

## **Voleo Named as a 2019 Benzinga Global Fintech Listmaker**

**November 19, 2019**

**VANCOUVER, CANADA, Voleo Trading Systems Inc. (TRAD: TSX-V)** (“Voleo”, the “Company”), a Vancouver-based Fintech company with a unique approach to stock trading, has been named to the [Benzinga Global Fintech Listmakers](#) and recognized as a Best Brokerage for Beginners alongside leading brands in the market.

The official Benzinga Fintech Listmakers are comprised of 150 carefully vetted and renowned companies and executives who are striving to revolutionize the fintech industry. From deeply established companies to the newest start-ups, this group of influencers is impacting sectors like payments, banking, investing, technology and financial literacy. Voleo is one of a handful of companies to be recognized for their commitment to financial literacy as a Best Brokerage for Beginners. View the full list here: <https://fintechawards.com/listmakers/#heading-best-brokerage-for-beginners>.

“We’re recognizing the companies that will define the future of our financial lives,” says Benzinga CEO Jason Raznick. “Since the inaugural Benzinga Fintech Awards in 2015, our Listmakers have closed \$300 million in deals and partnered with some of the biggest players in the industry. We look forward to honoring these players for years to come, as well as finding the next generation of fintech.”

Voleo’s unique social trading application provides a fun and engaging environment for new and experienced investors to build investment portfolios together as a team. It is the only app of its kind to support investment club trading and deliver a gamified investing experience through community discussion, a leaderboard to follow others, and badges and rewards to encourage engagement and activity.

Voleo also offers a white-label version of its app to support banks and credit unions looking to provide an interesting and engaging platform for beginner investors.

“Making investing accessible is a key driver for Voleo,” stated its CEO Thomas Beattie. “This recognition reinforces that investing as a community, including those you know and trust, provides the foundation new investors need to build their own investment portfolios.”

### **About Benzinga**

### **Cautionary Note Regarding Forward-Looking Information**

*Certain statements contained in this release constitute forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of applicable Canadian securities laws. Such forward-looking statements relate to future events or Voleo Trading Systems Inc's (the "Company") future performance and the integration of cryptocurrency trading. All statements other than statements of historical fact may be forward-looking statements. Such forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "budget", "plan", "continue", "estimate", "expect", "forecast", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Voleo believes the expectations reflected in those forward-looking statements are reasonable but no assurance can be given that these expectations will prove to be correct and such forward-looking statements included in this release should not be unduly relied upon. These forward-looking statements speak only as of the date of this release, or as of the date specified in the documents incorporated by reference into this release, as the case may be. In particular, this release contains forward-looking statements pertaining, but not limited to: expectations as to future operations of the Company, future market trends, growth opportunities, the Company's go to market strategy, future partnerships, new initiatives and innovations of the Company, product offerings, the expected operations and performance of the Company's business, expected user growth, and the timing of key development milestones.*

*With respect to forward-looking statements contained in this release, the Company has made assumptions regarding, among other things: the accuracy, reliability and applicability of the Company's business model; the timely receipt of governmental approvals, including the receipt of approval from regulators in Canada and the United States; the timely commencement of operations by the Company and the success of such operations; the ability of the Company to implement its business plan as intended; the legislative and regulatory environments of the jurisdictions where the Company will carry on business or have operations; the impact of competition; and the availability of financing to execute the business plan. The Company has included the above summary of assumptions and risks related to forward-looking statements provided in this release in order to provide investors with a more complete perspective on the Company's current and future operations and such information may not be appropriate for other purposes.*

*Readers are cautioned that the foregoing lists of factors are not exhaustive and it would be unreasonable to rely on any such forward-looking statements and information as creating any legal rights, that the statements and information are not guarantees and may involve known and unknown risks and uncertainties, and that actual results may differ (and may differ materially) and objectives and strategies may differ or change from those expressed or implied in the forward-looking statements or information as a result of various factors. The forward-looking statements contained in this release are expressly qualified by this cautionary statement. Except as required by applicable securities laws, the Company is not under any duty and do not undertake any obligation to publicly update or revise any forward-looking statements after the date of this release or to conform such statements to actual results or to changes in the Company's expectations and the Company disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this release.*
