- 2.5.1 Subject to Section 2.5.2, but despite any other provision in this Agreement, if any of the Purchased Contracts is not assignable, or is only assignable with a Third Party Consent that has not been obtained at or before the Closing Time, then nothing in this Agreement will be construed as an assignment of, and the Seller will not be required to assign, any of those Purchased Contracts (the "**Non-Assigned Contracts**") until the relevant Third Party Consents are obtained. If the Buyer, in its sole discretion, waives the conditions related to the Non-Assigned Contracts and the Closing occurs, then:
 - 2.5.1.1 pending the effective transfer of a Non-Assigned Contract, the Seller will hold all rights or entitlements that the Seller has in that Non-Assigned Contract in trust for the exclusive benefit of the Buyer and will otherwise cooperate with the Buyer in any reasonable arrangements designed to provide the benefits of that Non-Assigned Contract to the Buyer, and the Buyer will pay, perform and discharge all obligations arising or accruing with respect to that Non-Assigned Contract during that period; and
 - 2.5.1.2 once the relevant Third Party Consent relating to the assignment of a Non-Assigned Contract has been obtained, that Non-Assigned Contract will be assigned to the Buyer, and the Parties will execute and deliver all documents reasonably required to give effect to this Section 2.5.1.2.
- 2.5.2 Nothing in this Section 2.5 will modify in any respect any of the representations or warranties of the Seller in Article 4, any of the Seller's obligations under Section 6.3 (*Third Party Consents*), or any of the conditions in Article 7 to the Buyer's obligations.

ARTICLE 3 PURCHASE PRICE

3.1 Purchase Price

3.1.1 The aggregate purchase price payable by the Buyer to the Seller for the Purchased Assets (the "**Purchase Price**") will be:

3.1.1.1 \$1,350,000, subject to adjustments in accordance with Section 3.1.2, 3.3.2, 3.3.3, Section 3.4 (*Payout of Indebtedness*) and Section 10.11 (*Indemnity Adjustments to Purchase Price*), as applicable; and

3.1.1.2 the assumption, and payment when due, performance and discharge, of the Assumed Liabilities.

3.1.2 The Purchase Price will be Increased by the Closing Saleable Inventory Value of the Purchased Saleable Inventory, in accordance with Section 3.2.5.

3.2 Payment of Purchase Price

At the Closing Time, the Buyer will:

3.2.1 pay to the Seller the Closing Cash Amount, less the aggregate amount payable under Section 3.2.2 (the Closing Cash Amount after such deduction being the "**Net Closing Cash Payable**"), which Net Closing Cash Payable will first be attributed to the Closing Saleable Inventory Value portion of the Purchase Price (such net Closing Cash Amount attributed as aforementioned being the "**Inventory Cash Portion**") before being applied to the balance of the Purchased Assets other than Purchased Saleable Inventory being acquired;

3.2.2 the Buyer will pay to each holder of Indebtedness the amount set out in that holder's payout letter delivered under Section 3.4 (*Payout of Indebtedness*);

3.2.3 execute and deliver to the Seller a promissory note, substantially in the form attached as Exhibit 3.2.3, in the principal amount of \$250,000.00 (the "**Vendor Take-back Note**");

3.2.4 issue to the Seller such number of Common Shares ("**Common Shares**") in the capital of the Buyer (the "**Consideration Shares**"), which are to be held in escrow and released subject to the terms and conditions of the Escrow Agreement, as equals \$500,000 divided by the greater of (a) the 21-day volume-weighted average price of the Buyer's Common Shares trading on the TSXV, determined after the completion of the last trading day of the Common Shares prior to the Execution Date, and (b) the minimum price allowed under TSXV policies; and

3.2.5 issue to the Seller such number of Consideration Shares, which are to be held in escrow and released subject to the terms and conditions of the Escrow Agreement, as equals the Closing Saleable Inventory Value of the Purchased Saleable Inventory, minus the Inventory Cash Portion, divided by the greater of (a) the 21-day volume-weighted average price of the Buyer's Common Shares trading on the TSXV, determined after the completion of the last trading day of the Common Shares prior to the Execution Date, and (b) the minimum price allowed under TSXV policies.

3.3 Saleable Inventory

- 3.3.1 By no later than 5 Business Days before the Closing Date, the Seller shall provide an updated exhaustive list of what it deems to be its Saleable Inventory (the "**Deemed Saleable Inventory**"), to the Buyer (the "**Saleable Inventory List**"), current as of the date that the Saleable Inventory List is delivered to the Buyer, which will contain the Seller's expected Closing Saleable Inventory Value for each item of Deemed Saleable Inventory. Promptly after receiving the Saleable Inventory List, the Buyer will review the Saleable Inventory List and determine which of the Saleable Inventory it would like to include in the Purchased Assets (the "**Purchased Saleable Inventory**"), taking into consideration the Buyer's obligations under Section 7.2.2.
- 3.3.2 If, at any time following receipt of the Saleable Inventory List, but prior to Closing, the Buyer, acting commercially reasonably, determines that there has been a material decrease in the expected Closing Saleable Inventory Value of any item of Deemed Saleable Inventory provided by the Seller in the Saleable Inventory List, which the Buyer determined would be Purchased Saleable Inventory, from the actual or expected, as applicable, Closing Saleable Inventory Value of any Purchased Saleable Inventory, the Buyer will have the right, acting in its sole discretion, to either (a) remove such Purchased Saleable Inventory from being included in the Purchased Assets, or (b) reduce the Closing Saleable Inventory Value portion of the Purchase Price by the amount of such decrease.
- 3.3.3 If, at any time following receipt of the Saleable Inventory List by the Buyer, but prior to Closing, the Seller, acting commercially reasonably, determines that there has been a material increase in the expected Closing Saleable Inventory Value of any item of Deemed Saleable Inventory provided by the Seller in the Saleable Inventory List, which the Buyer determined would be Purchased Saleable Inventory, from actual or expected, as applicable, Closing Saleable Inventory Value of any Purchased Saleable Inventory, the Seller will have the right, acting in its sole discretion, to increase the Closing Saleable Inventory Value portion of the Purchase Price by the amount of such increase.
- 3.3.4 In the event that there is a disagreement between the Buyer and the Seller on the Closing Saleable Inventory Value of any item of Deemed Saleable Inventory provided by the Seller in the Saleable Inventory List, which the Buyer determined would be Purchased Saleable Inventory (each, a "**Disputed Item**"), so long as the conditions in Section 7.2.2 are met by the Buyer, the Buyer's determination of the Closing Saleable Inventory Value of such Disputed Item will supersede the Seller's determination of the Closing Saleable Inventory Value of such Disputed Item.

3.4 Payout of Indebtedness

- 3.4.1 Not less than 5 Business Days before the Closing Date, the Seller will deliver to the Buyer a payout letter from each holder of Indebtedness, in form and substance reasonably satisfactory to the Buyer:
- 3.4.1.1 indicating the amount required to discharge the Closing Indebtedness held by that holder;
 - 3.4.1.2 including payment directions; and
 - 3.4.1.3 if the Indebtedness is secured by any Encumbrance, including an undertaking to release those Encumbrances upon receipt of the stated payout amount.

- 3.4.2 In the event that the amount of Closing Indebtedness exceeds the Closing Cash Amount, the excess amount of Closing Indebtedness will be settled in accordance with the provisions of Article 10.
- 3.4.3 Any payment made by the Seller to settle the Closing Indebtedness under this Section 3.4 will constitute a decrease to the Purchase Price.

3.5 Estimated Closing Date Balance Sheet

Not less than three (3) Business Days before the Closing Date, the Seller will deliver to the Buyer a statement that will reflect good faith estimates by the Seller of the Current Assets, and the Current Liabilities as at the Closing Date (the "**Estimated Closing Date Balance Sheet**"). The Estimated Closing Date Balance Sheet will be prepared in accordance with the Accounting Principles. The Estimated Closing Date Balance Sheet will be accompanied by a certificate of the chief financial officer of the Seller, or other senior officer of the Seller acceptable to the Buyer, to the effect that the officer has reviewed the Estimated Closing Date Balance Sheet, that the Estimated Closing Date Balance Sheet represents the best estimate, made in good faith, of the Current Assets and the Current Liabilities as at the Closing Date, prepared in accordance with the Accounting Principles and on the basis set out under this Agreement, and that the officer has no reason to believe that this estimate cannot be relied upon for purposes of the Closing. The Estimated Closing Date Balance Sheet will be accompanied by a copy of the working papers of the Seller used in its preparation, together with any other evidence supporting the amounts specified in the Estimated Closing Date Balance Sheet as the Buyer may reasonably request. The Seller will provide the Buyer with a reasonable opportunity to review and provide good faith comments on a draft of the Estimated Closing Date Balance Sheet before the final version is delivered.

3.6 Allocation of Purchase Price

On or before the Closing Date, the Purchase Price, subject to any adjustments to the Purchase Price as may be required under this Agreement, will be allocated among the Purchased Assets, in accordance with the provisions listed in Exhibit 3.6. The Seller and the Buyer will cooperate in the filing of any elections under the ITA and any other applicable Tax Law as may be necessary or desirable to give effect to that allocation for Tax purposes. The Seller and the Buyer will prepare and file their respective Tax returns in a manner consistent with that allocation and those elections.

3.7 Transfer Taxes

- 3.7.1 The Buyer will be liable for and will pay all Taxes, including all Transfer Taxes, properly payable by the Buyer in connection with the sale and transfer of the Purchased Assets, and, upon the reasonable request of the Seller, the Buyer will furnish proof of the payment of those Transfer Taxes to the appropriate Governmental Authority, where permitted. For clarity, the Buyer will not be liable for any Taxes of the Business or the Seller, which have outstanding amounts owing prior to the date of this Agreement.
- 3.7.2 The Parties will complete and sign a joint election under subsection 167(1) of the ETA on or before the Closing Date to avoid the application of GST/HST to the purchase and sale of the Purchased Assets. The Buyer will duly file the election with the appropriate Governmental Authorities within the time permitted under the ETA and provide evidence of such filing to the Seller.

3.8 Accounts Receivable Tax Election

To the extent applicable, the Seller and the Buyer will execute and file, within the prescribed time limits, a joint election with respect to the Accounts Receivable under section 22 of the ITA and any corresponding provisions of any other applicable Tax Law and will designate in that joint election the portion of the Purchase Price allocated to the Accounts Receivable as the consideration paid by the Buyer to the Seller for the Accounts Receivable for the purposes of the election.

3.9 Assumed Liabilities Election

To the extent that the Seller has received any amount in respect of an obligation to deliver goods or services, and the Buyer has agreed to assume that obligation under this Agreement, Purchased Assets having a fair market value equal to that amount are being transferred to the Buyer under this Agreement as payment by the Seller for the Buyer's agreement to assume that obligation, and the Parties will file an election pursuant to the provisions of subsections 20(24) and 20(25) of the ITA, and any corresponding provisions of any other applicable Tax Law, within the prescribed time period.

3.10 ITA Section 85 Election

3.10.1 The Seller and Buyer will, each at the request of the other, jointly elect in the form, and within the time, prescribed pursuant to subsection 85(1) of the ITA in respect of the transfer of the Purchased Assets (to the extent the election described in subsection 85(1) of the ITA is available in respect of the Purchased Assets), excluding Accounts Receivable and Inventories (the "**Rollover Assets**"), to the Buyer pursuant to this Agreement.

3.10.2 The amounts agreed upon by the Seller and the Buyer with respect to each of the Rollover Assets will be set out in the election form referred to in Section 3.10.1 (collectively referred to herein as the "**Elected Amount**") and will be determined by the Seller, provided that such amount is within the limits prescribed by the ITA.

3.10.3 If it is determined by the Seller or the Buyer (whether such determination is based on advice from an accountant, the determination of a court of competent jurisdiction, a determination, assessment, or proposed assessment by a competent taxing authority, or on any other factor or evidence) that the Elected Amount is not within the limits prescribed by the ITA, then the Elected Amount will be adjusted to equal such amount (the "**Adjusted Elected Amount**") as may be agreed to by the parties or, failing such agreement, such amount as may be determined by a court of competent jurisdiction or by a competent taxing authority. Any adjustment made pursuant to this Section 3.10.3 will be made with retroactive effect as of the Closing Date and this Section 3.10.3 may be invoked any number of times. The Seller and the Buyer will make such further or amended elections, enter into such acknowledgments or agreements, and do or cause to be done such further acts and things as may be, in the opinion of counsel, reasonably necessary to give effect to this Agreement.

3.10.4 The Seller shall, at least thirty (30) days prior to the date on which the election form referred to in Section 3.10.1 is required to be filed with the applicable Governmental Authority, deliver a draft of such election form, and any applicable provincial equivalents, completed with the details of the Rollover Assets, the Elected Amount, and the Consideration Shares, and subject to such election form complying with applicable law and the terms of this Agreement, such election form shall be signed by an appropriate signing officer of Buyer and returned to Seller within twenty (20) days after delivery of such election form to Buyer for filing by such Seller with the relevant tax authorities.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF THE SELLER

The Seller represents and warrants to the Buyer as follows and acknowledges that the Buyer is relying upon these representations and warranties in connection with the purchase of the Purchased Assets.

4.1 Corporate Existence of Seller

The Seller is a corporation duly incorporated and validly existing under the laws of Nova Scotia.

4.2 Capacity and Authority

The Seller has all necessary corporate power, authority and capacity to enter into and perform its obligations under this Agreement. The execution and delivery of this Agreement and the completion of the transactions contemplated by this Agreement have been duly authorized by all necessary corporate action on the part of the Seller.

4.3 Binding Obligation

This Agreement has been duly executed and delivered by the Seller and constitutes a valid and binding obligation of the Seller, enforceable against the Seller in accordance with its terms, subject to applicable bankruptcy, insolvency and other Laws of general application limiting the enforcement of creditors' rights generally, and to the fact that equitable remedies, including specific performance, are discretionary and may not be ordered in respect of certain defaults.

4.4 Absence of Conflict

None of the execution and delivery of this Agreement by the Seller, the performance of the Seller's obligations under this Agreement, or the completion by the Seller of the transactions contemplated by this Agreement will (with or without the giving of notice or lapse of time, or both):

- 4.4.1 result in or constitute a breach of any term or provision of, or constitute a default under, the articles of association or memorandum of association or any resolutions of the directors or shareholders of the Seller;
 - 4.4.2 result in or constitute a breach of any term or provision of, or constitute a default under, or constitute an event that would permit any third party to amend, terminate, sue for damages with respect to or accelerate the obligations of the Seller under, any Contract to which the Seller is a party;
 - 4.4.3 result in the creation or imposition of any Encumbrance on the Purchased Assets;
 - 4.4.4 contravene any applicable Law; or
 - 4.4.5 contravene any judgment, order, writ, injunction or decree of any Governmental Authority,
- subject to obtaining the consents, approvals and waivers set out in Section 4.11 (*Third Party Consents*).

4.5 No Other Agreements to Purchase

No Person other than the Buyer has any written or oral agreement or option or any right or privilege (whether by Law, pre-emptive, contractual or otherwise) capable of becoming an agreement or option for the purchase or acquisition from the Seller of any of the Purchased Assets, other than pursuant to purchase orders accepted by the Seller in the ordinary course of the Business.

4.6 Restrictive Covenants

The Seller is not a party to, or bound or affected by, any Contract containing any covenant expressly limiting its ability to compete in any line of business or in any geographic location, or expressly limiting its ability to transfer or move any of the Purchased Assets that could reasonably be expected to have a Material Adverse Effect.

4.7 Title to Purchased Assets

The Seller owns, possesses and has good and marketable title to all of the Purchased Assets, free and clear of all Encumbrances other than Permitted Encumbrances. At Closing, the Seller will have the absolute and exclusive right to sell the Purchased Assets to the Buyer as contemplated by this Agreement, subject to obtaining the consents, approvals and waivers set out in Section 4.11 (*Third Party Consents*).

4.8 Sufficiency and Good Condition of Purchased Assets

The Purchased Assets comprise all of the undertaking, assets and property necessary for the Buyer to carry on the Business as it is currently operated by the Seller. All Fixed Assets and Equipment are in good operating condition and repair, ordinary wear and tear excepted, and are reasonably fit and usable for the purposes for which they are being used.

4.9 Residence of Seller

The Seller is not a non-resident of Canada for purposes of the ITA.

4.10 Material Contracts

4.10.1 Section 4.10 of the Disclosure Schedule lists each of the following Contracts to which the Seller is a party under which any of the Purchased Assets may be affected:

4.10.1.1 all Leases;

4.10.1.2 all Real Property Leases;

4.10.1.3 each Contract relating to any equipment relating to the operation of the Business that is leased or financed by the Seller; and

4.10.1.4 any other Contract that is material to the Purchased Assets or the operation of the Business,

(the "**Material Contracts**").

- 4.10.2 The Seller is not in default or breach of any Material Contract, and there exists no state of facts that, after notice or lapse of time or both, would constitute a default or breach under any Material Contract. No counterparty to any Material Contract is in default of any of its obligations under any Material Contract, the Seller is entitled to all benefits under each Material Contract, and the Seller has not received any notice of termination of any Material Contract.
- 4.10.3 The Business has the capacity, including the necessary personnel, equipment and supplies (either on hand, on order or available by means of future contractual arrangements), to enable the Seller to perform its obligations under the Material Contracts.
- 4.10.4 All of the Material Contracts were entered into on an arm's length basis, on normal market and commercial terms (having regard to the industry) and in the ordinary course of the Business.
- 4.10.5 The Seller does not retain any holdbacks under any of the Material Contracts.

4.11 Third Party Consents

Except as disclosed in Section 4.11 of the Disclosure Schedule, there is no requirement to obtain any consent, approval or waiver of a party under any Purchased Contract in order to complete the transactions contemplated by this Agreement.

4.12 Regulatory Approvals

No authorization, approval, order or consent of, or filing with, any Governmental Authority is required on the part of the Seller in connection with the execution, delivery and performance of this Agreement or any other documents and agreements to be delivered under this Agreement.

4.13 Jurisdictions

The Seller is duly qualified, licensed or registered to carry on the Business and is in good standing in the jurisdictions listed in Section 4.13 of the Disclosure Schedule. The Seller is not conducting the Business in any other jurisdiction. Neither the character nor location of the Leased Premises, nor the nature of the Business, requires qualification to do business in any other jurisdiction.

4.14 Books and Records

The Books and Records fairly and correctly set out and disclose the financial position of the Business, and all material financial transactions of the Seller relating to the Business have been accurately recorded in the Books and Records.

4.15 Financial Statements

Copies of the Financial Statements are included in Section 4.15 of the Disclosure Schedule. The Financial Statements present fairly:

- 4.15.1 the assets, liabilities (contingent or otherwise) and financial condition of the Business as at the respective dates of the Financial Statements; and

4.15.2 the sales, earnings and results of the operations of the Business during the periods covered by the Financial Statements,

but the interim financial statements are subject to normal year-end adjustments, which individually or in the aggregate would not be material to any buyer contemplating the purchase of the Purchased Assets.

4.16 Tax Matters

- 9.1.1 by mutual written consent of the Buyer and the Seller;
- 9.1.2 by the Buyer, upon written notice to the Seller (specifying in reasonable detail the circumstances giving rise to the Buyer's right to terminate):
 - 9.1.2.1 if any condition set out in Section 7.1 (*Conditions for the Benefit of the Buyer*) or 7.3 (*Mutual Conditions Precedent*) that has not been waived by the Buyer is not satisfied at or before the Closing Time; or
 - 9.1.2.2 if any condition set out in Section 7.1 (*Conditions for the Benefit of the Buyer*) or 7.3 (*Mutual Conditions Precedent*) that has not been waived by the Buyer is not capable of being satisfied by the Outside Date,in each case provided that the failure to satisfy that condition is not the result, directly or indirectly, of the Buyer's breach of this Agreement;
- 9.1.3 by the Seller, upon written notice to the Buyer (specifying in reasonable detail the circumstances giving rise to the Seller's right to terminate):

in each case provided that the failure to satisfy that condition is not the result, directly or indirectly, of the breach of this Agreement by the Seller; or

9.1.4 by the Buyer or the Seller, upon written notice to the other Party, if the Closing does not occur by 11:59 p.m. on the Outside Date, provided that a Party may not terminate this Agreement under this Section 9.1.4 if the failure of the Closing to occur is the result, directly or indirectly, of that Party's breach of this Agreement.

9.2 Effect of Termination

If this Agreement is terminated in accordance with Section 9.1, the Parties will be released from all of their obligations under this Agreement, except that:

9.2.1 this Section 9.2 and Section 11.11 (*Costs and Expenses*) will survive the termination of this Agreement and continue in full force and effect; and

9.2.2 the termination of this Agreement at any time before the Closing will not relieve any Party from any liability arising before that termination.

ARTICLE 10 INDEMNIFICATION AND SURVIVAL

10.1 Indemnification by the Seller

Subject to the other provisions of this Article 10, the Seller will, if the Closing occurs, indemnify and hold harmless each Buyer Indemnified Party from and against any Loss that a Buyer Indemnified Party may suffer as a result of, relating to or arising from:

- 10.1.1 the event that the amount of Closing Indebtedness exceeds the Closing Cash Amount;
- 10.1.2 any breach of any representation or warranty made by the Seller in this Agreement or in the relevant Closing Certificate;
- 10.1.3 any non-performance of any covenant or agreement of the Seller contained in this Agreement;

- 10.1.5 the ownership, possession or operation of the Purchased Assets or the Business before the Closing, except for Losses that are, or relate to any, Assumed Liabilities.

10.2 Indemnification by the Buyer

Subject to the other provisions of this Article 10, the Buyer will, if the Closing occurs, indemnify and hold harmless each Seller Indemnified Party from and against any Loss that a Seller Indemnified Party may suffer as a result of, relating to or arising from:

- 10.2.1 any breach of any representation or warranty made by the Buyer in this Agreement or in the relevant Closing Certificate;
- 10.2.2 any non-performance of any covenant or agreement of the Buyer contained in this Agreement;
- 10.2.3 termination and/or severance obligations in respect of an Employee whose employment is terminated with the Seller for the purposes contemplated by Section 6.10;
- 10.2.4 any Assumed Liabilities; and
- 10.2.5 the holding by the Seller, in trust, of the rights and entitlements referred to in Section 2.5.1.1, in the manner set out in Section 2.5.1.1.

10.3 Survival Periods for Claims by Buyer Indemnified Parties

- 10.3.1 The covenants, representations and warranties made by the Seller in this Agreement and in the relevant Closing Certificate will survive the Closing and completion of the transactions contemplated by this Agreement and will continue in full force and effect.
- 10.3.2 Subject to Section 10.3.3, a Buyer Indemnified Party may make an Indemnity Claim relating to the following matters only if an Indemnity Notice of that Indemnity Claim is delivered to the Seller within the following periods or before the following deadlines:
 - 10.3.2.1 if the Indemnity Claim relates to any breach of any representation or warranty made by the Seller in this Agreement or in the relevant Closing Certificate, other than a breach specified in the remainder of this Section 10.3.2, within 2 years after the Closing Date;
 - 10.3.2.2 subject to Section 10.3.2.3 and 10.3.2.4, if the Indemnity Claim relates to any breach of the Fundamental Representations and Warranties, within 2 years after the Closing Date;

10.3.2.3 if the Indemnity Claim relates to any breach of the representations and warranties made in Sections 4.2 (*Capacity and Authority*), 4.3 (*Binding Obligation*) or 4.4 (*Absence of Conflict*), as they relate to the Vendor Take-back Note, on or before the date that is 18 months after the final payment under the Vendor Take-back Note is due; and

10.3.2.4 if the Indemnity Claim relates to any breach of the representations and warranties made in Sections 4.9 (*Residence of Seller*) or 4.16 (*Tax Matters*), on or before the date that is 90 days after the last day upon which any relevant Governmental Authority is entitled to assess or reassess the Buyer for any Tax in respect of those representations and warranties.

10.3.3 The notice periods set out in Section 10.3.2 will not apply to an Indemnity Claim based on intentional misrepresentation or fraud by the Seller relating to this Agreement or the relevant Closing Certificate.

10.4 Survival Periods for Claims by Seller Indemnified Parties

10.4.1 The covenants, representations and warranties made by the Buyer in this Agreement and in the relevant Closing Certificate will survive the Closing and completion of the transactions contemplated by this Agreement and will continue in full force and effect.

10.4.2 Subject to Section 10.4.3, a Seller Indemnified Party may make an Indemnity Claim under Section 10.2.1 only if an Indemnity Notice of that Indemnity Claim is delivered to the Buyer within the following periods or before the following deadlines:

10.4.2.1 if the Indemnity Claim relates to any breach of any representation or warranty made by the Buyer in this Agreement or in the relevant Closing Certificate, other than a breach specified in the remainder of this Section 10.4.2 within 18 months after the Closing Date; and

10.4.2.2 if the Indemnity Claim relates to any breach of the representations and warranties made in Sections 4.2 (*Capacity and Authority*), 5.3 (*Binding Obligation*) or 5.4 (*Absence of Conflict*), as they relate to the Vendor Take-back Note, on or before the date that is 18 months after the final payment under the Vendor Take-back Note is due

10.4.3 The notice period set out in Section 10.4.2 will not apply to an Indemnity Claim based on intentional misrepresentation or fraud by the Buyer relating to this Agreement or the relevant Closing Certificate.

10.5 Amount Limitations on Indemnification Obligations

10.5.1 Subject to Section 10.5.2:

10.5.1.1 the indemnification obligations of the Seller under this Article 10 are limited in the aggregate to the sum of [REDACTED] and Indemnity cap information redacted.

10.5.1.2 the Seller will not be required to indemnify any Buyer Indemnified Party under this Article 10 unless the aggregate of all Losses under the Indemnity Claims made by the Buyer Indemnified Parties exceeds [REDACTED], in which case the Seller as an Indemnifying Party will be obligated to pay the full amount owing by it under

this Article 10 in respect of all Indemnity Claims (both below and above that threshold).

- 10.5.2 If any Indemnity Claims are made by a Buyer Indemnified Party against the Seller:
- 10.5.2.1 relating to the non-performance of any covenant or agreement of the Seller;
 - 10.5.2.2 under Section 10.1.3 or 10.1.4;
 - 10.5.2.3 relating to any breach of the Fundamental Representations and Warranties; or
 - 10.5.2.4 based on intentional misrepresentation or fraud,
- then:
- 10.5.2.5 despite Section 10.5.1.1, the indemnification obligations of the Seller with respect to those Indemnity Claims, when combined with the indemnification obligations of the Seller under any other part of this Article 10, will be limited in the aggregate to the amount of the Purchase Price (before adjustments to the Purchase Price under Section 10.11 (*Indemnity Adjustments to Purchase Price*)); and
 - 10.5.2.6 the limitations in Section 10.5.1.2 will not apply to those Indemnity Claims, but the Losses under those Indemnity Claims will be taken into account in determining whether the threshold in Section 10.5.1.2 has been met.
- 10.5.3 Subject to Section 10.5.4:
- 10.5.3.1 the indemnification obligations of the Buyer under this Article 10 are limited in the aggregate to the sum of ██████████; and *Indemnity cap information redacted.*
 - 10.5.3.2 the Buyer will not be required to indemnify any Seller Indemnified Party under this Article 10 unless the aggregate of all Losses under the Indemnity Claims made by the Seller Indemnified Parties exceeds ██████████, in which case the Buyer as an Indemnifying Party will be obligated to pay the full amount owing by it under this Article 10 in respect of all Indemnity Claims (both below and above that threshold).
- 10.5.4 If any Indemnity Claims are made by a Seller Indemnified Party against the Buyer:
- 10.5.4.1 relating to the non-performance of any covenant or agreement of the Buyer; or
 - 10.5.4.2 under Section 10.2.3,
- then:
- 10.5.4.3 despite Section 10.5.3.1, the indemnification obligations of the Buyer with respect to those Indemnity Claims, when combined with the indemnification obligations of the Buyer under any other part of this Article 10, will be limited in the aggregate to the amount of the Purchase Price (before adjustments to the Purchase Price under Section 10.11 (*Indemnity Adjustments to Purchase Price*)); and

- 10.5.4.4 the limitations in Section 10.5.3.2 will not apply to those Indemnity Claims, but the Losses under those Indemnity Claims will be taken into account in determining whether the threshold in Section 10.5.3.2 has been met.

10.6 Rules Relating to Indemnification Obligations

The following will apply to the indemnification obligations under this Article 10.

- 10.6.1 **Effect of Waiver.** The waiver of any condition relating to any representation, warranty or covenant will not affect the right to indemnification under this Article 10 based on that representation, warranty or covenant.
- 10.6.2 **Insurance Recoveries.** Before an Indemnifying Party is required to indemnify an Indemnified Party for any Loss under an Indemnity Claim, the Indemnified Party must first make all commercially reasonable efforts to seek recovery for that Loss under any applicable insurance policies held by the Indemnified Party. The amount of any Loss under an Indemnity Claim will be net of any amounts actually recovered by the Indemnified Party under insurance policies with respect to that Loss.
- 10.6.3 **Tax Adjustments.** The amount of any Loss for which indemnification is provided under this Article 10 will be (i) increased to take account of any net Tax cost incurred by the Indemnified Party arising from the receipt of indemnity payments under this Agreement, and (ii) reduced to take account of any net Tax benefit realized by the Indemnified Party arising from the incurrence or payment of that Loss, to the extent necessary to ensure that the Indemnified Party receives a net amount that, taking into account any net Tax cost or net Tax benefit, is sufficient to fully compensate for the Loss, but results in no net gain to the Indemnified Party. In computing the amount of any net Tax cost or net Tax benefit, the Indemnified Party will be deemed to recognize all other items of income, gain, loss, deduction or credit before recognizing any item arising from the receipt of any indemnity payment under this Agreement or the incurrence or payment of any indemnified Loss.
- 10.6.4 **No Double Recovery.** No Indemnified Party is entitled to double recovery for any Indemnity Claim even though the Indemnity Claim may have resulted from the breach or inaccuracy of more than one of the representations, warranties, covenants and obligations of the Indemnifying Party under this Agreement or the relevant Closing Certificate.
- 10.6.5 **Materiality.** In the case of an Indemnity Claim by a Buyer Indemnified Party under this Article 10 for breach by the Seller of a representation or warranty that is qualified by materiality or Material Adverse Effect, the Buyer Indemnified Party will be entitled to claim the full amount of the Loss resulting from that breach without regard to the materiality or Material Adverse Effect qualifier. However, the determination under this Article 10 of whether there has been a breach of a representation or warranty that is qualified by materiality or Material Adverse Effect will be made having regard to the materiality or Material Adverse Effect qualifier.
- 10.6.6 **Remoteness and Mitigation.** The quantum of Losses that can be recovered by an Indemnified Party under this Article 10 will not be affected by the application of principles of remoteness of damages, or the duty to mitigate, provided that this Section 10.6.6 will not limit the obligations of an Indemnified Party under Section 10.6.2 (*Insurance Recoveries*).
- 10.6.7 **Set-off.** Upon notice to the Seller specifying in reasonable detail the basis for such set-off, provided such amounts have been finally determined and adjudicated by Order or agreed upon by the Seller and Buyer, the Buyer will be entitled to set-off the amount payable to it

under Section 10.10 (*Payment of Claims*), as damages or by way of indemnification, against any other amounts payable at any time by the Buyer to the Seller whether under this Agreement, the Vendor Take-back Note or otherwise.

10.7 Notice of Indemnity Claims

If an Indemnified Party becomes aware of a Loss or potential Loss in respect of which an Indemnifying Party has agreed to indemnify it under this Article 10, the Indemnified Party will promptly give written notice (an "**Indemnity Notice**") of its Claim or potential Claim for indemnification (an "**Indemnity Claim**") to the Indemnifying Party. An Indemnity Notice must specify whether the Indemnity Claim arises as the result of a Third Party Claim or whether the Indemnity Claim is a Direct Claim, and must also specify with reasonable particularity (to the extent that the information is available):

- 10.7.1 the factual basis for the Indemnity Claim; and
- 10.7.2 the amount of the Indemnity Claim, if known.

If, through the fault of the Indemnified Party, the Indemnifying Party does not receive an Indemnity Notice of an Indemnity Claim in time to effectively contest the determination of any liability capable of being contested, the Indemnifying Party will be entitled to set-off against the amount claimed by the Indemnified Party the amount of any Loss incurred by the Indemnifying Party resulting from the Indemnified Party's failure to give an Indemnity Notice on a timely basis.

10.8 Procedure for Direct Claims

- 10.8.1 Following receipt of an Indemnity Notice from the Indemnified Party of a Direct Claim, the Indemnifying Party will have fifteen (15) Business Days, or any other period of time agreed to by the Indemnifying Party and the Indemnified Party, (in either case, the "**Claim Dispute Period**") to make any investigations it considers necessary or desirable. For the purpose of those investigations, the Indemnified Party will make available to the Indemnifying Party the information relied upon by the Indemnified Party to substantiate the Direct Claim, together with all other information that the Indemnifying Party may reasonably request.
- 10.8.2 If the Indemnifying Party disputes the validity or amount of the Direct Claim, the Indemnifying Party may provide written notice of the dispute to the Indemnified Party within the Claim Dispute Period. That dispute notice must describe in reasonable detail the nature of the Indemnifying Party's dispute. Upon receipt of a dispute notice, the Indemnified Party may pursue all rights and remedies available to it, subject to this Agreement.
- 10.8.3 If the Indemnifying Party does not provide written notice of a dispute with respect to the Direct Claim within the Claim Dispute Period, the Indemnifying Party will be deemed to have agreed to the validity and amount of the Direct Claim.

10.9 Procedure for Third Party Claims

- 10.9.1 The Indemnified Party will promptly deliver to the Indemnifying Party copies of all correspondence, notices, assessments or other written communication received by the Indemnified Party in respect of any Third Party Claim that is or might become the basis of an Indemnity Claim.

- 10.9.2 The Indemnified Party will not negotiate, settle, compromise or pay any Third Party Claim that is or might become the basis of an Indemnity Claim without the prior written consent of the Indemnifying Party, which consent will not be unreasonably withheld.
- 10.9.3 The Indemnified Party will not cause or permit the termination of any right to defend or right of appeal in respect of any Third Party Claim that is or might become the basis of an Indemnity Claim without giving the Indemnifying Party written notice of the contemplated or potential termination in time to grant the Indemnifying Party an opportunity to contest the Third Party Claim.
- 10.9.4 Each of the Indemnified Party and the Indemnifying Party will make all commercially reasonable efforts to make available to the Party (or other Indemnified Party) who has assumed carriage and control of a Third Party Claim that is the basis of an Indemnity Claim all employees and other Persons under its control whose assistance or evidence is necessary to assist that Party (or other Indemnified Party) in evaluating and defending that Third Party Claim and all documents, records and other materials in its possession or control required for use in the negotiation, defence or settlement of that Third Party Claim.
- 10.9.5 If the Indemnifying Party acknowledges in writing its obligation, subject to the limits in this Article 10, to satisfy an Indemnity Claim to the extent of any binding, final and non-appealable determination or settlement in connection with a Third Party Claim, then:
- 10.9.5.1 the Indemnifying Party will have the right, by written notice delivered to the Indemnified Party within fifteen (15) Business Days of receipt by the Indemnifying Party of the Indemnity Notice, and subject to the right of any insurer or other Person to assume carriage and control of the Third Party Claim, to assume carriage and control (including the negotiation, defence or settlement) of the Third Party Claim and the conduct of any related legal or administrative proceedings at the expense of the Indemnifying Party and by its own counsel;
 - 10.9.5.2 if the Indemnifying Party elects to assume carriage and control, the Indemnified Party will have the right to participate at its own expense (which will not be indemnified under this Article 10) in the negotiation, defence or settlement of the Third Party Claim assisted by its own counsel; and
 - 10.9.5.3 despite Section 10.9.5.1, the Indemnifying Party will not, except with the Indemnified Party's prior written consent, settle the Third Party Claim or conduct any related legal or administrative proceeding in a manner that would, in the opinion of the Indemnified Party, acting reasonably, have a material adverse effect on the Indemnified Party.
- 10.9.6 Despite Section 10.9.2, if the Indemnified Party is, before the completion of related settlement negotiations or legal proceedings, required by applicable Law to make a payment into court, into escrow, or to any third party, with respect to a Third Party Claim that is the basis of an Indemnity Claim, the Indemnified Party may make the required payment and the Indemnifying Party will, promptly after demand by the Indemnified Party, reimburse the Indemnified Party for the required payment made, subject to the limits in this Article 10. If the Indemnifying Party makes that reimbursement, and if the amount of the Indemnity Claim relating to the Third Party Claim in respect of which the required payment was made, as finally determined, is less than the amount that was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party will promptly pay that surplus amount to the Indemnifying Party. A reimbursement made by the Indemnifying Party under this Section

10.9.6 will reduce the related amount, if any, payable by the Indemnifying Party under Section 10.9 (*Payment of Claims*).

10.9.7 If the Indemnifying Party does not exercise its right under Section 10.9.5 to assume the carriage and control of a Third Party Claim that is the basis of an Indemnity Claim, the Indemnifying Party will not contest the amount of the Loss with respect to that Third Party Claim.

10.9.8 The Indemnifying Party will not be required to indemnify for any Loss relating to a Third Party Claim that is settled or contested in violation of the terms of this Section 10.9.

10.10 Payment of Claims

10.10.1 Once the validity and amount of an Indemnity Claim has been finally determined, by agreement between the Indemnifying Party and the Indemnified Party, by binding, final and non-appealable determination, or by settlement, then the Indemnifying Party will promptly pay that amount to the Indemnified Party.

10.10.2 In the event that there is a determined amount of an Indemnity Claim and if, in such event, the Indemnifying Party is the Seller, then the Buyer shall have the right, but not the obligation to, acting in its sole discretion, cancel the number of Consideration Shares payable under Section 3.2, which have an aggregate value equal to the aggregate amount of the Indemnity Claim owed by the Seller to the Buyer pursuant to this Article 10, that have not yet been released pursuant to the terms of the Escrow Agreement. For further clarity, the Escrow Agreement will contain the necessary mechanics that will give the Buyer the rights provided in this Section 10.10.2 and it will provide the terms and conditions governing the mechanics of how such Consideration Shares will be cancelled.

10.11 Indemnity Adjustments to Purchase Price

Any payment made to a Buyer Indemnified Party under this Article 10, whether pursuant to Section 10.10.2 or otherwise, will constitute a decrease to the Purchase Price, and any payment made to a Seller Indemnified Party under this Article 10 will constitute an increase to the Purchase Price.

10.12 Exclusive Remedy

10.12.1 Subject to Section 10.12.2 and Section 10.12.3, if the Closing occurs the rights of indemnity in this Article 10 will be the sole and exclusive remedy of any Indemnified Party for any breach of a representation or warranty, or non-performance of any covenant or agreement, contained in this Agreement or in the Closing Certificates, and each Indemnified Party waives any other recourse or remedy it may have in contract, tort or otherwise.

10.12.2 Nothing in this Section 10.12 will limit or restrict an Indemnified Party from seeking:

10.12.2.1 equitable remedies, under Section 11.13 (*Equitable Remedies*) or otherwise; or

10.12.2.2 any remedies that may be available to an Indemnified Party in the case of intentional misrepresentation or fraud.

10.12.3 Nothing in this Section will prevent the Seller from demanding payment under the terms of the Vendor Take-back Note and beginning a proceeding in a court to enforce the Buyer's obligations under the Vendor Take-back Note.

10.13 Third Party Indemnification

To ensure that the indemnities provided by each of the Seller and the Buyer to any Indemnified Parties that are not parties to this Agreement are enforceable, it is agreed by the Parties that the Seller is acting as agent for its Seller Indemnified Parties (that are not Parties), and the Buyer is acting as agent for its Buyer Indemnified Parties (that are not Parties), with respect to the indemnities intended to be given to those Persons under this Article 10. Each of the Seller and the Buyer agrees that it will hold any right to indemnification that any relevant Indemnified Party is intended to have under this Article 10 in trust for that Person, and that funds received by the Seller or the Buyer in respect of any Claims under this Article 10 by the relevant Indemnified Party will be held in trust for that Person.

Sending a copy of a Communication to a Party's legal counsel is for information purposes only and does not constitute delivery of that Communication to that Party. The failure to send a copy of a Communication to a Party's legal counsel does not invalidate delivery of that Communication to the Party.

11.3 Severability

Each provision of this Agreement is distinct and severable. If any provision of this Agreement, in whole or in part, is or becomes illegal, invalid, void, voidable or unenforceable in any jurisdiction by any court of competent jurisdiction, the illegality, invalidity or unenforceability of that provision, in whole or in part, will not affect:

- 11.3.1 the legality, validity or enforceability of the remaining provisions of this Agreement, in whole or in part; or
- 11.3.2 the legality, validity or enforceability of that provision, in whole or in part, in any other jurisdiction.

11.4 Submission to Jurisdiction

Each of the Parties irrevocably and unconditionally submits and attorns to the exclusive jurisdiction of the courts of the Province of Alberta to determine all issues, whether at law or in equity, arising from this Agreement. To the extent permitted by applicable Law, each of the Parties:

- 11.4.1 irrevocably waives any objection, including any claim of inconvenient forum, that it may now or in the future have to the venue of any legal proceeding arising out of or relating to this

Agreement in the courts of that Province, or that the subject matter of this Agreement may not be enforced in those courts;

- 11.4.2 irrevocably agrees not to seek, and waives any right to, judicial review by any court that may be called upon to enforce the judgment of the courts referred to in this Section 11.4, of the substantive merits of any suit, action or proceeding; and
- 11.4.3 to the extent that Party has or may acquire any immunity from the jurisdiction of any court or from any legal process, whether through service or notice, attachment before judgment, attachment in aid of execution, execution or otherwise, with respect to itself or its property, irrevocably waives that immunity in respect of its obligations under this Agreement.

11.5 Amendment and Waiver

No amendment, discharge, restatement, supplement, termination or waiver of this Agreement or any provision of this Agreement is binding unless it is in writing and executed by the Party to be bound. No waiver of, failure to exercise or delay in exercising, any provision of this Agreement constitutes a waiver of any other provision (whether or not similar) nor does any waiver constitute a continuing waiver unless otherwise expressly provided.

11.6 Further Assurances

Each Party will, at that Party's own expense, execute and deliver any further agreements and documents and provide any further assurances, undertakings and information as may be reasonably required by the requesting Party to give effect to this Agreement.

11.7 Assignment and Enurement

Neither this Agreement nor any right or obligation under this Agreement may be assigned by either Party without the prior written consent of the other Party. This Agreement enures to the benefit of and is binding upon the Parties and their respective Successors.

11.8 Creation and Use of Electronic Document

This Agreement and any counterpart of it may be created, provided, received, retained and otherwise used, and will be accepted, in any digital, electronic or other intangible form.

11.9 Electronic Signatures and Delivery

This Agreement and any counterpart of it may be:

- 11.9.1 signed by manual, digital or other electronic signatures; and
- 11.9.2 delivered or transmitted by any digital, electronic or other intangible means, including by e-mail or other functionally equivalent electronic means of transmission,

and that execution, delivery and transmission will be valid and legally effective to create a valid and binding agreement between the Parties.

11.10 Counterparts

This Agreement may be signed and delivered by the Parties in counterparts, with the same effect as if each of the Parties had signed and delivered the same document, and that execution and delivery will be valid and legally effective.

11.11 Costs and Expenses

Except as otherwise specified in this Agreement, and without limiting the indemnification provisions in Article 10 (*Indemnification and Survival*), all costs and expenses (including the fees and disbursements of accountants, financial advisors, legal counsel and other professional advisors) incurred in connection with the negotiation and settlement of this Agreement, and the completion of the transactions contemplated by this Agreement, are to be paid by the Party incurring those costs and expenses.

11.12 Payment and Currency

Any money to be advanced, paid or tendered by any Party under this Agreement must be advanced, paid or tendered by bank draft, certified cheque or wire transfer of immediately available funds payable to the Person to whom the amount is due. Unless otherwise specified, the word "dollar" and the "\$" sign refer to Canadian currency, and all amounts to be advanced, paid, tendered or calculated under this Agreement are to be advanced, paid, tendered or calculated in Canadian currency.

11.13 Equitable Remedies

The Parties acknowledge that the failure to comply with a covenant or obligation contained in this Agreement may give rise to irreparable injury to a Party, inadequately compensable in damages. Accordingly, a Party may seek to enforce the performance of this Agreement by injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damage (and without the requirement of posting bond or other security).

11.14 No *Contra Proferentem*

This Agreement has been reviewed by each Party's professional advisors and revised during the course of negotiations between the Parties. Each Party acknowledges that this Agreement is the product of their joint efforts, that it expresses their agreement, and that, if there is any ambiguity in any of its provisions, no rule of interpretation favouring one Party over another based on authorship will apply.

11.15 Acknowledgement

Each Party acknowledges that:

- 11.15.1 it has received independent legal advice from its own lawyers with respect to the terms of this Agreement before its execution;
- 11.15.2 it has read this Agreement, understands it, and agrees to be bound by its terms and conditions; and
- 11.15.3 it has received a copy of this Agreement.

11.16 Third Party Beneficiaries

This Agreement is not intended to, and does not, confer any rights or remedies on any Person other than the Parties (and their respective Successors) and the Indemnified Parties. The Parties reserve their right to vary or rescind, at any time and in any way, the rights, if any, granted by or under this Agreement to any Person who is not a Party, without notice to or consent of that Person.

SELLER'S WARRANTY & TERMS OF SERVICE

*All forms of the warranties offer no cash value. *It is recommended to always make a back up of your data prior to repair. Geebo is not responsible for loss of data. *Geebo is not responsible for compensatory or punitive damages.

*Geebo does not accept returns, refunds, or exchanges of any kind

Screen Repairs: Screen replacements are covered under a 90 day limited warranty. This warranty allows for a full screen replacement if a defect presents itself within the first 90 days. A defect can be defined (but not limited to) by the following:

- 1) Broken pixels in the LCD not caused by impact
- 2) Issues with the touch screen that can be viewed by our staff which wasn't the result of impact
- 3) Backlight fails and doesn't display the screen properly not caused by impact.

The determination of whether or not the device succumbed to impact related defects is up to the discretion of our staff. We view the overall condition of the phone and our screen to make that determination. The following issues that may present themselves are not covered under our 90 day limited warranty:

- 1) CRACKS OF ANY KIND ON THE GLASS OR LCD
- 2) Damage to the LCD or digitizer or glass which was the result of the screen lifting out from its frame. The lifting effect is typically caused by a bend in the frame or impact or expended parts, which is not covered under our 90 day limited warranty.

Warranty may be voided if there are signs of liquid damage prior to, or after repair. Warranty is voided if device is opened up or worked on by someone other than Geebo employees.

Internal Parts: Internal part repair is defined by any repair that is not a screen replacement or a logic/motherboard repair. Internal part repairs are covered under our 90 day limited warranty. This warranty allows for a replacement of any part that has presented a defect 90 days or less after installation. In the circumstance that the defective part requires a subsequent part(s) to be replaced due to the design of the phone, the warranty only covers a replacement of the exact part defected and not the subsequent part(s). If an internal part, that prior to a repair was fully functional, has now become damaged during the repair, a replacement part will be offered unless otherwise stated. The determination of whether or not a part worked prior to a repair is based off of the feedback from both customer and Geebo technician. The likely hood of damaging said part during the particular repair in question, as well as surrounding factors will also be brought

into consideration while assessing liability. The final decision on liability will be made by a Geebo technician.

Warranty may be voided if there are signs of liquid damage prior to, or after repair. Warranty is voided if device is opened up or worked on by someone other than Geebo employees.

Water Damage: During a water damage repair we are unable to warranty anything besides parts we install. The parts we install fall under the "internal parts" warranty. In the case that we install parts into a device that is undergoing a motherboard cleaning or "water damage repair" and the phone itself becomes permanently unusable after we have successfully offered a motherboard repair we are unable to offer a refund on parts installed.

Unlocks Unlocks offer a lifetime warranty with the following exceptions:

- 1) if the device was or has become flagged or blacklisted or in Apples case "iCloud locked".
- 2) The device itself has a hardware malfunction related to cellphone reception.
- 3) The device not being compatible with certain towers preventing it to receive data or cellular signals. Once payment has been received and the unlock has been processed a refund can not be issued unless there's an error processing unlocks. This is due to the fact that our suppliers do not have the ability to get refunded once unlocks have been processed.

Disclaimer: Any device left at our shop for 45 days or more will become the property of Geebo Device Repair. No exceptions.

In good faith A Geebo Employee may try to reach out to you with a reminder about your device.

Apple's terms and services state: If your device is worked on by someone other than a Apple certified tech it may void your warranty. Most other cellphone manufactures have similar warranties as well.

By proceeding with any repair with Geebo you are agreeing to our terms and services, or warranties as well as our disclaimer.

- B. Pursuant to the Purchase Agreement, Seller has agreed to sell to Buyer, and Buyer has agreed to purchase from Seller, for the consideration upon and subject to the terms set forth in the Purchase Agreement, the Purchased Assets.
- C. Pursuant to the Purchase Agreement, Seller has agreed to sell, transfer and assign to Buyer all of Seller's right, title and interest in the Assumed Contracts as at the Closing Time, and Buyer has agreed to assume, and will observe and perform, all of Seller's obligations and liabilities under the Assumed Contracts arising in respect of the period after the Closing Time and not related to any default existing at, prior to or as a consequence of Closing.

1.3 Governing Law

This Agreement is governed by, and is to be construed and interpreted in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in that Province.

1.4 Entire Agreement

This Agreement, together with the Purchase Agreement, constitutes the entire agreement between the Parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, of the Parties, and there are no representations, warranties or other agreements between the Parties in connection with the subject matter of this Agreement except as specifically set out in this Agreement or the Purchase Agreement. No Party has been induced to enter into this Agreement in reliance on, and there will be no liability assessed, either in tort or contract, with respect to, any warranty, representation, opinion, advice or assertion of fact, except to the extent it has been reduced to writing and included as a term in this Agreement or the Purchase Agreement.

ARTICLE 2 COVENANTS OF THE SELLER

2.1 Non-Competition

The Seller agrees with the Buyer to not, for a period of two (2) years from the date of this Agreement, in any capacity or manner, whether directly or indirectly, individually or in partnership or otherwise jointly or in concert with any other Person:

- 2.1.1 advise, be engaged or interested in, be concerned or associated with, or carry on;
- 2.1.2 lend money to, provide financial assistance to, or guarantee the debts or obligations of; or
- 2.1.3 permit its name or any part of that name to be used or employed by any Person in connection with,

a business that competes with the Business within the Territory.

2.2 Portfolio Exemption

There will be no default under Section 2.1 by virtue of the Seller holding, as a passive investor only, not more than five percent in the aggregate (including securities held by any Persons acting jointly or in concert with the Seller) of the issued and outstanding securities of a Person, the securities of which are listed on a recognized stock exchange or an organized securities market.

2.3 Non-Solicitation of Customers

The Seller agrees with the Buyer to not, for a period of two (2) years from the date of this Agreement, in any capacity or manner, whether directly or indirectly, individually or in partnership or otherwise jointly or in concert with any other Person:

2.3.1 solicit any Customer or knowingly assist any Person directly or indirectly to solicit any Customer, if that solicitation is intended or calculated to obtain the custom or trade of that Customer for a business that competes with the Business within the Territory; or

2.3.2 induce or attempt to induce any Customer to reduce or curtail its business with the Business or to terminate its relationship with the Business.

2.4 Non-Solicitation of Employees

2.5 Covenants Reasonable

The Seller acknowledges and agree that:

2.5.1 without the covenants included in this Article 2, the Buyer would not have entered into the Purchase Agreement;

2.5.2 the covenants included in this Article 2 are reasonable in the circumstances and are necessary to protect the economic position of the Buyer;

2.5.3 a breach of any of the Sections of this Article 2 would cause serious and irreparable harm to the Buyer which could not be compensated adequately by monetary damages, and that the Buyer may enforce the Sections of this Article 2 by injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damage, and despite that damages may be readily quantifiable, and the Seller will not plead, and the Seller will not permit any of its Representatives to plead, sufficiency of damages as a defence in the proceeding for injunctive relief; and

2.7 Costs of Litigation

If any litigation relating to this Agreement ensues and a court of competent jurisdiction determines in a final, non-appealable order that this Agreement has been breached by the Seller or any Representative of the Seller, then the Seller will reimburse the Buyer for all its costs and expenses (including legal fees and disbursements) incurred in connection with the litigation.

- 3.3.1 irrevocably waives any objection, including any claim of inconvenient forum, that it may now or in the future have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of that Province, or that the subject matter of this Agreement may not be enforced in those courts;
- 3.3.2 irrevocably agrees not to seek, and waives any right to, judicial review by any court which may be called upon to enforce the judgment of the courts referred to in this Section 3.3, of the substantive merits of any suit, action or proceeding; and
- 3.3.3 to the extent a Party has or may acquire any immunity from the jurisdiction of any court or from any legal process, whether through service or notice, attachment before judgment, attachment in aid of execution, execution or otherwise, with respect to itself or its property, that Party irrevocably waives that immunity in respect of its obligations under this Agreement.

3.4 Amendment and Waiver

No amendment, discharge, modification, restatement, supplement, termination or waiver of this Agreement or any Section of this Agreement is binding unless it is in writing and executed by each Party. No waiver of, failure to exercise or delay in exercising, any Section of this Agreement constitutes a waiver of any other Section (whether or not similar) nor does any waiver constitute a continuing waiver unless otherwise expressly provided.

3.5 Further Assurances

Each Party will, at that Party's own cost and expense, execute and deliver any further agreements and documents and provide any further assurances, undertakings and information as may be reasonably required by the requesting Party to give effect to this Agreement and, without limiting the generality of this Section 3.5, will do or cause to be done all acts and things, execute and deliver or cause to be executed and delivered all agreements and documents and provide any assurances, undertakings and information as may be required at any time by all Governmental Authorities having jurisdiction over the affairs of a Party or as may be required at any time under applicable law.

3.6 Assignment and Enurement

Neither this Agreement nor any right or obligation under this Agreement may be assigned by any Party without the prior written consent of the other Parties. This Agreement enures to the benefit of and is binding upon the Parties and their respective successors and permitted assigns.

3.7 Counterparts and Electronic Delivery

This Agreement may be executed and delivered by the Parties in one or more counterparts, each of which will be an original, and each of which may be delivered by facsimile, e-mail or other functionally equivalent electronic means of transmission, and those counterparts will together constitute one and the same instrument.

3.8 No *Contra Proferentem*

This Agreement has been reviewed by each Party's professional advisors, and revised during the course of negotiations between the Parties. Each Party acknowledges that this Agreement is the product of their joint efforts, that it expresses their agreement, and that, if there is any ambiguity in any of its provisions, no rule of interpretation favouring one Party over another based on authorship will apply.
