

INFORMATION CIRCULAR **as at September 30, 2017**

This Information Circular is furnished in connection with the solicitation by the management of Medgold Resources Corp. (the “**Company**”) of votes in connection with the Annual General Meeting of the holders of common shares (“**Common Shares**”) of the Company to be held on Wednesday, November 29, 2017 (the “**Meeting**”) and any adjournment thereof, at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of the Meeting**”).

In this Information Circular, references to “**Non-Registered Holders**” means shareholders who do not hold Common Shares in their own name and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Holders.

VOTING

Notice-and-Access Process

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access**”) of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), to give notice of the Meeting. Under Notice-and-Access, the Company has sent the Notice of the Meeting and form of proxy (“**Proxy**”), but not this Information Circular, directly to its registered shareholders. The Information Circular and other meeting materials (“**Meeting Materials**”) can be accessed online on the Company’s SEDAR profile at www.sedar.com or on the Company’s website at <http://www.medgoldresources.com/s/agm.asp>. The Company has adopted this alternative means of delivery for the Meeting Materials in order to reduce paper use and the printing and mailing costs.

Shareholders will receive a “notice package” (the “**Notice-and-Access Notification**”) by prepaid mail, containing the Notice of the Meeting (providing details regarding the Meeting date, location and purpose), and information on how to access the Meeting Materials online or request a paper copy.

Shareholders will not receive a paper copy of this Information Circular unless they contact the Company at the toll free number set out in the Notice-and-Access Notification. Provided the request is made prior to the Meeting, the Company will mail the requested materials within three business days. **Requests for paper copies of Meeting Materials should be made by November 15, 2017 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact the Company toll-free at 1-888-627-9378.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- (a) in the name of an Intermediary that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or

- (b) in the name of a clearing agency, such as The Canadian Depository for Securities Limited, of which the Intermediary is a participant.

The Company has arranged with Intermediaries for the Company to forward the Notice-and-Access Notification and a voting instruction form (“**VIF**”) directly to each Non-Registered Holder of Common Shares held as of record by those Intermediaries which have consented to allow their address to be provided to the Company. The Company may reimburse the Intermediaries for their reasonable fees and disbursements in that regard. The Company does not intend to pay Intermediaries to distribute the Notice-and-Access Notification to Non-Registered Holders which have refused to allow their address to be provided to the Company (“**OBOs**”). Accordingly, OBOs will not receive the Meeting Materials if the Intermediary does not assume the cost of delivery.

The Notice-and-Access Notification is required to be sent to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive Meeting Materials. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will be sent a VIF, rather than a Proxy, which must be completed, signed and returned by the Non-Registered Holder in accordance with the instructions in the VIF. In some cases, Non-Registered Holders will instead be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Trust Company as described under “*Solicitation and Deposit of Proxies and VIFs*” below.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy or VIF and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions in their Proxy or VIF, including instructions regarding when and where the Proxy or VIF is to be delivered.

Solicitation and Deposit of Proxies and VIFs

While it is expected that the solicitation will be primarily by Notice-and-Access and mail, votes may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company.

The individuals named in the Proxy and VIF are directors or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the Proxy or VIF and striking out the printed names or by completing another form of proxy or VIF.** The Proxy or VIF will not be valid unless the completed, dated and signed Proxy or VIF is received by Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the Chairman of the Meeting prior to commencement of the Meeting or any adjournment thereof.

Voting of Proxies and VIFs

Voting at the Meeting will be by way of a show of hands, with each registered shareholder and proxyholder having one vote, unless a ballot vote is required or requested. Common Shares represented by any properly executed and delivered Proxy or VIF will be voted or withheld from voting only on a ballot vote, in accordance with the instructions given by the shareholder. **In the absence of such direction, such Common Shares will be voted in favour of the matters set forth herein.**

The Proxy or VIF, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of the Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of the Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the Proxy or VIF to vote in

accordance with their best judgment on such matters or business. As at the date hereof, the management of the Company knows of no such amendment, variation or other matter that may be come before the Meeting.

Revocation of Proxies and VIFs

A shareholder who has given a Proxy or VIF may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 200 Burrard Street, Suite 650, Vancouver, British Columbia, V6C 3L6, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a Proxy or VIF does not affect any matter on which a vote has been taken prior to the revocation.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 89,398,402 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Registered holders of Common Shares as at the Record Date of October 10, 2017 who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

To the knowledge of the directors and senior officers of the Company, the only persons or companies who beneficially own, directly or indirectly, or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company are:

<u>Name</u>	<u>No. of Shares</u>	<u>Percentage</u>

The Board presently consists of six directors and shareholders will be asked at the Meeting to determine the number of Directors at six and to elect six Directors. The persons named below will be presented for election at the Meeting as management’s nominees and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. The following table sets out the names of the nominees for election as directors, where each is ordinarily resident, all offices of the Company now held by them, their principal occupations, the period of time for which each has been a director of the Company, and the number of Common shares of the Company or any of its subsidiaries beneficially owned by each, directly or indirectly, or over which control or direction is exercised, as at the date hereof.

- (2) Member of the Audit Committee.

One of the proposed nominees for re-election as a director, Simon Ridgway, is a director of a corporation that, in the past 10 years, had its registration under Section 12(g) of the Securities Exchange Act of 1934 revoked by the United States Securities and Exchange Commission (“SEC”) for failure to keep its filings with the SEC up-to-date. Upon receipt of the SEC’s notice of proposed revocation, the corporation filed a settlement agreement with the SEC consenting to the revocation as the corporation was dormant at the time. This corporation filed a registration statement with the SEC in January 2015 to re-register its common shares under Section 12(g) of the U.S. Exchange Act, which became effective in March 2015. The effectiveness of such registration statement removes the prior restrictions on market participants trading the corporation’s shares in United States markets.

Stock Option Plan

The TSX Venture Exchange (the “**Exchange**”) requires that the Company obtain shareholder approval to its stock option plan (the “**Option Plan**”) yearly at the annual general meeting. The material terms of the Option Plan are as follows:

1. the Option Plan reserves a rolling maximum of 10% of the issued capital of the Company at the time of granting of each option, with no vesting provisions other than the vesting restrictions required by the Exchange for options granted to investor relations consultants;
2. no more than 5% of the issued capital may be reserved for issuance to any one individual in any 12 month period;

3. no more than 2% of the issued capital may be reserved for issuance to any Consultant (as defined by the Exchange) or to an optionee providing investor relations services in any 12 month period;
4. the minimum exercise price of an option cannot be less than the Market Price (as defined by the Exchange) of the Company's shares;
5. options will be granted for a period of up to ten years;
6. options are non-assignable and non-transferable;
7. unless otherwise determined by the Board, a vested option is exercisable for up to 90 days from the date the optionee ceases to be a director, officer, employee or service provider of the Company or of its subsidiaries, unless: (i) such optionee was terminated for cause, in which case the option shall be cancelled, or (ii) if an optionee dies, the legal representative of the optionee may exercise the option for up to one year from the date of death;
8. unless otherwise determined by the Board, if an optionee's employment or service with the Company is terminated by the Company without cause, by the optionee for "Good Reason" (as defined in the Option Plan) or due to disability or death, a portion of the unvested options held by such optionee shall immediately vest according to a set formula;
9. unless otherwise determined by the Board, where an optionee's employment is terminated by the Company within 12 months after a change of control of the Company, the optionee resigns for Good Reason within 12 months after a change of control, or if the optionee dies while performing his or her regular duties as a director, officer and/or employee of the Company or its subsidiaries, then all of his or her outstanding options shall immediately vest; and
10. there are provisions for adjustment in the number of shares issuable on exercise of options in the event of a share consolidation, split, reclassification or other relevant change in the Company's corporate structure or capitalization.

In order to approve the Option Plan for the ensuing year, the shareholders will be asked at the Meeting to approve an ordinary resolution as follows:

"RESOLVED that the Option Plan of the Company, with terms substantially as described in the information circular of the Company dated September 30, 2017, be and is hereby approved, and that the directors of the Company are hereby authorized to make any changes to the Plan which may be required in order to obtain acceptance for filing by the Exchange."

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.

Stock Option Plans and Other Incentive Plans

The Company has a stock option plan, the material terms of which are described under "*Particulars of Matters to be Acted Upon – Stock Option Plan*" herein.

Compensation Agreements or Arrangements

Mill Street is paid a monthly fee for the services of Simon Ridgway as CEO of the Company. Mill Street is controlled by Mr. Ridgway. There is no written agreement between the parties regarding these services.

Pursuant to an agreement dated July 1, 2012, Gold Group is reimbursed by the Company on a monthly basis for certain shared costs and other business related expenses paid by Gold Group on behalf of the Company, including the services of the Company's Chief Financial Officer. The agreement may be terminated by either party on three months' notice. Gold Group is controlled by Simon Ridgway, the CEO of the Company.

Oversight and Description of Director and NEO Compensation

The Company does not have a formal compensation program. The Board relies on the experience of its members as officers or directors of other junior exploration companies to ensure that total compensation paid to the Company's NEOs and directors is fair and reasonable. The Board meets periodically to discuss and determine such compensation, without reference to formal objectives, criteria or analysis.

The general philosophy of the Company's compensation strategy is to: (a) encourage management to achieve a high level of performance and results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interest of shareholders; (c) provide a compensation package that is commensurate with other mineral exploration companies in order to attract and retain highly qualified executives and directors; and (d) ensure that total compensation paid takes into account the Company's overall financial position.

The compensation to the Company's NEOs for the fiscal year ended December 31, 2016 was comprised of cash salaries and stock options. In addition, the Company issued a total of 300,000 Common Shares to Daniel James in part consideration for the services provided by Mr. James as President of the Company during 2016. In 2017, the Company agreed to issue further Common Shares to Mr. James for his ongoing services as President. In establishing levels of cash or share compensation and the granting of stock options, the individual's performance, level of expertise, and responsibilities are considered.

Incentive stock options are granted pursuant to the Company's Option Plan which is designed to encourage share ownership on the part of the Company's management, directors, employees and consultants. The Board believes that the stock option plan aligns the interests of the Company's personnel with shareholders by linking compensation to the longer term performance of the Company's shares. The granting of incentive stock options is an important component of executive compensation as it allows the Company to reward each executive officer's efforts to increase shareholder value without requiring the use of the Company's cash reserves.

Stock options are generally granted at the time of the executive's hiring or appointment and periodically thereafter. Previous grants of options are taken into account by the Board when it considers the granting of new stock options.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the Option Plan which was previously approved by the shareholders on December 13, 2016. The Option Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Option Plan provides that the number of common shares of the Company issuable under the Option Plan, together with all of the Company's other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding common shares. The material terms of the Option Plan are set out above under the heading "*Particulars of Matters to be Acted Upon – Stock Option Plan*".

The following table sets out information regarding compensation plans under which equity securities of the Company are authorized for issuance, as at December 31, 2016:

CORPORATE GOVERNANCE

The Board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. Pursuant to National Instrument 58-101, *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Company discloses its corporate governance practices as follows:

Board of Directors

The Board considers Ralph Rushton, David Hall, Jeremy Martin and Michael Skead to be "independent" according to the definition set out in NI 58-101. Simon Ridgway and Daniel James are not independent as they are executive officers of the Company.

The independent Directors believe that their majority on the Board, their knowledge of the Company's business, and their independence are sufficient to facilitate the functioning of the Board independently of management. The independent Directors have the discretion to meet in private in the absence of the other Directors whenever they believe it is appropriate to do so.

Orientation and Continuing Education

Management will ensure that a new appointee to the Board is aware of his or her duties and responsibilities of a director of the Company. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director, as well as the continuing education needs of all Board members.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company's current stage of development and size of the Board, the Board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire Board will assess potential nominees and take responsibility for selecting new directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and senior officers of the Company.

Other Board Committees

The only Board committee of the Company is the Audit Committee.

Assessments

The Company has not determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.
