MANAGEMENT INFORMATION CIRCULAR

as at October 10, 2025

This management information circular ("Circular") is furnished in connection with the solicitation of proxies by management of Blue Moon Metals Inc. (the "Company") for use at the annual general meeting (the "Meeting") of shareholders of the Company (the "Shareholders") to be held on November 13, 2025 and any adjournment thereof, for the purposes set forth in the attached Notice of Annual General and Special Meeting. Except where otherwise indicated, the information contained herein is stated as of October 10, 2025.

In this Circular, references to the "**Company**" and "**we**" refer to Blue Moon Metals Inc. "**Common Shares**" means common shares without par value in the capital of the Company. "**Registered Shareholders**" means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. "**Non-Registered Shareholders**" means Shareholders who do not hold Common Shares in their own name. "**Intermediaries**" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send Meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer*. As a result, objecting beneficial owners will not receive the Circular and associated Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the "**Proxy**") are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Odyssey Trust Company ("**Odyssey**"): (i) by mail at 1100-67 Yonge Street, Toronto, Ontario, M5E 1J8; or (ii) by voting online at <https://vote.odysseytrust.com>, in accordance with the instructions on the Proxy.

In all cases you should ensure that the Proxy is received no later than 10:00 a.m. (Toronto time) on November 11, 2025 or, if the Meeting is adjourned or postponed, not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to such adjourned or postponed Meeting.

Registered Shareholders who wish to appoint a person other than the management nominees identified on the Proxy must carefully follow the instructions in this Information Circular and on their Proxy. These instructions include the additional step of registering such proxyholder with Odyssey after submitting their Proxy, by emailing appointee@odysseytrust.com before the proxy deadline and providing Odyssey with the required proxyholder contact information, the number of Common Shares appointed and the name in which the Common Shares are registered, so that Odyssey may provide the proxyholder with a username via email. Without a username, proxyholders will not be able to attend, participate or vote at the Meeting. Failure to register the proxyholder with Odyssey will result in the proxyholder not being able to participate in the Meeting and only being able to attend as a guest. Guests will not be permitted to vote or participate at the Meeting.

If you are a Registered Shareholder who has submitted a Proxy and later wish to revoke it, you can do so by:

- (a) delivering a subsequent completed and signed Proxy to supersede the original Proxy vote bearing a later date and depositing it with Odyssey no later than the proxy deadline as described above;
- (b) depositing an instrument in writing signed by you (or by someone you have properly authorized to act on your behalf): (i) at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof; or (ii) with the chair of the Meeting on the day of, and prior to the start of, the Meeting or any adjournment or postponement thereof;
- (c) participating in the Meeting and voting at the Meeting; or
- (d) following any other procedure that is permitted by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-registered Shareholders who wish to change their vote must make appropriate arrangements with their respective intermediaries. If you are a Non-registered Shareholder, you can revoke your prior voting instructions by providing new instructions on a voting instruction form with a later date (or at a later time in the case of voting by telephone or through the Internet, if available). Otherwise, contact your intermediary if you want to revoke your Proxy or change your voting instructions, or if you change your mind and want to duly appoint yourself as a proxyholder prior to the proxy deadline for the purpose of voting at the Meeting. You must provide your instructions sufficiently in advance of the Meeting or any adjournment or postponement thereof to enable your intermediary to act on them.

If you are a Non-Registered Shareholder, see "*Voting by Non-Registered Shareholders*" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified,

- (b) any amendment to or variation of any matter identified therein,
- (c) any other matter that properly comes before the Meeting, and
- (d) the exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. (the registration name for as the Depository Trust Company, which acts as nominee for many U.S. brokerage firms), and in Canada, under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Odyssey). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Circular and associated Meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Odyssey or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Odyssey or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Odyssey or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and as set out herein. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior

officer or insider of the Company at any time since the commencement of the Company's last fiscal year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

RECORD DATE AND QUORUM

The board of directors (the "**Board**") of the Company has fixed the record date for the Meeting as the close of business on October 10, 2025 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company's articles, the quorum for the transaction of business at a meeting of shareholders is one person who is a Shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date, there were 80,843,262 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by Proxy at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular, no other Shareholders beneficially own, or exercise control or direction, directly or indirectly, Common Shares carrying 10% or more of the votes attached to Common Shares other than as disclosed below:

Name of Shareholder	Number of Common Shares	Percentage of Issued and Outstanding
Monial AS	8,292,206	10.3%

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company's directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and more particularly discussed below.

Presentation of Financial Statements

The annual financial statements of the Company for the financial year ended December 31, 2024 (the "**Financial Statements**"), together with the auditor's report thereon, will be placed before the Meeting. The Company's Financial Statements are available on the System of Electronic Data Analysis and Retrieval (SEDAR+) website at www.sedarplus.ca.

Setting Number of Directors

The Board proposes that the number of directors of the Corporation be fixed at seven (7). Shareholders will therefore be asked to approve an ordinary resolution that determines the number of directors to be elected at seven (7).

Election of Directors

The Board presently consists of five (5) directors. Four of these directors, Maryse Bélanger, Christian Kargl-Simard, Karin Thorburn and Francis Johnstone are being nominated for re-election at the Meeting. In addition, Richard

Colterjohn, Frode Nilsen and Per-Erik Bjørnstad are being nominated for election at the Meeting. Shareholders will be asked to fix the number of directors at seven (7) and to elect the seven (7) persons listed below as directors for the ensuing year.

The term of office of each of the present directors expires at the Meeting. The persons named below will be presented for election at the Meeting as the nominees of management and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company, or with the provisions of the *Business Corporations Act* (British Columbia).

The Board unanimously recommends that Shareholders vote FOR the election of the nominees set forth below as directors of the Company. Unless the Shareholder has specifically instructed in the form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the proxy will vote FOR the election of each of the proposed nominees set forth below as directors of the Company.

The following table and notes thereto states the name of each person proposed to be nominated by management for election as a director (a "**Proposed Director**"), the province or state and country of residence, all offices of the Company now held by him or her, his or her principal occupation, the period of time for which he or she has been a director of the Company, and the number of Common Shares beneficially owned by him or her, directly or indirectly, or over which he or she exercises control or direction, as at the date hereof.

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

Other than as set out below, no individual set forth in the above table is, as at the date hereof, or was, within 10 years before the date hereof, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days and that was issued while such individual was acting in the capacity as director, chief executive officer or chief financial officer; or

Other than as set out below, no individual set forth in the above table or Shareholder holding a sufficient number of securities of the Company to affect materially the control of the Company, nor any personal holding company of any such individual:

- (a) is, as of the date hereof, or has been within 10 years before the date hereof, a director or executive officer of any company (including the Company) that, while such individual was acting in that capacity, or within a year of such individual ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets; or

Ms. Bélanger was a director of Mirabela Nickel Limited ("**MBN**") from July 2014 to June 2016. On September 24, 2015, the board of directors of MBN elected to place the company into voluntary administration under the relevant provisions of the Australian Corporations Act 2001 to progress discussions with financiers to put in place funding arrangements or other restructuring options that would alleviate the liquidity challenges facing MBN's operations at the time. Such discussions were unsuccessful and on June 13, 2016 the creditors of MBN voted to place MBN in liquidation. On September 21, 2015, an order was issued by the British Columbia Securities Commission that all trading in the securities of MBN be ceased due to its failure to file financial statements for the period ended June 30, 2015. On September 25, 2015 and October 7, 2015, orders were issued by the Ontario Securities Commission that all trading in the securities of MBN be ceased due to its failure to file financial statements for the period ended June 30, 2015.

Consequently, on October 31, 2022, Pure Gold applied for and received an initial order for creditor protection from the Supreme Court of British Columbia ("**Court**") under the Companies' Creditors Arrangement Act ("**CCAA**"). KSV Restructuring Inc. was appointed as the monitor. On November 10, 2022, the Court approved a Sales and Investment Solicitation Process Order, among other relief. Stock option plans and other incentive plans

The following summary of the material terms of the Share Compensation Plan does not purport to be complete and is qualified in its entirety by reference to the Share Compensation Plan, a copy of which will be available for inspection at the Meeting and is attached as Schedule "A" hereto. Capitalized terms used but not otherwise defined in this section shall have the meanings given to them in the Share Compensation Plan.

Overview

The Share Compensation Plan provides that the Board may from time to time, in its discretion, award or grant to the Eligible Person (as such term is defined below) selected by the Administrators (as such term is defined below) to participate in the Share Compensation Plan (each, a "**Participant**"), who may include participants who are citizens or residents of the United States (each, a "**US Participant**"), with the opportunity, through RSUs, Options, and DSUs, to acquire an ownership interest in the Company.

The RSUs and DSUs will rise and fall in value based on the value of the Common Shares. Unlike the Options, the RSUs and DSUs will not require the payment of any monetary consideration to the Company. Instead, each RSU represents a right to receive one Common Share or a lump sum payment in cash following the attainment of vesting criteria determined by the Administrators at the time of the award (subject to TSXV policies).

The Options, on the other hand, are rights to acquire Common Shares upon payment of monetary consideration (i.e., the exercise price), subject also to vesting criteria determined at the time of the grant.

The Administrators may fix, from time to time, a portion of the director fees that is to be payable in the form of DSUs. In addition, each Participant who is, on the applicable election date, a director who is not an employee (the "**Electing Person**") may be given the right to elect to participate in the grant of additional DSUs. An Electing Person who elects to participate in the grant of additional DSUs shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The "Elected Amount" shall be an amount, as elected by the director, in accordance with applicable tax law, between 0% and 100% of any director fees that are otherwise intended to be paid in cash (the "**Cash Fees**").

Purpose of the Share Compensation Plan

The stated purpose of the Share Compensation Plan is to advance the interests of the Company and its subsidiaries, and its Shareholders by: (a) ensuring that the interests of Participants are aligned with the success of the Company and its subsidiaries; (b) encouraging stock ownership by such persons; and (c) providing compensation opportunities to attract, retain and motivate such persons.

The following people (each, an "**Eligible Person**") are eligible to participate in the Share Compensation Plan: any director, officer, employee, management company employee or consultant.

Administration of the Share Compensation Plan

The Share Compensation Plan is administered by the Board or such other persons as may be designated by the Board from time to time (the "**Administrators**") through the recommendation of the NC&CG Committee. The Administrators determine the eligibility of persons to participate in the Share Compensation Plan, when RSUs, Options, or DSUs will be awarded or granted, the number of RSUs, Options and DSUs to be awarded or granted, the vesting criteria for each award of RSUs, vesting period for each grant of Options and the vesting criteria for each award of DSU, and all other terms and conditions of each award and grant, in each case in accordance with applicable securities laws and the requirements of the TSXV.

Number of Common Shares Issuance under the Share Compensation Plan

After the vesting criteria of any RSUs awarded under the Share Compensation Plan are satisfied, a Participant shall be entitled to receive and the Company shall issue or pay (at its discretion): (i) a lump sum payment in cash equal to the number of vested RSUs recorded in the Participant's RSU account multiplied by the market price of the Common Shares traded on the TSXV on the payout date; (ii) the number of Common Shares required to be issued to a Participant upon the vesting of such Participant's RSUs in the Participant's RSU account will be, duly issued as fully paid and non-assessable shares and such Participant shall be registered on the books of the Company as the holder of the appropriate number of Common Shares; or (iii) any combination of thereof.

- (b) Vesting Provisions

The Share Compensation Plan provides that: (i) at the time of the award of RSUs, the Administrators shall, subject to the TSXV rules, determine the vesting criteria applicable to the RSUs provided that, subject to certain exceptions set out in the Share Compensation Plan, no RSUs may vest before the date that is one year following the date of award; (ii) vesting of RSUs may include criteria such as performance vesting; (iii) each RSU shall be subject to vesting in accordance with the terms set out in an agreement evidencing the award of the RSU, which is attached as Exhibit A to the Share Compensation Plan (or in such form as the Administrators may approve from time to time) (the "RSU Agreement"); and (iv) all vesting and issuances or payments in respect of an RSU shall be completed no later than December 15 of the third calendar year commencing after the award date for such RSU.

(c) Termination, Retirement and Other Cessation of Employment in connection with RSUs

A person participating in the Share Compensation Plan will cease to be eligible to participate in the following circumstances: (i) receipt of any notice of termination of employment or service (whether voluntary or involuntary and whether with or without cause); (ii) retirement; and (iii) any cessation of employment or service for any reason whatsoever, including disability and death (an "**Event of Termination**"). In such circumstances, any vested RSUs will be issued as soon as practicable after the Event of Termination (and with respect to each RSU of a US Participant, such RSU will be settled and shares issued as soon as practicable following the date of vesting of such RSU as set forth in the applicable RSU Agreement, but in all cases within 60 days following such date of vesting); and, unless otherwise determined by the Administrators in their discretion and subject to the requirements set out in section 4.6 of TSXV Policy 4.4, any unvested RSUs shall vest and be settled before the earlier of (i) the vesting schedule set out in the applicable RSU Agreement and (ii) 12 months after the date of the Event of Termination (and with respect to any RSU of a US Participant, if the Administrators determine, in their discretion, to waive vesting conditions applicable to an RSU that is unvested at the time of an Event of Termination, such RSU shall not be forfeited or cancelled, but instead will be deemed to be vested and settled and shares delivered following the date of vesting date of such RSU as set forth in the applicable RSU Agreement).

If an Event of Termination occurs involving the death of a Participant occurs and such Participant is entitled to any RSUs under the Share Compensation Plan, the heirs or administrators of such Participant must claim such Security Based Compensation within one year of the Participant's death.

Subject to section 2.3(e) of the Share Compensation Plan and section 4.6 of TSXV Policy 4.4, notwithstanding the above, if a person retires in accordance with the Company's retirement policy at such time, any unvested performance-based RSUs shall not be forfeited or cancelled and instead shall be eligible to become vested in accordance with the vesting conditions set forth in the applicable RSU Agreement after such retirement (as if retirement had not occurred), but only if the performance vesting criteria, if any, have been met on the applicable date.

For greater certainty, if a person is terminated for just cause or if a Participant resigns without good reason, all unvested RSUs will be forfeited and cancelled.

It is the current intention that RSUs may be awarded with both time-based vesting provisions as a component of the Company's annual incentive compensation program, and performance-based vesting provisions as a component of the Company's long-term incentive compensation program.

Under the Share Compensation Plan, should the date of vesting of an RSU fall within a blackout period formally imposed by the Company, such date of vesting shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the date of vesting for such RSU for all purposes under the Share Compensation Plan.

Stock Options

The Administrators may at any time and from time to time grant Options to Eligible Persons.

(a) Mechanics for Options

Each Option granted pursuant to the Share Compensation Plan will entitle the holder thereof to the issuance of one Common Share upon achievement of the vesting criteria and payment of the applicable exercise price. Options granted under the Share Compensation Plan will be exercisable for Common Shares issued from treasury once the vesting criteria established by the Administrators at the time of the grant have been satisfied.

(b) Vesting Provisions

The Share Compensation Plan provides that the Administrators may determine when any Option will become exercisable and may determine that Options shall be exercisable in instalments or pursuant to a vesting schedule. The agreement evidencing the grant of the Option attached as Exhibit B to the Share Compensation Plan (or in such form as the Administrators may approve from time to time) (the "Option Agreement") will disclose any vesting conditions prescribed by the Administrators.

(c) Termination, Retirement and Other Cessation of Employment in connection with Options

A person participating in the Share Compensation Plan will cease to be eligible to participate where there is an Event of Termination. In such circumstances, any unvested Options, to the extent not available for exercise as of the date of the Event of Termination, shall, unless otherwise determined by the Administrators in their discretion, vest before the earlier of (i) the vesting schedule set out in the applicable Option Agreement and (ii) 12 months after the date of the Event of Termination. There can be no acceleration of the vesting requirements applicable to Options granted to an Investor Relations Service Provider without the prior written approval of the Exchange.

Except as otherwise stated in the Share Compensation Plan or otherwise determined by the Administrators in their discretion, any vested Options may be exercised only before the earlier of: (i) the expiry of the Option; and (ii) six months after the date of the Event of Termination.

If a person is terminated for just cause or if a Participant resigns without good reason, all Options (whether or not then exercisable) shall automatically be cancelled.

If an Event of Termination involving the death of a Participant occurs and such Participant is entitled to any Options under the Share Compensation Plan, the heirs or administrators of such Participant must claim such Security Based Compensation within one year of the Participant's death.

(d) Cashless Exercise

Subject to prior approval by the Administrators, a Participant may elect cashless exercise. In such case, the Participant will not be required to deliver to the Administrators a cheque or other form of payment for the aggregate exercise price of the Options. Instead the following will apply:

- (i) Whereby the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Common Shares underlying the Options. The brokerage firm then sells a sufficient number of Common Shares to cover the exercise price of the Options in order to repay the loan made to the Participant. The brokerage firm receives an equivalent number of Common Shares from the exercise of the Options and the Participant then receives the balance of Common Shares or the cash proceeds from the balance of such Common Shares.

- (ii) Before the relevant trade date, the Participant will deliver the Option exercise notice including details of the trades to the Company electing the cashless exercise and the Company will direct its registrar and transfer agent to issue a certificate for such Participant's Common Shares in the name of the broker (or as the broker may otherwise direct) for the number of Common Shares issued on the exercise of the Options, against payment by the broker to the Company of (i) the exercise price for such Common Shares; and (ii) the amount the Company determines, in its discretion, is required to satisfy the Company withholding tax and source deduction remittance obligations in respect of the exercise of the Options and issuance of Common Shares.
- (iii) The broker will deliver to the Participant the remaining value of the Options, net of any brokerage commission or other expenses (the "**In-the-Money Amount**"), in either (i) cash in an amount equal to the In-the-Money-Amount, or (b) such number of Common Shares (rounded down to the nearest whole number) having a fair market price equal to the In-the-Money Amount, plus a cash amount equal to the fraction of a Common Share that would otherwise be issuable multiplied by the fair market price of a Common Share.

(e) Net Exercise

Subject to prior approval by the Administrators, a Participant, excluding Investor Relations Service Providers, may elect to surrender for cancellation to the Company any vested Options being exercised and the Company will issue to the Participant, as consideration for the surrender of such Options, that number of Common Shares (rounded down to the nearest whole Common Share) on a net issuance basis in accordance with the following formula below:

$$X = \frac{Y(A - B)}{A}$$

where:

X = The number of Common Shares to be issued to the Participant in consideration for the net exercise of the Options;

Y = The number of vested Options with respect to the vested portion of the Option to be surrendered for cancellation;

A = The volume weighted average trading price of the Common Shares; and

B = The exercise price for such Options.

(f) Other Terms

The Administrators will determine the exercise price and term/expiration date of each Option, provided that the exercise price in respect of that Option shall not be less than the Discounted Market Price on the date of grant. "Discounted Market Price" is defined in the TSXV Policy 1.1.

No Option shall be exercisable after ten years from the date the Option is granted. Should the term of an Option expire on a date that falls within a blackout period formally imposed by the Company, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the expiration date for such Option for all purposes under the Share Compensation Plan.

Deferred Share Units

The Administrators may fix, from time to time, a portion of the director fees that is to be payable in the form of DSUs.

(a) Mechanics for DSUs

Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in accordance with the time frames set forth in the Share Compensation Plan. If no election is made within the required time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.

Each Electing Person who is not a US Participant is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with a notice. Such termination shall be effective immediately upon receipt of such notice, provided that the Company has not imposed a blackout period. Thereafter, any portion of such Electing Person's Cash Fees payable or paid in the same calendar year and, subject to complying with the provisions in the Share Compensation Plan, all subsequent calendar years shall be paid in cash.

An election by a US Participant to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year, and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which a termination notice is delivered.

The number of DSUs (including fractional DSUs) granted at any particular time will be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including director fees and any Elected Amount), as determined by the Administrator, by (ii) the market price of a Common Share on the award date.

DSUs shall be settled on the date established in the DSU Agreement (as such term is defined below) provided, however that in no event shall a DSU be settled prior to a Participant's termination date, or, in the case of a Canadian Participant, later than one year following the date of the applicable Canadian Participant's termination date. In the case of a Participant (other than a Canadian Participant), in no event shall a DSU be settled later than three years following the date of the applicable Participant's termination date, as more particularly set out in the Share Compensation Plan.

(b) Vesting Provisions

The Administrators shall determine the vesting criteria applicable to DSUs, and DSUs shall not vest on a date that is earlier than 12 months following the date of grant or issue. All DSUs awarded shall be evidenced by a DSU agreement between the Company and the Participant, attached as Exhibit D to the Share Compensation Plan or in such other form as the Administrators may approve from time to time (the "**DSU Agreement**").

(c) Termination, Retirement and Other Cessation of Employment in connection with RSUs

If an Event of Termination has occurred in respect of any Participant, (i) any and all Common Shares corresponding to any vested DSUs in the Participant's DSU account shall be issued as soon as practicable after the Event of Termination to the former Participant; and (ii) any unvested DSUs in the Participant's DSU account shall, unless otherwise determined by the Administrators in their discretion or otherwise agreed to by the Company in an agreement with an Eligible Person, and subject to the requirements set out in section 4.6 of TSXV Policy 4.4, vest and be settled before the earlier of (a) the vesting schedule set out in the applicable DSU Agreement and (b) 12 months after the date of the Event of Termination.

If an Event of Termination involving the death of a Participant occurs and such Participant is entitled to any DSUs, the heirs or administrators of such Participant must claim such Security Based Compensation within one year of the Participant's death.

Subject to section 2.3(e) of the Share Compensation Plan and section 4.6 of TSXV Policy 4.4, if a Participant retires in accordance with the Company's retirement policy, at such time, any unvested performance-based DSUs in the Participant's DSU account shall not be forfeited by the Participant or cancelled and instead shall be eligible to become vested in accordance with the vesting conditions set forth in the applicable DSU Agreement after such retirement (as if retirement had not occurred), but only if the performance vesting criteria, if any, are met on the applicable date.

If a Participant's employment is terminated for just cause or if a Participant resigns without good reason, each unvested DSUs in the Participant's DSU account shall forthwith and automatically be forfeited by the Participant and cancelled.

Under the Share Compensation Plan, should the date of vesting of a DSU fall within a blackout period formally imposed by the Company, such date of vesting shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the blackout period, such tenth business day to be considered the date of vesting for such DSU for all purposes under the Share Compensation Plan.

Change of Control

Subject to section 2.3(e) of the Share Compensation Plan and section 4.6 of TSXV Policy 4.4, if there is a Change of Control (as such term is defined in the Share Compensation Plan) then, notwithstanding any other provision of the Share Compensation Plan except certain provision of the Share Compensation Plan which will continue to apply in all circumstances, any or all unvested RSUs and any or all Options (whether or not currently exercisable) and any or all unvested DSUs shall automatically vest or become exercisable, as applicable, such that Participants under the Share Compensation Plan shall be able to participate in the Change of Control transaction, including, at the election of the holder thereof, by surrendering such RSUs, Options and DSUs to the Company or a third party or exchanging such RSUs, Options or DSUs, for consideration in the form of cash and/or securities, to be determined by the Administrators in their sole discretion.

For greater certainty, the occurrence of a Change of Control will not trigger the right of a Participant to receive a payment in respect of a DSU prior to a termination date for such Participant. For clarity, RSUs, Options or DSUs of a Participant will only be accelerated as contemplated in section 7.2(a) of the Share Compensation Plan if such Participant ceases to be an Eligible Person in connection with the Change of Control.

Notwithstanding the foregoing, there can be no acceleration of the vesting requirements applicable to Options granted to an Investor Relations Service Provider without the prior written approval of the Exchange.

Transferability

RSUs, Options and DSUs awarded or granted under the Share Compensation Plan or any rights of a Participant cannot be transferred, assigned, charged, pledged or hypothecated, or otherwise alienated, whether by operation of law or otherwise.

Reorganization and Change of Control Adjustments

In the event of any declaration by the Company of any stock dividend payable in securities (other than a dividend which may be paid in cash or in securities at the option of the holder of Common Shares), or any subdivision or consolidation of Common Shares, reclassification or conversion of the Common Shares, or any combination or exchange of securities, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off involving the Company, distribution (other than normal course cash dividends) of Company assets to holders of Common Shares, or any other corporate transaction or event involving the Company or the Common Shares, the Administrators may, subject to any relevant resolutions of the Board and necessary TSXV approvals, and without liability to any person, make such changes or adjustments, if any, as the Administrators consider fair or equitable, to reflect such change or event including, without limitation, adjusting the number of RSUs, Options and DSUs outstanding under the Share Compensation Plan, the type and number of securities or other property to be received

upon exercise or redemption thereof, and the exercise price of Options outstanding under the Share Compensation Plan, provided that the value of any RSU, Option and DSU immediately after such an adjustment shall not exceed the value of such RSU, Option and DSU prior thereto.

Amendment Provisions in the Share Compensation Plan

The Board may amend the Share Compensation Plan or any RSU or Option or DSU at any time without the consent of any Participant provided that such amendment shall:

- (a) not adversely alter or impair any RSU previously awarded or any Option previously granted or any DSU previously awarded, except as permitted by the adjustment provisions of the Share Compensation Plan and with respect to RSUs, Options and DSUs of US Participants, such amendment will not result in the imposition of taxes under section 409A of the U.S. Internal Revenue Code of 1986, as amended;
- (b) be subject to any regulatory approvals including, where required, the approval of the TSXV; and
- (c) be subject to Shareholder approval, where required by the requirements of the TSXV, provided that Shareholder approval shall not be required for the following amendments:
 - (i) amendments of a "housekeeping nature", including any amendment to the Plan or a RSU or Option or DSU that is necessary to comply with applicable laws, tax or accounting provisions or the requirements of any regulatory authority or stock exchange and any amendment to the Share Compensation Plan or a RSU or Option or DSU to correct or rectify any ambiguity, defective provision, error or omission therein, including any amendment to any definitions therein; and
 - (ii) amendments that are necessary or desirable for RSUs or Options or DSUs to qualify for favourable treatment under any applicable tax law;
- (d) be subject to disinterested Shareholder approval in the event of any reduction in the exercise price, or the extension of the term, of any Option granted under the Share Compensation Plan to an Insider Participant.

For greater certainty, Shareholder approval will be required in circumstances where an amendment to the Share Compensation Plan would:

- (a) change from a fixed maximum percentage of issued and outstanding Common Shares to a fixed maximum number of Common Shares;
- (b) increase the limits of the total number of Common Shares that are issuable pursuant to all Security Based Compensation granted or awarded under the Share Compensation Plan;
- (c) reduce the exercise price of any Option (including any cancellation of an Option for the purpose of reissuance of a new Option at a lower exercise price to the same person);
- (d) extend the term of any Option beyond the original term (except if such period is being extend by virtue of a blackout period); or
- (e) amend the amendment provisions set out in the Share Compensation Plan.

Oversight and description of director and Named Executive Officer compensation

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels. The Board oversees the Company's executive compensation program with advice from the CGNC Committee.

The Board determines director and executive officer compensation and has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of Options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional

performance that results in a significant increase in shareholder value. The Company does not provide medical, dental or any other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and the Board from time to time determine the Option grants to be made pursuant to the Company's Share Compensation Plan. Previous grants of Options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

Pension Plan Benefits

The Company does not have in place any pension plans that provide for payments or benefits at, following, or in connection with retirement.

Management functions of the Company are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company. See "Employment, consulting and management agreements" above.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day-to-day management of the Company. The Company and its Board consider good corporate governance to be central to the effective and efficient operation of the Company in order that the Corporation may achieve its goals of enhancing stakeholder value over the long term.

National Policy 58-201 – *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. The Company has reviewed its own corporate governance practices in light of these guidelines. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") mandates certain disclosure by the Company of its corporate governance practices, which disclosure is set out below.

Board of Directors

The Board currently consists of five directors, Maryse Bélanger, Christian Kargl-Simard, Haytham Hodaly, Dr. Karin Thorburn and Francis Johnstone, all of whom are independent within the meaning of NI 58-101, other than Christian Kargl-Simard (as detailed below). Pursuant to NI 58-101, a director is "independent" if he or she has no direct or indirect "material relationship" with the Company. "Material relationship" is defined as a relationship that could, in the view of the Company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

Name of Director	Independence Within the Meaning of NI 58-101.
Maryse Bélanger (Chair)	Independent
Christian Kargl-Simard	Not Independent ⁽¹⁾
Haytham Hodaly ⁽²⁾	Independent
Dr. Karin Thorburn	Independent
Francis Johnstone	Independent

Notes:

- (1) Mr. Kargl-Simard is not considered to be independent by virtue of the fact that he is the Chief Executive Officer of the Corporation.
- (2) Mr. Hodaly will not be standing for re-election at the Meeting.

The independent directors, led by the independent Chair of the Board, exercise their responsibilities for independent oversight of management, and are provided with leadership through their position on the Board and ability to meet independently of management whenever deemed necessary.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers:

Name	Name of Reporting Issuers	Markets
Maryse Bélanger	Equinox Gold Corp.	TSX
Christian Kargl-Simard	Surge Copper Corp. NorthX Nickel Corp.	TSXV CSE
Haytham Hodaly	NEXE Innovations Inc.	TSXV

Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by Management and the other members of the Board. When a new director is appointed or elected to the Board, they will be briefed on the strategic plans, corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Corporation. However, the Company has not adopted formal orientation for new members of the Board, and this is considered to be appropriate, given the Corporation's size and current level of operations. The Corporate Governance, Compensation and Nominating Committee ("**CGCN Committee**") has determined that the skills and knowledge of the Board as a whole is such that no formal continuing education process is currently deemed required. However, the CGCN Committee will continue to consider, from time to time, continuing education opportunities that may be appropriate for the Board.

Ethical Business Conduct

Following the recommendation of the CGCN Committee, the Board adopted a Code of Business Ethics and Conduct (the "**Code**"). The Code provides basic guidelines setting forth the ethical behavior expected from every director and employee of the Company with respect to the use of Company time and assets, protection of confidential information, conflicts of interest, trading in the Company's securities and other matters.

A copy of the Code is available on the Company's website at www.bluemoonmetals.com.

Nomination of Directors

The Board and the CGCN Committee consider the size of the Board each year when considering the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board and the CGCN takes into account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

Compensation

The CGCN Committee is responsible for reviewing and determining the adequacy and form of compensation paid to the Company's directors, executives and key employees. The CGCN Committee evaluates the performance of senior management measured against the Company's business goals and industry compensation levels.

Board Committees

At the present time, the Company has an Audit Committee, a CGCN Committee and a Technical Committee.

Audit Committee

As of the date of this Circular, the Audit Committee is comprised of three members, being Karin Thorburn (Chair), Haytham Hodaly and Francis Johnstone, each of whom was independent within the meaning of National Instrument 52-110 – *Audit Committees*. Information regarding the Audit Committee, including the complete text of the Charter of the Audit Committee, is set forth in the annual information form of the Corporation dated September 12, 2025, under the heading "*Audit Committee*".

CGCN Committee

As of the date of this Circular, the CGCN Committee is comprised of three members, being Maryse Bélanger (Chair), Haytham Hodaly and Karin Thorburn, each of whom was independent within the meaning of NI 58-101. The purpose of the Corporate Governance Committee is to oversee and assess the functioning and effectiveness of the Board and to develop and recommend to the Board the implementation of effective corporate governance principles and practices. As noted above, the CGCN Committee also assists the Board to identify candidates for the Board and to recommend that the Board select qualified director candidates, giving consideration to diversity as well as the skills and competencies required to comprise an effective Board, for election at the next annual meeting of shareholders.

In addition, the CGCN Committee is also responsible for developing the overall executive compensation strategy for the Company, including but not limited to, reviewing the Company's compensation practices and policies, including overseeing the equity incentive plans, succession planning, and reviewing and providing advice to the Board in respect of key officers' performance and performance goals. See also "*Statement of Corporate Governance – Compensation*" and "*Statement of Executive Compensation – Oversight and Description of Director and Named Executive Officer Compensation*".

Technical Committee

As of the date of this Circular, the Technical Committee is comprised of three members, being Maryse Bélanger (Chair), Haytham Hodaly and Francis Johnstone, each of whom was independent within the meaning of NI 58-101. The purpose of the Technical Committee is responsible for providing oversight on technical matters relating to the Company's current and future mining projects and construction activities, , reviewing and recommending to the Board in respect of environmental and health and safety policies and programs. The Technical Committee also provides guidance and strategic direction in respect of other environmental matters and risks (which includes impacts on biodiversity and water quality, engagement with local communities relating to waste management and assess climate-related risks) and health and safety matters and risks (which includes maintenance of plant, equipment and infrastructure and feedback from employees, contractors and local communities and stakeholders relating to site operations).

Assessments

The Board and the CGCN Committee annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board and the CGCN Committee conduct informal surveys of its directors and receive reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

Diversity

The Board believes that decision-making is enhanced through diversity and will provide the necessary range of perspectives, experiences and expertise for effective stewardship of the Company. - (d) Subject to section 0 and the requirements set out in section 4.6 of TSXV Policy 4.4, notwithstanding the foregoing subsection 4.7(b), if a Participant retires in accordance with the Corporation's retirement policy, at such time, any unvested performance-based Restricted Share Units in the Participant's RSU Account shall not be forfeited by the Participant or cancelled and instead shall be eligible to become vested in accordance with the vesting conditions set forth in the applicable Restricted Share Unit Agreement after such retirement (as if retirement had not occurred), but only if the performance vesting criteria, if any, are met on the applicable date.

- (d) subject to section 5.3 hereof, the applicable vesting criteria,

provided, however that the Exercise Price for a Common Share pursuant to any Option shall not be less than the Discounted Market Price on the Grant Date in respect of that Option, and with respect to Options granted to U.S. Participants, the Exercise Price shall not be less than the closing price of the Common Shares on any exchange in Canada where Common Shares are listed on the last trading day prior to the Grant Date. If the Corporation does not issue a news release to announce the grant and the exercise price of an Option, the Discounted Market Price is the last closing price of the Common Shares before the date of grant of the Option less the applicable discount.

5.2 Option Agreement: Upon each grant of Options to a Participant, an Option Agreement shall be delivered by the Administrators to the Participant.

5.3 Vesting:

- (a) Subject to subsection 2.2(d) above with respect to grants to Eligible Persons providing Investor Relations Activities, at the time of the grant of any Options, the Administrators shall determine, in accordance with applicable vesting requirements of the Exchange, the vesting criteria applicable to such Options.
- (b) The Administrators may determine when any Option will become exercisable and may determine that Options shall be exercisable in instalments or pursuant to a vesting schedule. The Option Agreement will disclose any vesting conditions prescribed by the Administrators.

5.4 Term of Option/Blackout Periods: The term of each Option shall be determined by the Administrators; provided that no Option shall be exercisable after ten years from the Grant Date. Should the term of an Option expire on a date that falls within a Blackout Period formally imposed by the Corporation, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Blackout Period, such tenth Business Day to be considered the expiration date for such Option for all purposes under the Plan. Notwithstanding section 7.3 hereof, the ten Business Day period referred to in this section 5.4 may not be extended by the Board.

5.5 Exercise of Option:

Options that have vested in accordance with the provisions of this Plan and the applicable Option Agreement may be exercised at any time, or from time to time, during their term and subject to the provisions of sections 5.6, 5.7, 5.8 and 5.10 hereof as to any number of whole Common Shares that are then available for purchase thereunder; provided that no partial exercise may be for less than 100 whole Common Shares. Options may be exercised by delivery of a written notice of exercise to the Administrators, substantially in the form attached to this Plan as Exhibit C (the "Option Exercise Notice"), with respect to the Options, or by any other form or method of exercise acceptable to the Administrators.

5.6 Regular Exercise; Payment and Issuance:

- (a) Upon actual receipt by the Corporation or its agent of the materials required by subsection 5.5 and receipt by the Corporation of cash, a cheque, bank draft or other form of acceptable payment for the aggregate exercise price, the number of Common Shares in respect of which the Options are exercised will be issued as fully paid and non-assessable shares and the Participant exercising the Options shall be registered on the books of the Corporation as the holder of the appropriate number of Common Shares. No person or entity shall enjoy any part of the rights or privileges of a holder of Common Shares which are subject to Options until that person or entity becomes the holder of record of those Common Shares. No Common Shares will be issued by the Corporation prior to the receipt of payment by the Corporation for the aggregate Exercise Price for the Options being exercised.
- (b) Without limiting the foregoing, and unless otherwise determined by the Administrators or not compliant with any applicable laws, (i) cashless exercise of Options shall only be available to a Participant who was granted and is exercising such Options outside the United States as a non-U.S. Person in compliance with Regulation S under the 1933 Act at a time when the Common Shares are listed and posted for trading on an Exchange or market in Canada that permits cashless exercise, the Participant intends to immediately sell the Common Shares issuable upon exercise of such Options in Canada and the proceeds of sale will be sufficient to satisfy the Exercise Price of the Options, and (ii) if an eligible Participant elects to exercise the Options through cashless exercise and complies with any relevant protocols approved by the Administrators, a sufficient number of the Common Shares issued upon exercise of the Options will be sold in Canada by a designated broker on behalf of the Participant to satisfy the Exercise Price of the Options, the Exercise Price of the Options will be delivered to the Corporation and the Participant will receive only the remaining unsold Common Shares from the exercise of the Options and the net proceeds of the sale after deducting the Exercise Price of the Options, applicable taxes and any applicable fees and commissions, all as determined by the Administrators from time to time. The Corporation shall not deliver the Common Shares issuable upon a cashless exercise of Options until receipt of the Exercise Price therefor, whether by a designated broker selling the Common Shares issuable upon exercise of such Options through a short position or such other method determined by the Administrators in compliance with applicable laws.

5.7 Cashless Exercise: Subject to prior approval by the Administrators, and provided that the Common Shares are listed and posted for trading on an Exchange or market that permits cashless exercise, a Participant may elect cashless exercise in its Option Exercise Notice. In such case, the Participant will not be required to deliver to the Administrators a cheque or other form of payment for the aggregate Exercise Price referred to above. Instead the following provisions will apply:

- (a) Whereby the Corporation has an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to a Participant to purchase the Common Shares underlying the Options. The brokerage firm then sells a sufficient number of Common Shares to cover the Exercise Price of the Options in order to repay the loan made to the Participant. The brokerage firm receives an equivalent number of Common Shares from the exercise of the Options and the Participant then receives the balance of Common Shares or the cash proceeds from the balance of such Common Shares.
- (b) Before the relevant trade date, the Participant will deliver the Option Exercise Notice including details of the trades to the Corporation electing the cashless exercise and the Corporation will direct its registrar and transfer agent to issue a certificate for such Participant's Common Shares in the name of the broker (or as the broker may otherwise direct) for the number of Common Shares issued on the exercise of the Options, against payment by the broker to the Corporation of (i) the Exercise Price for such Common Shares; and (ii) the amount the Corporation determines, in its discretion, is required to satisfy the Corporation withholding tax and source deduction remittance obligations in respect of the exercise of the Options and issuance of Common Shares.
- (c) The broker will deliver to the Participant the remaining value of the Options, net of any brokerage commission or other expenses (the "**In-the-Money Amount**"), in either (i) cash in an amount equal to the In-the-Money-Amount, or (b) such number of Common Shares (rounded down to the nearest

whole number) having a fair Market Price equal to the In-the-Money Amount, plus a cash amount equal to the fraction of a Common Share that would otherwise be issuable multiplied by the fair Market Price of a Common Share.

- 5.8 Net Exercise:** Subject to prior approval by the Administrators, a Participant, excluding Investor Relations Service Providers, may elect to surrender for cancellation to the Corporation any vested Options being exercised and the Corporation will issue to the Participant, as consideration for the surrender of such Options, that number of Common Shares (rounded down to the nearest whole Common Share) on a net issuance basis in accordance with the following formula below:

$$X = \frac{Y(A - B)}{A}$$

where:

X = The number of Common Shares to be issued to the Participant in consideration for the net exercise of the Options under this section 5.8;

Y = The number of vested Options with respect to the vested portion of the Option to be surrendered for cancellation;

A = The VWAP of the Common Shares; and

B = The Exercise Price for such Options.

The Corporation may elect to forego any deduction in accordance with subsection 110(1.1) of the *Income Tax Act* (Canada) with respect to Options settled on a net exercise basis.

In the event of a cashless exercise or net exercise, the number of Options exercised, surrendered or converted, and not the number of Common Shares actually issued by the Corporation, must be included in calculating the limits set forth in sections 2.2, 2.2(b), 2.2(c), 2.2(d), 0 and 0.

- 5.9 Taxes and Source Deductions:** The Corporation or an affiliate of the Corporation may take such reasonable steps for the deduction and withholding of any taxes and other required source deductions which the Corporation or the affiliate, as the case may be, is required by any law or regulation of any governmental authority whatsoever to remit pursuant to the Withholding Obligations in connection with this Plan, any Options or any issuance of Common Shares. Without limiting the generality of the foregoing, the Corporation may, at its discretion: (i) deduct and withhold those amounts it is required to remit, pursuant to the Withholding Obligations, from any cash remuneration or other amount payable to the Participant, whether or not related to the Plan, the exercise of any Options or the issue of any Common Shares; or (ii) allow the Participant to make a cash payment to the Corporation equal to the amount required to be remitted, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant. Where the Corporation considers that the steps undertaken in connection with the foregoing result in inadequate withholding or a late remittance of taxes, the delivery of any Common Shares to be issued to a Participant on the exercise of Options may be made conditional upon the Participant (or other person) reimbursing or compensating the Corporation or making arrangements satisfactory to the Corporation for the payment in a timely manner of all taxes required to be remitted, pursuant to the Withholding Obligations, for the account of the Participant.

5.10 Rights Upon an Event of Termination:

- (a) If an Event of Termination has occurred in respect of a Participant, any unvested Options, to the extent not available for exercise as of the date of the Event of Termination, shall, unless otherwise determined by the Administrators in their discretion, vest before the earlier of (i) the vesting schedule set out in the applicable Option Agreement and (ii) 12 months after the date of the Event

of Termination. There can be no acceleration of the vesting requirements applicable to Options granted to an Investor Relations Service Provider without the prior written approval of the Exchange.

- (b) Except as otherwise stated herein or otherwise determined by the Administrators in their discretion or otherwise agreed to by the Corporation in an employment agreement or consulting agreement with an Eligible Person (provided such determination does not exceed a maximum of one year), upon the occurrence of an Event of Termination in respect of a Participant, any vested Options granted to the Participant that are available for exercise may be exercised only before the earlier of:
 - (i) the expiry of the Option; and
 - (ii) six months after the date of the Event of Termination.
- (c) Notwithstanding the foregoing subsections 5.10(a) and 5.10(b), if a Participant's employment is terminated for just cause or if a Participant resigns without good reason, each Option held by the Participant, whether or not then exercisable, shall forthwith and automatically be cancelled and may not be exercised by the Participant.
- (d) For the purposes of this Plan and all matters relating to the Options, the date of the Event of Termination shall be determined without regard to any applicable severance or termination pay, damages, or any claim thereto (whether express, implied, contractual, statutory, or at common law).
- (e) If an Event of Termination involving the death of a Participant occurs and such Participant is entitled to any Options in accordance with this section 5.10, the heirs or administrators of such Participant must claim such Security Based Compensation within one year of the Participant's death.

5.11 Record Keeping: The Corporation shall maintain an Option register in which shall be recorded:

- (a) the name and address of each holder of Options;
- (b) the number of Common Shares subject to Options granted to each holder of Options;
- (c) the term of the Option and Exercise Price, including adjustments for each Option granted; and
- (d) any other information which the Corporation considers appropriate to record in such register.

6. AWARD OF DEFERRED SHARE UNITS

6.1 Award of Deferred Share Units:

- (a) The Administrators may fix, from time to time, a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person may be given, subject to the conditions stated herein, the right to elect in accordance with section 6.1(b) to participate in the grant of additional DSUs pursuant to this Article 6. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 6 shall receive their Elected Amount (as that term is defined below) in the form of DSUs in lieu of cash. The "**Elected Amount**" shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the "**Cash Fees**").
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form of Exhibit E hereto (the "**Election Notice**") with the Chief Financial Officer of the Corporation: (i) in the case of an existing Electing

Person, by December 31st in the year prior to the year in which the services giving rise to the compensation are performed (other than for Director Fees payable for the 2024 financial year to any Electing Person who is not a U.S. Participant as of the date of this Plan, in which case such Electing Person shall file the Election Notice by the date that is 30 days from the Effective Date of the Plan with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Participant, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of an existing Electing Person who is a U.S. Participant as of the effective date of this Plan and who was not eligible to participate in the Predecessor Plan or in any other deferred compensation plan required to be aggregated with this Plan for purposes of Section 409A of the Code, an initial Election Notice may be filed by the date that is 30 days from the Effective Date only with respect to compensation paid for services to be performed after the Election Date; and in the case of a newly appointed Electing Person who is a U.S. Participant, an Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the Election Date. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.

- (c) Subject to subsection 6.1(d), the election of an Electing Person under subsection 6.1(b) shall be deemed to apply to all Cash Fees that would be paid subsequent to the filing of the Election Notice, and such Electing Person is not required to file another Election Notice for subsequent calendar years.
- (d) Each Electing Person who is not a U.S. Participant is entitled once per calendar year to terminate his or her election to receive DSUs in lieu of Cash Fees by filing with the Chief Financial Officer of the Corporation a notice in the form of Exhibit F hereto. Such termination shall be effective immediately upon receipt of such notice, provided that the Corporation has not imposed a Blackout Period. Thereafter, any portion of such Electing Person's Cash Fees payable or paid in the same calendar year and, subject to complying with subsection 6.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 6, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs in lieu of cash again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Participant to receive the Elected Amount in DSUs in lieu of cash for any calendar year is irrevocable for that calendar year after the expiration of the election period for that year, and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Exhibit G is delivered.
- (e) Any DSUs granted pursuant to this Article 6 prior to the delivery of a termination notice pursuant to Section 6.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 6 will be calculated by dividing (i) the amount of any compensation that is to be paid in DSUs (including Director Fees and any Elected Amount), as determined by the Administrator, by (ii) the Market Price of a Common Share on the Award Date.
- (g) In addition to the foregoing, the Administrators may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Administrators may prescribe, award DSUs to any Participant.

6.2 Deferred Share Unit Agreement: Upon the award of each Deferred Share Unit to a Participant, a Deferred Share Unit Agreement shall be delivered by the Administrators to the Participant.

6.3 Vesting: Subject to sections 6.7 and 7.1(a), Deferred Share Units shall vest on the date that is 12 months following the date of grant or issue.

6.4 Blackout Periods: Should the date of vesting of a Deferred Share Unit fall within a Blackout Period formally imposed by the Corporation, such date of vesting shall be automatically extended without any further act or formality to that date which is the tenth Business Day after the end of the Blackout Period, such tenth Business Day to be considered the date of vesting for such Deferred Share Unit for all purposes under the Plan. Notwithstanding section 7.3 hereof, the ten Business Day period referred to in this section 6.4 may not be extended by the Board.

6.5 Settlement:

- (a) DSUs shall be settled on the date established in the Deferred Share Unit Agreement; provided, however that in no event shall a DSU be settled prior to a Participant's Termination Date, or, in the case of a Canadian Participant, later than one (1) year following the date of the applicable Canadian Participant's Termination Date. In the case of a Participant (other than a Canadian Participant), in no event shall a DSU be settled later than three (3) years following the date of the applicable Participant's Termination Date. If the Deferred Share Unit Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the Participant's Termination Date, subject to the delay that may be required pursuant to the Code in the case of a U.S. Participant. Subject to the Code in the case of a U.S. Participant, and except as otherwise provided in a Deferred Share Unit Agreement, on the settlement date for any DSU, each vested DSU will be redeemed for:
- (b) one fully paid and non-assessable Common Share issued from treasury to the Participant or as the Participant may direct, or
- (c) a cash payment, or
- (d) a combination of Common Shares and cash as contemplated by paragraphs (i) and (ii) above,
- (e) in each case as determined by the Administrators in their discretion.
- (f) Any cash payments made under this section 6.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.
- (g) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.

6.6 Taxes and Source Deductions: the Corporation or an affiliate of the Corporation may take such reasonable steps for the deduction and withholding of any taxes and other required source deductions which the Corporation or the affiliate, as the case may be, is required by any law or regulation of any governmental authority whatsoever to remit pursuant to the Withholding Obligations in connection with this Plan, any Deferred Share Units or any issuance of Common Shares. Without limiting the generality of the foregoing, the Corporation may, at its discretion: (i) deduct and withhold those amounts it is required to remit pursuant to the Withholding Obligations from any cash remuneration or other amount payable to the Participant, whether or not related to the Plan, the vesting or settlement of any Deferred Share Units or the issue of any Common Shares; (ii) allow the Participant to make a cash payment to the Corporation equal to the amount required to be remitted, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant; or (iii) settle a portion of vested Deferred Share Units of a Participant in cash equal to the amount the Corporation is required to remit, pursuant to the Withholding Obligations, which amount shall be remitted by the Corporation to the appropriate governmental authority for the account of the Participant. Where the Corporation considers that the steps undertaken in connection with the foregoing result in inadequate withholding or a late remittance of taxes, the delivery of any Common Shares to be issued to a Participant on settlement of any Deferred Share Units may be made conditional upon the Participant (or other person) reimbursing or compensating the Corporation or making arrangements satisfactory to the Corporation for the payment to it in a timely manner

of all taxes required to be remitted, pursuant to the Withholding Obligations, for the account of the Participant.

6.7 Rights Upon an Event of Termination:

- (a) Subject to section 0, if an Event of Termination has occurred in respect of any Participant, any and all Common Shares corresponding to any vested Deferred Share Units in the Participant's DSU Account shall be issued as soon as practicable after the Event of Termination to the former Participant in accordance with section 6.5 hereof.
- (b) If an Event of Termination has occurred in respect of any Participant, any unvested Deferred Share Units in the Participant's DSU Account shall, unless otherwise determined by the Administrators in their discretion or otherwise agreed to by the Corporation in an agreement with an Eligible Person, and subject to the requirements set out in section 4.6 of TSXV Policy 4.4, vest and be settled before the earlier of (i) the vesting schedule set out in the applicable Deferred Share Unit Agreement and (ii) 12 months after the date of the Event of Termination.
- (c) If an Event of Termination involving the death of a Participant occurs and such Participant is entitled to any Deferred Share Units in accordance with this section 6.7, the heirs or administrators of such Participant must claim such Security Based Compensation within one year of the Participant's death.
- (d) Subject to section 0 and the requirements set out in section 4.6 of TSXV Policy 4.4, notwithstanding the foregoing subsection (b), if a Participant retires in accordance with the Corporation's retirement policy, at such time, any unvested performance-based Deferred Share Units in the Participant's DSU Account shall not be forfeited by the Participant or cancelled and instead shall be eligible to become vested in accordance with the vesting conditions set forth in the applicable Deferred Share Unit Agreement after such retirement (as if retirement had not occurred), but only if the performance vesting criteria, if any, are met on the applicable date.
- (e) Notwithstanding the foregoing subsection 6.7(b), for greater certainty, if a Participant's employment is terminated for just cause or if a Participant resigns without good reason, each unvested Deferred Share Unit in the Participant's DSU Account shall forthwith and automatically be forfeited by the Participant and cancelled.
- (f) For the purposes of this Plan and all matters relating to the Deferred Share Units, the date of the Event of Termination shall be determined without regard to any applicable severance or termination pay, damages, or any claim thereto (whether express, implied, contractual, statutory, or at common law).

6.8 Deferred Share Unit Account: A separate notional account for Deferred Share Units shall be maintained for each Participant (which, for greater certainty includes Electing Persons) (a "**DSU Account**"). Each DSU Account will be credited with Deferred Share Units awarded to the Participant from time to time pursuant to section 6.1 hereof by way of a bookkeeping entry in the books of the Corporation.

6.9 Record Keeping: the Corporation shall maintain records in which shall be recorded:

- (a) the name and address of each Participant;
- (b) the number of Deferred Share Units credited to each Participant's DSU Account;
- (c) any and all adjustments made to Deferred Share Units recorded in each Participant's DSU Account; and
- (d) any other information which the Corporation considers appropriate to record in such records.

7. GENERAL

7.1 Effective Date of Plan: The Plan shall be effective as of the Effective Date.

(a) Change of Control:

If there is a Change of Control transaction then, notwithstanding any other provision of this Plan except subsection 4.3(d) which will continue to apply in all circumstances, any or all unvested Restricted Share Units, any or all Options (whether or not currently exercisable) and any or all unvested Deferred Share Units shall automatically vest or become exercisable, as applicable, such that Participants under the Plan shall be able to participate in the Change of Control transaction, including, at the election of the holder thereof, by surrendering such Restricted Share Units, Options and Deferred Share Units to the Corporation or a third party or exchanging such Restricted Share Units, Options or Deferred Share Units, for consideration in the form of cash and/or securities, to be determined by the Administrators in their sole discretion, subject to any necessary Exchange approvals. For greater certainty, the occurrence of a Change of Control will not trigger the right of a Participant to receive a payment in respect of a Deferred Share Unit prior to a Termination Date for such Participant. For clarity, Restricted Share Units, Options or Deferred Share Units of a Participant will only be accelerated as contemplated in this subsection 0 if such Participant ceases to be an Eligible Person in connection with the Change of Control. Notwithstanding the foregoing, with respect to Options of U.S. Participants, any exchange, substitution or amendment of such Options will occur only to the extent and in a manner that will not result in the imposition of taxes under Section 409A of the Code, and with respect to Restricted Share Units or Deferred Share Units, as applicable, of U.S. Participants, any surrender or other modification of Restricted Share Units or Deferred Share Units, as applicable, will occur only to the extent such surrender or other modification will not result in the imposition of taxes under Section 409A of the Code. Notwithstanding the foregoing, there can be no acceleration of the vesting requirements applicable to Options granted to an Investor Relations Service Provider without the prior written approval of the Exchange.

7.2 Reorganization Adjustments:

- (a) In the event of any declaration by the Corporation of any stock dividend payable in securities (other than a dividend which may be paid in cash or in securities at the option of the holder of Common Shares), or any subdivision or consolidation of Common Shares, reclassification or conversion of Common Shares, or any combination or exchange of securities, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off involving the Corporation, distribution (other than normal course cash dividends) of company assets to holders of Common Shares, or any other corporate transaction or event involving the Corporation or the Common Shares, the Administrators, in the Administrators' sole discretion, may, subject to any relevant resolutions of the Board and any necessary Exchange approvals, and without liability to any person, make such changes or adjustments, if any, as the Administrators consider fair or equitable, in such manner as the Administrators may determine, to reflect such change or event including, without limitation, adjusting the number of Options, Restricted Share Units and Deferred Share Units outstanding under this Plan, the type and number of securities or other property to be received upon exercise or redemption thereof, and the Exercise Price of Options outstanding under this Plan, provided that the value of any Option, Restricted Share Unit and Deferred Share Units immediately after such an adjustment, as determined by the Administrators, shall not exceed the value of such Option, Restricted Share Unit and Deferred Share Units prior thereto, as determined by the Administrators.
- (b) Notwithstanding the foregoing, with respect to Options, Restricted Share Units and Deferred Share Units of U.S. Participants, such changes or adjustments will be made in a manner so as to not result in the imposition of taxes under Section 409A of the Code and will comply with the requirements in subsection 4.3(d).

- (c) The Corporation shall give notice to each Participant in the manner determined, specified or approved by the Administrators of any change or adjustment made pursuant to this section and, upon such notice, such adjustment shall be conclusive and binding for all purposes.
- (d) The Administrators may from time to time, subject to any necessary Exchange approvals, adopt rules, regulations, policies, guidelines or conditions with respect to the exercise of the power or authority to make changes or adjustments pursuant to section 7.1(a) or section 7.2(a). The Administrators, in making any determination with respect to changes or adjustments pursuant to section 7.1(a) or section 7.2(a) shall be entitled to impose such conditions as the Administrators consider or determine necessary in the circumstances, including conditions with respect to satisfaction or payment of all applicable taxes (including, but not limited to, withholding taxes).

7.3 Amendment or Termination of Plan:

- (a) The Board may amend this Plan or any Restricted Share Unit or any Option or any Deferred Share Unit at any time without the consent of Participants provided that such amendment shall:
 - (b) not adversely alter or impair any Restricted Share Unit previously awarded or any Option previously granted or any Deferred Share Unit previously awarded except as permitted by the provisions of section 7.2 hereof, and, with respect to Restricted Share Units, Options and Deferred Share Units of U.S. Participants, such amendment will not result in the imposition of taxes under Section 409A of the Code;
 - (c) be subject to any regulatory approvals including, where required, the approval of the Exchange; and
 - (d) be subject to shareholder approval, where required by the requirements of the Exchange, provided that shareholder approval shall not be required for the following amendments:
 - (i) amendments of a "housekeeping nature", including any amendment to the Plan or a Restricted Share Unit or Option or Deferred Share Unit that is necessary to comply with applicable laws, tax or accounting provisions or the requirements of any regulatory authority or stock exchange and any amendment to the Plan or a Restricted Share Unit or Option or deferred share unit to correct or rectify any ambiguity, defective provision, error or omission therein, including any amendment to any definitions therein; and
 - (ii) amendments that are necessary or desirable for Restricted Share Units or Options or Deferred Share Units to qualify for favourable treatment under any applicable tax law; and
 - (e) be subject to disinterested shareholder approval in the event of any reduction in the Exercise Price, or the extension of the term, of any Option granted under the Plan to an Insider Participant.

For greater certainty and subject to approval by the TSX Venture Exchange (if applicable), shareholder approval shall be required in circumstances where an amendment to the Plan would:

- (f) change from a fixed maximum percentage of issued and outstanding Common Shares to a fixed maximum number of Common Shares;
- (g) increase the limits in section 2.2;
- (h) reduce the Exercise Price of any Option (including any cancellation of an Option for the purpose of reissuance of a new Option at a lower Exercise Price to the same person);
- (i) extend the term of any Option beyond the original term (except if such period is being extended by virtue of section 5.4 hereof); or

(j) amend this section 7.3.

7.4 Termination: The Administrators may terminate this Plan at any time in their absolute discretion. If the Plan is so terminated, no further Restricted Share Units shall be awarded and no further Options shall be granted and no further Deferred Share Units shall be awarded, but the Restricted Shares Units then outstanding and credited to Participants' RSU Accounts and the Options then outstanding and the Deferred Share Units then outstanding and credited to Participants' DSU Accounts shall continue in full force and effect in accordance with the provisions of this Plan. Any termination of this Plan shall occur in a manner that will not result in the imposition of taxes on a U.S. Participant under Section 409A of the Code.

7.5 Transferability: A Participant shall not be entitled to transfer, assign, charge, pledge or hypothecate, or otherwise alienate, whether by operation of law or otherwise, the Participant's Restricted Share Units or Options or Deferred Share Units or any rights the Participant has under the Plan.

7.6 Rights as a Shareholder: Under no circumstances shall the Restricted Share Units or Options or Deferred Share Units be considered Common Shares nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Common Shares (including, but not limited to, the right to dividend equivalent payments).

7.7 Credits for Dividends:

(a) Subject to section 7.7(b), whenever cash or other dividends are paid on Common Shares, additional Restricted Share Units or Deferred Share Units, as applicable, will be automatically granted to each Participant who holds Restricted Share Units or Deferred Share Units, as applicable, on the record date for such dividends. The number of such Restricted Share Units or Deferred Share Units (rounded to the nearest whole Restricted Share Unit or Deferred Share Unit, as applicable) to be credited to such Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such Participant if the Participant's Restricted Share Units or Deferred Share Units, as applicable, as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Price of the Common Shares as of the date on which the dividend is paid on the Common Shares. Restricted Share Units and Deferred Share Units granted to a Participant pursuant to this section 7.7 shall be subject to the same vesting conditions (time and performance (as applicable)) as the Restricted Share Units and the Deferred Share Units, as applicable, to which they relate.

(b) In the event that the number of Restricted Share Units or the Deferred Share Units, as applicable, to be granted in accordance with section 7.7(a) would result in the number of Common Shares issuable pursuant to all Security Based Compensation granted or awarded hereunder to exceed the limits set out in sections 2.2, 2.2(b), 2.2(c), 2.2(d), 0 and 0, such Restricted Share Units or Deferred Share Units, as applicable, shall not be granted and the Administrators may determine, in their sole discretion, to make a cash payment to the Participant in lieu thereof equal to the aggregate value determined pursuant to section 7.7(a).

7.8 No Effect on Employment, Rights or Benefits:

(a) The terms of employment shall not be affected by participation in the Plan.

(b) Nothing contained in the Plan shall confer or be deemed to confer upon any Participant the right to continue as a director, officer, employee or Consultant nor interfere or be deemed to interfere in any way with any right of the Corporation, the Board or the shareholders of the Corporation to remove any Participant from the Board or of the Corporation or any Subsidiary to terminate any Participant's employment or agreement with a Consultant at any time for any reason whatsoever.

- (c) Under no circumstances shall any person who is or has at any time been a Participant be able to claim from the Corporation or any Subsidiary any sum or other benefit to compensate for the loss of any rights or benefits under or in connection with this Plan or by reason of participation in this Plan.

7.9 Market Value of Common Shares: The Corporation makes no representation or warranty as to the future market value of any Common Shares. No Participant shall be entitled, either immediately or in the future, either absolutely or contingently, to receive or obtain any amount or benefit granted to or to be granted for the purpose of reducing the impact, in whole or in part, of any reduction in the market value of the shares of the Corporation or a corporation related thereto.

7.10 Compliance with Applicable Law:

- (a) If any provision of the Plan contravenes any law or any order, policy, by-law or regulation of any regulatory body having jurisdiction, then such provision shall be deemed to be amended to the extent necessary to bring such provision into compliance therewith. Notwithstanding the foregoing, the Corporation shall have no obligation to register any securities provided for in this Plan under the 1933 Act.
- (b) The award of Restricted Share Units, the grant of Options, the award of Deferred Share Units and the issuance of Common Shares under this Plan shall be carried out in compliance with applicable statutes and with the regulations of governmental authorities and the Exchange. If the Administrators determine in their discretion that, in order to comply with any such statutes or regulations, certain action is necessary or desirable as a condition of or in connection with the award of a Restricted Share Unit, the grant of an Option, the award of a Deferred Share Unit or the issue of a Common Share upon the vesting of a Restricted Share Unit or exercise of an Option or settlement of a Deferred Share Unit, as applicable, that Restricted Share Unit may not vest in whole or in part, that Option may not be exercised in whole or in part and that the Deferred Share Unit may not vest in whole or in part, as applicable, unless that action shall have been completed in a manner satisfactory to the Administrators. In addition, unless the Restricted Share Units, the Options, the Deferred Share Units and the Common Shares issuable pursuant to the Restricted Share Units, Options and Deferred Share Units, as applicable, have been registered under the 1933 Act and any applicable U.S. state securities laws, all rights of a Participant under this Plan shall be subject to and conditioned upon the availability of exemptions or exclusions from the registration requirements of the 1933 Act and any applicable U.S. state securities, as determined by the Corporation in its sole discretion. Any Restricted Share Units or Options or Deferred Share Units granted or issued to a person in the United States or a U.S. Person, as well as the issue of Common Shares pursuant thereto, will result in any certificate representing such securities bearing a United States restrictive legend restricting transfer of such securities under United States federal and state securities laws.
- (c) If the Common Shares are listed on the TSX Venture Exchange and the award of Restricted Share Units, grant of Options or award of Deferred Share Units and the issuance of Common Shares under this Plan is made to a director, officer, promoter or other insider of the Corporation, and unless the respective award, grant or issuance or is qualified by prospectus, or issued under a securities take-over bid, rights offering, amalgamation, or other statutory procedure, then the Restricted Share Unit Agreement, Option Agreement or the Deferred Share Unit Agreement will bear an Exchange Hold Period, and the following legend will be inserted onto the first page of the Restricted Share Unit Agreement or Option Agreement:

"WITHOUT PRIOR WRITTEN APPROVAL OF THE TSX VENTURE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS AGREEMENT AND ANY SECURITIES ISSUED UPON EXERCISE THEREOF MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR

FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL _____, 20__ [i.e., four months and one day after the date of grant].

- 7.11 Governing Law:** This Plan shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.
- 7.12 Subject to Approval:** The Plan is adopted subject to the approval of the Exchange and any other required regulatory approval. To the extent a provision of the Plan requires regulatory approval which is not received, such provision shall be severed from the remainder of the Plan until the approval is received and the remainder of the Plan shall remain in effect.
- 7.13 Special Terms and Conditions Applicable to U.S. Participants:** Options issued to U.S. Participants are intended to be exempt from Section 409A of the Code pursuant to Treas. Reg. Section 1.409A-1(b)(5)(i)(A) and the Plan and such Options will be construed and administered accordingly. Options may be issued to U.S. Participants under the Plan only if the shares with respect to the Options qualify as "service recipient stock" as defined in Treas. Reg. Section 1.409A-1(b)(5)(E)(iii). Restricted Share Units and Deferred Share Units awarded to U.S. Participants are intended to be compliant with Section 409A of the Code and such Restricted Share Units and Deferred Share Units will be construed and administered accordingly. Any waiver or acceleration of vesting under the Plan or any Restricted Share Unit Agreement for a U.S. Participant may occur only to the extent that such acceleration or waiver will not result in the imposition of taxes under Section 409A of the Code. Any payments made under this Plan or any Restricted Share Unit Agreement or any Deferred Share Unit Agreement to a U.S. Participant as a result of a termination of employment that are deemed to be subject to Section 409A of the Code shall occur only if such termination constitutes a "separation from service" as defined in Treas. Reg. 1.409A-1(h). Additionally, any payments resulting from a separation from service made to a U.S. Participant who is a "specified employee" as defined in Treas. Reg. 1.409A-1(i) shall be subject to the six month delay in payments required by Treas. Reg. 1.409A-1(3)(v) if such payments are deemed to be subject to Section 409A of the Code. Although the Corporation intends Options, Restricted Share Units and Deferred Share Units granted to U.S. Participants to be exempt from or compliant with Section 409A of the Code, the Corporation makes no representation or guaranty as to the tax treatment of such Options, Restricted Share Units and Deferred Share Units. Each U.S. Participant (and any beneficiary or the estate of the Participant, as applicable) is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or for the account of such U.S. Participant in connection with this Plan. Neither the Corporation nor any affiliate, nor any employee or director of the Corporation or an affiliate, shall have any obligation to indemnify or otherwise hold such U.S. Participant, beneficiary or estate harmless from any or all such taxes or penalties.
