This report relates to the common shares ("**Common Shares**") and warrants to purchase Common Shares ("**Warrants**") of DeepMarkit Corp. ("TSX.V: MKT") ("**DeepMarkit**" or the "**Issuer**").

The head office of DeepMarkit is located at:

Suite 100, 750 11th St. SW
Calgary, Alberta
T2P 3N7

1.2 State the name of the market in which the transaction or other occurrence that triggered the requirement to file this report took place.

Not applicable.

Item 2 – Identity of the Acquiror

2.1 State the name and address of the acquiror.

Till Capital Ltd. ("**Till**")
Crawford House
50 Cedar Avenue
Hamilton HM 11 Bermuda

2.2 State the date of the transaction or other occurrence that triggered the requirement to file this report and briefly describe the transaction or other occurrence.

On October 9, 2017, Warrants to purchase 3,000,000 Common Shares at an exercise price of \$0.10 per share previously held by Till, indirectly through its wholly-owned subsidiary, expired unexercised and became null and void. Following the expiration of the Warrants, Till now has control and direction over 5,532,500 Common Shares and Warrants to purchase 1,500,000 Common Shares. If all of the Warrants held by Till are exercised, and assuming no other exercise of convertible securities of the Issuer, Till would have control and direction over approximately 7.79% (on a partially diluted basis) of the 88,777,733 Common Shares of the Issuer currently outstanding, and as a result, is no longer considered a reporting insider of the Issuer.

2.3 State the names of any joint actors.

Not applicable.

Item 3 – Interest in Securities of the Reporting Issuer

3.1 State the designation and number or principal amount of securities acquired or disposed of that triggered the requirement to file this report and the change in the acquiror's securityholding percentage in the class of securities.

Till, through a wholly-owned subsidiary, held Warrants to purchase 3,000,000 Common Shares, which expired on October 9, 2017. Prior to the expiration of the Warrants, Till had control and direction over 5,532,500 Common Shares and Warrants to purchase 4,500,000 Common Shares. If all of Till's Warrants were exercised at the time, and assuming no other exercise of convertible securities of the Issuer, Till would have had control and direction over approximately 10.76% of the Issuer's outstanding Common Shares (on a partially diluted basis) as at August 25, 2017.

Following expiration of the Warrants, Till now has control or direction over 5,532,500 Common Shares and Warrants to purchase 1,500,000 Common Shares. If all of Till's remaining Warrants are exercised, and assuming no other exercise of convertible securities of the Issuer, Till would have control and direction over approximately 7.79% of the 88,777,733 Common Shares of the Issuer currently outstanding, and as a result, is no longer considered a reporting insider of the Issuer.

3.2 State whether the acquiror acquired or disposed ownership of, or acquired or ceased to have control over, the securities that triggered the requirement to file this report.

Till has ceased to have control and direction over Warrants to purchase 3,000,000 Common Shares, as the Warrants expired unexercised on October 9, 2017.

3.3 If the transaction involved a securities lending arrangement, state that fact.

Not applicable.

Till, through its wholly owned subsidiary, has control or direction over 5,532,500 Common Shares and Warrants to purchase 1,500,000 Common Shares. If all of Till's

remaining Warrants are exercised, and assuming no other exercise of convertible securities of the Issuer, Till would have control and direction over approximately 7.79% of the 88,777,733 Common Shares of the Issuer currently outstanding, and as a result, is no longer considered a reporting insider of the Issuer.

- 3.6 If the acquiror or any of its joint actors has an interest in, or right or obligation associated with, a related financial instrument involving a security of the class of securities in respect of which disclosure is required under this item, describe the material terms of the related financial instrument and its impact on the acquiror's securityholdings.**

Item 5 – Purpose of the Transaction

- (k) an action similar to any of those enumerated above.**

Till may increase or decrease its ownership or control or direction over the Issuer's securities, subject to a number of factors, including general market and economic conditions and other available investment and business opportunities.

Item 6 – Agreements, Arrangements, Commitments or Understandings With Respect to Securities of the Reporting Issuer

Describe the material terms of any agreements, arrangements, commitments or understandings between the acquiror and a joint actor and among those persons and any person with respect to securities of the class of securities to which this report relates, including but not limited to the transfer or the voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, guarantees of profits, division of profits or loss, or the giving or withholding of proxies.
