## RESIGNATION OF DIRECTORS AND MANAGEMENT

**Vancouver, 4<sup>th</sup> April, 2017:** Jazz Resources Inc. ( "Jazz", or the "Company" - JZR: TSX-V), the junior resource exploration and mining company focused on the Revelstoke mining district of British Columbia, Canada would like to announce the resignation of Jo Shearer from the position of CEO, President and Director and Keith Hannan as Director.

Jazz would like to thank Jo Shearer for his many years of hard work and service both operationally and corporately. Jazz would also like to thank Keith Hannan for his service and dedication as a Director.

On behalf of the Board of Directors,

Rob Klenk  
COO  
Jazz Resources Inc.

*This press release contains forward-looking statements. All statements, other than statements of historical fact, constitute "forward-looking statements" and include any information that addresses activities, events or developments that the Company believes, expects or anticipates will or may occur in the future including the Company's strategy, plans or future financial or operating performance and other statements that express management's expectations or estimates of future performance.*

*All such forward-looking information and statements are based on certain assumptions and analyses made by the Company's management in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. These statements, however, are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed, implied by or projected in the forward-looking information or statements. Important factors that could cause actual results to differ from these forward-looking statements include but are not limited to: risks related to the exploration and potential development of the Company's projects, the actual results of current exploration activities, conclusions of economic evaluations, changes in project parameters as plans*

*continue to be refined, future prices of gold, as well as those factors discussed in the sections relating to risk factors of the Company set out in certain of the Company's disclosure documents filed on SEDAR.*

*There can be no assurance that any forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, the reader should not place any undue reliance on forward-looking information or statements. Except as required by law, the Company does not intend to revise or update these forward-looking statements after the date of this document or to revise them to reflect the occurrence of future unanticipated events.*
