NOTICE OF ANNUAL MEETING OF SHAREHOLDERS

Take notice that the annual general meeting (the “**Meeting**”) of holders of common shares (“**Shareholders**”) of Parvis Invest Inc. (the “**Corporation**”) will be held on October 10th, 2025 at 9:00 AM (Toronto time). The Meeting will be conducted in a virtual-only format via live audio webcast as provided in the details below. The live audio webcast will allow Shareholders to have an equal opportunity to participate at the Meeting regardless of their geographic location or particular circumstances. Shareholders will not be able to attend the Meeting in person.

The Meeting will have the following purposes:

1. **TO RECEIVE** the financial statements of the Corporation for the fiscal year ended March 31, 2025, together with the auditor’s report thereon;
2. **TO SET AND CONSIDER** the number of directors of the Corporation for the ensuing year at eight (8) members, and empower the board of directors (the “**Board**”) to determine the number of directors of the Corporation hereafter from time to time, by resolution of the Board;
3. **TO ELECT** eight (8) members to hold office until the close of the next annual meeting of Shareholders;
4. **TO RE-APPOINT** MNP LLP, as auditors of the Corporation for the ensuing year and to authorize the directors to fix their remuneration; and
5. **TO CONSIDER** and, if appropriate, to pass, with or without variation, a resolution approving the Corporation’s omnibus equity incentive plan (the “**Omnibus Plan**”), as more fully described in the accompanying management information circular dated August 22, 2025 (the “**Information Circular**”); and
6. **TO TRANSACT** such other business as may properly come before the Meeting.

The Information Circular which accompanies this Notice of Meeting contains the text of the proposed resolutions and further information relating to the above matters. Also accompanying this Notice is a form of proxy.

The Board has fixed the close of business on August 22, 2025 as the record date for the determination of Shareholders entitled to notice of and to vote at the Meeting.

Shareholders who are unable to attend the Meeting virtually and who wish to ensure that their shares will be voted at the Meeting are requested to complete, sign and date the enclosed Proxy, and forward the Proxy via email in accordance with the instructions set out therein and in the Information Circular accompanying this Notice.

The Corporation will provide to any Shareholder, upon request to TSX Trust Company (“**TSXT**”), the Corporation’s transfer agent, a paper copy of the Information Circular and the audited financial statements of the Corporation for the fiscal year ended March 31, 2025 (the “**Financial Statements**”) and management’s discussion and analysis of the Corporation filed with the applicable securities regulatory authorities during the past year.

Virtual Meeting Details

In order to streamline the virtual meeting process, the Corporation encourages Shareholders to vote in advance of the Meeting using the VIF or the Proxy mailed to them with the Meeting materials.

Registered Shareholders and duly appointed proxyholders will be able to attend and participate in the Meeting via a live teleconference. Specifically, registered Shareholders and duly appointed proxy holders who have properly pre-registered to participate in the Meeting as outlined below will have the opportunity to (i) speak at the Meeting, and (ii) provided they have not already submitted their votes, participate in voting by ballot at the Meeting.

Non-registered Shareholders (being Shareholders who hold their common shares of the Corporation through a broker, investment dealer, bank, trust company, custodian, nominee or other intermediary) who have not duly appointed themselves as proxyholder will be able to attend the Meeting as guests. Guests will not be able to vote or ask questions at the Meeting.

THE BOARD AND MANAGEMENT REQUEST ALL SHAREHOLDERS VOTE BY PROXY AND ATTEND THE MEETING VIRTUALLY. THE CONFERENCE NUMBER IS PROVIDED BELOW AND IT ENABLES SHAREHOLDERS TO PARTICIPATE IN A VOICE ONLY CONFERENCE CALL.

Notice And Access

This year the Corporation has elected to use the notice-and-access model set out in National Instrument 51-102 – *Continuous Disclosure Obligations* and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (together, the “**Notice-and-Access Provisions**”) for delivery of proxy materials relating to this Meeting. The Notice-and-Access Provisions allow the Corporation to reduce the volume of materials to be physically mailed to shareholders by posting this Notice of Meeting, the accompanying Information Circular and any additional annual meeting materials (together, the “**Proxy Materials**”) online on the Corporation’s website. Under the Notice-and-Access Provisions, instead of receiving paper copies of the Proxy Materials, registered Shareholders of the Corporation will receive the form of notice and access notification and the form of proxy or voting instruction form relevant for the Meeting. Shareholders may also choose to receive a printed copy of the Proxy Materials by following the procedures set out below. Copies of the Proxy Materials and the Financial Statements, together with the auditor’s report thereon and the accompanying management’s discussion and analysis, are posted on the Corporation’s website at <https://www.parvisinvest.com/resources/investor-relations> and are filed on SEDAR+ under the Corporation’s profile at www.sedarplus.ca. Any Shareholder who wishes may request paper copies of the Proxy Materials and the Financial Statements be mailed to them, at no cost, by contacting the Corporation: (i) by mail, at 410 West Georgia St., 3rd Floor, Vancouver, British Columbia, V6B 1Z3, Canada, (ii) by telephone, at 1 (844) 487-4866, or (iii) by email, at compliance@parvisinvest.com. To allow adequate time to receive and review a paper copy of the Proxy Materials and then to submit your vote by the deadline, Shareholders requesting a paper copy of the Proxy Materials as described above should ensure such request is received by the Corporation no later than October 1, 2025.

Registered Shareholders or Duly Appointed Proxyholders Access:

Registered Shareholders who are unable to attend the Meeting in person are requested to complete, date and sign the enclosed proxy and send it in the enclosed envelope or otherwise to the Corporation's transfer agent, TSXT, in accordance with the instructions set forth in the Information Circular and in the enclosed Proxy. Electronic voting is also available prior to this Meeting through www.voteproxyonline.com and entering the 12 digit control number found on the Proxy. Votes cast electronically or by ballot are in all respects equivalent to, and will be treated in the exact same manner as, votes cast via a paper Proxy. Further details on the electronic voting process are provided in the Proxy. Non-registered Shareholders who receive these materials through their broker or other intermediary should complete and send the VIF in accordance with the instructions provided by their broker or intermediary. To be effective, a proxy must be received by TSXT not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or any adjournment thereof. Late proxies may be accepted by the Chairperson of the Meeting in his sole discretion, and the Chairperson is under no obligation to accept or reject any particular late proxy.

This year the Corporation has elected to use the notice-and-access model set out in National Instrument 51-102 – *Continuous Disclosure Obligations* and National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (together, the “**Notice-and-Access Provisions**”) for delivery of proxy materials relating to this Meeting. The Notice-and-Access Provisions allow the Corporation to reduce the volume of materials to be physically mailed to shareholders by posting this Notice of Meeting, the accompanying Information Circular and any additional annual meeting materials (together, the “**Proxy Materials**”) online on the Corporation’s website. To allow adequate time for a Shareholder to receive and review a paper copy of this Information Circular and then to submit their vote by the deadline, a Shareholder requesting a paper copy of this Information Circular as described above, should ensure such request is received by the Corporation no later than October 1, 2025. Under the Notice-and-Access Provisions, Proxy Materials must be available for viewing from the date of posting and for one year following the Meeting. Shareholders may request a paper copy of this Information Circular from the Corporation at any time during this period. The Corporation will not use a procedure known as “stratification” under the Notice-and-Access Provisions. Stratification occurs when the Corporation, while using Notice-and-Access Provisions, also provides a paper copy of this Information Circular to some of its Shareholders with the notice package. In relation to the Meeting, all Shareholders will receive only the notice package, which must be mailed to them pursuant to Notice-and-Access Provisions, and which will not include a paper copy of this Information Circular.

Registered Shareholders who are unable to attend the Meeting in person are requested to complete, date and sign the enclosed proxy and send it in the enclosed envelope or otherwise to the Corporation’s transfer agent, TSXT, in accordance with the instructions set forth in the Information Circular and in the enclosed Proxy. It is your responsibility to ensure connectivity for the duration of the Meeting. You should be registered for the Meeting well in advance and check into the Meeting online and by phone at least 48 hours prior to the start. Any Shareholder who has previously voted their shares will not be able to re-vote at the Meeting.

Please do not share your unique Zoom dial-in access and PIN number with anyone.

Non-registered Shareholders who have not duly appointed themselves as proxyholder will not be able to vote at the Meeting but will be able to attend as guests. This is because the Corporation and our transfer agent do not have a record of the non-registered Shareholders of the Corporation and, as a result, will have no knowledge of your shareholdings or entitlement to vote unless you appoint yourself as proxyholder.

Persons or Companies Making the Solicitation

The enclosed Proxy is solicited by management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Corporation. The Corporation may reimburse Shareholders’ nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the Proxy. No solicitation will be made by

specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Corporation. None of the directors of the Corporation have advised management in writing that they intend to oppose any action intended to be taken by management as set forth in this Information Circular.

Appointment and Revocation of Proxies

The persons named in the accompanying Proxy are directors or officers of the Corporation and have been designated by management (the “**Management Designees**”). A Shareholder has the right to appoint a person or company to attend and represent the Shareholder at the Meeting other than the persons named in the enclosed Proxy. To exercise this right, a Shareholder must insert the name of the nominee in the blank space provided in the appointment of proxyholder section. An appointed proxyholder need not be a Registered Shareholder.

In order to be voted, the completed Proxy must be dated and signed and must be deposited at the office of the Corporation’s transfer agent, c/o TSX Trust Company., by fax within North America at 1-416-595-9593 or by mail or hand delivery to either TSX Trust Company, 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 1S3, (Attn: Proxy Department), at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays, Sundays and holidays.

In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy by: (a) signing a proxy bearing a later date and depositing it at the place and within the time aforesaid, (b) signing and dating a written notice of revocation (in the same manner as the Proxy is required to be executed as set out in the notes to the Proxy) and either depositing it at the place and within the time aforesaid or with the Chairperson of the Meeting on the day of the Meeting or on the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a Shareholder present in person, whereupon such proxy shall be deemed to have been revoked. However, only Registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least 7 days before the Meeting, arrange for their nominees to revoke the proxy on their behalf.

Voting of Shares and Exercise of Discretion of Proxies

On any poll, the persons named in the enclosed Proxy will vote the Common Shares in respect of which they are appointed and, where directions are given by the Shareholder in respect of voting for or against any resolution, will do so in accordance with such direction.

The Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the securities will be voted accordingly.

In the absence of any direction in the Proxy, it is intended that such shares will be voted **IN FAVOUR** of the resolutions placed before the Meeting by management and **FOR** the election of the management nominees for directors and auditor, as stated under the headings in this Information Circular. The Proxy enclosed, when properly completed and deposited, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may be properly brought before

the Meeting. At the time of printing of this Information Circular, management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any such amendments, variations or other matters should properly come before the Meeting, the proxies hereby solicited will be voted thereon in accordance with the best judgement of the nominee.

Non-registered Shareholders

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a Registered Shareholder in respect of shares which are held on behalf of that person but which are registered either:

(a) in the name of an intermediary (an “**Intermediary**”) that the Non-registered Shareholder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESPs and similar plans); or

(b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant (a “**Non-registered Shareholder**”).

Non-registered Shareholders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBO’s”. Those Non-registered Shareholders who have objected to their Intermediary disclosing ownership information about themselves to the Corporation are referred to as “OBO’s”.

Notice to Shareholders in the United States

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States’ securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is governed by the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States.

Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Meeting Materials

Registered Shareholders will receive either a Proxy or a VIF and Non-registered Shareholders will receive a VIF and the Notice & Access notice which includes the request for financial statements (collectively, the “**Meeting Materials**”). In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Corporation has elected to send the Notice of Meeting, this Information Circular and the Proxy directly to the Registered Shareholders, and indirectly through Intermediaries to the NOBO’s and OBO’s.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them.

Meeting Materials sent to Non-registered Shareholders who have not waived the right to receive Meeting Materials are accompanied by a request for a VIF. This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Non-registered Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Non-registered Shareholder. VIF’s, whether provided by the Corporation or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-registered Shareholders to direct the voting of the Common Shares which they beneficially own. Should a Non-registered Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-registered Shareholder may request a legal proxy as set forth in the VIF, which will grant the Non-registered Shareholder or their nominee the right to attend and vote at the Meeting. **Non-registered Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Corporation at any time since the beginning of its last completed fiscal year, proposed nominee for election as a director of the Corporation or any associate, or affiliate of any such director, executive officer or proposed nominee, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors, except as disclosed in this Information Circular.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares without par value. As of August 22, 2025, the Corporation has 26,771,736 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one vote.

Only Shareholders of record at the close of business on the Record Date, who either virtually attend the Meeting or who have properly completed and delivered a Proxy or VIF in the manner and subject to the provisions described above, will be entitled to vote or to have their Common Shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, there is no person or company who beneficially owns, directly or indirectly, or exercise control or direction over, voting securities carrying 10% or more of the voting rights attached to any class of voting securities in the capital of the Corporation, other than:

Name	Number of Common Shares Owned or Controlled	Percentage of Outstanding Common Shares ⁽¹⁾
Drew Green	3,184,242 ⁽²⁾	11.9%
David Michaud	2,774,159 ⁽³⁾	10.4%

Notes:

A. Receipt of Financial Statements

The financial statements of the Corporation for the fiscal year ended March 31, 2025, together with the auditor’s report thereon will be presented to Shareholders at the Meeting. The financial statements, together with the auditor’s report thereon for the year ended March 31, 2025, were mailed to Shareholders who have requested a copy.

The term of office of each of the current directors expires at the Meeting and eight (8) directors are seeking re-election. The form of the resolution set out in Appendix B is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the resolution.

In order to be adopted, the Board Composition Resolution must be passed by a simple majority (51%) of the votes of those Shareholders who are present and vote either in person or by proxy at the Meeting.

Voting Recommendation. The Management Designees named in the accompanying Proxy or VIF intend to vote FOR the Board Composition Resolution, unless a Shareholder directs in the Proxy or VIF that his, her or its Common Shares are to be voted otherwise, his, her or its Common Shares are to be voted in favour of such matter.

C. Election of Directors

The following persons will be presented for election at the Meeting as management's nominee: Drew Green, David Michaud, Jas Bagry, Blair McCreadie, Tirta Liu, Kyle Pulis, Noah Murad and Jeff McCann. For full information about each of the nominees, including a summary of their experience, see "*Director Nominees*".

Management does not contemplate that any of these nominees will be unable to serve as a director. If, for any reason, at the time of the Meeting any of the nominees are unable to serve as a director, the persons named in the accompanying Proxy or VIF reserve the right to vote for another nominee in their discretion unless a Shareholder has directed that their Common Shares are to be withheld from voting in the election of directors.

The directors of the Corporation are elected at each annual general meeting. Each director elected will hold office until the next annual general meeting or until their successor is duly elected or appointed, unless their office is earlier vacated in accordance with the constituting documents of the Corporation or they become disqualified to act as a director. The form of the resolution set out in Appendix C (the "**Election of Directors Resolution**") is subject to such amendments as management may propose at the Meeting, but which do not materially affect the substance of the resolution.

In order to be adopted, the Election of Directors Resolution must be passed by a simple majority (51%) of the votes of those Shareholders who are present and vote either in person or by proxy at the Meeting.

Voting Recommendation. The Management Designees named in the accompanying Proxy or VIF intend to vote FOR the Election of Directors Resolution, unless a Shareholder directs in the Proxy or VIF that his, her or its Common Shares are to be voted otherwise, his, her or its Common Shares are to be voted in favour of such matter.

D. Re-Appointment of Auditor

STATEMENT OF EXECUTIVE AND DIRECTOR COMPENSATION

The following description of the executive and director compensation of the Corporation is provided pursuant to Form 51-102F6 V- Statement of Executive Compensation (“**Form 51-102F6V**”).

Named Executive Officers

Set out below are particulars of compensation paid to the following persons (the “**NEOs**”) of the Corporation for the fiscal year ended March 31, 2025:

- each individual who, in respect of the Corporation, during any part of the most recently completed fiscal year, served as chief executive officer, including an individual performing functions similar to a chief executive officer (“**CEO**”);
- each individual who, in respect of the Corporation, during any part of the most recently completed fiscal year, served as chief financial officer, including an individual performing functions similar to a chief financial officer (“**CFO**”);
- in respect of the Corporation and its subsidiaries, the most highly compensated executive officer other than the CEO and CFO at the end of the most recently completed fiscal year whose total compensation was more than C\$150,000, as determined in accordance with applicable securities rules, for that fiscal year; and
- each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that fiscal year.

For the fiscal year ended March 31, 2025, the Corporation had three (3) NEOs: David Michaud, Jas Bagry and Tommy Chan. Mr. Bagry resigned as CFO of the Corporation in January 2025. Mr. Chan was appointed Interim CFO of the Corporation in January 2025.

Compensation Discussion and Analysis

The Corporation adopted an omnibus equity incentive plan (the “**Omnibus Plan**”) to align management compensation with the interests of the Shareholders. The Shareholders approved the Omnibus Plan on September 24, 2024.

The objective of the Corporation’s executive compensation strategy is to provide compensation that reflects:

- fair and competitive compensation commensurate with an individual’s performance, experience and expertise in order to attract and retain highly qualified executives;
- recognition and encouragement of leadership, entrepreneurial spirit and team work;
- the Corporation’s values;
- an alignment of the financial interests of the executives with the financial interests of the Shareholders;
- short-term and long-term incentives to reward individual performance and contribution to the achievement of corporate performance and objectives; and
- contribution to the enhancement of Shareholder value.

The Corporation seeks to maintain a reasonable balance between offering a competitive base salary and an attractive security-based compensation package but does not apply a precise formula in determining the appropriate mix. Other considerations affecting the amount and makeup of management compensation include the Corporation’s financial resources, its stage of development and plans for future growth and the time commitment of each individual officer to the Corporation’s affairs (full time versus part time).

Ultimately, it is the responsibility of the Board, in consultation with the Compensation Committee (as defined herein), to fix and evaluate the appropriateness of each officer’s compensation. The Corporation’s process for determining executive compensation relies largely on the Board without any formal objectives, criteria and analysis. The final compensation paid is reached by negotiation with each individual officer. The Board believes this approach is appropriate given the Corporation’s size and means.

Compensation Risk Management

The Corporation’s compensation program seeks to align its strategic direction with the interests of its Shareholders by incorporating various risk-adjusted measures into its compensation program, which are designed to mitigate any incentive for its employees, including NEOs, to take or be rewarded for excessive or imprudent risks that could have a material adverse impact on the Corporation. In particular, the compensation program of the Corporation seeks to limit and mitigate compensation-related risk by balancing short-term goals with long-term performance objectives through the issuance of stock options (“**Options**”) and other security-based compensation pursuant to the Omnibus Plan. Risk oversight is primarily the responsibility of the

Audit Committee in conjunction with the Compensation Committee and is monitored by the executive committee which includes the CEO and his direct reports.

The Compensation Committee and Audit Committee are responsible, at least annually, for reviewing incentive compensation arrangements to confirm they do not encourage inappropriate or unintended risk taking. Due to the small size of the Corporation and the current level of the Corporation's activity, the Compensation Committee is able to closely monitor and consider any risks which may be associated with the Corporation's compensation policies and practices. Risks, if any, may be identified and mitigated through regular meetings of the Compensation Committee during which financial and other information of the Corporation are reviewed. No risks have been identified arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Option and Stock Re-pricings

There were no re-pricings of Options granted under the Omnibus Plan or otherwise during the Corporation's completed fiscal year ended March 31, 2025.

Omnibus Plan

The Omnibus Plan is a “rolling up to 10% and fixed up to 10%” Security Based Compensation Plan (as defined in TSXV Policy 4.4 – Security Based Compensation) which reserves a percentage of the issued and outstanding Common Shares for issuance pursuant to the Options, deferred share units of the Corporation (“**DSUs**”), performance share units of the Corporation (“**PSUs**”) and restricted share units of the Corporation (“**RSUs**”, and together with PSUs, DSUs and Options, “**Awards**”).

Pursuant to the Omnibus Plan, the Corporation's Board may grant Awards to eligible persons as determined by the Omnibus Plan. The aggregate number of Common Shares which may be made available for issuance under the Omnibus Plan will not exceed (a) with respect to the number of Common Shares issuable pursuant to the exercise of Options, 10% of the total number of issued and outstanding Common Shares from time to time and (b) with respect to the number of Common Shares issuable pursuant to all Awards other than Options and under any other Security Based Compensation Plan of the Corporation, 10% of the total number of issued and outstanding Common Shares as of the date of implementation of the Omnibus Plan, in each case subject to adjustment as provided in the Omnibus Plan.

The purpose of the Omnibus Plan is to advance the interests of the Corporation and its subsidiaries by (i) promoting a significant alignment between directors, officers, employees and consultants of the Corporation and its subsidiaries (“**Awardees**”) and the growth objectives of the Corporation; (ii) associating a portion of Awardees' compensation with the performance of the Corporation over the long term; and (iii) attracting, motivating and retaining the critical Awardees to drive the business success of the Corporation.

The following is a summary of the principal terms of the Omnibus Plan, which is qualified in its entirety by reference to the text of the Omnibus Plan:

- The aggregate number of Common Shares to be delivered upon the exercise of all Options granted under the Omnibus Plan shall not exceed 10% of the issued and outstanding Common Shares at the time of granting the Options (on a non-diluted basis).
- The aggregate number of Common Shares issuable pursuant to all Awards other than Options and under any other Security Based Compensation Plan of the Corporation shall not exceed 10% of the number of issued and outstanding of the Common Shares as of the date of implementation of the Omnibus Plan.
- Any increase in the issued and outstanding Common Shares will result in an increase in the available number of Common Shares issuable upon exercise of Options granted under the Omnibus Plan, and any exercises of Options, or settlements of Awards other than Options, will make new grants of Options available under the Omnibus Plan, effectively resulting in a re-loading of the number of Options available to grant under the Omnibus Plan. If any Awards granted expire or terminate for any reason without having been exercised or settled in full, as applicable, the unissued Common Shares subject thereto shall again be available for the purposes of the Omnibus Plan.
- Subject to the provisions of the Omnibus Plan and rules of the TSXV, the Corporation's Board or its delegate(s) shall have authority to interpret the Omnibus Plan and all Award agreements entered into in connection with the grant of Awards under the Omnibus Plan, to define the terms used in the Omnibus Plan and in all Award agreements entered into thereunder, to prescribe, amend and rescind the terms of the Corporation's Omnibus Plan and to make all other determinations necessary or advisable for the administration of the Omnibus Plan.
- The price per share at which any Share which is the subject of an Option may be purchased (the "**Option Exercise Price**") will be established by the Corporation's Board or its delegate(s), subject to the rules of the regulatory authorities having jurisdiction over the securities of the Corporation, provided that the Option Exercise Price shall not be less than the Discounted Market Price (as defined in the policies of the TSXV). The term of each Option will be fixed by the Corporation's Board or its delegate(s), but may not exceed 10 years from the date of grant.
- The Options granted pursuant to the Omnibus Plan shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Corporation's Board or its delegate(s) shall in each instance approve, which need not be the same for each grant or for each Awardee. Without limiting the foregoing, the Corporation's Board or its delegate(s) may permit the exercise of an Option through either a cashless exercise mechanism or net exercise mechanism pursuant to the terms of the Omnibus Plan and subject to the rules of the TSXV.
- DSUs, RSUs and PSUs may be granted to Awardees as compensation for employment or consulting services or services as a director or officer and may entitle Awardees to receive, for no additional cash consideration, Common Shares (a) on a deferred basis, in the case of DSUs, (b) upon specific time or other vesting conditions being met, in the case of RSUs, or (c) upon specific performance criteria being satisfied, in the case of PSUs, in each case as determined by the Corporation's Board or its delegate(s). The value of RSUs and PSUs

is influenced by the fair market value of the underlying Common Shares, as determined by the Corporation's Board or its delegate(s), pursuant to the terms of the Omnibus Plan.

- The Corporation's Board or its delegate may award dividend equivalents with respect to DSUs, RSUs or PSUs. Such dividend equivalent entitlements may be subject to accrual, forfeiture or payout restrictions as determined by the Corporation's Board or its delegate(s) and need not be uniform among all DSUs, RSUs or PSUs.
- No Awards, other than Options, shall vest earlier than one year after the date of grant, except with respect to an Awardee who dies or ceases to be eligible under the Omnibus Plan in connection with a change of control of the Corporation.
- If the expiry date, redemption date or settlement date, as applicable, of any Award would otherwise occur in a blackout period, the expiry date shall be extended to the tenth business day following the last day of the blackout period, where "blackout period" means a period of time during which the Corporation prohibits Awardees from exercising, redeeming or settling their Awards, due to applicable law or policies of the Corporation.
- The maximum number of Common Shares which may be issued to any one Awardee within any 12 month period under the Omnibus Plan together with any other Security Based Compensation Plan shall not exceed 5% of the number of Common Shares outstanding (on a non-diluted basis) from time to time, unless disinterested shareholder approval is obtained pursuant to the policies of the TSXV.
- The maximum number of the Common Shares which may be issuable to any one Consultant (as defined in the Omnibus Plan) within any 12 month period under the Omnibus Plan together with any other Security Based Compensation Plan shall not exceed 2% of the number of Common Shares outstanding on a non-diluted basis.
- The maximum number of Common Shares which may be issuable to all Investor Relations Service Providers (as defined in the Omnibus Plan) within any 12 month period under the Omnibus Plan together with any other Security Based Compensation Plan shall not exceed 2% of the number of Common Shares outstanding on a non-diluted basis. Options granted to Investor Relations Service Providers must vest in stages over 12 months with no more than 25% of such Options becoming vested in any three month period. Investor Relations Service Providers may not receive any Award other than Options.
- The maximum number of Common Shares which may be issuable to all Insiders (as defined in TSXV policies) of the Corporation at any time under the Omnibus Plan together with any other Security Based Compensation Plan shall not exceed 10% of the Common Shares outstanding on a non-diluted basis from time to time. The number of Common Shares issued to Insiders of the Corporation within any 12 month period under the Omnibus Plan together with any other Security Based Compensation Plan shall not exceed 10% of the number of outstanding Common Shares on a non-diluted basis.
- Except as may otherwise be provided in an Awardee's employment agreement or as otherwise determined by the Corporation's Board or its delegate, if an Awardee's employment or other relationship with the Corporation is terminated for any reason other

than death, (i) each vested Option held by that Awardee will cease to be exercisable on the earlier of the original expiry date and three months after the termination date; and (ii) any RSUs or PSUs held by the Awardee that have vested before the termination date will be paid to the Awardee, with any settlement or redemption to occur within three months following the termination date. In all cases, any unvested Options, RSUs or PSUs held by the Awardee shall terminate and become void on the date of termination.

- In the event of death of an Awardee, unless otherwise determined by the Corporation's Board or its delegate(s), (i) the executor or administrator of the Awardee's estate may exercise any vested Options for a period until the earlier of the original expiry date and 12 months after the date of death, and any unvested Options shall terminate and become void on the date of death; and (ii) any unvested RSUs and PSUs previously credited to the Awardee's account will vest immediately, and vested RSUs and PSUs will be paid to the Awardee's estate, with any settlement or redemption to occur within 12 months following the termination date.
- Any settlement of DSUs shall only occur after the Awardee's death or termination of the Awardee's employment or other relationship with the Corporation. Each applicable Award agreement will provide the extent to which an Awardee will have the right to retain any DSUs following the Awardee's death or termination of the Awardee's employment or other relationship with the Corporation, provided that settlement must occur within one year following termination. Such provisions shall be determined in the sole discretion of the Corporation's Board or its delegate(s), and need not be uniform among all DSUs granted pursuant to the Omnibus Plan.
- Unless otherwise determined by the Corporation's Board or its delegate(s), where an Awardee is terminated for cause, any Options, RSUs, PSUs or DSUs held by the Awardee will be immediately cancelled and forfeited to the Corporation for no consideration.
- In the event of a change of control (as defined in the Omnibus Plan), unless otherwise provided in the Omnibus Plan or an Award agreement, the Corporation's Board or its delegate(s) may deal with any or all outstanding Awards (or any portion thereof) in the manner it deems fair and reasonable in the circumstances of the change of control, including but not limited to cancelling all outstanding awards with or without payment or accelerating vesting and/or expiry of outstanding Awards. Notwithstanding the foregoing, no cancellation, acceleration of vesting, lapsing of restrictions or payment of an Award shall occur if the Corporation's Board or its delegate(s) determines in its sole discretion prior to the occurrence of a change of control that such Award shall be honored or assumed, or new rights substituted therefor by any successor to the Corporation or an Affiliate (as defined in Exchange policies), in accordance the terms of the Omnibus Plan.
- Unless restricted by law or Exchange rules, the Corporation's Board or its delegate(s) may alter, amend, modify, suspend or terminate the Omnibus Plan or any Award in whole or in part without notice to, or approval from, Shareholders, including, but not limited to, for the purposes of:
 - making any amendments to the general vesting provisions of any Award;

- making any amendments to the general term of any Award as permitted by the Omnibus Plan;
 - making any amendments to add covenants or obligations of the Corporation for the protection of Awardees;
 - making any amendments not inconsistent with the Omnibus Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Corporation's Board, it may be expedient to make, including amendments that are desirable as a result of changes in law or as a "housekeeping" matter; or
 - making such changes or corrections which are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.
- Shareholder approval is required to make the following amendments to the Omnibus Plan:
 - a reduction in the Option Exercise Price of a previously granted Option benefitting an Insider of the Corporation or one of his/her/its Affiliates (unless done pursuant to Section 4.10 of the Omnibus Plan);
 - any amendment or modification which would increase the total number of Common Shares available for issuance under the Omnibus Plan (unless done pursuant to Section 4.10 of the Omnibus Plan);
 - an increase to the limit on the number of Common Shares issued or issuable under the Omnibus Plan to Insiders of the Corporation (unless done pursuant to Section 4.10 of the Omnibus Plan);
 - an extension of the expiry date of an Option other than as otherwise permitted under the Omnibus Plan; or
 - an extension of the expiry date of an Option issued to Insiders; or o any amendment to the amendment provisions of the Omnibus Plan.
- The Corporation shall obtain disinterested shareholder approval prior to any of the following actions becoming effective:
 - the Omnibus Plan together with all of the Corporation's other Security Based Compensation Plans, if any, could result at any time in: (i) the number of Common Shares reserved for issuance under Awards granted to Insiders of the Corporation exceeding 10% of the outstanding Common Shares at any point in time, (ii) the number of Common Shares reserved for issuance under Awards granted to Insiders of the Corporation within a 12-month period exceeding 10% of the outstanding Common Shares; or (iii) the number of Common Shares reserved for issuance under Awards granted to any Awardee within a 12- month period exceeding 5% of the outstanding Common Shares; or

- any reduction in the Option Exercise Price of any Option previously granted to Insiders of the Corporation.

The TSXV requires the Corporation to obtain the approval of Shareholders with respect to the “rolling” portion of the Omnibus Plan on an annual basis; however, Shareholder approval of the fixed portion of the Omnibus Plan is only required if there is a proposed increase in the number allowable to be granted under the fixed portion of the Omnibus Plan.

The Plan is a "rolling up to 10% and fixed up to 10%" Security Based Compensation Plan, as defined in Policy 4.4. The Plan is a: (a) "rolling" plan pursuant to which the number of Shares that are issuable pursuant to the exercise of Options granted hereunder shall not exceed 10% of the Issued Shares as at the date of any Option grant, and (b) "fixed" plan under which the number of Shares that are issuable pursuant to all Awards other than Options granted hereunder and under any other Security Based Compensation Plan of the Corporation, in aggregate is a maximum of 2,677,173 Shares, in each case, subject to adjustment as provided in Section 4.10 herein.

4.7 Hold Period and Escrow.

All Awards and Shares issuable thereunder are subject to any applicable resale restrictions under Securities Laws and the Exchange Hold Period (as defined in the policies of the TSXV), and shall have affixed thereto any legends required under Securities Laws and the policies of the Exchange.

- (b) all Awards are non-assignable and non-transferable;
- (c) the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) shall not exceed 10% of the Issued Shares at any point in time (unless the Corporation has obtained the requisite disinterested shareholder approval pursuant to Section 5.3 of Policy 4.4);
- (d) the maximum aggregate number of Shares that are issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to Insiders (as a group) shall not exceed 10% of the Issued Shares, calculated as at the date any Security Based Compensation is granted or issued to any Insider (unless the Corporation has obtained the requisite disinterested shareholder approval pursuant to Section 5.3 of Policy 4.4);

- (f) for Awards granted or issued to Employees, Consultants or Management Company Employees, the Corporation and the Participant are responsible for ensuring and

confirming that the Participant is a bona fide Employee, Consultant or Management Company Employee, as the case may be; and

- (g) any Award granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee shall expire in accordance with the provisions of the Plan, but in any event, within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under the Plan.

4.9 Blackout Periods.

Notwithstanding the expiry date, redemption date or settlement date of any Award, such expiry date, redemption date or settlement date, as applicable, of the Award shall be extended to the tenth business day following the last day of a Blackout Period if the expiry date would otherwise occur in a Blackout Period. The following requirements are applicable to any such automatic extension provision:

- (a) the Blackout Period must be formally imposed by the Corporation pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information;
- (b) the automatic extension of the expiry date, redemption date or settlement date, as applicable, of a Participant's Award is not to be permitted where the Participant or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities; and
- (c) the automatic extension is available to all eligible Participants under the Plan under the same terms and conditions.

4.10 Adjustments in Authorized Shares.

Subject to the approval of the Exchange, where applicable, in the event of any corporate event or transaction (collectively, a “**Corporate Reorganization**”) (including, but not limited to, a change in the Shares or the capitalization of the Corporation) such as a merger, arrangement or amalgamation that does not constitute a Change of Control under Article 12, or a consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Corporation, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Corporation, or any similar corporate event or transaction, the Committee shall make or provide for such adjustments or substitutions, as applicable, in the number and kind of Shares that may be issued under the Plan, the number and kind of Shares subject to outstanding Awards, the Option Price or FMV applicable to outstanding Awards, the number of Shares eligible to be issued hereunder, and any other value determinations applicable to outstanding Awards or to this Plan, as are equitably necessary to prevent dilution or enlargement of Participants' rights under the Plan that otherwise would result from such Corporate Reorganization, unless otherwise determined by the Board. In connection with a Corporate Reorganization, the Committee shall have the discretion to permit a

holder of Options to purchase (at the times, for the consideration, and subject to the terms and conditions set out in this Plan) and the holder will then accept on the exercise of such Option, in lieu of the Shares that such holder would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that such holder would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, that holder had owned all Shares that were subject to the Option. Such adjustments shall be made automatically, without the necessity of Committee action, on the customary arithmetical basis in the case of any stock split, including a stock split effected by means of a stock dividend, and in the case of any other dividend paid in Shares.

The Committee may also, in its sole discretion, make appropriate adjustments in the terms of any Awards under the Plan as are equitably necessary to reflect such Corporate Reorganization and may modify any other terms of outstanding Awards, including modifications of performance criteria and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan, provided that any such adjustments shall comply with Section 409A of the Code with respect to any U.S. Participants and the rules of any stock exchange, including but not limited to the Exchange, or market upon which such Shares are listed or traded.

Subject to the provisions of Article 11 and any applicable law or regulatory requirement, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance, assumption, substitution or conversion of Awards under this Plan in connection with any such corporate event or transaction, upon such terms and conditions as it may deem appropriate. Additionally, the Committee may amend the Plan, or adopt supplements to the Plan, in such manner as it deems appropriate to provide for such issuance, assumption, substitution or conversion as provided in the previous sentence.

ARTICLE 5 ELIGIBILITY AND PARTICIPATION

5.2 Eligibility.

Only a Director, Officer, Employee, Management Company Employee or Consultant of the Corporation or of any of its subsidiaries is eligible to participate in the Plan. Except in relation to Consultant Companies, Awards may be granted only to an individual or to a Company that is wholly owned by individuals eligible to receive Awards. If the Participant is a Company, excluding Participants that are Consultant Companies, it must provide the Exchange with a completed Certification and Undertaking Required from a Company Granted Security Based Compensation in the form of Appendix “A” to Form 4G - *Summary Form – Security Based Compensation*, as provided for in Policy 4.4. Any Company to be granted an Award, other than a Consultant Company, must agree not to effect or permit any transfer of ownership or option of securities of the Company or to issue further shares of any class in the Company to any other individual or entity as long as the Security Based Compensation remains outstanding, except with the prior written consent of the TSXV.

5.3 Actual Participation.

Subject to the provisions of the Plan, the Committee may, from time to time, in its sole discretion select from among eligible Directors, Officers, Employees, Management Company Employees and Consultants of the Corporation or of any of its subsidiaries, those to whom Awards shall be granted under the Plan, and shall determine in its discretion the nature, terms, conditions and amount of each Award in accordance with the Plan.

ARTICLE 6 STOCK OPTIONS

6.1 Grant of Options.

Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee in its discretion, and subject to the terms of the Plan.

6.2 Additional Terms for Options.

The following provisions apply to all Option Awards:

- (a) Options can be exercisable for a maximum of 10 years from the date of grant, subject to extension where the expiry date falls within a Blackout Period, as provided for in Section 4.9; and
- (b) disinterested shareholder approval pursuant to Policy 4.4 shall be obtained for any reduction in the exercise price of an Option, or the extension of the term of an Option, if the Participant is an Insider of the Corporation at the time of the proposed amendment.

6.3 Award Agreement.

Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and any such other provisions as the Committee shall determine.

6.4 Option Price.

The Option Price for each grant of an Option under this Plan shall be determined by the Committee and shall be specified in the Award Agreement. The minimum exercise price of an Option shall be equal to the Discounted Market Price. A minimum exercise price cannot be established unless the Options are allocated to particular Persons.

6.5 Duration of Options.

Subject to Section 4.9 and Section 6.2(a), each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant.

6.6 Exercise of Options.

Options granted under this Article 6 shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant. Without limiting the foregoing, the Committee may, in its sole discretion, permit the exercise of an Option through either:

- (a) a cashless exercise (a “**Cashless Exercise**”) mechanism, whereby the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm:
 - (i) agrees to loan money to a Participant to purchase the Shares underlying the Options to be exercised by the Participant;
 - (ii) then sells a sufficient number of Shares to cover the exercise price of the Options in order to repay the loan made to the Participant; and
 - (iii) receives an equivalent number of Shares from the exercise of the Options and the Participant receives the balance of Shares pursuant to such exercise, or the cash proceeds from the sale of the balance of such Shares (or in such other portion of Shares and Cash as the broker and Participant may otherwise agree); or
- (b) a net exercise (a “**Net Exercise**”) mechanism, whereby Options, excluding Options held by any Investor Relations Service Provider, are exercised without the Participant making any cash payment so the Corporation does not receive any cash from the exercise of the subject Options, and instead the Participant receives only the number of underlying Shares that is the equal to the quotient obtained by dividing:
 - (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Options; by
 - (ii) the VWAP of the underlying Shares.

6.7 Payment.

Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Corporation or an agent designated by the Corporation in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. Subject to Section 6.6, the Option Price upon exercise

of any Option shall be payable to the Corporation in full either: (a) by certified cheque or wire transfer; or (b) by any other method approved or accepted by the Committee in its sole discretion subject to the rules of the Exchange and such rules and regulations as the Committee may establish. Subject to Section 6.8 and any governing rules or regulations, as soon as practicable after receipt of a notification of exercise and full payment for the Shares, the Shares in respect of which the Option has been exercised shall be issued as fully-paid and non-assessable shares of the Corporation. As of the business day the Corporation receives such notice and such payment, the Participant (or the person claiming through him, as the case may be) shall be entitled to be entered on the share register of the Corporation as the holder of the number of Shares in respect of which the Option was exercised and to receive as promptly as possible thereafter a certificate or evidence of book entry representing the said number of Shares. The Corporation shall cause to be delivered to or to the direction of the Participant Share certificates or evidence of book entry Shares in an appropriate amount based upon the number of Shares purchased under the Option(s) as soon as reasonably practicable following the issuance of such Shares.

6.8 Restrictions on Share Transferability.

The Committee may impose such restrictions on any Shares acquired pursuant to the exercise of an Option granted pursuant to this Plan as it may deem advisable, including, without limitation, requiring the Participant to hold the Shares acquired pursuant to exercise for a specified period of time, or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed and/or traded.

6.9 Death and Termination of Employment.

- (a) Death: Unless otherwise determined by the Committee, if a Participant dies while an Employee, Director of, or Consultant to, the Corporation or an Affiliate:
 - (i) the executor or administrator of the Participant's estate may exercise Options of the Participant equal to the number of Options that were exercisable at the Termination Date;
 - (ii) the right to exercise such Options terminates on the earlier of: (i) the date that is 12 months after the Termination Date; and (ii) the date on which the exercise period of the particular Option expires. Any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Corporation on the Termination Date; and
 - (iii) such Participant's eligibility to receive further grants of Options under the Plan ceases as of the Termination Date.
- (b) Termination of Employment: Except as may otherwise be set out in a Participant's employment agreement (which shall have paramountcy over this clause) or as otherwise determined by the Committee, where a Participant's employment or term of office or engagement terminates for any reason other than death (whether such termination occurs with or without any or adequate notice or reasonable notice, or

with or without any or adequate compensation in lieu of such notice) including disability, then:

- (i) other than where the Participant is terminated for Cause, any Options held by the Participant that are exercisable at the Termination Date continue to be exercisable by the Participant until the earlier of:
 - (A) the date that is three months after the Termination Date; and
 - (B) the date on which the exercise period of the particular Option expires, except as otherwise provided in the Participant's employment contract or such date as is otherwise determined by the Board. Notwithstanding the foregoing or any term of an employment contract, in no event shall such right extend beyond the Option Period or one year from the Termination Date;
- (ii) where the Participant is terminated for Cause, any Options held by the Participant that are exercisable at the Termination Date shall be immediately cancelled and forfeited to the Corporation on the Termination Date for no consideration;
- (iii) any Options held by the Participant that are not yet vested at the Termination Date immediately expire and are cancelled and forfeited to the Corporation on the Termination Date;
- (iv) the eligibility of a Participant to receive further grants under the Plan ceases as of the date that the Corporation or an Affiliate, as the case may be, provides the Participant with written notification that the Participant's employment or term of office or engagement, is terminated, notwithstanding that such date may be prior to the Termination Date; and
- (v) notwithstanding 6.9(b)(i) and 6.9(b)(ii) above, unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Options are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate.

6.10 Non-transferability of Options.

An Option granted under this Article 6 may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

ARTICLE 7 RESTRICTED SHARE UNITS

7.1 Grant of Restricted Share Units.

Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Restricted Share Units to Participants in such amounts and upon such terms as the Committee shall determine.

7.2 Restricted Share Unit Agreement.

Each Restricted Share Unit grant shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Restricted Share Units granted, the settlement date for Restricted Share Units, and any such other provisions as the Committee shall determine, provided that, no Restricted Share Unit shall vest (i) earlier than one year, or (ii) later than three years after the date of grant, except that the Committee may in its sole discretion accelerate the vesting required by this Section 7.2 for a Participant who dies or who ceases to be an eligible Participant under the Plan in connection with a Change of Control.

7.3 Non-transferability of Restricted Share Units.

The Restricted Shares Units granted herein may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated or disposed of by the Participant, whether voluntarily or by operation of law, otherwise than by testate succession of the laws of descent and distribution, until the end of the applicable Period of Restriction specified in the Award Agreement and until the date of settlement through delivery or other payment, and any attempt to do so will cause such Restricted Share Units to be null and void. A vested Restricted Share Unit shall be redeemable only by the Participant and, upon the death of a Participant, the person to whom the rights shall have passed by testate succession or by the laws of decent and distribution may redeem any vested Restricted Share Units in accordance with the provisions of Section 7.7.

7.4 Other Restrictions.

The Committee shall impose, in the Award Agreement at the time of grant or anytime thereafter, such other conditions and/or restrictions on any Restricted Share Units granted pursuant to this Plan as it may deem advisable, including, without limitation, a requirement that Participants pay a stipulated purchase price for each Restricted Share Unit, restrictions based upon the achievement of specific performance criteria, time-based restrictions on vesting following the attainment of the performance criteria, time-based restrictions, restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding requirements or sale restrictions placed on the Shares by the Corporation upon vesting of such Restricted Share Units.

To the extent deemed appropriate by the Committee, the Corporation may retain the certificates representing Shares delivered in settlement of Restricted Share Units, in the Corporation's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied or lapse. Restricted Share Units shall be settled through payment in Shares.

7.5 Voting Rights.

A Participant shall have no voting rights with respect to any Restricted Share Units granted hereunder.

7.6 Dividends and Other Distributions.

During the Period of Restriction, Participants holding Restricted Share Units granted hereunder may, if the Committee so determines, be credited with dividends paid with respect to the underlying Shares or Dividend Equivalents while they are so held in accordance with the Plan and otherwise in such a manner determined by the Committee in its sole discretion. Dividend Equivalents shall not apply to an Award unless specifically provided for in the Award Agreement. The Committee may apply any restrictions to the dividends or Dividend Equivalents that the Committee deems appropriate. The Committee, in its sole discretion, may determine the form of payment of dividends or Dividend Equivalents, including cash, Shares and Awards, provided that any Dividend Equivalents paid in the form of additional Awards shall reduce the applicable pool of Shares available for issuance of Awards. Further, any additional Awards credited to the Participant's account in satisfaction of payment of dividends or Dividend Equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Awards to which they relate.

7.7 Death and other Termination of Employment.

- (a) Death: Unless otherwise determined by the Committee, if a Participant dies while an Employee, Director of, or Consultant to, the Corporation or an Affiliate:
 - (i) any Restricted Share Units held by the Participant that have not vested as at the Termination Date shall vest immediately;

- (iii) notwithstanding Section 7.7(b)(i), unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Restricted Share Units are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate;

Subject to the terms and conditions of the Plan, the Committee, at any time and from time to time, may grant Deferred Share Units to Participants in such amounts and upon such terms as the Committee shall determine, provided that, (i) no Deferred Share Unit shall vest earlier than one year after the date of grant, except that the Committee may in its sole discretion accelerate the vesting required by this Section 8.1 for a Participant who dies or who ceases to be an eligible Participant under the Plan in connection with a Change of Control, and (ii) any settlement or redemption of any vested Deferred Share Units shall only occur after the Termination Date.

8.4 Termination of Employment, Consultancy or Directorship.

Each applicable Award Agreement shall set forth the extent to which the Participant shall have the right to retain Deferred Share Units following termination of the Participant's employment or other relationship with the Corporation or Affiliates. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Deferred Share Units issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination. Any settlement or redemption of any vested Deferred Share Units shall occur within one year following the Termination Date. Notwithstanding the foregoing, in the event the Participant is terminated for Cause, all vested and unvested Deferred Share Units shall be immediately cancelled and forfeited to the Corporation on the Termination Date for no consideration, unless otherwise determined by the Committee on or before the Termination Date.

8.5 Dividends and Other Distributions.

The Committee may apply any restrictions to the dividends or Dividend Equivalents that the Committee deems appropriate. Each Performance Share Unit shall have an initial value equal to the FMV of a Share on the date of grant. 9.3 Earning of Performance Share Units.

Subject to the terms of this Plan and the applicable Award Agreement, after the applicable Performance Period has ended, the holder of Performance Share Units shall be entitled to receive payout on the value and number of Performance Share Units, determined as a function of the extent to which the corresponding performance criteria have been achieved. - (iii) notwithstanding Section 9.6(b)(i), unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Performance Share Units are not affected by a change of employment arrangement within or among the Corporation or an Affiliate for so long as the Participant continues to be an employee of the Corporation or an Affiliate;

A Participant's "beneficiary" is the person or persons entitled to receive payments or other benefits or exercise rights that are available under the Plan in the event of the Participant's death. A Participant may designate a beneficiary or change a previous beneficiary designation at such times as prescribed by the Committee and by using such forms and following such procedures approved or accepted by the Committee for that purpose. If no beneficiary designated by the Participant is eligible to receive payments or other benefits or exercise rights that are available under the Plan at the Participant's death, the beneficiary shall be the Participant's estate.

10.2 Discretion of the Committee.

Notwithstanding the provisions above, the Committee may, in its discretion, after notifying the affected Participants, modify the foregoing requirements, institute additional requirements for beneficiary designations, or suspend the existing beneficiary designations of living Participants or the process of determining beneficiaries under this Article 10, or both, in favor of another method of determining beneficiaries.

ARTICLE 11 RIGHTS OF PERSONS ELIGIBLE TO PARTICIPATE

11.1 Employment.

Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Corporation or an Affiliate to terminate any Participant's employment, consulting or other service relationship with the Corporation or an Affiliate at any time, nor confer upon any Participant any right to continue in the capacity in which he or she is employed or otherwise serves the Corporation or an Affiliate.

Neither an Award nor any benefits arising under this Plan shall constitute part of an employment or service contract with the Corporation or an Affiliate, and, accordingly, subject to the terms of this Plan, this Plan may be terminated or modified at any time in the sole and exclusive discretion of the Committee or the Board without giving rise to liability on the part of the Corporation or an Affiliate for severance payments or otherwise, except as provided in this Plan.

For purposes of the Plan, unless otherwise provided by the Committee, a transfer of employment of a Participant between the Corporation and an Affiliate or among Affiliates, shall not be deemed a termination of employment. The Committee may provide in a Participant's Award Agreement or otherwise the conditions under which a transfer of employment to an entity that is spun off from the Corporation or an Affiliate shall not be deemed a termination of employment for purposes of an Award.

11.2 Participation.

No Employee or other Person eligible to participate in the Plan shall have the right to be selected to receive an Award. No person selected to receive an Award shall have the right to be selected to receive a future Award, or, if selected to receive a future Award, the right to receive such future Award on terms and conditions identical or in proportion in any way to any prior Award.

11.3 Rights as a Shareholder.

12.1 Accelerated Vesting and Payment.

Subject to the provisions of Section 12.2, or as otherwise provided in the Plan or the Award Agreement, and subject to the policies of the Exchange, in the event of a Change of Control, the Committee shall have the discretion to deal with any or all outstanding Awards (or any portion thereof) in the manner it deems fair and reasonable in the circumstances of the Change of Control. Without limiting the generality of the foregoing, in connection with a Change of Control, the Committee shall have the right to unilaterally, among other things:

- (a) cancel any outstanding Awards, and determine that the value of such Awards, as determined by the Committee in accordance with the terms of the Plan and the Award Agreements, shall be paid out in cash in an amount based on the Change of Control Price within a reasonable time subsequent to the Change of Control, subject to the approval of the Exchange;
- (b) cancel any unvested Options (or any portions thereof) without payment of any kind to any Participant;
- (c) accelerate the vesting of outstanding Awards (or any portion thereof) to provide that, notwithstanding the vesting schedule or any other provision of an Award Agreement relating to the vesting of Awards, such outstanding Awards shall be fully vested upon (or prior to) the completion of the Change of Control. If the Committee elects to accelerate the vesting of any Options, the Committee may determine that if any of such Options are not exercised within ten days following the Company giving notice to the Option holders thereof, such unexercised Options shall terminate and expire immediately prior to the completion of the proposed Change of Control; or
- (d) take such other actions, and combinations of the foregoing actions or any other actions permitted under this Section 12.1, as it deems fair and reasonable under the circumstances.

12.2 Alternative Awards.

Notwithstanding Section 12.1, no cancellation, acceleration of vesting, lapsing of restrictions or payment of an Award shall occur with respect to any Award if the Committee determines, in its sole discretion, prior to the occurrence of a Change of Control that such Award shall be honored or assumed, or new rights substituted therefor (with such honored, assumed or substituted Award hereinafter referred to as an “**Alternative Award**”) by any successor to the Corporation or an Affiliate as described in Article 15; provided, however, that any such Alternative Award must:

- (a) be based on stock which is traded on a recognized stock exchange;

- (b) provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Award, including, but not limited to, an identical or better exercise or vesting schedule (including vesting upon termination of employment) and identical or better timing and methods of payment;
- (c) recognize, for the purpose of vesting provisions, the time that the Award has been held prior to the Change of Control;
- (d) provide for similar eligibility requirements for such Alternative Award as provided for in the Plan; and
- (e) have substantially equivalent economic value to such Award (determined prior to the time of the Change of Control).

ARTICLE 13
AMENDMENT, MODIFICATION, SUSPENSION AND TERMINATION

13.1 Amendment, Modification, Suspension and Termination.

- (a) Except as set out in clause (b) below, and as otherwise provided by law or Exchange rules, the Committee or Board may, at any time and from time to time, alter, amend, modify, suspend or terminate the Plan or any Award in whole or in part without notice to, or approval from, shareholders of the Corporation, including, but not limited to, for the purposes of:

- (iv) an extension of the expiry date of an Option other than as otherwise permitted hereunder in relation to a Blackout Period or otherwise;
- (v) an extension in the expiry date of an Option issued to an Insider of the Corporation or one of its Affiliates; or
- (vi) any amendment to the amendment provisions of the Plan under this Section 13.1.

13.2 Adjustment of Awards Upon the Occurrence of Unusual or Nonrecurring Events.

Subject to the approval of the Exchange, the Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events in addition to the events described in Section 4.10 hereof affecting the Corporation or the financial statements of the Corporation or of changes in applicable laws, regulations or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan.

The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

13.3 Awards Previously Granted.

Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Participant holding such Award.

ARTICLE 14 WITHHOLDING

14.1 Withholding.

The Corporation or any Affiliate shall have the power and the right to deduct or withhold, or require a Participant to remit to the Corporation or any Affiliate, an amount sufficient to satisfy federal, provincial, municipal, state and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising from or as a result of this Plan or any Award hereunder. The Committee may provide for Participants to satisfy withholding requirements by having the Corporation withhold and sell Shares or the Participant making such other arrangements, including the sale of Shares, in either case on such conditions as the Committee specifies.

14.2 Acknowledgement.

Participant acknowledges and agrees that the ultimate liability for all taxes legally payable by Participant is and remains Participant's responsibility and may exceed the amount actually withheld by the Corporation. Participant further acknowledges that the Corporation: (a) makes no representations or undertakings regarding the treatment of any taxes in connection with any aspect of this Plan; and (b) does not commit to and is under no obligation to structure the terms of this Plan to reduce or eliminate Participant's liability for taxes or achieve any particular tax result. Further, if Participant has become subject to tax in more than one jurisdiction, Participant acknowledges that the Corporation may be required to withhold or account for taxes in more than one jurisdiction.

It is the Participant's responsibility to ensure that they adhere to tax legislation in their jurisdiction regarding the reporting of taxable benefits derived from the exercise or settlement of an Award.

ARTICLE 15 SUCCESSORS

Rights and obligations under the Plan may be assigned by the Corporation (without the consent of Participants) to a successor in the business of the Corporation, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any company acquiring all or substantially all of the assets or business of the Corporation. Any obligations of the Corporation or an Affiliate under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Corporation or Affiliate, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the businesses and/or assets of the Corporation or Affiliate, as applicable.

ARTICLE 16 GENERAL PROVISIONS

16.1 Forfeiture Events.

Without limiting in any way the generality of the Committee's power to specify any terms and conditions of an Award consistent with law, and for greater clarity, the Participant's rights, payments and benefits with respect to an Award shall, at the sole discretion of the Committee, be subject to reduction, cancellation, forfeiture of any vested and unvested Awards or recoupment of any payments or settlements made in the current Fiscal Year or immediately prior Fiscal Year (provided such determination is made within 45 days of the end of that Fiscal Year) upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such specified events shall include, but shall not be limited to, any of: (a) the Participant's failure to accept the terms of the Award Agreement, violation of material Corporation and Affiliate policies, breach of non-competition, confidentiality, non-solicitation, non-interference, corporate property protection or other agreements that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Corporation and Affiliates; (b) the Participant's misconduct, fraud, gross negligence; and (c) the restatement of the financial statements of the Corporation that resulted in Awards which should not have vested, settled, or been paid had the original financial statements been properly stated. Except as expressly otherwise provided in this Plan or an Award Agreement, the termination and the expiry of the period within which an Award will vest and may be exercised by a Participant shall be based upon the last day of actual service by the Participant to the Corporation and specifically does not include any period of notice that the Corporation may be required to provide to the Participant under applicable employment law.

16.2 Legend.

The certificates for Shares may include any legend that the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

16.3 Delivery of Title.

The Corporation shall have no obligation to issue or deliver evidence of title for Shares issued under the Plan prior to:

- (a) obtaining any approvals from governmental agencies or securities exchanges, including but not limited to the Exchange, that the Corporation determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable law or ruling of any governmental body or securities exchange, including but not limited to the Exchange, that the Corporation determines to be necessary or advisable.

16.4 Investment Representations.

The Committee may require each Participant receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the Participant is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

16.5 Uncertificated Shares.

To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a non-certificated basis to the extent not prohibited by applicable law or the rules of any applicable stock exchange.

16.6 Unfunded Plan.

Participants shall have no right, title or interest whatsoever in or to any investments that the Corporation or an Affiliate may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Corporation or an Affiliate and any Participant, beneficiary, legal representative or any other person. Awards shall be general unsecured obligations of the Corporation, except that if an Affiliate executes an Award Agreement instead of the Corporation the Award shall be a general unsecured obligation of the Affiliate and not any obligation of the Corporation. To the extent that any individual acquires a right to receive payments from the Corporation or an Affiliate, such right shall be no greater than the right of an unsecured general creditor of the Corporation or Affiliate, as applicable. All payments to be made hereunder shall be paid from the general funds of the Corporation or Affiliate, as applicable, and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan.

16.7 No Fractional Shares.

No fractional Shares shall be issued or delivered pursuant to the Plan or any Award Agreement. In such an instance, unless the Committee determines otherwise, fractional Shares and any rights thereto shall be forfeited or otherwise eliminated.

16.8 Other Compensation and Benefit Plans.

Nothing in this Plan shall be construed to limit the right of the Corporation or an Affiliate to establish other compensation or benefit plans, programs, policies or arrangements. Except as may be otherwise specifically stated in any other benefit plan, policy, program or arrangement, no Award shall be treated as compensation for purposes of calculating a Participant's rights under any such other plan, policy, program or arrangement.

16.9 No Constraint on Corporate Action.

Nothing in this Plan shall be construed (i) to limit, impair or otherwise affect the Corporation's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations or changes in its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer

all or any part of its business or assets, or (ii) to limit the right or power of the Corporation or an Affiliate to take any action which such entity deems to be necessary or appropriate.

16.10 Compliance with Canadian Securities Laws.

All Awards and the issuance of Shares underlying such Awards issued pursuant to the Plan will be issued pursuant to an exemption from the prospectus requirements of Canadian securities laws where applicable.

ARTICLE 17 LEGAL CONSTRUCTION

17.1 Gender and Number.

Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

17.2 Severability.

In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

17.3 Requirements of Law.

The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or securities exchanges as may be required. The Corporation or an Affiliate shall receive the consideration required by law for the issuance of Awards under the Plan. The inability of the Corporation or an Affiliate to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Corporation or an Affiliate to be necessary for the lawful issuance and sale of any Shares hereunder, shall relieve the Corporation or Affiliate of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

17.4 Governing Law.

The Plan and each Award Agreement shall be governed by the laws of the Province of Ontario excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction.

17.5 Compliance with Section 409A of the Code.

- (a) To the extent the Plan is applicable to a particular Participant subject to the Code, it is intended that this Plan and any Awards made hereunder shall not provide for the payment of “deferred compensation” within the meaning of Section 409A of the Code or shall be structured in a manner and have such terms and conditions that would not cause such a Participant to be subject to taxes and interest pursuant to

Section 409A of the Code. This Plan and any Awards made hereunder shall be administered and interpreted in a manner consistent with this intent.

- (b) To the extent that any amount or benefit in favour of a Participant who is subject to the Code would constitute “deferred compensation” for purposes of Section 409A of the Code would otherwise be payable or distributable under this Plan or any Award Agreement by reason of the occurrence of a Change of Control or the Participant’s disability or separation from service, such amount or benefit will not be payable or distributable to the Participant by reason of such circumstance unless: (i) the circumstances giving rise to such Change of Control, disability or separation from service meet the description or definition of “change in control event,” “disability,” or “separation from service,” as the case may be, in Section 409A of the Code and applicable proposed or final treasury regulations thereunder, and (ii) the payment or distribution of such amount or benefit would otherwise comply with Section 409A of the Code and not subject the Participant to taxes and interest pursuant to Section 409A of the Code. This provision does not prohibit the vesting of any Award or the vesting of any right to eventual payment or distribution of any amount or benefit under this Plan or any Award Agreement.
- (c) The Committee shall use its reasonable discretion to determine the extent to which the provisions of this Section 17.5 will apply to a Participant who is subject to taxation under the ITA.
