated form, by the issuance to the Participant (or to the legal representative of the Participant, if applicable) of the aggregate number of Shares that the Participant is entitled to receive, subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.2, which Shares shall be evidenced by a book position on the register of the shareholders of the Corporation to be maintained by the transfer agent and registrar of the Shares;

- (b) where the Corporation has elected to settle all or a portion of the Participant's DSUs in Shares purchased in the open market, by delivery by the Corporation to the Designated Broker of readily available funds in an amount equal to the Market Value of a Share as of the applicable DSU Redemption Date multiplied by the number of DSUs to be settled in Shares purchased in the open market, less the amount of any applicable withholding tax and other applicable source deductions under Section 8.2, along with directions instructing the Designated Broker to use such funds to purchase Shares in the open market for the benefit of the Participant and to be evidenced by a confirmation from the Designated Broker of such purchase;
 - (c) any cash payment to which the Participant is entitled (excluding, for the avoidance of doubt, any amount payable in respect of the Participant's DSUs that the Corporation has elected to settle in Shares) shall, subject to satisfaction of any applicable withholding tax and other applicable source deductions under Section 8.2, be paid to the Participant (or to the legal representative of the Participant, if applicable) by the Corporation in cash, by cheque or by such other payment method as the Corporation and Participant may agree; and
 - (d) where the Corporation has elected to settle a portion, but not all, of the Participant's DSUs in Shares, the Participant shall be deemed to have instructed the Corporation to withhold from the cash portion of the payment to which the Participant is otherwise entitled such amount as may be required in accordance with Section 8.2 and to remit such withheld amount to the applicable taxation authorities on account of any withholding obligations of the Corporation, and the Corporation shall deliver any remaining cash payable, after making any such remittance, to the Participant (or to the legal representative of the Participant, if applicable) as soon as reasonably practicable. In the event that the cash portion elected by the Corporation to settle the Participant's DSUs is not sufficient to satisfy the withholding obligations of the Corporation pursuant to Section 8.2, any remaining amounts shall be satisfied by the Corporation by any other mechanism as may be required or determined by the Corporation as appropriate.
- (5) For greater certainty, no DSU shall be redeemable or settled beyond a date that is twelve (12) months from the Participant's Termination Date or such date that a Participant ceases to be an Eligible Participant, and no Participant shall have any rights with respect to any DSU not redeemed or settled beyond such date.

5.5 Determination of Amounts

- (1) The cash payment obligation by the Corporation in respect of the redemption and settlement of a DSU pursuant to Section 5.4 shall be equal to the Market Value of a Share as of the applicable DSU Redemption Date. For the avoidance of doubt, the aggregate cash amount to be paid to a Participant (or the legal representative of the Participant, if applicable) in respect of a particular redemption of the Participant's DSUs shall, subject to any adjustment in accordance with Section 7.1 and any withholding required pursuant to Section 8.2, be equal to the Market Value of a Share as of the DSU Redemption Date for such DSUs multiplied by the number of DSUs being redeemed (after deducting any such DSUs in respect of which the Corporation makes an election under Section 5.4(2) to settle such DSUs in Shares).
- (2) If the Corporation elects in accordance with Section 5.4(2) to settle all or a portion of the cash payment obligation arising in respect of the redemption of a Participant's DSUs by the issuance of Shares, the Corporation shall, subject to any adjustments in accordance with Section 7.1 and any withholding required pursuant to Section 8.2, issue to the Participant, for each DSU which the Corporation elects to settle in Shares, one Share. Where, as a result of any adjustment in accordance with Section 7.1 and/or any withholding required pursuant to Section 8.2, the aggregate number of Shares to be received by a Participant upon an election by the Corporation to settle all or a portion of the Participant's DSUs includes a fractional Share, the aggregate number of Shares to be received by the Participant shall be rounded down to the nearest whole number of Shares.

5.6 Award of Dividend Equivalents

- (1) Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded, as an

additional bonus for services rendered in that particular calendar year, in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date. Dividend Equivalents, if any, will be credited to the Participant's Account in additional DSUs, the number of which shall be equal to a fraction where the numerator is the product of (a) the number of DSUs in such Participant's Account on the date that dividends are paid multiplied by (b) the dividend paid per Share and the denominator of which is the Market Value of a Share calculated as of the date that dividends are paid. Any additional DSUs credited to a Participant's Account as a Dividend Equivalent shall be subject to the same terms and conditions (including vesting conditions) as the DSUs in respect of which such additional DSUs are credited. If the number of securities issued as Dividend Equivalents, together with all of the Corporation's other share-based compensation, would exceed the Share Limit, then such Dividend Equivalents will be paid in cash.

- (2) In the event that the Participant's applicable DSUs do not vest, all Dividend Equivalents, if any, associated with such DSUs will be forfeited by the Participant.

ARTICLE 6 GENERAL CONDITIONS

6.1 General Conditions Applicable to Awards

Each Award shall be subject to the following conditions:

- (1) **Vesting Period.** Each Award granted hereunder shall vest in accordance with the terms of this Plan and the Award Agreement entered into in respect of such Award. The Board has the right, in its sole discretion, to waive any vesting conditions or accelerate the vesting of any Award, or to deem any Performance Criteria or other vesting conditions to be satisfied, notwithstanding the vesting schedule set forth for such Award; provided, however, that no acceleration of the vesting provisions of Options granted to Persons retained to provide Investor Relations Activities is allowed without the prior acceptance of the TSXV.
- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Corporation or a Subsidiary to the Participant of employment or another service relationship with the Corporation or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Corporation or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the Corporation or any of its Subsidiaries in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.
- (3) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Corporation or any Subsidiary.
- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as a shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Without in any way limiting the generality of the foregoing and except as provided under this Plan, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.

- (5) **Conformity to Plan.** In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) **Non-Transferability.** Except as set forth herein, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of descent and distribution. Awards may be exercised only by:
- (a) the Participant to whom the Awards were granted;
 - (b) upon the Participant's death, by the legal representative of the Participant's estate; or
 - (c) upon the Participant's incapacity, the legal representative having authority to deal with the property of the Participant; provided that any such legal representative shall first deliver evidence satisfactory to the Corporation of entitlement to exercise any Award. A Person exercising an Award may subscribe for Shares only in the Person's own name or in the Person's capacity as a legal representative.
- (7) **Participant's Entitlement.** Except as otherwise provided in this Plan (including, without limiting the generality of the foregoing, pursuant to Section 6.2), or unless the Board permits otherwise, upon any Subsidiary of the Corporation ceasing to be a Subsidiary of the Corporation, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Corporation and not of the Corporation itself, whether or not then exercisable, shall automatically terminate on the date of such change.

6.2 General Conditions Applicable to Options

Except as otherwise provided in any Employment Agreement or Consulting Agreement or in any Award Agreement, each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the determination by the Corporation that the Participant was discharged for Cause shall be binding on the Participant. "**Cause**" shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Corporation's codes of conduct and any other reason determined by the Corporation to be cause for termination.
- (2) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Corporation or a Subsidiary being terminated without Cause (including, for the avoidance of doubt, as a result of any Subsidiary of the Corporation ceasing to be a Subsidiary of the Corporation, as contemplated by Section 6.1(7)), (a) each unvested Option granted to such Participant shall terminate and become void immediately upon such termination, and (b) each vested Option held by such Participant shall cease to be exercisable on the earlier of (i) ninety (90) days after the Participant's Termination Date (or such later date as the Board may, in its sole discretion, determine, but which shall not be later than twelve (12) months from the Participant's Termination Date) and (ii) the expiry date of such Option as set forth in the applicable Award Agreement, after which such vested Option will expire.

- (3) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Corporation or a Subsidiary, (a) each unvested Option granted to such Participant shall terminate and become void immediately upon such resignation, and (b) each vested Option held by such Participant shall cease to be exercisable on the earlier of (i) ninety (90) days after the Participant's Termination Date (or such later date as the Board may, in its sole discretion, determine, but which shall not be later than twelve (12) months from the Participant's Termination Date) and (ii) the expiry date of such Option as set forth in the applicable Award Agreement, after which such vested Option will expire.
- (4) **Retirement/Permanent Disability.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement or permanent disability, (a) each unvested Option granted to such Participant shall terminate and become void immediately, and (b) each vested Option held by such Participant shall cease to be exercisable on the earlier of (i) ninety (90) days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Corporation or any Subsidiary by reason of permanent disability (or such later date as the Board may, in its sole discretion, determine, but which shall not be later than twelve (12) months from the Participant's Termination Date) and (ii) the expiry date of such Option as set forth in the applicable Award Agreement, after which such vested Option will expire.
- (5) **Death.** Upon a Participant ceasing to be an Eligible Participant by reason of death, (a) each unvested Option granted to such Participant shall terminate and become void immediately, and (b) each vested Option held by such Participant at the time of death may be exercised by the legal representative of the Participant, provided that any such vested Option shall cease to be exercisable on the earlier of (i) the date that is twelve (12) months after the Participant's death or (ii) the expiry date of such Option as set forth in the applicable Award Agreement, after which such vested Option will expire.
- (6) **Leave of Absence.** Upon a Participant electing a voluntary leave of absence of more than twelve (12) months, including maternity and paternity leaves, the Board may determine, at its sole discretion but subject to applicable laws, that such Participant's participation in the Plan shall be terminated, provided that all vested Options shall remain outstanding and in effect until the earlier of (i) the date that is twelve (12) months after a Participant ceases to be an Eligible Participant, (ii) the applicable exercise date, or (iii) such earlier date determined by the Board at its sole discretion.

6.3 General Conditions Applicable to Share Units

Except as otherwise provided in any Employment Agreement or Consulting Agreement or in any Award Agreement, each Share Unit shall be subject to the following conditions:

- (1) **Termination for Cause and Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of his or her resignation from the Corporation or a Subsidiary, the Participant's participation in the Plan shall be terminated immediately, all Share Units credited to such Participant's Account that have not vested shall be forfeited and cancelled, and the Participant's rights that relate to such Participant's unvested Share Units shall be forfeited and cancelled on the Termination Date.
- (2) **Death, Leave of Absence or Termination of Service.** Except as otherwise determined by the Board from time to time, at its sole discretion, upon a Participant electing a voluntary leave of absence of more than twelve (12) months, including maternity and paternity leaves, or upon a Participant ceasing to be Eligible Participant as a result of (a) death, (b) retirement, (c) Termination of Service for reasons other than for Cause, (d) his or her employment or service relationship with the Corporation or a Subsidiary being terminated by reason of injury or disability or (e) becoming eligible to receive long-term disability benefits, all unvested Share Units in the Participant's Account as of such date relating to a Restriction Period in progress shall be forfeited and cancelled. Notwithstanding the foregoing, if the Board, in its sole discretion, instead accelerates the vesting or waives vesting conditions with respect to all or some portion of outstanding unvested Share Units, the date of such action is the Vesting Date, so long as no Share Units vest before the one year

anniversary of being granted unless in connection with a Change of Control or the death of a Participant.

- (3) **General.** For greater certainty, where (a) a Participant's employment or service relationship with the Corporation or a Subsidiary is terminated pursuant to Section 6.3(1) or Section 6.3(2) hereof or (b) a Participant elects for a voluntary leave of absence pursuant to Section 6.3(2) hereof following the satisfaction of all vesting conditions in respect of particular Share Units but before receipt of the corresponding distribution or payment in respect of such Share Units, the Participant shall remain entitled to such distribution or payment until the earlier of (i) a date that is twelve (12) months from the Participant's Termination Date or such date that a Participant ceases to be an Eligible Participant, as applicable, or (ii) the Vesting Date. For greater certainty, no Share Unit shall be exercisable, redeemable or settled beyond a date that is twelve (12) months from the Participant's Termination Date or such date that a Participant ceases to be an Eligible Participant, and no Participant shall have any rights with respect to any Share Unit not redeemed or settled beyond such date.

ARTICLE 7 ADJUSTMENTS AND AMENDMENTS

7.1 Adjustment to Shares Subject to Outstanding Awards

At any time after the grant of an Award to a Participant and prior to the expiration of the term of such Award or the forfeiture or cancellation of such Award, in the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of the Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Corporation with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Corporation of cash, evidences of indebtedness or other assets of the Corporation (excluding an ordinary course dividend in cash or shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Corporation or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares or cash payment to which the Participant is entitled upon exercise or settlement of such Award; or
- (c) adjustments to the number or kind of shares reserved for issuance pursuant to the Plan.

7.2 Change of Control

- (1) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, to accelerate the vesting of Options to assist the Participants to tender into a takeover bid or participate in any other transaction leading to a Change of Control. For greater certainty, in the event of a take-over bid or any other transaction leading to a Change of Control, the Board shall have the power, in its sole discretion, to (a) provide that any or all Options shall thereupon terminate, provided that any such outstanding Options that have vested shall remain exercisable until the consummation of such Change of Control, and (b) permit Participants to conditionally exercise their vested Options immediately prior to the consummation of the take-over bid and the Shares issuable under such Options to be tendered to such bid, such conditional exercise to be conditional upon the take-up by such offeror of the Shares or other securities tendered to such take-over bid in accordance with the terms of such take-over bid (or the effectiveness of such other transaction leading to a Change of Control). If, however, the potential Change of Control referred to in this Section 7.2 is not completed within the time specified therein (as the same may be extended), then notwithstanding this Section 7.2 or the definition of "Change of Control": (i) any conditional exercise of vested Options shall be deemed to be null, void and of no effect, and such conditionally exercised Options shall for all purposes be deemed not to have been exercised, (ii) Shares which were issued pursuant to the exercise of Options which vested pursuant to this Section 7.2 shall be returned by the Participant to the Corporation and reinstated as authorized but unissued Shares, and (iii) the original terms applicable to Options which vested pursuant to this Section 7.2 shall be reinstated. In the event of a Change of Control, the Board may exercise its discretion to accelerate the vesting of, or waive the Performance Criteria or other vesting conditions applicable to, outstanding Share Units, and the date of such action shall be the Vesting Date of such Share Units.
- (2) If the Corporation completes a transaction constituting a Change of Control and within twelve (12) months following the Change of Control a Participant who was also an officer or employee of, or Consultant to, the Corporation prior to the Change of Control has their Employment Agreement or Consulting Agreement terminated, then: (a) all unvested Options granted to such Participant shall immediately vest and become exercisable, and remain open for exercise until the earlier of (i) their expiry date as set out in the applicable Award Agreement, and (ii) the date that is 90 days after such termination or dismissal; and (b) all unvested Share Units shall become vested, and the date of such Participant's Termination Date shall be deemed to be the Vesting Date.

7.3 Initial Approval, Amendment or Discontinuance of the Plan

- (1) Prior to its implementation by the Corporation, this Plan is subject to approval by the Exchange and the shareholders of the Corporation and thereafter this Plan must be approved by shareholders of the Corporation and the Exchange on an annual basis.
- (2) The Board may amend the Plan or any Award at any time without the consent of the Participants, provided that such amendment shall:
 - (a) not adversely alter or impair the rights of any Participant, without the consent of such Participant, except as permitted by the provisions of the Plan;
 - (b) be in compliance with applicable law (including Code Section 409A and the provisions of the ITA, to the extent applicable), and subject to any regulatory approvals including, where required, the approval of the TSXV (or any other stock exchange on which the Shares are listed); and

- (c) be subject to shareholder approval to the extent such approval is required by applicable law or the requirements of the TSXV (or any other stock exchange on which the Shares are listed), provided that the Board may, from time to time, in its absolute discretion and without approval of the shareholders of the Corporation, make the following amendments:
 - (i) other than amendments to the exercise price and the expiry date of any Award as described in Section 7.3(3)(b) and Section 7.3(3)(c), any amendment, with the consent of the Participant, to the terms of an Award previously granted to such Participant under the Plan;
 - (ii) any amendment necessary to comply with applicable law (including taxation laws) or the requirements of the TSXV (or any other stock exchange on which the Shares are listed) or any other regulatory body to which the Corporation is subject;
 - (iii) any amendment of a "housekeeping" nature, including, without limitation, amending the wording of any provision of the Plan for the purpose of clarifying the meaning of existing provisions or to correct or supplement any provision of the Plan that is inconsistent with any other provision of the Plan, correcting grammatical or typographical errors and amending the definitions contained within the Plan; or
 - (iv) any amendment regarding the administration or implementation of the Plan.
- (3) Notwithstanding Section 7.3(2)(c), the Board shall be required to obtain shareholder approval, including, if required by the applicable Exchange, disinterested shareholder approval, to make the following amendments:
 - (a) any amendment to the maximum percentage or number of Shares that may be reserved for issuance pursuant to the exercise or settlement of Awards granted under the Plan, including an increase to the fixed maximum percentage of Shares or a change from a fixed maximum percentage of Shares to a fixed maximum number of Shares or vice versa, except in the event of an adjustment pursuant to Section 7.1;
 - (b) any amendment which reduces the exercise price of any Award, as applicable, after such Award has been granted or any cancellation of an Award and the replacement of such Award with an Award with a lower exercise price or other entitlements, except in the event of an adjustment pursuant to Section 7.1; provided, however, that, for greater certainty, disinterested shareholder approval will be required for any amendment which reduces the exercise price of any Option if the Participant is an Insider of the Corporation at the time of the proposed amendment;
 - (c) any amendment which extends the expiry date of any Award, or the Restriction Period of any Share Unit beyond the original expiry date or Restriction Period, except in the event of an extension due to a Blackout Period; provided, however, that, for greater certainty, disinterested shareholder approval will be required for any amendment which extends the expiry date of an Option if the Participant is an Insider of the Corporation at the time of the proposed amendment;
 - (d) any amendment to the definition of an Eligible Participant under the Plan;
 - (e) any amendment to the participation limits set out in Section 2.5; or
 - (f) any amendment to this Section 7.3 of the Plan.
- (4) The Board may, by resolution, but subject to applicable regulatory and shareholder approval, decide that any of the provisions hereof concerning the effect of termination of the Participant's employment or engagement shall not apply for any reason acceptable to the Board.

- (5) The Board may, subject to regulatory approval, discontinue the Plan at any time without the consent of the Participants provided that such discontinuance shall not materially and adversely affect any Awards previously granted to a Participant under the Plan.

ARTICLE 8 MISCELLANEOUS

8.1 Use of an Administrative Agent

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent to administer the Awards granted under the Plan and to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Corporation and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

8.2 Tax Withholding

Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the legal representative of the Participant) under this Plan shall be made net of any applicable withholdings, including in respect of applicable withholding taxes required to be withheld at source and other source deductions, as the Corporation determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then the withholding obligation may be satisfied in such manner as the Corporation determines, including (a) by the sale of a portion of such Shares by the Corporation, the Corporation's transfer agent and registrar or any trustee appointed by the Corporation pursuant to Section 8.1, on behalf of and as agent for the Participant, as soon as permissible and practicable, with the proceeds of such sale being used to satisfy any withholding and remittance obligations of the Corporation (and any remaining proceeds, following such withholding and remittance, to be paid to the Participant), (b) by requiring the Participant, as a condition of receiving such Shares, to pay to the Corporation an amount in cash sufficient to satisfy such withholding, or (c) any other mechanism as may be required or determined by the Corporation as appropriate.

8.3 Securities Law Compliance

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award, the exercise of any Option, the delivery of any Shares upon exercise of any Option, or the Corporation's election to deliver Shares in settlement of any Share Units or DSUs, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Corporation, be required. The Corporation shall not be obliged by any provision of the Plan or the grant of any Award or exercise of any Option hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.
- (3) Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.
- (4) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

- (5) With respect to Awards granted in the United States or to U.S. Persons (as defined under Regulation S under the U.S. Securities Act) or at such time as the Corporation ceases to be a "foreign private issuer" (as defined under the U.S. Securities Act), unless the Shares which may be issued upon the exercise or settlement of such Awards are registered under the U.S. Securities Act, the Awards granted hereunder and any Shares that may be issuable upon the exercise or settlement of such Awards will be considered "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Accordingly, any such Awards or Shares issued prior to an effective registration statement filed with the SEC may not be transferred, sold, assigned, pledged, hypothecated or otherwise disposed by the Participant, directly or indirectly, without registration under the U.S. Securities Act and applicable state securities laws or unless in compliance with an available exemption therefrom. Certificate(s) representing the Awards and any Shares issued upon the exercise or settlement of such Awards prior to an effective registration statement filed with the SEC, and all certificate(s) issued in exchange therefor or in substitution thereof, will be endorsed with the following or a similar legend until such time as it is no longer required under the applicable requirements of the U.S. Securities Act:

"THE SECURITIES REPRESENTED HEREBY [for Awards add: AND ANY SECURITIES ISSUABLE UPON EXERCISE HEREOF] HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), OR UNDER ANY OTHER APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND MAY NOT BE TRANSFERRED, SOLD, ASSIGNED, PLEDGED, HYPOTHECATED OR OTHERWISE DISPOSED EXCEPT (A) PURSUANT TO A REGISTRATION STATEMENT EFFECTIVE UNDER THE U.S. SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS, OR (B) PURSUANT TO AN EXEMPTION FROM REGISTRATION THEREUNDER. HEDGING TRANSACTIONS INVOLVING SUCH SECURITIES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE U.S. SECURITIES ACT."

8.4 Reorganization of the Corporation

The existence of any Awards shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

8.5 Quotation of Shares

So long as the Shares are listed on one or more Exchanges, the Corporation must apply to such Exchange or Exchanges for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Plan, however, the Corporation cannot guarantee that such Shares will be listed or quoted on any Exchange.

8.6 Governing Laws

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.

8.7 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

8.8 Code Section 409A

It is intended that any payments under the Plan to U.S. Taxpayers shall be exempt from or comply with Code Section 409A, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes and penalties under Code Section 409A. Solely to the extent that Awards of a U.S. Taxpayer are determined to be subject to Code Section 409A, the following will apply with respect to the rights and benefits of U.S. Taxpayers under the Plan:

- (1) Except as permitted under Code Section 409A, any deferred compensation (within the meaning of Code Section 409A) payable to or for the benefit of a U.S. Taxpayer may not be reduced by, or offset against, any amount owing by the U.S. Taxpayer to the Corporation or any of its Affiliates.
- (2) If a U.S. Taxpayer becomes entitled to receive payment in respect of any Share Units or any DSUs that are subject to Code Section 409A, as a result of his or her Separation from Service and the U.S. Taxpayer is a "specified employee" (within the meaning of Code Section 409A) at the time of his or her Separation from Service, and the Board makes a good faith determination that (a) all or a portion of the Share Units or DSUs constitute "deferred compensation" (within the meaning of Code Section 409A) and (b) any such deferred compensation that would otherwise be payable during the six-month period following such Separation from Service is required to be delayed pursuant to the six-month delay rule set forth in Code Section 409A in order to avoid taxes or penalties under Code Section 409A, then payment of such "deferred compensation" shall not be made to the U.S. Taxpayer before the date which is six months after the date of his or her Separation from Service (and shall be paid in a single lump sum on the first day of the seventh month following the date of such Separation from Service) or, if earlier, the U.S. Taxpayer's date of death.
- (3) A U.S. Taxpayer's status as a "specified employee" (within the meaning of Code Section 409A) shall be determined by the Corporation as required by Code Section 409A on a basis consistent with Code Section 409A and such basis for determination will be consistently applied to all plans, programs, contracts, agreements, etc. maintained by the Corporation that are subject to Code Section 409A.
- (4) Although the Corporation intends that Share Units will be exempt from Code Section 409A or will comply with Code Section 409A, and that DSUs will comply with Code Section 409A, the Corporation makes no assurances that the Share Units will be exempt from Code Section 409A or will comply with it. Each U.S. Taxpayer, any beneficiary or the U.S. Taxpayer's estate, as the case may be, is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such U.S. Taxpayer in connection with this Plan (including any taxes and penalties under Code Section 409A), and neither the Corporation nor any Subsidiary shall have any obligation to indemnify or otherwise hold such U.S. Taxpayer or beneficiary or the U.S. Taxpayer's estate harmless from any or all of such taxes or penalties.
- (5) In the event that the Board determines that any amounts payable hereunder will be taxable to a Participant under Code Section 409A prior to payment to such Participant of such amount, the Corporation may (a) adopt such amendments to the Plan and Share Units and appropriate policies and procedures, including amendments and policies with retroactive effect, that the Board determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan and Share Units hereunder and/or (b) take such other actions as the Board determines necessary or appropriate to avoid or limit the imposition of an additional tax under Code Section 409A.
- (6) In the event the Corporation amends, suspends or terminates the Plan or Share Units as permitted under the Plan, such amendment, suspension or termination will be undertaken in a manner that does not result in adverse tax consequences under Code Section 409A.

8.9 Effective Date of the Plan

The Plan shall become effective upon a date to be determined by the Board; provided, however, that the Plan shall be subject to disinterested shareholder approval.

8. This DSU Agreement and the terms of the Plan incorporated herein constitutes the entire agreement of the Corporation and the Participant (collectively, the "**Parties**") with respect to the DSUs and supersedes in its entirety all prior undertakings and agreements of the Parties with respect to the subject matter hereof, and may not be modified adversely to the Participant's interest except by means of a writing signed by the Parties. This DSU Agreement and the terms of the Plan incorporated herein are to be construed in accordance with and governed by the laws of the Province of Ontario. Should any provision of this DSU Agreement or the Plan be determined by a court of law to be illegal or unenforceable, such provision shall be enforced to the fullest extent allowed by law and the other provisions shall nevertheless remain effective and shall remain enforceable.

9. In accordance with Section 8.3(5) of the Plan, unless the Shares that may be issued upon the settlement of the DSUs are registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**"), and any applicable state securities laws, such Shares may not be issued in the "United States" or to "U.S. Persons" (each as defined in Rule 902 of Regulation S under the U.S. Securities Act) unless an exemption from the registration requirements of the U.S. Securities Act is available. Any Shares issued to a Participant in the United States that have not been registered under the U.S. Securities Act will be deemed "restricted securities" (as defined in Rule 144(a)(3) of the U.S. Securities Act) and bear a restrictive legend to such effect.

All capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the Plan.
