

I, Mr David Seers, AusIMM CP(Geo) do hereby certify that I am author of the Technical Report titled “NI 43-101 Technical Report Gaban Property Puno, Peru” with the effective date of August 27th, 2019:

1. My current address is: Calle Grimaldo del Solar 219, Departamento 1202, Miraflores, Lima, Peru
2. I am currently employed as a Senior Exploration Geologist by Mining Plus in Lima, Peru.
3. I am a graduate of the University of Leicester and received an undergraduate
4. Master’s degree (MGeol) with Honours in Applied Geology in 2003.
5. I am Chartered Professional in the discipline of Geology and a registered member in good standing of the Australasian Institute of Mining and Metallurgy. MAusIMM CP (Geo) membership number 991014
6. I have practiced my profession continuously since September 2003. My relevant experience includes over 15 years’ experience working for junior explorers focused on precious and base metal exploration, including shear-hosted “orogenic” deposits. I also have several years’ experience independently reviewing greenfield projects for public and private companies.
7. I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI 43-101”) and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfil the requirements to be a “qualified person” for the purposes of NI 43-101.
8. I am wholly responsible for all completed sections of this Technical Report.
9. As of the effective date of the Technical Report, June 30th, 2019, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information required to be disclosed to make the report not misleading.
10. I have read N1 43-101 and Form 43101F1, and the Technical Report has been prepared in compliance with that instrument and form.
11. I am independent of Helio Resource Corp. and Palamina Corp. applying all the tests in section 1.5 of N1 43-101.
12. I consent to the filing of the Technical Report with any stock exchange and other regulatory authority and any publication by them for regulatory purposes, including electronic publication in the public company files on their websites accessible by the public, of the Technical Report.
13. I visited the Gaban Property between June 5th and 10th, 2019. This is the only time I have spent at the Property.

Dated August 27th, 2019.

David Seers MGeol, MAusIMM, CP(Geo)
