MANAGEMENT INFORMATION CIRCULAR

GENERAL PROXY INFORMATION INFORMATION CIRCULAR

as at March 18, 2020

This Information circular is furnished in connection with the solicitation of proxies by management of CANAF INVESTMENTS INC. for use at the Annual General and Special Meeting of shareholders to be held on May 12th, 2020 (the “Meeting”) at and any adjournment thereof, for the purposes set forth in the attached Notice of Annual General and Special Meeting. Except where otherwise indicated, the information contained herein is stated as of March 18, 2020

In this Information Circular, references to the “Company”, “we” and “our” refer to Canaf Investments Inc “Common Shares” or “Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to Non-Registered Shareholders by those Intermediaries and we may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company. If you are a Registered Shareholder, you have the right to vote by proxy and to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.

Every Proxy may be revoked by an instrument in writing: executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney, of the company; and delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the meeting or any adjournment of it, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.

Voting by Proxyholder

If you have the right to vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) exercise of discretion of Proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the meeting.

Voting by Registered Shareholders

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, **COMPUTERSHARE INVESTOR SERVICES INC. (the "Transfer Agent"), Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1**, in accordance with the instructions on the Proxy.

You may also vote by telephone or via the Internet. To vote by telephone, in Canada and the United States only, call 1-866-732-8683 from a touch tone phone. When prompted, enter your Control Number listed on the proxy and follow the voting instructions. To vote via the Internet, go to www.investorvote.com and enter your Control Number listed on the proxy and follow the instructions on the screen.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Voting by Non-Registered Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Non-Registered Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Non-Registered Shareholder:

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object (called "NOBOs" for Non-Objecting Beneficial Owners). Issuers can request and obtain a list of their NOBOs from intermediaries via their transfer agents, pursuant to National Instrument 54-101 entitled, "Communication with Beneficial Owners of Securities of Reporting Issuers" ("NI 54-101") and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs.

With respect to OBOs, the voting instruction form supplied to you by your Intermediary will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Most Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.** In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to OBOs. However, the Corporation does not intend to pay for intermediaries to forward to OBOs the meeting materials. As a result, an OBO will not receive the meeting materials unless the OBO's Intermediary assumes the cost of delivery.

Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or person designated by you, may attend at the Meeting as proxyholder for your Intermediary and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for you Intermediary, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your Intermediary in accordance with the instructions provided by such Intermediary, well in advance of the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and the appointment of auditors and as set out herein. For the purpose of this paragraph, "Person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

RECORD DATE AND QUORUM

The board of directors (the "**Board**") of the Company has fixed the record date for the Meeting as the close of business on March 21, 2019 (the "**Record Date**"). Company shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their shares at the Meeting, except to the extent that any such shareholder transfers shares any shares after the Record Date and the transferee of those shares establishes that the transferee owns the shares and demands, not less than ten days before the Meeting, that the transferee's name be included in the list of shareholders entitled to vote at the Meeting, in which case only such transferee shall be entitled to vote such shares at the Meeting.

Under the Company's articles, the quorum for the transaction of business at the Meeting consists shall be at least two (2) persons, present in person, each being a shareholder entitled to vote thereat or a duly appointed proxy or representative for an absent shareholder so entitled and representing in the aggregate not less than five percent (5%) of the outstanding shares of the Corporation carrying voting rights at the meeting.

IMPORTANT INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are Non-Registered Shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of their Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS) of which the Intermediary is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object (called "NOBOs" for Non-Objecting Beneficial Owners). Issuers can request and obtain a list of their NOBOs from intermediaries via their transfer agents, pursuant to National Instrument 54-101 entitled, "Communication with Beneficial Owners of Securities of Reporting Issuers" ("NI 54-101") and issuers can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Company has decided to take advantage of those provisions of NI 54-101 that allow it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction from the Computershare Investor Services. These voting instruction forms are to be completed and returned in the envelope provided or by any other voting methods described on the voting instruction form itself, which contains complete instructions regarding voting procedures. The Transfer Agent will tabulate the results of the voting instruction forms received and will provide appropriate instructions at the Meeting with respect to the shares represented by voting instruction forms they receive.

The voting instruction form supplied to you by your Intermediary will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Most Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

E. RE-APPROVAL OF STOCK OPTION PLAN

Approval of Stock Option Plan

The Policies of the TSX-V require all incentive stock option grants to be made pursuant to a stock option plan approved by the Corporation's Shareholders annually. The Corporation's Option Plan is a "rolling" stock option plan pursuant to which directors, officers, employees and consultants of the Corporation are awarded options to purchase Shares (the "**Options**"). The Option Plan was last approved by the Shareholders at the Corporation's previous annual and special meeting of the Shareholders Pursuant to the policies of the TSX-V, a "rolling" plan must receive yearly Shareholder approval. The Option Plan is identical to the one previously approved by Shareholders. Accordingly, Shareholders are being asked to approve the current Option Plan in accordance with Policy 4.4 of the TSX-V.

The Option Plan has been established to advance the interests of the Corporation or any of its subsidiaries and affiliates by encouraging the directors, officers, employees and consultants of the Corporation, or any of its subsidiaries or affiliates, to acquire Shares thereby increasing their proprietary interest, encouraging them to remain with the Corporation, or its subsidiaries or affiliates, and providing them with additional incentive in the conduct of their affairs for and on behalf of the Corporation, its subsidiaries and affiliates.

A full copy of the Option Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Option Plan from the Corporation prior to the Meeting on written request. The following is a summary of the material terms of the Plan:

Some key provisions of the Option Plan are as follows:

- (a) The aggregate number of Shares reserved for issuance under the Option Plan must not exceed 10% of outstanding Shares (on a non-diluted basis). The Shares in respect of which Options are not exercised shall be available for subsequent Option grants. No fractional shares may be purchased or issued thereunder;
- (b) the aggregate number of Shares reserved for issuance under the Option Plan and granted to any one person within a 12-month period may not exceed 5% of the outstanding Shares;
- (c) the issuance of Shares to insiders pursuant to the Option Plan within a 12-month period may not exceed 10% of the outstanding Shares;
- (d) the issuance of Shares to any one insider and such insider's associates pursuant to the Option Plan within a 12-month period may not exceed 10% of the outstanding Shares;

In the event of a participant ceasing to be a director, officer or employee of the Corporation or a subsidiary of the Corporation for any reason other than death, including the resignation or retirement of the participant as a director, officer or employee of the Corporation or the termination by the Corporation of the employment of the participant, prior to the expiry time of an Option, such Option, if vested, shall cease and terminate on the Ninetieth (90th) day following the effective date of such resignation or termination. In the event of the death of a participant on or prior to the expiry time of an Option, such Option, if vested, may be exercised as to such of the Shares in respect of which such Option has not previously been exercised (including in respect of the right to purchase Shares not otherwise vested at such time), by the legal personal representatives of the participant at any time up to and including (but not after) a date one year following the date of death of the participant provided that the Board may extend the date of termination for a period ending up to twelve (12) months from the date of death of the participant or the expiry time of such Option, whichever occurs first.

Pursuant to the Option Plan, the Corporation can, at any time, have a number of Options outstanding equal to up to 10% of the then outstanding number of Shares. In the event of the exercise or cancellation of any Options, the Corporation could make a further grant of Options, provided that the 10% maximum is not exceeded.

The text of the resolution ratifying and approving the Option Plan is as follows, subject to any amendments, variations or additions as may be approved at the Meeting:

RESOLVED:

- (1) The Corporation's Option Plan, is hereby approved, confirmed and ratified.
- (2) Any officer or director of the Corporation is hereby authorized and directed, for and on behalf of the Corporation, to do all things and execute and deliver all such agreements, documents and instruments necessary or desirable in connection with the foregoing resolution.

To be approved, the affirmative vote of a majority of the votes cast on the resolution is required. The Board recommends that Shareholders vote FOR the ratification and approval of the Option Plan. The persons named in the accompanying form of proxy intend to vote FOR the resolution, unless otherwise instructed on a properly executed and validly deposited proxy.

F. OTHER BUSINESS

While management of the Corporation is not aware of any business other than that mentioned in the Notice of Meeting to be brought before the Meeting for action by the shareholders, **it is intended that the proxies hereby solicited will be exercised upon any other matter or proposal that may properly come before the Meeting, or any adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The primary objectives of the Corporation's executive compensation program are to attract, motivate and retain highly trained, experienced and committed executive officers who have the necessary skills, education, experience and personal qualities required to manage the Corporation's business for the benefit of its shareholders, and to align their success with that of the shareholders.

Stock Based Compensation

Under the terms of the Option Plan, the Board or a committee of the Board may grant incentive stock options to the Corporation's directors, officers, employees and consultants to purchase Shares. The purpose of options is to provide a direct long-term incentive to improve shareholder value over time. The level of grant is determined by reference to standards of practice within the junior mining industry and the individual's level of responsibility within the Corporation. The Corporation does not have a program or regular annual grant of options. When determining options to be allocated, a number of factors are considered, including the number of outstanding options held by an individual, the value of such options, and the total number of options available for granting.

Salaries or Consulting Fees

Future base executive compensation, in the form of salaries or consulting fees, will provide a fixed level of compensation for discharging the specific duties and responsibilities of the executive. The Board recognizes that the size of the Corporation may prohibit executive compensation from matching those of larger companies in the mining industry. The Board also believes that long-term equity interests, in the form of options (described above), will compensate for lower base fees. This compensation strategy is similar to the strategies of many other companies within the Corporation's peer group.

When determining executive compensation, the Board will review the compensation policies of companies engaged in businesses similar to the Corporation's. The Board will review publicly available information with respect to compensation paid to the executives of companies that are also engaged in the acquisition, exploration and development of oil and gas properties. In setting the base compensation levels for individuals, consideration will be given to objective factors such as the level of responsibility, experience and expertise, as well as subjective factors such as leadership and contribution to corporate performance. Fees will be reviewed annually and adjustments may be made based upon corporate and personal performance, market conditions and the level of responsibility attributed to specific executives.

Summary Compensation Table

The following table sets forth, information concerning the compensation paid to the Directors and Named Executive Officers for the year ended October 31, 2019, with comparative information for the financial years ended October 31, 2019, 2018, and 2017.

CORPORATE GOVERNANCE AND OTHER MATTERS

BOARD OF DIRECTORS

There are currently four (4) directors of the Corporation:

Mr. Christopher Robert Way
Mr. David R Way

Mr. Peter Wassenaar
Ms. Rebecca Williams

TSX-V policies require an issuer to have at least two independent directors. Two of the four directors of the Corporation are independent. Mr. Christopher Robert Way is the CEO and President and Ms. Rebecca Williams is the Chief Financial Officer and as such they are not considered to be "independent" as a result of their current or former positions as officers or other material relationships with the Corporation.

To facilitate the directors of the Corporation functioning independent of management, where appropriate, during regularly scheduled meetings, non-independent directors and members of management are excluded from certain discussions.

DIRECTORSHIPS

ORIENTATION AND CONTINUING EDUCATION

The Board has not adopted a formal policy on the orientation and continuing education of new and current directors. When a new director is appointed, the Board delegates individual directors the responsibility for providing an orientation and education program for any new director. This may be delivered through informal meetings between the new directors and the Board and senior management, complemented by presentations on the main areas of the Corporation's business. When required the Board may arrange for topical seminars to be provided to members of the Board or committees of the Board. Such seminars may be provided by one or more members of the Board and management or by external professionals.

The directors encourage and promote a culture of ethical business conduct through communication and supervision as part of their overall stewardship responsibility. In addition, some of the directors of the Corporation also serve as directors and officers of other companies, the Board must comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Each director is required to declare the nature and extent of his interest and is not entitled to vote at meetings which involve such conflict.

NOMINATION OF DIRECTORS

The Board performs the functions of a nominating committee with respect to appointment of directors. The Board believes that this is a practical approach at this stage of the Corporation's development. While there are not specific criteria for board membership, the Corporation attempts to attract and maintain directors with business knowledge, which assists in guiding management of the Corporation.

COMPENSATION

The Corporation does not have a compensation committee. The Board reviews, as needed, compensation to directors and to officers with respect to industry comparables and with regards to the particular circumstances of the Corporation.
