MANAGEMENT INFORMATION CIRCULAR FOR THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

To be held on Wednesday, June 13, 2018

SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation by management of Urbanfund Corp. (the "Corporation") of proxies to be used at the annual and special meeting of the shareholders of the Corporation (the "Meeting") to be held on Wednesday, June 13, 2018 at 10:00 AM (Toronto time) at the offices of DLA Piper (Canada) LLP, counsel to the Corporation, at Suite 6000, 1 First Canadian Place, 100 King Street West, Toronto, Ontario and at any adjournment thereof for the purposes set forth in the enclosed notice of annual and special meeting of shareholders (the "Notice of Meeting"). Proxies will be solicited primarily by mail but may also be solicited personally, by telephone or by facsimile by the directors and/or officers of the Corporation at nominal costs. The costs of solicitation by management will be borne by the Corporation. Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101"), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation materials to the beneficial owners of the common shares in the capital of the Corporation (the "Common Shares"). The cost of any such solicitation will be borne by the Corporation.

RECORD DATE

The Board of Directors of the Corporation (the "Board" or the "Board of Directors") has fixed May 9, 2018 as the record date (the "Record Date") for the purpose of determining the shareholders entitled to receive the Notice of Meeting and to vote at the Meeting. Each shareholder is entitled to one vote for each Common Share held and shown as registered in such holder's name on the list of the shareholders prepared as of the close of business on the Record Date. The list of the shareholders will be available for inspection during usual business hours at the principal office of the Corporation's registrar and transfer agent, Computershare Investor Services Inc., in Toronto and will also be available for inspection at the Meeting.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers of the Corporation and represent management of the Corporation. **A shareholder desiring to appoint some other person or company, who need not be a shareholder of the Corporation, to represent it, him or her at the Meeting may do so by filling in the name of such person in the blank space provided in the proxy or by completing another proper form of proxy.** A shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed proxy with the Corporation's registrar and transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment thereof at which the proxy is to be used, or deliver it to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy

should be executed by the shareholder or his or her attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized.

In addition to any other manner permitted by law, a proxy may be revoked before it is exercised by an instrument in writing executed in the same manner as a proxy and deposited at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used or with the Chairman of the Meeting on the day of such Meeting or any adjournment thereof and thereupon the proxy shall be revoked.

A shareholder attending the Meeting has the right to vote in person and, if it, he or she does so, its, his or her proxy is nullified with respect to the matters such person votes upon and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted in accordance with the instructions of the shareholder on any ballot that may be called for and, if a shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by proxy shall be voted accordingly. **Where no choice is specified, the proxy will confer discretionary authority and will be voted FOR all matters proposed by management at the Meeting.** The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting in such manner as the nominee in his or her judgment may determine. At the time of printing this Management Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

NOTICE AND ACCESS

The Corporation has elected not to send proxy-related materials to registered holders or Beneficial Holders (as hereinafter defined) of the Common Shares using the notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102 - *Continuous Disclosure Obligations*.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders of the Corporation as a substantial number of shareholders do not hold Common Shares in their own name and are thus considered non-registered beneficial shareholders. Shareholders who do not hold their Common Shares in their own name (“**Beneficial Holders**”) should note that only proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker then, in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Common Shares beneficially owned by Beneficial Holders are typically registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including, among others, banks, trust companies, securities dealers, brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Beneficial Holder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant. In accordance with the requirements of the Canadian Securities Administrators, the Corporation will have distributed copies of the Notice of Meeting, this Management Information Circular and the enclosed form of proxy to the Intermediaries or clearing agencies for onward distribution to Beneficial Holders. If you are a Beneficial Holder, your Intermediary will be the entity legally entitled to vote your Common Shares at the Meeting. Common Shares held by an Intermediary can only be voted upon the instructions of the

Beneficial Holder. Without specific instructions, Intermediaries are prohibited from voting Common Shares.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Holders in advance of the Meeting. Often, the form of proxy supplied to a Beneficial Holder by its Intermediary is identical to the form of proxy provided to registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Holder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. The Beneficial Holder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Beneficial Holder may call a toll-free telephone number or access the Internet to provide instructions regarding the voting of Common Shares held by the Beneficial Holder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Holder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have such Common Shares voted.

Beneficial Holders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary or Broadridge, as applicable. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting.

Although a Beneficial Holder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Beneficial Holder may attend the Meeting as proxyholder for the Intermediary and vote the Common Shares in that capacity. **Beneficial Holders who wish to attend the Meeting and indirectly vote their Common Shares as a proxyholder, should enter their own names in the blank space on the form of proxy or voting instruction form provided to them by their Intermediary and/or Broadridge, as applicable, and return the same in accordance with the instructions provided by their Intermediary and/or Broadridge, as applicable, well in advance of the Meeting.**

In any case, the purpose of the above noted procedures is to permit Beneficial Holders to direct the voting of the Common Shares which they beneficially own. Beneficial Holders should carefully follow the instructions and procedures of their Intermediary or Broadridge, as applicable, including those regarding when and where the form of proxy or voting instruction form is to be delivered.

NOTICE TO BENEFICIAL HOLDERS

Beneficial Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “NOBOs”. Beneficial Holders who have objected to their Intermediary disclosing the ownership information about themselves to the Corporation are referred to as “OBOs”. NI 54-101 permits the Corporation to send the Notice of Meeting, this Management Information Circular, and a form of proxy or voting instruction form, as applicable (collectively, the “**Meeting Materials**”) directly to the NOBOs. The Corporation is not sending the Meeting Materials directly to NOBOs under NI 54-101. In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to Intermediaries for distribution to NOBOs and OBOs. The Corporation will reimburse the Intermediaries for fees and costs incurred by them in mailing the Meeting Materials to NOBOs in accordance with NI 54-101. The Corporation has determined not to pay the fees and costs of Intermediaries for their services in delivering Meeting Materials to OBOs in accordance with NI 54-101. As a result, OBOs will not receive the Meeting Materials unless the OBO’s Intermediary assumes the costs of delivery.

4. **Special Business - Approval of Stock Option Plan**

The Corporation initially adopted a stock option plan (the “**Option Plan**”) in 1997, which was most recently approved in 2017, for senior officers, directors, employees and key consultants of the Corporation and any subsidiary. The Option Plan provides for the issuance of stock options to acquire up to 10% of the Corporation's issued and outstanding Common Shares as at the date of grant, subject to standard anti-dilution adjustments. The Option Plan is a “rolling plan” as the number of Common Shares reserved for issuance pursuant to the grant of stock options will increase as the number of issued and outstanding Common Share increases. At no time will more than 10% of the outstanding Common Shares be subject to grant under the Option Plan. If a stock option expires or otherwise terminates for any reason without having been exercised in full, the number of Common Shares in respect of that expired or terminated stock option that has not been exercised shall again be available for the purpose of the Option Plan.

The number of options and the exercise price of all options is set by the Board of Directors, or a committee thereof, at the time of grant provided that the exercise price shall not be less than the market price of the Common Shares on the stock exchange on which the Common Shares are traded less the discounts permitted by the rules of such exchange or other regulatory body having jurisdiction. The options granted under the Option Plan may be exercisable for a period, and may vest at such times, as the Board of Directors may determine at the time of grant, subject to the rules of any stock exchange or other regulatory body having jurisdiction. A copy of the Option Plan is attached as Appendix “A” to this Management Information Circular.

The Option Plan is a “rolling” stock option plan as described in Policy 4.4 - Incentive Stock Options (“**Exchange Policy 4.4**” of the TSX Venture Exchange (the “**TSXV**”). Under Exchange Policy 4.4, the Corporation is required to obtain the approval of its shareholders to any stock option plan that is a “rolling” plan yearly at the Corporation's annual meeting of shareholders.

“RESOLVED, as a resolution that:

1. the Option Plan as set forth in Appendix “A” to the Management Information Circular dated June 13, 2018 be and it is hereby adopted and approved including reserving for issuance under the Option Plan at any time of a maximum of 10% of the issued and outstanding shares of the Corporation;
2. the Corporation be authorized to grant stock options pursuant and subject to the terms and conditions of the Option Plan;

4. the directors and officers of the Corporation be authorized and directed to make all such filings perform all such acts and deeds and things and execute, under seal of the Corporation or otherwise, all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions.”

Unless the shareholder directs that its, his or her Common Shares are to be voted against the approval of the Option Plan, the persons named in the enclosed form of proxy intend to vote for the resolution approving the Option Plan. A majority of the votes cast by shareholders at the Meeting is required to approve the Option Plan.

DIVIDEND REINVESTMENT PLAN

Dividend Policy

On June 17, 2015, the Board approved the implementation of a dividend policy (the "**Dividend Policy**"), a dividend reinvestment plan (the "**Common Share DRIP**") for holders of Common Shares and a dividend reinvestment plan (the "**Preferred Share DRIP**" and, together with the Common Share DRIP, the "**DRIPs**") for the holder of Series A, First Preferred Shares.

On June 17, 2017, the Board amended the Dividend Policy to increase the annual dividend rate to \$0.01 per Common Share and \$0.01 per Series A, First Preferred Share, representing a \$0.005 or 100% increase from the previous year.

Subject to approval by the Board, the record date for dividends is anticipated to be set as the last business day of March, June, September and December in each year and the payment date in each case is anticipated to be approximately two weeks from the record date.

The declaration and payment of future dividends and the quantum of any such dividends will be subject to the Board's determination, in its discretion, taking into account, among other things, business performance, financial condition, growth plans and expected capital requirements, statutory solvency tests, as well as any contractual restrictions on such dividends, including any agreements entered into with lenders to the Corporation or its subsidiaries. There can be no assurance that dividends will be paid at the intended rate or at any rate in the future.

Common Share Dividend Reinvestment Plan

Under the terms of the Common Share DRIP, eligible registered holders of Common Shares may elect to automatically reinvest their cash dividends payable in respect the Common Shares to acquire additional Common Shares, which will be issued from treasury. Shareholders who elect to reinvest their cash distributions under the Common Share DRIP will receive Common Shares at a price (the "**Dividend Price**") equal to a 5% discount to the volume weighted average trading price over the 10 trading days preceding the applicable dividend payment date or, if no trades have occurred during such period, the last closing price of the Common Shares on the TSXV preceding the applicable dividend payment date.

Registered Shareholders may enrol in the Common Share DRIP by completing an enrolment form ("**Enrolment Form**") and submitting the completed form to Computershare Trust Company of Canada (the "**Plan Agent**") at the address set out in the Common Share DRIP. Under the terms of the Common Share DRIP, Enrolment Forms must be provided to the Plan Agent at least five (5) business days before the record date of any dividend payment. The Common Share DRIP is subject to certain limitations and restrictions and interested parties are encouraged to review the full text of the Common Share DRIP. The Common Share DRIP and Enrolment Form are available under the Corporation's profile on SEDAR.

Preferred Share Dividend Reinvestment Plan

Under the terms of the Preferred DRIP, eligible registered holders of the Series A, First Preferred Shares may elect to automatically reinvest their cash dividends payable in respect the Series A, First Preferred Shares to acquire Common Shares, which will be issued from treasury. Shareholders who elect to reinvest their cash distributions under the Preferred DRIP will receive Common Shares at the Dividend Price.

Registered holders of Series A, First Preferred Shares may enrol in the Preferred DRIP by completing an enrolment form and submitting the completed form to the Corporation at least five (5) business days before the record date of any dividend payment. The Preferred DRIP is subject to certain limitations and restrictions and interested parties are encouraged to review the full text of the Preferred DRIP. The Preferred DRIP is available under the Corporation's profile on SEDAR. Enrolment forms can be requested by contacting the Corporation's Chief Executive Officer.

DRIP Activity and Insider Participation

During the year ended December 31, 2017, 637,346 Common Shares were acquired under the DRIPs with 533,371 Common Shares acquired under the Common Share DRIP and 103,975 Common Shares acquired under the Preferred Share DRIP. Holders of substantially all of the Common Shares and Preferred Shares held by the Company's Insiders (as such term is defined in TSXV policies) participate in the DRIPs. During 2017, such Insiders acquired approximately 518,453 Common Shares pursuant to the DRIPs.

DRIP Amendments

The maximum number of Common Shares that were reserved for issuance under the Common DRIP was 2,000,000 Common Shares. Since the adoption of the DRIPs in 2015, 1,880,576 Common Shares have been issued pursuant to the DRIPs. As at the date hereof, 119,424 Common Shares remain available for issuance pursuant to the DRIPs.

Based on historical participation levels, an insufficient number of Common Shares would be available to satisfy shareholder participation in the DRIPs on a going-forward basis. Given the Corporation's determination to continue to afford shareholders the opportunity to participate in the DRIPs, the Board has determined to amend the DRIPs to increase the number of Common Shares reserved for issuance pursuant thereto. Any increase in the number of Common Shares reserved for issuance pursuant to the Common Share DRIP and the Preferred Share DRIP shall require prior: (i) Board approval; (ii) public disclosure, and (iii) TSXV approval. Notwithstanding the foregoing, the maximum number of Common Shares reserved for issuance pursuant to the DRIPs may not exceed 5% of the Corporation's issued and outstanding Common Shares. As at the date hereof, the maximum number of additional Common Shares that may be reserved for issuance pursuant to the DRIPs (including unissued Common Shares under the current DRIPs) is 2,272,663.

Tax Matters

Participation in the Common Share DRIP or Preferred Share DRIP does not relieve shareholders of any liability for taxes that may be payable in respect of dividends that are reinvested in new Common Shares under the Common Share DRIP or the Preferred Share DRIP. Shareholders should consult their tax advisors concerning the tax implications of their participation in the Common Share DRIP and Preferred Share DRIP having regard to their particular circumstances.

CORPORATE GOVERNANCE DISCLOSURE

In June 2005, National Policy 58-201 - Corporate Governance Guidelines (the "**Governance Guidelines**") and National Instrument 58-101 - Disclosure of Corporate Governance Practices (the "**Governance Disclosure Rule**") were adopted by the securities regulatory authorities in Canada. The Governance Guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance practices. The Governance Disclosure Rule requires that, if management of an

issuer solicits proxies from its security holders for the purpose of electing directors, specified disclosure of its corporate governance practices must be included in its management information circular.

The Corporation's approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Corporation are effectively managed so as to enhance shareholder value. The Board fulfils its mandate directly and through its committees at regularly scheduled meetings or as required. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Corporation's affairs and in light of opportunities or risks which the Corporation faces. The directors are kept informed of the Corporation's operations at these meetings as well as through periodic reports and discussions with management on matters within their particular areas of expertise.

The Corporation's corporate governance practices have been and continue to be in compliance with applicable Canadian requirements. The Corporation continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The following is the Corporation's corporate governance information as required to be disclosed by issuers listed on the TSXV pursuant to National Instrument 58-101F2 - *Corporate Governance Disclosure* (Venture Issuers).

Board of Directors

Independence of the Board

A director is considered independent only where the Board determines that the director has no direct or material relationship with the Corporation or any of its subsidiaries. A "material relationship" is defined in National Instrument 52-110 - *Audit Committees* ("**NI 52-110**") to mean any relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

On an annual basis, the Board of Directors reviews each relationship that a director has with the Corporation in order to determine whether the director is or remains independent.

By applying the test prescribed by NI 52-110, the Corporation has determined that: (i) as at the date hereof, each of Messrs. Kofman, Isenberg and Barber is independent and Messrs. Kimel and Cohen is not independent, given that each has served as an executive officer of the Corporation within the last three years; and (ii) for the applicable period each of Messrs. Kofman, Isenberg and Barber were independent and Messrs. Kimel and Cohen were not independent, given that each has served as an executive officer of the Corporation within the last three years. Moreover, Mr. Kimel is a director, officer and, together with members of his family, exercises direction and control of Westdale, a corporation that provides property management services and is a lender to the Corporation. Mr. Cohen is an executive officer and employee of Westdale. By virtue of their affiliation with Westdale, each of Mr. Kimel and Mr. Cohen is in a "material relationship" with the Corporation.

The Corporation satisfies the TSXV's requirement that an issuer, whose shares are listed on the TSXV, must have at least two directors who are neither employees, senior officers, control persons (as such term is defined in the TSXV's policies) or management consultants of the issuer, its associates or affiliates or sponsoring member.

Other Public Company Directorships/Committee Appointments

In addition to his directorship with the Corporation, Thomas S. Kofman acts as a director of Pure Nickel Inc., a TSX listed company. To the Corporation's knowledge, none of the Corporation's other directors currently hold directorships or committee appointments in other public companies.

Compensation

No officer of the Corporation receives compensation for acting in such capacity. No compensation is currently paid to any directors or senior management of the Corporation. The Corporation does not currently have a Compensation Committee in place. The Corporation intends to form a Compensation Committee in the future.

Other Board Committees

The Board of Directors has established an Audit Committee (see below) and a Corporate Disclosure Committee. The Corporate Disclosure Committee is comprised of Messrs. Cohen, Kofman and Isenberg. - (e) Any Common Shares issuable pursuant to an option granted to a Participant prior to the Participant becoming an Insider shall be excluded for the purposes of the limits set out in Subsections 2.4(a) and 2.4(b) hereof.

Section 2.5 Price. The exercise price per Common Share shall be determined by the Board of Directors at the time the option is granted, but such price shall not be less than the closing price of the Common Shares on the Exchange on the last trading day preceding the date on which the grant of the option is approved by the Board of Directors. In the event that the Common Shares are not listed and posted for trading on any stock exchange or other quotation system, the exercise price shall be the fair market value of the Common Shares as determined by the Board of Directors in its sole discretion.

Section 2.6 Vesting. Unless otherwise modified by the Board of Directors, in its discretion, pursuant to the terms of any Option Agreement, the issuance of options under the Plan will be subject to the vesting periods as follows:

- (a) no option may be exercised within one year following the date of grant;
- (b) after the date that is one year following the date of grant of an option, the Participant may exercise their rights as to 1/3 of the Common Shares under option or any lesser part thereof;
- (c) after each the first and second anniversaries of the date determined in accordance with Section 2.6(b) above, the Participant may exercise his rights as to an additional 1/3 of the Common Shares under option or any lesser part thereof.

Section 2.7 Lapsed Options. In the event that options granted under the Plan terminate or expire without being exercised in whole or in part in accordance with the terms of the Plan, the Common Shares reserved for issuance but not purchased under such lapsed options shall be available for subsequent options to be granted under the Plan.

Section 2.8 Consideration, Option Period and Payment.

- (a) The period during which options may be exercised shall be determined by the Board of Directors, in its discretion, to a maximum of ten years from the date the option is granted (the “**Option Period**”), except as the same may be reduced with respect to any option as provided in Section 2.9 and 2.10 hereof respecting termination of employment or death of the Participant or amended from time to time by the Board of Directors, in its discretion, subject to the approval of any stock exchange or regulatory requirements.
- (b) Subject to any other provision of this Plan, and in particular the vesting provisions set forth in Section 2.6 hereof, an option may be exercised from time to time during the Option Period, subject to vesting limitations by delivery to the Corporation at its registered office of a written notice of exercise in the form attached hereto as appendix “A” addressed to the Chief Financial Officer of the Corporation specifying the number of Common Shares with respect to which the option is being exercised and accompanied by payment in full of the exercise price therefor. Certificates for such Common Shares shall be issued and delivered to the Participant as soon as practicable following receipt of such notice and payment.
- (c) Except as set forth in Section 2.9 and 2.10 hereof, no option may be exercised unless the Participant is, at the time of such exercise, a director, senior officer, employee or Consultant of the Corporation or any of its Designated Affiliates and shall have been continuously a director, senior officer, employee or Consultant since the grant of his or her option. Absence on leave with the approval of the Corporation or a Designated Affiliate shall not be considered an interruption of employment for purposes of the Plan.

- (d) The exercise of any option will be contingent upon receipt by the Corporation of cash payment of the full exercise price of the Common Shares, which are the subject of the exercised option. No Participant or his or her legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Common Shares with respect to which he or she was granted an option under the Plan, unless and until certificates for such Common Shares are issued to him or her under the terms of the Plan.
- (e) Notwithstanding any other provision of this Plan or in any option granted to a Participant, the Corporation shall not be obligated to issue or deliver Common Shares to a Participant upon the exercise of any option or take other actions under the Plan until the Corporation shall have determined that applicable federal and state laws, rules, and regulations have been complied with and such approvals of any stock exchange, regulatory or governmental agency have been obtained and contractual obligations to which the grant of the option exercisable for such Common Shares may be subject have been satisfied. In particular, the Corporation, in its discretion, may postpone the issuance or delivery of Common Shares under any option until:
 - (i) completion of such stock exchange listing or registration or other qualification of such Common Shares or obtaining approval of such regulatory authorities as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; and
 - (ii) the receipt from the Participant of such information, representations, warranties, agreements and undertakings, including as to future dealings in such Common Shares, as the Corporation or its counsel determines to be necessary or advisable in order to ensure compliance with all applicable securities laws.
- (f) Subject to any resolution of the Board of Directors, if there is a Change in Control, Issuer Bid or Take-Over Bid, all options outstanding under the Plan shall vest immediately prior to such Change of Control to become immediately exercisable in order to permit Common Shares issuable under such options to be tendered to the Issuer Bid or Take-Over Bid or otherwise participate in any of such events.
- (g) An option may be exercised at any time after the date the option has been granted, subject to any vesting provisions attaching thereto, up to 5:00 p.m. local time on the last day of the Option Period and shall not be exercisable thereafter.

Section 2.9 Termination of Employment and Cessation of Investor Relations Activities. Subject to the next following sentence, if a Participant shall cease to be:

- (a) a director, senior officer or Consultant of the Corporation or any of its Designated Affiliates (and is not or does not continue to be an employee thereof for any reason other than death); or
- (b) an employee of the Corporation or any of its Designated Affiliates (and is not or does not continue to be a director or senior officer thereof) for any reason (other than death) or shall receive notice from the Corporation or any of its Designated Affiliates of the termination of his or her employment;

(collectively, "**Termination**") he or she or it may, but only within 90 days next succeeding such Termination, exercise his or her or its options to the extent that he or she or it was entitled to exercise such options at the date of such Termination, including the rights under Subsection 2.8(f); provided that in no event shall such right extend beyond the Option Period. If a Participant is terminated for cause, his or her options shall expire immediately. This section is subject to any agreement with any Participant with respect to the rights of such Participant upon Termination or Change in Control of the Corporation.

In the case of an Employee or Consultant engaged in Investor Relations Activities, he or she or it may, but only within 30 days next succeeding such Employee ceasing to be employed to provide Investor Relations Activities (a “**Cessation**”), exercise his or her or its options to the extent that he or she or it was entitled to exercise such options at the date of such Cessation, including the rights under Subsection 2.8(f); provided that in no event shall such right extend beyond the Option Period. If a Participant is terminated for cause, his or her options shall expire immediately. This section is subject to any agreement with any Participant with respect to the rights of such Participant upon Termination or Change in Control of the Corporation.

Section 2.10 Death of Participant. In the event of the death of a Participant who is a director, senior officer or Consultant of the Corporation or any of its Designated Affiliates or who is an employee having been continuously in the employ of the Corporation or any of its Designated Affiliates, the options theretofore granted to him or her shall be exercisable within the one year next succeeding such death (including the rights under Subsection 2.8(f)) and then only:

- (a) by the person or persons to whom the Participant's rights under the options shall pass by the Participant's will or the laws of descent and distribution; and
- (b) to the extent that he or she was entitled to exercise the options at the date of his or her death, provided that in no event shall such right extend beyond the Option Period.

Section 2.11 Adjustment in Shares Subject to the Plan. In the event that:

- (a) there is any change in the Common Shares of the Corporation through subdivisions or consolidations of the share capital of the Corporation, or otherwise;
- (b) the Corporation declares a dividend on Common Shares payable in Common Shares or securities convertible into or exchangeable for Common Shares; or
- (c) the Corporation issues Common Shares, or securities convertible into or exchangeable for Common Shares, in respect of, in lieu of, or in exchange for, existing Common Shares,

the number of Common Shares available for option, the Common Shares subject to any option, and the option price thereof, shall be adjusted appropriately by the Board of Directors in its sole discretion and such adjustment shall be effective and binding for all purposes of the Plan.

Section 2.12 Consolidation, Merger, etc. If there is a consolidation, merger or statutory amalgamation or arrangement of the Corporation with or into another corporation, a separation of the business of the Corporation into two or more entities or a transfer of all or substantially all of the assets of the Corporation to another entity, upon the exercise of an option under the Plan, the holder thereof shall be entitled to receive the securities, property or cash which the holder would have received upon such consolidation, merger, amalgamation, arrangement, separation or transfer if the holder had exercised the option immediately prior to such event, unless the Board of Directors of the Corporation otherwise determine the basis upon which such option shall be exercisable in accordance with regulatory policy.

Section 2.13 Record Keeping. The Corporation shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant in the Plan; and
- (b) the number of options granted to a Participant and the aggregate number of options outstanding, the exercise price and the expiry date thereof.

Section 2.14 Option Agreements. All options granted pursuant to the Plan shall be evidenced by written agreements between the Company and each Participant to whom options are granted hereunder

containing such terms and conditions, not inconsistent with the provisions of the Plan, as may be established by the Board of Directors, including the following:

- (a) subject to and in accordance with the provisions of Sections 2.3 and 2.4 hereof, the number of options covered by any grant of options and the number of Common Shares which such options shall entitle the Participant the right to purchase;
- (b) subject to and in accordance with the provisions of Section 2.5, the price of the Common Shares covered by any option, stated and payable in Canadian dollars; and
- (c) subject to and in accordance with the provisions of Section 2.8, the Option Period.

Section 2.15 Tax Withholding. The Corporation shall have the right to require that any Participant make such provision, or furnish the Corporation such authorization, necessary or desirable so that the Corporation may satisfy its obligation, if any, under applicable laws, to withhold or otherwise pay for income or other taxes of such Participant attributable to the grant or exercise of options granted under the Plan or the sale of Common Shares issued with respect to options. This authority shall include authority to withhold or receive Common Shares or other property and to make cash payments in respect thereof in satisfaction of a Participant's tax obligations.

ARTICLE 3 GENERAL

Section 3.1 Assignability and Transferability. The benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be assignable or transferable by the Participant except (i) from the Participant to his or her Holding Company or RRSP or from a Holding Company or RRSP to the Participant and, in either such event, the provisions of this Plan shall apply mutatis mutandis as though they were originally issued to and registered in the name of the Participant, or (ii) as otherwise specifically provided herein. During the lifetime of a Participant, all benefits, rights and options shall only be exercised by the Participant or by his or her guardian or legal representative.

Section 3.2 Employment. Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment with the Corporation or any Affiliate, or interfere in any way with the right of the Corporation or any Affiliate to terminate the Participant's employment at any time. Participation in the Plan by a Participant shall be voluntary.

Section 3.3 Delegation to Compensation Committee. All of the powers exercisable by the Board of Directors under the Plan may, to the extent permitted by applicable law and authorized by resolution of the Board of Directors of the Corporation, be exercised by a Compensation Committee of not less than three (3) directors. The members of any such Compensation Committee shall not be employees of the Corporation. In addition, if determined appropriate by the Board of Directors of the Corporation, the Board of Directors may delegate any or all of the powers of the Board of Directors of the Corporation under the Plan to an independent consultant.

Section 3.4 Administration of the Plan. The Board of Directors of the Corporation shall administer the Plan. The Board of Directors shall be authorized to interpret and construe the Plan and may, from time to time, establish, amend or rescind rules and regulations required for carrying out the purposes, provisions and administration of the Plan and determine the Participants to be granted options, the number of Common Shares covered thereby, the exercise price therefor and the time or times when they may be exercised. Any such interpretation or construction of the Plan shall be final and conclusive. The Corporation shall pay all administrative costs of the Plan. The senior officers of the Corporation are hereby authorized and directed to do all things and execute and deliver all instruments, undertakings and applications and writings as they, in their absolute discretion, consider necessary for the implementation of the Plan and of the rules and regulations established for administering the Plan.

Section 3.5 Amendment, Modification or Termination of the Plan. Subject to Section 3.3, the Board of Directors reserves the right to amend, modify or terminate the Plan at any time if and when it is advisable in the absolute discretion of the Board of Directors. However, any amendment of the Plan which would materially:

- (a) increase the benefits under the Plan;
- (b) increase the number of Common Shares which may be issued under the Plan; or
- (c) modify the requirements as to the eligibility for participation in the Plan;

shall be effective only upon the approval of the shareholders of the Corporation. Any amendment to any provision of the Plan shall be subject to any necessary approvals by the Exchange or other regulatory body having jurisdiction over the securities of the Corporation.

Disinterested shareholder approval shall be obtained for any reduction in the exercise price per Common Share if the Participant is an Insider of the Corporation at the time of the proposed amendment.

Section 3.6 No Representation or Warranty. The Corporation makes no representation or warranty as to the future market value of any Common Shares issued in accordance with the provisions of the Plan.

Section 3.7 Governing Law. This Plan shall be governed by and construed in accordance with the laws of the Province of Ontario.

Section 3.8 Approval and Effective Date. This Plan shall be effective as of the date it is approved by the Board of Directors and any regulatory body having jurisdiction over the securities of the Corporation.

Section 3.9 Compliance with Applicable Law. If any provision of the Plan or any Option Agreement contravenes any law or any order policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

Section 3.10 Rights of Participant. A Participant shall have no rights whatsoever as a shareholder of the Corporation in respect of any of the unexercised options (including, without limitation, voting gifts or any right to receive dividends, warrants or rights under any rights offering).

Section 3.11 Conflict. In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

Section 3.12 Time of Essence. Time is of the essence of this Plan and each Option Agreement. No extension of time will be determined to be or to operate as a waiver thereof.

Section 3.13 Entire Agreement. This Plan and each Option Agreement set out the entire agreement between the Company and the Participant to which any particular Option Agreement relates relative to the subject matter hereof and supercedes all prior agreements, undertakings and understandings, whether oral or written.

APPENDIX "B"

CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Name

There shall be a committee of the Board of Directors (the "Board") of Urbanfund Corp. (the "Company") known as the Audit Committee (the "Committee").

Purpose

The Committee has been established to assist the Board in fulfilling its oversight responsibilities and fiduciary obligations. The primary functions and areas of responsibility of the Committee are to:

- review, report and provide recommendations to the Board on the annual and interim consolidated financial statements and related Management's Discussion and Analysis ("MD&A");
- identify and monitor the management of the principal risks that could impact the financial reporting of the Company;
- make recommendations to the Board regarding the appointment, terms of engagement and compensation of the external auditor;
- monitor the integrity of the Company's financial reporting process and system of internal controls regarding financial reporting and accounting compliance;
- oversee the work of the external auditors engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company;
- resolve disagreements between management and the external auditor regarding financial reporting;
- receive the report of the external auditors, who must report directly to the Committee; and
- provide an avenue of communication among the Company's external auditors, management, and the Board.

Composition and Qualifications

All Committee members shall meet all applicable requirements prescribed under the Business Corporations Act (Ontario), as well as any requirements or guidelines prescribed from time to time under applicable securities legislation, including National Instrument 52-110 as amended, restated or superseded. The Committee shall be comprised of not less than three directors as determined from time to time by the Board and the policies of the TSX Venture Exchange. While it is not necessary for members to have a comprehensive knowledge of generally accepted accounting principles and standards, all members of the Committee shall be "financially literate" so as to be able to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the issues raised by the Company's financial statements. A director who is not financially literate may be appointed to the Committee by the Board provided that such director becomes financially literate within a reasonable period following his or her appointment, and provided that the Board has determined that such appointment will not materially adversely affect the ability of the Committee to act independently.

Committee members shall be appointed by the Board. The Board shall designate the Chair of the Committees. If a Chair is not designated or present at any meeting, the members of the Committee may designate a Chair by majority vote. The Chair shall have responsibility for ensuring that the Committee fulfills its mandate and duties effectively.

Each member of the Committee shall continue to be a member until a successor is appointed, unless the member resigns, is removed or ceases to be a director. The Board may fill a vacancy at any time.

Meetings

The Committee shall meet at least four times annually, or more frequently as circumstances dictate, and at least once in each fiscal quarter. A schedule for each of the meetings shall be prepared and disseminated to Committee members prior to the start of each fiscal year. A majority of the members of the Committee shall constitute a quorum for meetings.

An agenda shall be prepared by the Chair of the Committee as far in advance of each meeting as reasonably practicable. Minutes of all meetings of the Committee shall be prepared as soon as possible following the meeting and submitted for approval at or prior to the next following meeting.

The Committee should meet privately at least once per year with senior management of the Company, the Company's external auditors, and as a committee to discuss any matters that the Committee or any of these groups believe should be discussed.

Specific Responsibilities and Duties

Specific responsibilities and duties of the Committee shall include, without limitation, the following:

General Review Procedures

1. Review and reassess the adequacy of this Charter at least annually and submit any proposed amendments to the Board for approval.
2. Review the Company's annual audited financial statements, related MD&A, and other documents prior to filing or distribution of such documents or issuing a press release in respect of the financial statements and MD&A. Review should include discussion with management and external auditors of significant issues regarding accounting principles, practices, and significant management estimates and judgments.
3. Annually, in consultation with management and external auditors, consider the integrity of the Company's financial reporting processes and controls. Discuss significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. Review significant findings prepared by the external auditors and the internal auditing department together with management's responses.
4. Review the effectiveness of the overall process for identifying the principal risks affecting financial reporting and provide the Committee's views to the Board of Directors.
5. Review with financial management and the external auditors the Company's quarterly financial results, related MD&A and other documents prior to the filing or distribution of such documents or issuing a press release in respect of the financial statements and MD&A. Discuss any significant changes to the Company's accounting principles. The Chair of the Committee may represent the entire Committee for purposes of this review.

External Auditors

6. The external auditors are ultimately accountable to the Committee, as representatives of the shareholders. The external auditors must report directly to the Committee, who shall review the independence and performance of the auditors and annually recommend to the Board the appointment of the external auditors or approve any discharge of auditors when circumstances warrant. The Committee shall approve the compensation of the external auditors.
7. The Committee must pre-approve all non-audit services to be provided to the Company or its subsidiary entities, unless such non-audit services are reasonably expected to constitute not more than five (5) percent of the total fees paid by the Company to the external auditor during the particular fiscal year, or if the Company did not recognize such services as non-audit services at the time of engagement. The pre-approval requirement will be satisfied if such non-audit services are promptly brought to the attention of the Committee prior to the completion of the audit and approved by the Committee, or by one or more of its members to whom authority to grant such approvals has been delegated by the Committee. In addition, the Committee may satisfy the pre-approval requirement by adopting specific and detailed policies and procedures for the engagement of non-audit services, so long as the Committee is informed of each non-audit service and such procedures do not include delegation of the Committee's responsibilities to management.
8. On an annual basis, the Committee should review and discuss with the external auditors all significant relationships they have with the Company that could impair the auditors' independence.
9. Review the external auditors' audit plan and discuss and approve the audit scope, staffing, locations, reliance upon management, and general audit approach.
10. Prior to releasing the year-end earnings, discuss the results of the audit with the external auditors. Discuss any matters that are required to be communicated to audit committees in accordance with the standards established by the Chartered Professional Accountants of Canada.
11. Consider the external auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in the Company's financial reporting.

Internal Audit Department and Legal Compliance

13. Review the mandate, budget, plan, changes in plan, activities, organizational structure and qualifications of the internal audit department, if such department is established.
14. Review the appointment, performance and replacement of the senior internal audit executive, if such position is created.
15. Review significant reports prepared by the internal audit department, if established, together with management's response and follow-up to these reports.
16. On at least an annual basis, review with the Company's counsel any legal matters that could have a significant impact on the organization's financial statements, the Company's compliance with applicable laws and regulations and inquiries received from regulators or governmental agencies.

17. Establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, or audit matters.
18. Establish procedures for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Other Miscellaneous Responsibilities

19. Annually assess the effectiveness of the Committee against its Mandate and report the results of the assessment to the Board.
20. Prepare and disclose a summary of the Mandate to shareholders.
21. Perform any other activities consistent with this Mandate, the Company's by-laws and governing law, as the Committee or the Board deems necessary or appropriate.
22. Review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditor of the Company.

Authority

The Committee shall have the authority to:

23. delegate approval-granting authority to pre-approve non-audit services by the external auditor to one or more of its members;
24. engage independent counsel and other advisors as it determines necessary to carry out its duties;
25. set and pay the compensation for any advisors employed by the Committee;
26. communicate directly with the external auditors;
27. establish procedures for the receipt, retention and treatment of complaints received by the Company regarding internal accounting controls, or auditing matters and the confidential, anonymous submission by employees of the Company regarding questionable accounting or auditing matters.

Reporting

The Committee shall report its deliberations and discussions regularly to the Board and shall submit to the Board the minutes of its meetings.

Resources

The Committee shall have full and unrestricted access to all of the Company's books, records, facilities and personnel as well as the Company's external auditors and shall have the authority, in its sole discretion, to conduct any investigation appropriate to fulfilling its responsibilities. The Committee shall further have the authority to retain, at the Company's expense, such special legal, accounting or other consultants or experts as it deems necessary in the performance of its duties and to request any officer or employee of the Company or the Company's external counsel or auditors to attend a meeting of the Committee.

Limitation on the Oversight Role of the Committee

Nothing in this Charter is intended, or may be construed, to impose on any member of the Committee a standard of care or diligence that is in any way more onerous or extensive than the standard to which all members of the Board are subject.

Each member of the Committee shall be entitled, to the fullest extent permitted by law, to rely on the integrity of those persons and organizations within and outside the Company from whom he or she receives information, and the accuracy of the information provided to the Company by such persons or organizations.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and in accordance with generally accepted accounting principles and applicable rules and regulations, each of which is the responsibility of management and the Company's external auditors.
