

# DR. PHONE FIX WINS ITS THIRD CONSECUTIVE PEOPLE'S CHOICE AWARD PRESENTED BY STEVIE® INTERNATIONAL BUSINESS AWARDS

EDMONTON, AB, Dec. 15, 2025 /CNW/ - Dr. Phone Fix Canada Corporation (TSXV: DPF) ("[Dr. Phone Fix](#)" or the "Company"), one of Canada's fastest-growing consumer electronics repair and resale platforms, today announced that it has been voted a 2025 People's Choice winner for Favourite Company, its third consecutive win. This continued recognition reinforces the Company's expanding national brand presence, strong customer loyalty, and its strategic positioning within the high-growth device repair and circular-electronics market.

The award highlights the increasing strength of Dr. Phone Fix's operating model, which is underpinned by a network of corporately owned locations, recurring customer demand, and attractive unit-level economics. The Company continues to execute on its roll-up strategy and national expansion plan, further reinforcing its reputation as a category leader in a fragmented industry.

[Dr. Phone Fix](#) won its 2025 award in the category for top Electronics Company. TELUS won in the Consumer Products and Services category. The winners were celebrated at the 22nd IBA awards gala in Lisbon, Portugal.

More than 177,000 votes were cast in this year's edition of the People's Choice Stevie® Awards for Favorite Companies, providing a large-scale validation of customer trust and market resonance across global entrants.

"Winning a People's Choice Award three years in a row is a high honour and demonstrates our commitment to quality repairs and outstanding customer service," said Piyush Sawhney, Founder and CEO of Dr. Phone Fix. "We have received nearly 31,000 verified online positive Google reviews and a 4.9 Google rating, underscoring the Company's consistent performance and its strong customer-driven reputation."

More than 3,800 nominations were submitted to this year's Stevie® International Business Awards by businesses and organizations in 78 nations and territories, for consideration in a wide range of categories including New Product or Service of the Year, Most Innovative Company of the Year, Management Team of the Year, Best New Product or Service of the Year, Startup of the Year and Executive of the Year, among others.

"The winners of the People's Choice Stevie Awards were able to activate and motivate their customers, employees, social media followers and others to vote for them, and that is a testament to the healthy ties they have to those audiences," said Stevie Awards president Maggie Miller.
