INFORMATION CIRCULAR

SOLICITATION OF PROXIES BY MANAGEMENT

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of Avanti Energy Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held at Suite 3200, the Harper Room, 650 West Georgia Street, Vancouver, British Columbia on Thursday, June 25, 2020 at 10:00 a.m. (Vancouver time) and at any adjournments thereof for the purposes set out in the accompanying Notice of Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company (“Common Shares”) pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer*. The cost of any such solicitation will be borne by the Company.

The Company is not relying on the notice and access provisions of National Instrument 54-101 to send proxy related materials to registered shareholders or beneficial owners of shares in connection with the Meeting.

Unless otherwise stated, the information contained in this Information Circular is given as at May 21, 2020.

APPOINTMENT OF PROXYHOLDERS AND COMPLETION AND REVOCATION OF PROXIES

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the “Management Designees”) have been selected by the directors of the Company.

A Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees to represent the Shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company. Such Shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder and attend the Meeting, and provide instructions on how the Shareholder’s shares are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775, and outside North America to (416) 263-9524, at least 48 hours,

excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman's discretion, but the Chairman is under no obligation to accept late proxies.

Any registered Shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered Shareholder personally attending at the Meeting and voting their shares. A Shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered Shareholder or by their authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company's registrar and transfer agent at the foregoing address or the head office of the Company, at Suite 810 – 609 Granville Street, Vancouver, British Columbia V7Y 1G5 or by telephone at 604-678-8941, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered Shareholders have the right to revoke a proxy. Non-registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.**

VOTING OF PROXIES

Voting at the Meeting will be by a show of hands, each registered Shareholder and each proxyholder (representing a registered or unregistered Shareholder) having one vote, unless a poll is required or requested, whereupon each such Shareholder and proxyholder is entitled to one vote for each Common Share held or represented, respectively. Each Shareholder may instruct their proxyholder how to vote their Common Shares by completing the blanks on the proxy. All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common Shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "**ordinary resolution**"), unless the motion requires a "**special resolution**" in which case a majority of 66 2/3% of the votes cast will be required.

BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" or "beneficial" shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "Beneficial Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the

Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company's transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Designees named in the form and insert the Beneficial Holder's name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors or the appointment of auditors, of any person or company who has been: (a) if the solicitation is made by or on behalf of management of the Company, a director or executive officer of the Company at any time since the beginning of the Company's last financial year; (b) if the solicitation is made other than by or on behalf of management of the Company, any person or company by whom or on whose behalf, directly or indirectly, the solicitation is made; (c) each proposed nominee for election as a director of the Company; or (d) any associate or affiliate of any of the foregoing persons or companies.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares, without nominal or par value, of which as at the date hereof 5,525,092 common shares are issued and outstanding.

The holders of common shares of record at the close of business on the record date, set by the directors of the Company to be May 21, 2020, are entitled to vote such common shares at the Meeting on the basis of one vote for each common share held.

The Articles of the Company provide that a quorum for the transaction of business at the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 1/20 of the issued shares entitled to be voted at the meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company.

The directors have determined that all shareholders of record as of the 21st day of May, 2020 will be entitled to receive notice of and to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

I. Financial Statements

The audited financial statements of the company for the financial year ended December 31, 2019 (the "Financial Statements"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. The Financial Statements, together with the Auditors' Report thereon, are available for review at www.sedar.com.

II. Election of Directors

The board of directors of the Company (the "**Board**" or the "**Board of Directors**") currently consists of three (3) directors, all of whom are elected annually. The term of office for each of the present directors of the Company expires at the Meeting. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at three (3).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company's Articles.

It is the intention of the management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors. Management does not contemplate that any of the nominees will be unable to serve as a director.

The following information relating to the nominees for election to the Board of Directors is based on information received by the Company from said nominees.

Corporate Cease Trade Orders or Bankruptcies

Except as identified above, to the knowledge of the Company, no director or proposed director of the Company is, or within the ten years prior to the date of this Circular has been, a director or executive officer of any company, including the Company, that while that person was acting in that capacity:

- (a) was the subject of a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director ceased to be a director or executive officer of the company being the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Individual Bankruptcies

To the knowledge of the Company, no director or proposed director of the Company has, within the ten years prior to the date of this Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Penalties or Sanctions

No proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

III. Appointment of Auditors

Management proposes the appointment of Davidson & Company LLP, Chartered Professional Accountants, as Auditors of the Company for the ensuing year and that the directors be authorized to fix their remuneration. Davidson & Company LLP, Chartered Professional Accountants, have been the Company's Auditors since March 2011.

In the absence of instructions to the contrary the shares represented by proxy will be voted in favour of a resolution to appoint Davidson & Company LLP, Chartered Professional Accountants, as Auditors of the Company for the ensuing year, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder's proxy that the Shareholder's Common Shares are to be withheld from voting on the appointment of auditors.

IV. Approval of Incentive Stock Option Plan

At the Company's last Annual General Meeting, the Shareholders approved a rolling stock option plan (the "**Stock Option Plan**"), authorizing the issuance of incentive stock options to eligible persons for up to an aggregate of 10% of the issued shares of the Company from time to time. The policies of the TSX Venture Exchange (the "**Exchange**") require the approval of the Stock Option Plan by the Company's "disinterested shareholders" (as defined below) on an annual basis. There are currently 5,525,092 shares of the Company issued and outstanding, and therefore the current 10% threshold is 552,509 shares available for incentive stock option grants under the Stock Option Plan. Incentive stock options under the Stock Option Plan may be granted by the Board of Directors to eligible persons, who are directors, officers or consultants of the Company or its subsidiaries (if any), or who are employees of a company providing management services to the Company, or who are eligible charitable organizations. Stock options may be granted under the stock option plan with a maximum exercise period of up to ten (10) years, as determined by the board of directors of the company.

The Stock Option Plan will limit the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12-month period (unless otherwise approved by the disinterested shareholders of the Company), and not more than 10% of the total issued shares to all insiders at any time or granted over any 12-month period. The number of options granted to any one consultant or person employed to provide investor relations activities in any 12-month period must not exceed 2% of the total issued shares of the Company. Any stock options granted under the Stock Option Plan will not be subject to any vesting schedule, unless otherwise determined by the Board of Directors or required by the policies of the Exchange.

Options under the Plan may be granted at an exercise price which is at or above the current discounted market price (as defined under the policies of the Exchange) on the date of the grant. In the event of the death or permanent disability of an optionee, any option granted to such optionee will be exercisable upon the earlier of 365 days from the date of death or permanent disability, or the expiry date of the option. In the event of the resignation, or the termination or removal of an optionee without just cause, any option granted to such optionee will be exercisable for a period of 90 days thereafter. In the event of termination for cause, any option granted to such optionee will be cancelled as at the date of termination.

Shareholders are referred to the full text of the Stock Option Plan, a copy of which has been posted on SEDAR and is available for inspection under the Company's profile on SEDAR at www.sedar.com, for complete details.

To the knowledge of the Company, Shareholders who are ineligible to vote on the approval of the Stock Option Plan and their respective shareholdings are as follows:

|---|------------------|
| Robin Gamley | 40,250 |
| Cory Cleveland | 26,667 |
| Michael Leo | 300 |
| Elbert Wong | 11,000 |

The Company will be seeking Shareholders' ratification and approval of the Stock Option Plan at the Meeting.

There are no other matters to be acted upon at the Meeting.

EXECUTIVE COMPENSATION **(For the financial year ended December 31, 2019)**

For purposes of this Information Circular, "named executive officer" of the Company means an individual who, at any time during the year, was:

- (a) the Company's chief executive officer ("CEO");
- (b) the Company's chief financial officer ("CFO");
- (c) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of the most recently completed financial year; (each a "Named Executive Officer").

Based on the foregoing definition, during the last completed financial year of the Company, there were four (4) Named Executive Officers, namely:

- **Rob Gamley**, current President and Chief Executive Officer;
- **Karl Kottmeier**, former President and Chief Executive Officer;
- **Elbert Wong**, Interim Chief Financial Officer and Secretary; and
- **Douglas Ford**, former Chief Financial Officer and Secretary.

Compensation Discussion and Analysis

In assessing the compensation of its executive officers, the Company does not have in place any formal objectives, criteria or analysis; instead, it relies mainly on Board discussion, with input from and upon the recommendations of the Compensation Committee.

The Company’s executive compensation program has three principal components: base salary, incentive bonus plan and stock options.

Base salaries for all employees of the Company are established for each position through comparative salary surveys of similar type and size companies. Both individual and corporate performances are also taken into account.

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for executive officers and employees.

As the Company does not currently have an active business, no bonuses were paid to executive officers and employees during the most recently completed financial year.

Other than pursuant to a Management Services Agreements dated January 15, 2013 between the Company and Pacific Equity Management Corporation (“PEMC”), which were terminated August 31, 2019 (see “Summary Compensation Table” below), the Company has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm’s length services providers.

Option-Based Awards

Stock options are granted to provide an incentive to the directors, officers, employees and consultants of the Company to achieve the longer-term objectives of the Company; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Company; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Company. The Company awards stock options to its executive officers based upon the recommendation of the Compensation Committee, which recommendation is based upon the Committee’s review of a proposal from the Chief Executive Officer. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company’s Compensation Committee.

Termination and Change of Control Benefits

The Management Services Agreement dated January 15, 2013 between PEMC and the Company described under “Summary Compensation Table” above was terminated by mutual consent of the parties on August 30, 2019. The Management Services Agreement had required the Company to provide PEMC twenty-four (24) months advance written notice of termination. In the event of a change of effective control of the Company, the Agreement had also provided PEMC the right to terminate the Agreement and in such event the Company was to pay PEMC a severance payment equal to twelve (12) months management fees. As part of the agreement to terminate the Management Services Agreement, PEMC waived these notice and severance payment requirements in exchange for payment of one month’s management fees.

The Company has not entered into any other compensatory plans, contracts or arrangements with any of its Named Executive Officers whereby those officers are entitled to receive compensation as a result of the resignation, retirement or any other termination of employment of the Named Executive Officer with the Company or from a change in control of the Company or a change in the Named Executive Officer’s responsibilities following a change in control.

For purposes of the Agreement, “change of effective control” of the Company shall mean any of the following events:

- i) any person, group of persons, persons “acting jointly and in concert with them” or persons who are “associates” or “affiliates” (as such terms are defined in the Securities Act) of any of the foregoing (a “Control Group”), becomes the beneficial owner, without duplication, of securities entitling the Control Group to exercise 20% or more of the votes attaching to the outstanding securities of the Company;

- ii) the removal by extraordinary resolution of the shareholders of the Company, of more than 51% of the then incumbent directors of the Company, or the election of a majority of directors to the Company's board of directors who were not nominees of the Company's incumbent board of directors at the time immediately preceding such election; or
- iii) the consummation of a sale of all or substantially all of the assets of the Company, or consummation of a reorganization, merger or other transaction which has substantially the same effect as any matter described in paragraphs (i) and (ii) above.

None of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, and no associates or affiliates of any of them, is or has been indebted to the Company or its subsidiaries at any time since the beginning of the Company's last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No Insider of the Company, no proposed nominee for election as a director of the Company and no associate or affiliate of any of the foregoing, has any material interest, direct or indirect, in any transaction since the commencement of the Company's last financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

Management functions of the Company and its subsidiaries are substantially performed by the Company's directors and executive officers. The Company has not entered into any contracts, agreements or arrangements with parties other than its directors and executive officers for the provision of such management functions.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board.

The Board is comprised of three directors, of whom Cory Cleveland and Michael Leo are independent for the purposes of NI 58-101. Rob Gamley is not independent since he serves as President and Chief Executive Officer of the Company.

Directorships

Certain of the directors and proposed directors are also directors of other reporting issuers, as follows:

| Director | Other Reporting Issuers |
|----------------|--------------------------|
| Robin Gamley | Sentinel Resources Corp. |
| Cory Cleveland | N/A |
| Michael Leo | N/A |

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation Governance

The Company does not have a separate Compensation Committee, so the entire Board of directors is responsible for, among other things, evaluating the performance of the Company's executive officers, determining or making recommendations to the Board with respect to the compensation of the Company's executive officers, making recommendations to the Board with respect to director compensation, incentive compensation plans and equity-based plans, making recommendations to the Board with respect to the compensation policy for the employees of the Company or its subsidiaries and ensuring that the Company is in compliance with all legal requirements with respect to compensation disclosure. In performing its duties, the board of directors has the authority to engage such advisors, including executive compensation consultants, as it considers necessary.

All members of the Board are experienced participants in business or finance, and have sat on the board of directors of other companies, charities or business associations, in addition to the Board of the Company.

The Board does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board.

The Board has not engaged the services of independent compensation consultants to assist it in making recommendations to the Board with respect to director and executive officer compensation.

In performing its duties, the Board has considered the implications of risks associated with the Company's compensation policies and practices. At its present early stage of development and considering its present compensation policies, the Company currently has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks. A Named Executive Officer or director is permitted for his or her own benefit and at his or her own risk, to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

Other Board Committees

The Board has no other committees, other than the Audit Committee.

Assessments

Due to the minimal size of the Company's Board of directors, no formal policy has been established to monitor the effectiveness of the directors, the Board and its committees.
