

MANAGEMENT INFORMATION CIRCULAR

The information contained in this Management Information Circular, unless otherwise indicated, is as of November 11, 2022.

This Management Information Circular is being mailed by the management of JZR GOLD INC. (formerly, Jazz Resources Inc.) (the “Company” or “JAZZ”) to shareholders of record at the close of business on November 11, 2022, which is the date that has been fixed by the directors of the Company as the record date (the “Record Date”) to determine the shareholders who are entitled to receive notice of the meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general and special meeting (the “**Meeting**”) of the shareholders that is to be held on **Friday, December 16, 2022, at 11:00AM** (PST) at Suite 1100 – 1111 Melville Street, Vancouver, British Columbia, V6E 3V6. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

QUORUM

Under Jazz Articles, the quorum for the transaction of business at a Meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting.

SECTION 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **November 11, 2022**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company’s transfer agent, Odyssey Trust Company (“Odyssey”) by facsimile to 800-517-4553 or by mail to #350 – 409 Granville Street, Vancouver, British Columbia V6C 1T2, not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

What Is A Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing A Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting. For more information about these matters, see "*Section 3 - The Business of the Meeting*".

The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting. At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 404 – 1688 – 152nd Street, Surrey, British Columbia, Canada V4A 4N2 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 11:00AM (PST) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under "Non-Registered Shareholders").**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Odyssey Trust Company by facsimile at 800-517-4553 or by mail to 350 – 409 Granville Street, Vancouver, British Columbia V6C 1T2.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to NI 54-101 of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders. Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO’s Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary’s directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare as described under “**Voting By Proxy**” above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the “**Act**”), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United

States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

SECTION 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value. As at the close of business on the Record Date being **November 11, 2022, 29,805,359** common shares (“**Common Shares**”) were issued and outstanding. Each shareholder entitled to receive notice of and to vote at the Meeting is entitled to one vote for each common share registered in his or her name at the close of business on **November 11, 2022**.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder’s name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at the Company’s transfer agent and will be available at the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company.

SECTION 3 - THE BUSINESS OF THE MEETING

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

1. FINANCIAL STATEMENTS

The audited financial statements of the Company for the financial year ended June 30, 2022, will be placed before you at the Meeting. They have been mailed to the shareholders who have requested they receive a copy of same together with the Notice of Meeting and this Information Circular. These audited financial statements are available at www.sedar.com.

No approval or other action needs to be taken at the Meeting in respect of these documents.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, both of the Canadian Securities Administrators, a person or corporation who in the future wishes to receive annual and interim financial statements from the Company must deliver a written request for such material to the Company. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Financial Statement Request Form attached to this Information Circular and send it to the Company.

2. ELECTION OF DIRECTORS

Number of Directors

Under the Company’s Articles and pursuant to the *Business Corporations Act* (British Columbia), the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company currently has **three (3)** directors. All three (3) directors are being put forward by management of the Company for election at the Meeting.

The Company’s management recommends that the shareholders vote in favour of the resolution setting the number of directors at three (3). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at three (3).

Nominees for Election

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he or she resigns or otherwise vacates office before that time.

The following table sets out the names of management's nominees for election as directors of the Company; all offices in the Company each nominee now holds; each nominee's principal occupation, business or employment; the period of time during which each nominee has been a director of the Company; and the number of common shares, stock options and common share purchase warrants that are beneficially owned, directly or indirectly, or over which control or direction is exercised, by each nominee as at Record Date.

Each of the nominees has agreed to stand for election and management of the Company is not aware of any intention of any of them not to do so. Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

4. ADOPTION OF EQUITY INCENTIVE PLAN

The Company's current stock option plan (the "**Current Plan**") is a "rolling" stock option plan, whereby the maximum number of Shares that may be reserved for issuance pursuant to the exercise of options is 10% of the issued Shares of the Company and, as such, will increase with the issue of additional Shares of the Company.

As at November 11, 2022, there are options outstanding to purchase an aggregate of 2,075,000 common shares of the Company. There is a total of 905,535 options available for grant under the Current Plan.

In November 2021, the TSX Venture Exchange (the "**Exchange**") amended Policy 4.4 with respect to equity-based compensation to allow for a greater variety of security based compensation plans. In light of the amendments to Policy 4.4, the Board is recommending that the Current Plan be replaced by a new equity incentive plan (the "**New Plan**"), which will be a "rolling" 10% plan for Options (as defined below) and a "fixed" 10% plan for Performance-Based Awards (as defined below), as permitted under Exchange Policy 4.4.

The purpose of the New Plan is to promote the long-term success of the Company and the creation of shareholder value by: (i) encouraging the attraction and retention of Eligible Persons; (ii) encouraging such Eligible Persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such Eligible Persons with the interests of the Company.

At the Meeting, shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution ratifying, approving and confirming the New Plan. The following is a summary of the New Plan. The summary is qualified in its entirety by the full text of the New Plan as attached as Schedule "B" of this Information Circular. The New Plan remains subject to final approval of the Exchange.

Description of the New Plan

All employees, consultants, consultant companies, officers, management company employees and directors (each a "**Participant**") are eligible to participate in the New Plan. Eligibility to participate does not confer upon any participant any right to receive any grant of an Award pursuant to the New Plan.

The New Plan allows the Board to grant an Award to eligible employees, directors, management and consultants for their contribution to the Company. An Award means any Option (including incentive stock option), Restricted Share Unit, Performance Share Unit or Deferred Share Unit (as these terms are defined in the New Plan attached as Schedule "B" to this Information Circular).

The New Plan will be administered by the Board who has sole and complete authority, in its discretion, among other things, to: determine individuals eligible for Awards; make grants of Awards under the New Plan, including the time of Award grant, number of shares covered by an Award, the price, if any, to be paid by a Participant in

connection with the purchase of Shares covered by Awards, establish the form(s) of Award Agreements and cancel, amend, adjust or otherwise change any Award under such circumstances as the Board may consider appropriate in accordance with the New Plan.

Subject to adjustment and any subsequent amendment to the New Plan, the aggregate number of Shares reserved for issuance pursuant to all Awards, other than Options, granted under the New Plan shall not exceed 2,950,000 Awards. Each Award under the New Plan will be evidenced by an Award Agreement and the Awards are non-transferable.

Participation Limits

The New Plan provides that:

- (a) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the New Plan, within any 12 month period, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements (as defined in the New Plan), shall not exceed 10% of the issued and outstanding Shares (calculated as at the date of any grant and in accordance with the policies of the Exchange (the "Exchange Policies"));
- (b) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the New Plan, at any point in time, together with Shares reserved for issuance to insiders under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares;
- (c) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any participant (as defined in the New Plan) under the New Plan, within any 12 month period, together with Shares reserved for issuance to such participant (and to Companies wholly-owned by that participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 5% of the issued and outstanding Shares (calculated as at the date of any grant);
- (d) the maximum aggregate number of Shares issuable to any one consultant (as defined in the New Plan) under the New Plan, within any 12 month period, together with Shares issuable to such consultant under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing investor relations activities under the New Plan, within any 12 month period, shall not in aggregate exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant). For the avoidance of doubt, persons performing investor relations activities are only eligible to receive Options under the New Plan; they are not eligible to receive any Performance-Based Award or other type of securities based compensation under the New Plan.

Administration of the New Plan

The New Plan shall be administered by the Board and the Board has full authority to administer the New Plan, including the authority to interpret and construe any provision of the New Plan and to adopt, amend and rescind such rules and regulations for administering the New Plan as the Board may deem necessary in order to comply with the requirements of the New Plan.

Eligible Persons under the New Plan

When used in connection with the grant of Options, all officers, directors, employees, management company employees and consultants of the Company are eligible to participate in the New Plan. When used in connection with the grant of Performance-Based Awards, all officers, directors, employees, management company employees and consultants of the Company that do not perform investor relations activities are eligible to participate in the New Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the New Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the New Plan is referred to as a "Participant".

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the New Plan, provided, however, that for so long as the Company is listed on NEX, it is only permitted to grant or issue Options. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the New Plan, and will generally be evidenced by an award agreement.

Options

An Option entitles a holder thereof to purchase a prescribed number of Shares at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the New Plan shall not be less than the Discounted Market Price (as defined in the Exchange Policies), provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least ten trading days since the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire on a date to be determined by the Board which will not exceed ten (10) years from the date of grant of the Option. The Board may, in its absolute discretion, upon granting Options under the New Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may designate different exercise prices and numbers of Shares in respect of which each Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the New Plan shall vest as determined by the Board on the date of grant of such Options. If the Board does not specify a vesting schedule at the date of grant, then Options granted to persons, other than those conducting investor relations activities, shall vest fully on the date of grant, and in any event in accordance with the policies of the Exchange. Options issued to persons conducting investor relations activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that:

- (a) no more than 1/4 of the Options vest no sooner than three months after the date of grant (the "Grant Date");
- (b) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
- (c) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
- (d) the remainder of the Options vest no sooner than 12 months after the Grant Date.

If the award agreement for the grant of Options so provides, in the event of a change of control (as defined in the New Plan), all Options granted to a Participant that ceases to be an Eligible Person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such award agreement and the New Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting investor relations activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant's death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with the New Plan and may be exercised by the Participant's estate within one year of the death of the Participant.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the New Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the

New Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the New Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the New Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all Options granted to the Participant under this New Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the New Plan and shall be exercisable by such Participant for a period of 90 days following the date the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the New Plan and the applicable award agreement, and which may be paid in cash and/or Shares. The number of RSUs to be credited to each participant shall be determined by the Board in its sole discretion in accordance with the New Plan. All RSUs will vest and become payable by the issuance of Shares at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the New Plan) and the Participant ceases to be an Eligible Person, all restrictions upon any RSUs held by such Participant shall lapse immediately and all such RSUs shall become fully vested in such Participant in accordance with the New Plan.

Other than as may be set forth in the applicable award agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the New Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under this New Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the New Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be

forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the New Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the New Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all RSUs granted to the Participant under the New Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with New Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the New Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the New Plan and the applicable award agreement, and which may be paid in cash and/or Shares. No PSUs may vest before the date that is one year following the date of the Award.

Subject to the provisions of the New Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to eligible persons that do not perform investor relations activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the New Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the New Plan) and the Participant ceases to be an Eligible Person, all PSUs granted to such Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the New Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever;

provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the New Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date. Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the New Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all PSUs granted to the Participant under the New Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the Determination Date; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the New Plan) on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the New Plan and the applicable award agreement, and which may be paid in cash and/or Shares. DSUs may not be granted to any Participant performing investor relation activities.

Subject to the provisions of the New Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other eligible persons as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the New Plan.

The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of his or her fees in DSUs under this New Plan. The number of DSUs shall be calculated by dividing the amount of Fees selected by a director by the Market Unit Price (as defined in the New Plan) on the grant date (or such other price as required under the Exchange Policies) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No Deferred Share Units may vest before the date that is one year following the date of the award of the DSU.

Each participant shall be entitled to receive, after the effective date that the Participant ceases to be an eligible person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the participant ceases to be an eligible person as the participant and the Company may agree, which date shall be no later than one year after the date upon which the participant ceases to be an eligible person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an eligible person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an eligible person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the New Plan to the Participant upon such Participant ceasing to be an eligible person.

RELIANCE ON CERTAIN EXEMPTIONS

At no time since the commencement of the Company's most recently completed financial year ended June 30, 2022, has the Company relied on the exemption in Section 2.4 of NI 52-110 – *Audit Committees (De Minimis Non-*

audit Services), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

As the Company is considered a “Venture Issuer” pursuant to relevant securities legislation, the Company is relying on the exemption in Section 6.1 of NI 52-110, from the requirement of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES FOR NON-AUDIT SERVICES

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Company’s Audit Committee Charter attached as Schedule “A” to this Information Circular.

In the following table, “Audit Fees” are fees billed by the Company’s external auditors for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related Fees” are fees not included in audit fees that are billed by the auditors for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax Fees” are billed by the auditors for professional services rendered for tax compliance, tax advice and tax planning. “All Other Fees” are fees billed by the auditors for products and services not included in the foregoing categories.

SECTION 6 - CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices (“NI 58-101”)* provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company’s systems of corporate governance with reference to National Policy 58-201 – *Corporate Governance Guidelines* (the “Guidelines”). Where a company’s corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company’s approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its Shareholders and contribute to effective and efficient decision making. National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates

disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

All of the proposed nominees for election as a director at the 2022 Annual General Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the proposed nominees, Rob Klenk, who also serves the Company as Chief Executive Officer and President is “inside” or a management director and, as such, is considered not to be “independent”. Kirk Fisher and Ron Tewitz are considered by the Board to be “independent”, within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

The Board regularly reviews executive compensation and the grant of stock options.

MANDATE OF THE BOARD

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer’s business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

None of the board nominees are directors of other reporting issuers (or equivalent)

ORIENTATION AND CONTINUING EDUCATION

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company’s size and current level of operations. However, if the growth of the Company’s operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management’s assistance. Board members have full access to the Company’s records. Reference is made to the table under the heading “Election of Directors” for a description of the current principal occupations of the members of the Company’s Board.

ETHICAL BUSINESS CONDUCT

The Board has determined that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in

considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

NOMINATION OF DIRECTORS

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed and discussed amongst the members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Company does not currently pay its directors any remuneration for acting as directors and the only compensation for acting as directors received by non-management directors is through the grant of incentive stock options. The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Stock options to be granted to "management" directors are required, as a matter of board practice, to be reviewed and approved by the "non-management" directors. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time as, in the opinion of the Board, the size and activities of the Company and the number of management employees warrants it, the Board will consider it necessary to appoint a formal compensation committee. See Section 4 – Statement of Executive Compensation – Director and NEO Compensation.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has no other committee other than an Audit Committee.

ASSESSMENTS

The board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the board's current size facilitates informal discussion and evaluation of members' contributions within that framework.

MANDATE

The primary function of the audit committee (the "**Committee**") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. The Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements.
- Review and appraise the performance of the Company's external auditors (the "**Auditor**").
- Provide an open avenue of communication among the Company's auditors, the Management and the Board of Directors.

COMPOSITION

The Committee shall be comprised of at least three members. Each member must be a director of the Company. A majority of the members of the Committee shall not be officers or employees of the company or of an affiliate of the Company. At least one member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of this Audit Committee Charter, the term "financially literate" means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate.

MEETINGS

Meetings of the Committee shall be scheduled to take place at regular intervals and, in any event, not less frequently than quarterly. Unless all members are present and waive notice, or those absent waive notice before or after a meeting, the Chairman will give Committee members 24 hours' advance notice of each

meeting and the matters to be discussed at it. Notice may be given personally, by telephone, facsimile or e-mail.

The Auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company's annual financial statements and, if the Committee feels it is necessary or appropriate, at any other meeting. On request by the Auditor, the Chair shall call a meeting of the Committee to consider any matter that the Auditor believes should be brought to the attention of the Committee, the Board of Directors or the shareholders of the Company.

At each meeting of the Committee, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company. A member may participate in a meeting of the Committee in person or by telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A member may participate in a meeting of the Committee by a communications medium other than telephone if all members participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other and if all members who wish to participate in the meeting agree to such participation.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of the Management and the Auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the Auditor and the Management annually to review the Company's financial statements.

The Committee may invite to its meetings any director, any manager of the Company, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.

RESPONSIBILITIES AND DUTIES

To fulfil its responsibilities and duties, the Committee shall:

- (c) So long as it may be required by the rules and policies of the Exchange:
 - (i) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any Participant under this Plan, within any 12 month period, together with Shares reserved for issuance to such Participant (and to Companies wholly-owned by that Participant) under all of the Company's other Security-Based Compensation Arrangements, shall not exceed five (5%) percent of the issued and outstanding Shares (calculated as at the date of any grant);

- (b) notwithstanding anything herein to the contrary, any Shares related to Awards which terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, or are exchanged with the Board's permission, prior to the issuance of Shares, for Awards not involving Shares, shall be available again for granting Awards under this Plan.

4.3 Anti-Dilution

If the number of outstanding Shares is increased or decreased as a result of a stock split, consolidation or recapitalization and not as a result of the issuance of Shares for additional consideration or by way of stock dividend, the Board may, subject to the prior acceptance of the Exchange in the case of a recapitalization, make appropriate adjustments to the number and price (or other basis upon which an Award is measured) of Options, RSUs, PSUs or DSUs credited to a Participant. Any determinations by the Board as to the required adjustments shall be made in its sole discretion and all such adjustments shall be conclusive and binding for all purposes under this Plan.

Any Options granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant's estate in accordance with Section 5.1(l) hereof.
- (h) Termination of Participant's Relationship with the Company

Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Options granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date; *provided, however*, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to Disability, had vested pursuant to terms of the applicable Award

Agreement, will accrue to the Participant in accordance with Section 5.1(l) hereof and shall be exercisable by such Participant for a period of 90 days following the date the Termination Date, or such longer period as may be provided for in the Award Agreement or as may be determined by the Board.

- (j) Hold Period - In addition to any resale restrictions under applicable legislation or regulation, all Options granted hereunder and all Shares issued on the exercise of such Options will, if applicable under the policies of the Exchange, be subject to a four month Exchange hold period from the date the options are granted, and the stock option agreements and the certificates representing such Shares will bear the following legend:

- (k) Notice - Options shall be exercised only in accordance with the terms and conditions of the Award Agreements under which they are respectively granted and shall be exercisable only by notice in writing to the Company at its principal place of business.
- (l) Payment of Award - Subject to any vesting or other limitations described in each individual Award Agreement, Options may be exercised in whole or in part at any time prior to their lapse or termination, by the Participant, or if Section 5.1(g) applies, by the Participant’s estate within one year of the death of the Participant, into such number of Shares equal to the number of Options credited to the Participant’s Account that become exercisable on the Vesting Date. The exercise price of all Options must be paid in cash. Shares purchased by a Participant on exercise of an Option shall be paid for in full at the time of their purchase (i.e. concurrently with the giving of the requisite notice).

5.2 Restricted Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Restricted Share Units to Eligible Persons that do not perform Investor Relations Activities. Restricted Share Units granted to a Participant shall be credited, as of the Grant Date, to the Participant’s Account. The number of Restricted Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. Each Restricted Share Unit shall, contingent upon the lapse of any restrictions, represent one (1) Share. The number of Restricted Share Units granted pursuant to an Award and the Restriction Period in respect of such Restricted Share Units shall be specified in the applicable Award Agreement.
- (b) Restrictions - Restricted Share Units shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable Award Agreement, which

No Restricted Share Units may vest before the date that is one year following the date of the Award.
- (d) Change of Control - If the Award Agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all restrictions upon any Restricted Share Units shall lapse immediately and all such Restricted Share Units shall become fully vested in the Participant and will accrue to the Participant in accordance with Section 5.2(h) hereof.

Notices will be provided by the Company to applicable regulatory authorities or stock exchanges as may be required with respect to the foregoing.
- (c) Vesting - All Performance Share Units will vest and become payable to the extent that the Performance Criteria set forth in the Award Agreement are satisfied in the Performance Cycle, the determination of which satisfaction shall be made by the Board on the Determination Date. No Performance Share Units may vest before the date that is one year following the date of the Award.
- (d) Change of Control - If the Award Agreement so provides, in the event of a Change of Control and the Participant ceases to be an Eligible Person, all Performance Share Units granted to a Participant shall become fully vested in such Participant (without regard to the attainment of any Performance Criteria) and shall become payable to the Participant in accordance with Section 5.3(h) hereof.

The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.

- (iii) Upon termination of a Participant's relationship with the Company or a Subsidiary such that the Participant no longer qualifies as an Eligible Person, the Participant's eligibility to receive further grants of Awards of Performance Share Units under this Plan shall cease as of the Termination Date.
- (g) Disability - Where a Participant becomes afflicted by a Disability, all Performance Share Units granted to the Participant under this Plan will continue to vest in accordance with the terms of such Performance Share Units; *provided, however*, that no Performance Share Units may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to Disability such that the Participant ceases to be an Eligible Person, all Performance Share Units granted to the Participant under this Plan that have not vested will, unless the applicable Award Agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the Termination Date, and the Participant shall have no right, title or interest therein whatsoever; *provided, however*, that the Board may determine, in its sole discretion, the number of the Participant's Performance Share Units that will vest based on the extent to which the applicable Performance Criteria set forth in the Award Agreement have been satisfied in that portion of the Performance Cycle that has lapsed. The Performance Share Units that the Board determines to have vested shall become payable in accordance with Section 5.3(h) hereof.
- (h) Payment of Award - Payment to Participants in respect of vested Performance Share Units shall be made after the Determination Date for the applicable Award and in any case within ninety-five (95) days after the last day of the Performance Cycle to which such Award relates. The Company shall, at the sole discretion of the Board, either:
 - (i) issue to the Participant or if Section 5.3(e) applies, to the Participant's estate, the number of Shares equal to the number of Performance Share Units credited to the Participant's Account that have vested on the Determination Date; or

As of the Vesting Date, the Performance Share Units in respect of which such Shares are issued or cash payment made shall be cancelled and no further payments shall be made to the Participant under this Plan in relation to such Performance Share Units.

5.4 Deferred Share Units

- (a) Eligibility and Participation - Subject to the provisions of this Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant Awards of Deferred Share Units to Directors that do not perform Investor Relations Activities in lieu of Fees or to other Eligible Persons that do not perform Investor Relations Activities as compensation for employment or consulting services. Deferred Share Units granted to a Participant in accordance with Section 5.4 hereof shall be credited, as of the Grant Date, to the Participant's Account. The number of Deferred Share Units to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with this Plan. The number of Deferred Share Units shall be specified in the applicable Award Agreement.
- (b) Election - Each Director may elect to receive any or all of his or her Fees in Deferred Share Units under this Plan. Elections by Directors regarding the amount of their Fees that they wish to receive in Deferred Share Units shall be made no later than 90 days after this Plan is adopted by the Board, and thereafter no later than December 31 of any given year with respect to Fees for the following year. Any Director who becomes a Director during a calendar year and wishes to receive an amount of his or her Fees for the remainder of that year in Deferred Share Units must make his or her election within 60 days of becoming a Director.
- (c) Calculation of Deferred Share Units Granted in Lieu of Fees - The number of Deferred Share Units to be credited to a Participant's Account where the Participant is a Director who has elected to receive Deferred Share Units in lieu of Fees shall be calculated by dividing the amount of Fees selected by a Director in the applicable Election Form by the Market Unit Price on the Grant Date (or such other price as required under Exchange policies) which shall be the 10th business day following each financial quarter end. If, as a result of the foregoing calculation, a Participant that is a Director shall become entitled to a fractional Deferred Share Unit, the Participant shall only be credited with a full number of Deferred Share Units (rounded down) and no payment or other adjustment will be made with respect to the fractional Deferred Share Unit.
- (d) Vesting - No Deferred Share Units may vest before the date that is one year following the date of the Award.
- (e) Payment of Award - Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least 15 days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either:

- (i) that number of Shares equal to the number of vested Deferred Share Units credited to the Participant's Account, such Shares to be issued from treasury of the Company (provided that such issuance will not result in the number specified in Section 4.1(b) being exceeded); or
 - (ii) a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Participant ceases to be an Eligible Person of the vested Deferred Share Units credited to a Participant's Account, net of applicable withholdings.
- (f) Exception - In the event that the value of a Deferred Share Unit would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the Deferred Share Units will be made to the Participant with reference to the five (5) Trading Days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).
- (g) Death - Upon death of a Participant holding Deferred Share Units that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5.4(e) hereof to the Participant upon such Participant ceasing to be an Eligible Person.

5.5 General Terms Applicable to Awards

- (a) Forfeiture Events - The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of a relationship for cause, violation of material Company policies, fraud, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.
- (b) Awards May be Granted Separately or Together - Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other Security-Based Compensation Arrangement of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other Security-Based Compensation Arrangement of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Non-Transferability of Awards - No Award and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Award and no right under any such Award, may be

pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.

- (d) Conditions and Restrictions Upon Securities Subject to Awards - The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation:
- (i) restrictions under an insider trading policy or pursuant to applicable law;
 - (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Security-Based Compensation Arrangements; and
 - (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
- (e) Blackout Periods - In the event that the date provided for expiration, redemption or settlement of an Award falls within a Blackout Period imposed by the Company pursuant to a trading policy as the result of the bona fide existence of undisclosed Material Information, the expiry date, redemption date or settlement date, as applicable, of the Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the Blackout Period. Notwithstanding the foregoing, there will be no extension of any Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).
- (f) Share Certificates - All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (g) Conformity to Plan - In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted to become, in all respects, in conformity with this Plan.
- (h) Deductions - Whenever cash is to be paid in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of Deferred Share Units, Restricted Share Units or Performance Share Units,

the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Policies of the Exchange, delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.

- (i) Evergreen Plan - Shares that were the subject of any Award made under this Plan that has been settled in cash, or that has been cancelled, terminated, surrendered, forfeited or has expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under this Plan.

Notwithstanding any provision herein to the contrary, the Board may not make any

adjustment or take any other action with respect to any Performance-Based Award that will increase the amount payable under any such Award. The Board shall retain the sole discretion to adjust Performance-Based Awards downward or to otherwise reduce the amount payable with respect to any Performance-Based Award.

6.1 Amendments and Termination of this Plan

 - (vi) with the exception of Options granted to Persons performing Investor Relations Activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Awards; and
 - (vii) changes to the termination provisions of an Award or this Plan which do not entail an extension beyond the original fixed term.

If this Plan is terminated, prior Awards shall remain outstanding and in effect in accordance with their applicable terms and conditions.

6.2 Amendments to Awards

The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either:

- (a) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of Policy of the Exchange or any accounting standard; or
- (b) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7 GENERAL PROVISIONS

7.1 No Rights to Awards

No Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award. There is no obligation for uniformity of treatment of Eligible Persons or Participants or beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each Participant. The Company and each Eligible Person qualifying for an Award are and shall be responsible for ensuring and confirming that each recipient of an Award is a bona fide Eligible Person that qualifies to receive the applicable Award.

7.2 Withholding

The Company shall be authorized to withhold any payment due under any Award or under this Plan until the Participant has paid or made arrangements for the payment of the amount of any withholding taxes due in respect of an Award, its exercise, or any payment under such Award or under this Plan.

7.3 No Limit on Other Security-Based Compensation Arrangements

Subject to the limits set forth in Section 4.1 of this Plan, nothing contained in this Plan shall prevent the Company or a Subsidiary from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

7.4 No Right to Employment

The grant of an Award shall neither constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company, or to any other relationship with the Company. Further, the Company may at any time dismiss a Participant,

free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in an applicable Award Agreement.

7.5 No Right as Shareholder

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Options, RSUs, PSUs and/or DSUs until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

7.6 Governing Law

This Plan and all of the rights and obligations arising hereunder shall be interpreted and applied in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

7.7 Severability

If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.

7.8 No Trust or Fund Created

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

7.9 No Fractional Shares

No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

7.11 No Representation or Warranty

The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.

7.12 No Representations or Covenant with Respect to Tax Qualification

Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.

7.13 Conflict with Award Agreement

In the event of any inconsistency or conflict between the Policies of the Exchange, this Plan and an Award Agreement, the Policies of the Exchange shall govern for all purposes. In the event of any inconsistency or conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern for all purposes.

7.14 Compliance with Laws

The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, as well as the Policies of the Exchange as in effect from time-to-time, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.
