

Titan Logix Corp. Announces Granting of Stock Options

Edmonton, Alberta, November 24, 2022 – Titan Logix Corp., (TSX Venture: TLA) (“Titan” or the “Company”), a technology company specializing in mobile liquid measurement solutions, announced the grant of incentive stock options today.

The Company’s Board of Directors approved the grant of a total of 350,000 incentive stock options to the Chief Product Officer of the Company, pursuant to the Company’s stock option plan. The stock options exercise price is \$0.51 per share. All the options expire within 5 years with vesting over a period from 1 year to 5 years provided defined performance metrics are achieved and certain share price targets are achieved. The grant was made under the Company’s stock option plan that was approved at the Annual Meeting held on January 19, 2015 available at www.sedar.com.

About Titan Logix Corp.:

For over 25 years, Titan Logix Corp. has designed and manufactured mobile liquid measurement solutions to help businesses reduce risk and maximize efficiencies in bulk liquids transportation. Titan’s TD Series of tank level monitors are a market leader in mobile fluid measurement, and are known for their high level of accuracy, rugged design, and solid-state reliability. Our solutions are designed for hazardous and non-hazardous applications, and we serve customers in a wide range of applications including petroleum, environmental solutions, chemical, and agriculture.

Founded in 1979, Titan Logix Corp. is a public company listed on the TSX Venture Exchange and its shares trade under the symbol TLA.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Information in this press release that is not current or historical factual information may constitute forward looking information within the meaning of securities laws. Implicit in this information are assumptions regarding our future operational results. These assumptions, although considered reasonable by the company at the time of preparation, may prove to be incorrect. Readers are cautioned that actual performance of the company is subject to a number of risks and uncertainties and could differ materially from what is currently expected as set out above. For more exhaustive information on these risks and uncertainties you should refer to our Management Discussion and Analysis in respect of the year ended August 31, 2022 which is available at www.sedar.com. In addition, the occurrence of pandemics, such as the outbreak of the novel coronavirus COVID-19 in any of the areas in which the Company, its customers or its suppliers operate could cause interruptions in the Company’s operations. In addition, pandemics, natural disasters or other unanticipated events could negatively impact the demand for, and price of, oil and natural gas which in turn could have a material adverse effect on the Company’s business, financial condition, results of operations and cash flows. Forward-looking information contained in this press release is based on our current estimates, expectations and projections, which we believe are reasonable as of the current date. You should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While we may elect to, we are under no obligation and do not undertake to update this information at any particular time, whether as a result of new information, future events or otherwise, except as required by applicable securities law.
