(as at April 28, 2017, unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular and the accompanying documents (the “Meeting Materials”) are furnished in connection with the solicitation of proxies by the management of Inomin Mines Inc. (the “Company”) for use at the Annual General Meeting of Shareholders of the Company to be held on June 2, 2017 (the “Meeting”) and any adjournment thereof at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors and/or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing, unless the shareholder chooses to complete the proxy by telephone or the internet as described in the enclosed proxy form. Completed proxies must be received by Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or at the discretion of the Chairman of the Meeting, delivered to the Chairman of the Meeting prior to the commencement of the Meeting or prior to any re-commencement of the Meeting after an adjournment.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, Suite 1800, 510 West Georgia Street, Vancouver, British Columbia, V6B 0M3, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

RECORD DATE

The Board has established the record date (the “Record Date”) for the Meeting as the close of business on April 28, 2017. Only Shareholders of record at the close of business on the Record Date will be entitled to notice of the Meeting, or any adjournments or postponements thereof, and to vote at the Meeting. No Shareholders having become Shareholders of record after that time will be entitled to vote at the Meeting, or any adjournments or postponements thereof.

INFORMATION FOR BENEFICIAL HOLDERS OF SHARES

The shares owned by many shareholders of the Company are not registered on the records of the Company in the shareholders' own names, but in the name of a securities dealer, bank or other intermediary, or in the name of a clearing agency (referred to in this Information Circular as an "intermediary" or "intermediaries"). Shareholders who do not hold their shares in their own names (referred to in this Information Circular as "beneficial holders") should note that only registered shareholders may vote at the Meeting. A beneficial holder cannot be recognized at the Meeting for the purpose of voting his shares unless he is appointed by the intermediary as a proxyholder.

Applicable regulatory policy requires intermediaries to seek voting instructions from beneficial shareholders. Every intermediary has its own procedures to seek those instructions. Beneficial shareholders should follow those procedures carefully to ensure that their shares are voted at the Meeting.

The majority of brokers in Canada have delegated authority for obtaining instructions from clients to Broadridge Investor Communication Solutions, Canada ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms, or alternatively, prepares a separate "voting instruction" form, mails those forms to beneficial holders, and asks beneficial holders to return the proxy or voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions for voting at the Meeting. A beneficial holder who receives a proxy bearing a Broadridge sticker or a voting instruction form cannot deposit that proxy or form on the Meeting date to vote common shares at the Meeting. The proxy or form must be returned to Broadridge in advance of the Meeting in order to allow the shares to be voted by the named proxyholder at the Meeting.

In addition to those procedures, recent amendments to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") allow a non-objecting beneficial holder ("NOBO") to submit to the Company or an applicable intermediary any document in writing that requests that such NOBO or its nominee be appointed as the NOBO's proxyholder. If such a request is received, the Company or the intermediary, as applicable, must arrange, without expense to the NOBO, to appoint such NOBO or its nominee as a proxyholder and to deposit that proxy within the time specified in this Information Circular, provided that the Company or the intermediary receives such written instructions at least one business day prior to the time at which proxies are to be submitted for use at the Meeting; accordingly, any such request must be received by 11:00 am (Vancouver time) on May 30, 2017.

An objecting beneficial owner ("OBO") is a beneficial holder who has provided instructions to an intermediary holding common shares in an account on behalf of the OBO that the OBO objects to the intermediary disclosing the OBO's name, address and share ownership information to the Company to allow the Company to send shareholder materials to the OBO. The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and an OBO will not receive those materials unless the OBO's intermediary assumes the cost of delivery.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE CONTACT YOUR BROKER OR AGENT WELL IN ADVANCE OF THE MEETING TO DETERMINE HOW YOU CAN DO SO.

EXERCISE OF DISCRETION

Shares represented by proxy are entitled to be voted on a show of hands or any poll and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the shares will be voted or withheld from voting in accordance with the specification so made.

SUCH SHARES WILL BE VOTED FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth herein, management of the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any person who has been a director or executive officer of the Company since the commencement of the Company's last completed financial year, or of any proposed nominee for election as a director of the Company, or of any associate or affiliate of any of such persons, in any manner to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the Record Date, the Company has issued and outstanding 15,518,259 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his shares voted at the Meeting.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101, Disclosure of Corporate Governance Practices, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "Guidelines") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company's approach to corporate governance is set out below.

Board of Directors

The Board currently consists of six (6) Directors: Evilio J. Gomez-Garcia (President & Chief Executive Officer), George Pietrobon (Chief Financial Officer), Ari Shack (Corporate Secretary), David Brett, Robert Baylis and Bruce Winfield.

The Guidelines suggest that the Board of Directors of every listed company should be constituted with a majority of individuals who qualify as "independent" directors. A director is "independent" if the individual has no direct or indirect material relationship with the Company which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment whether on the Board or a committee of the Board. Notwithstanding the foregoing, an individual who is, or has been within the last three years, an employee or executive officer of the Company is considered to have a material relationship with the Company. Of the current Board the following members are independent: Robert Baylis and Bruce Winfield. Evilio J. Gomez-Garcia, George Peitrobon and Ari Shack are not independent, as they are executive officers of the Company and David Brett is not independent as he was an executive officer of the Company within the last three years.

Other Directorships

The following directors of the Company are directors of other companies that are reporting issuers or the equivalent in Canada or elsewhere:

Director	Reporting Issuer(s)
David H. Brett	Engold Mines Ltd. and Pacific Bay Minerals Ltd.
Bruce Winfield	Defiance Silver Corp.

Mandates

The Board of Directors is responsible for supervising management in carrying on the business and affairs of the Company. Directors are required to act and exercise their powers with reasonable prudence in the best interests of the Company. In discharging its mandate, the Board is responsible for the oversight and review of the development of, among other things, the following matters:

- (1) the strategic planning process of the Company;
- (2) identifying the principal risks of the Company's business and ensuring the implementation of appropriate systems to manage these risks;
- (3) planning for succession of management;
- (4) the Company's policies regarding communications with its shareholders and others, and
- (5) the integrity of the internal controls and management information systems of the Company.

In carrying out its mandate, the Board relies primarily on management to provide it with regular detailed reports on the operations of the Company and its financial position. The Board reviews and assesses these reports and other information provided to it at meetings of the full Board and of its Committees. Management personnel regularly attend Board meetings to provide information and answer questions. Directors also consult from time to time with management. At least annually, the Board reviews management's report on its business and strategic plan and any changes with respect to risk management and succession planning.

The Board discharges specific responsibilities directly through its Audit Committee. The Board of Directors has adopted a written charter for the Committee (see "Audit Committee – Audit Committee's Charter").

Orientation and Continuing Education

The Company does not provide a formal orientation and education program for new directors; however, any new directors will be given the opportunity to familiarize themselves with the Company, the current directors and members of management. Directors are also encouraged and given the opportunity for continuing education.

Ethical Business Conduct

The Board has not, to date, adopted a formal written Code of Business Conduct and Ethics. The current limited size of the Company's operations, and the small number of officers and employees, allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Board selects new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President. The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

Compensation

The Board has not, to date, constituted a compensation committee. However, all employment, consulting or other compensation arrangements between the Company and any director or senior officer of the Company or between any subsidiary of the Company and any director or senior officer must be considered and approved by the Company's independent directors.

Other Board Committees

The Company has one standing committee, the Audit Committee. Please refer to the "Audit Committee" section.

Assessments

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination.

As a venture issuer, the Company is exempt from the provisions of NI 52-110 that would otherwise require its audit committee to be constituted in accordance with Part 3 of NI 52-110, and the Company to provide comprehensive disclosure about the members of its audit committee.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

When entering into employment contracts or arrangements, the compensation to be paid by the Company is determined by the Company's Board of Directors (the "**Board**").

Compensation Program Objectives

The objectives of the Company's executive compensation program are as follows:

- (a) to attract, retain and motivate talented executives who create and sustain the Company's continued success;
- (b) to align the interests of the Company's executives with the interests of the Shareholders; and
- (c) rewarding performance with respect to operations in general.

The Company does not use benchmarking as a methodology for compensation decisions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Company is a junior mineral exploration company involved in exploration and development of early-stage mineral properties and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Company's executive compensation program has been designed to reward executives for reinforcing the Company's business objectives and values, for achieving the Company's performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration. In addition to a fixed base salary, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. The pre-established, quantitative target(s) used to determine performance bonuses are set each fiscal year. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year. Stock options are generally awarded to NEOs on an annual basis based on performance measured against set objectives. The granting of stock options upon hire aligns NEOs' rewards with an increase in Shareholder value over the long term. The use of stock options encourages and rewards performance by

aligning an increase in each NEO's compensation with increases in the Company's performance and in the value of the Shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program, Compensation Risk and Compensation Governance

Compensation of the NEOs of the Company is reviewed annually by the Board of Directors which approves the compensation of the NEOs. The Company does not presently have a compensation committee and the Company has not retained any compensation advisor or compensation consultant in respect of its compensation policies.

The Board of Directors reviews from time to time and at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time. Implicit is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, are designed in a manner which is in the best interests of the Company and the Shareholders and risk implications is one of many considerations which are taken into account in such design.

It is anticipated that the majority of the Company's executive compensation will consist of options granted under the Company's stock option plan (the "Plan"). Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long term value creation. As the benefits of such compensation, if any, are not realized by the executive until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and the Shareholders is limited.

Due to the small size of the Company, and the current level of the Company's activity, the Board is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which, financial and other information of the Company are reviewed, and which includes executive compensation. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

NEOs and directors of the Company are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Share-Based and Option-Based Awards

The Company has established the Plan under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved Shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price.

The Board makes these determinations subject to the provisions of the Plan and, where applicable, the policies of the Exchange. Previous grants of option-based awards are taken into account when considering new grants.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program. The granting of stock options has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Purchase of Financial Instruments

At the date of this Information Circular, the Company does not have a policy regarding the purchase of financial instruments by NEOs such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of the Company's equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Option-Based Awards

The exercise price of the stock options granted is generally determined by the market price at the time of grant.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Appointment of Auditors

The shareholders will be asked to pass an ordinary resolution appointing Wolrige Mahon LLP of 9th Floor 400 Burrard Street, Vancouver, British Columbia, as Auditor for the Company to hold office until the next Annual General Meeting of the shareholders. Wolrige Mahon LLP was first appointed auditor of the Company on March 11, 2013.

The Business Corporations Act (British Columbia) requires that the remuneration of the auditor of a company be fixed by ordinary resolution of the shareholders (a resolution passed by a simple majority of the votes cast in person or by proxy at a general meeting of shareholders) or, if the shareholders so resolve, by the directors. The shareholders will be asked, by way of an ordinary resolution, to authorize the directors to fix the remuneration for the auditors, which authorization will expire at the next Annual General Meeting of the Company.

Approval of Stock Option Plan

The shareholders passed a resolution at the Company's last Annual General and Special Meeting adopting a stock option plan (the "Stock Option Plan") for the Company. The policies of the TSX Venture Exchange require the shareholders to readopt the Stock Option Plan at each of the Company's Annual General Meetings. Therefore, the shareholders will be asked to pass an ordinary resolution reaffirming the adoption of the Stock Option Plan.

Purpose

The purpose of the Stock Option Plan is to allow the Company to grant options to directors, officers, consultants, employees and service providers, as additional compensation, and as an opportunity to participate in the profitability of the Company. The granting of such options is intended to align the interests of such persons with that of the Company. Options will be exercisable over periods of up to ten years as determined by the Board and are required to have an exercise price no less than the Market Price as defined in the Stock Option Plan prevailing on the day that the option is granted. Pursuant to the Stock Option Plan, the Board may from time to time authorize the issue of options to directors, officers and employees of and consultants to the Company and its subsidiaries or employees of companies providing management services to the Company or its subsidiaries (other than persons engaged in Investor Relations activities). The Stock Option Plan will be a "rolling" plan reserving a maximum of 10% of the issued shares of the Company at the time of a stock option grant. The Stock Option Plan will not contain any vesting provisions. In addition, no more than 5% of the issued shares of the Company may be granted to any one individual in any 12-month period. The Stock Option Plan must be approved by a majority of the votes cast by shareholders at the Meeting. The policies of the TSX Venture Exchange require the Company to obtain shareholder approval of the Stock Option Plan annually at the Annual General Meeting of the Company.

The full text of the Stock Option Plan is attached as Appendix "2" to this Information Circular. The Stock Option Plan is subject to TSX Venture Exchange Acceptance and amendments may be required accordingly.

Shareholders will be asked to pass the following ordinary resolutions:

"RESOLVED THAT:

1. The Stock Option Plan is approved;

2. The president or one director of the Company be and is hereby authorized on behalf of the Company to submit the Stock Option Plan to the TSX Venture Exchange and to make any changes to the Stock Option Plan required by the TSX Venture Exchange; and
3. The president or any one director of the Company be and is hereby authorized on behalf of the Company to execute and implement the Stock Option Plan and issue stock options pursuant to the Stock Option Plan.”

An ordinary resolution requires the approval of a simple majority (50% plus one vote) of the votes cast by those Shareholders of the Company, who, being entitled to, vote in person or by proxy at an annual general meeting of the Company.

Management of the Company recommends that the Shareholders of the Company vote in favour of the approval of the Plan, and the persons named in the enclosed form of proxy intend to vote for such approval at the Meeting unless otherwise directed by the Shareholders appointing them.

OTHER BUSINESS

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.

If the Purchaser, or if the Purchaser is a Company, the principal of the Purchaser, should die while he or she is still entitled to exercise the Option, then the Option granted, or such part thereof as remains unexercised, may be exercised by the legal representative of the Purchaser and the Expiry Date for the Option or such part thereof as remains unexercised, will be the first anniversary of the date of the Purchaser's death.

(b) Ceasing to hold Office. If the Purchaser holds his or her Option as a Director and then ceases to be a Director other than by reason of death, the Expiry Date for the Option, or any part thereof as remains unexercised, will be the 30th day following the date the Purchaser ceases to be a Director unless the Purchaser ceases to be a Director for Cause, in which case the Expiry Date will be the date that the Purchaser ceases to be a Director.

(c) Ceasing to be Employee, Consultant or Management Company Employee. If the Purchaser holds his or her Option as an Employee, Consultant, or Management Company Employee of the Company and then ceases to be an Employee or Consultant of the Company or, in the case of a Management Company or Consultant Company, the Purchaser's employer ceases to be engaged by the Company other than by reason of death, the Expiry Date for the Option or such part thereof as remains unexercised will be the 30th day following the Termination Date unless the Purchaser ceases to be an Employee or Consultant for Cause, or in the case of a Management Company Employee or Consultant Company, the Purchaser's employer ceases to be engaged by the Company for cause in which case the Expiry Date shall be the Termination Date.

- (d) Ceasing to be an Individual Engaged in Investor Relations Activities. If the Purchaser holds his or her Option as an individual engaged in Investor Relations Activities for the Company and then ceases to be an individual engaged in Investor Relations Activities for the Company other than by reason of death, the Expiry Date of the Option or such part as remains unexercised will be the 5th day following the Termination Date unless the Purchaser ceases to be an individual engaged in Investor Relations Activities for cause, in which case the Expiry Date shall be the Termination Date.
- (e) Holding Company Ceasing to be Wholly-Owned. If the Purchaser holds his or her Option indirectly through a wholly-owned holding company, the Expiry Date will be the date the Purchaser ceases to wholly-own such holding company.

Notwithstanding anything else contained in the Plan and subject to any necessary approval from the Company's shareholders and the Regulatory Authorities, the Board may in its discretion (a) extend the Expiry Date of any Option, provide that in no case will an Option be exercisable later than the tenth anniversary of the Grant Date; or (b) alter or change the vesting terms applicable to an Option.

4. **ADJUSTMENT OF EXERCISE PRICE AND NUMBER OF OPTION SHARES TO PREVENT DILUTION OF PURCHASER'S INTEREST**

4.1 Share Reorganization. Whenever the Company issues Shares to holders of all or substantially all of its Shares, by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being a "Share Reorganization") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation:

- (a) the Exercise Price will be adjusted to a price per Share which is the product of:
 - (i) the Exercise Price in effect immediately before the effective date or record date; and
 - (ii) a fraction the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Option Shares purchasable pursuant to the Plan will be adjusted by multiplying (i) the number of Option Shares purchasable pursuant hereto immediately before such effective date or record date, by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a) (ii).

4.2 Special Distribution. Subject to the prior approval of Regulatory Authorities, whenever the Company issues by way of a dividend or otherwise distributes to holders of all or substantially all of its Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or

- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being a “Special Distribution”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, the Exercise Price will be reduced by such amount, if any, as is determined by the Board to be appropriate in order to properly reflect any diminution in value of the Shares as a result of such Special Distribution, and the number of Option Shares purchasable pursuant hereto will, if appropriate and as determined by the Board, be correspondingly increased.

4.3 Corporate Reorganization. Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in paragraph 4.1 or 4.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company’s undertaking and assets become the property of another corporation;

(any such event being a “**Corporate Reorganization**”), the Purchaser will be entitled to purchase, at the times, for the consideration, and subject to the terms and conditions set out in the Plan and the Option Agreement, and will accept, in lieu of the Shares which he or she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that holders of Common shares are entitled to receive as a result of the Corporate Reorganization or, if appropriate, as otherwise determined by the Board.

5 **MISCELLANEOUS**

- 5.1 Right to Employment. Neither the Plan nor any of the provisions hereof will be deemed to give a Purchaser the right to be retained in the employ of the Company or any subsidiary of the Company or to interfere with the right of the Company to terminate the Purchaser’s employment at any time.
- 5.2 Termination, Amendment and Waiver. The Board may from time to time amend any provision of the Plan, subject to any necessary approval of the Regulatory Authorities, provided that no such amendment materially impairs any of the rights of any Purchaser under any Option then outstanding. The Board may terminate the Plan at any time, provided that such termination will not alter the terms or conditions of any Option or impair any of the rights of any Purchaser under any Option then outstanding.
- 5.3 No Assignment. An Option may be exercised only by the Purchaser, and is not assignable or transferable.
- 5.4 Conflict. In the event of any conflict between the provisions of the Plan and an Option Agreement, the provisions of the Plan will govern.
- 5.5 Governing Law. The Plan and each Option Agreement issued pursuant to the Plan will be governed by and construed in accordance with the laws of the province of British Columbia.
- 5.6 Time of Essence. Time is of the essence of the Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

- 5.7 Entire Agreement. The Plan and Option Agreement set out the entire agreement between the Company and the Purchasers relative to the subject matter hereof and supersede all prior agreements, undertakings and understandings, whether oral or written.
- 5.8 Headings for Reference Only. The headings of sections and paragraphs are included solely for convenience or reference and as a matter of convenience and in no way define, limit or enlarge the scope or meaning of the Plan or any provision hereof.
- 5.9 Necessary Approvals. The Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution. Any Options granted under this Plan prior to such approval shall only be exercised upon the receipt of such approval. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise process of any Option granted under this Plan if the Purchaser is an Insider of the Company at the time of the proposed amendment. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Purchaser for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by a Purchaser to the Company shall be immediately refunded to the Purchaser by the Company.
- 5.10 Administration of the Plan. The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. The interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.
- 5.11 Income Taxes. As a condition of and prior to participation in the Plan any Purchaser shall on request authorize the Company in writing to withhold from any remuneration otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan.
- 5.12 Form of Notice. A notice given to the Company shall be in writing, signed by the Purchaser and delivered to the head business office of the Company.
- 5.13 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.
- 5.14 Compliance with Applicable Law. If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
- 5.15 Rights of Purchasers. A Purchaser shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any rights to receive dividends, warrants or rights under any rights offering).
