**MANAGEMENT INFORMATION CIRCULAR**  
as at **March 18, 2024**

**This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Aluula Composites Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of shareholders of the Company (the “Shareholders”) to be held on April 26, 2024 and any adjournment or postponement thereof, for the purposes set forth in the attached notice of Meeting. Except where otherwise indicated, the information contained herein is stated as of March 18, 2024.**

In this Information Circular, references to the “**Company**” and “**we**” refer to Aluula Composites Inc. “**Common Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

**GENERAL PROXY INFORMATION**

**Solicitation of Proxies**

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

**Appointment and Revocation of Proxies**

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers or directors of the Company, or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company (“**Odyssey**”), in accordance with the instructions on the Proxy.

**In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.**

Registered Shareholders electing to submit a Proxy may do so by:

- (i) **Email:** emailing to [proxy@odysseytrust.com](mailto:proxy@odysseytrust.com);
- (ii) **Internet:** voting online at <https://login.odysseytrust.com/pxlogin> and following the instructions provided in the Proxy;
- (iii) **Mail:** completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Odyssey, by mail or hand delivery at Suite 350 – 409 Granville Street, Vancouver, B.C. V6C 1T2; or
- (iv) **Fax:** faxing to Odyssey, to the attention of the Proxy Department at 1-800-517-4553 (toll free within Canada and the U.S.) or 416-263-9524 (international).

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Registered Shareholder or by his/her attorney authorized in writing or, where the Registered Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof,

or in any other manner provided by law.

**Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.** If you are a Non-Registered Shareholder, see "Voting by Non-Registered Shareholders" below for further information on how to vote your Common Shares.

#### **Exercise of Discretion by Proxyholder**

If you vote by proxy, the persons named in the Proxy (the "**Proxyholder**") will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) the exercise of discretion of the Proxyholder.

**In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.** Management is not currently aware of any other matters that could come before the Meeting.

#### **Voting by Non-Registered Shareholders**

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. (the registration name for the Depository Trust Company, which acts as nominee for many U.S. brokerage firms), and in Canada, under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Odyssey). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Odyssey or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Odyssey or Broadridge will name the same persons as the Company's proxy to represent you at the Meeting. Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

**If you receive a voting instruction form from Odyssey or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.**

#### **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors and as set out herein. For the purpose of this paragraph, "person" shall include each person: (a) who has been a director, senior officer or insider of the Company at any time since the commencement of the Company's last financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person included in subparagraphs (a) or (b).

#### **RECORD DATE AND QUORUM**

The board of directors (the "**Board**") of the Company has fixed the record date for the Meeting as the close of business on March 18, 2024 (the "**Record Date**"). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company's articles, the quorum for the transaction of business at a meeting of Shareholders is one person who is a shareholder, or who is otherwise permitted to vote shares of the Company at a meeting of shareholders, present in person or by proxy.

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date, there were 250,565,623 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by Proxy at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, the beneficial owners or persons exercising control or direction over Common Shares carrying 10% or more of the outstanding voting rights are:

Name	Number of Common Shares <sup>(1)</sup>	Approximate % of Total Issued

Peter Berrang <sup>(3)</sup>	48,203,516 <sup>(4)</sup>	19.24%

**Notes:**

- (1) The above information was derived from the shareholder list maintained by the Company's registrar and transfer agent, or from insider and beneficial ownership reports available at www.sedi.com and www.sedarplus.com.

### **ITEM 1. Fixing the Number of Directors and Election of Directors**

The Company proposes to fix the number of directors of the Company at six and to nominate the persons listed below for election as directors. Each director will hold office until the next annual general meeting of the Company or until their successor is elected or appointed, unless their office is earlier vacated. Management does not contemplate that any of the nominees will be unable to serve as a director. If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

Pursuant to the advance notice provisions contained in the Company's Articles (the "**Advance Notice Provisions**"), the Board has determined that notice of nominations of persons for election to the Board at the Meeting must be made following the requirements of such Advance Notice Provisions. To the date of this Information Circular, the Company has not received notice of a nomination in compliance with the Articles and, subject to the timely receipt of any such nomination, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

Unless otherwise stated above, any nominees named above have held the principal occupation or employment indicated for at least the five preceding years.
- (2) Member of the audit committee of the Company.
- (3) Member of the compensation committee of the Company.
- (4) Member of the governance committee of the Company

Except as otherwise disclosed herein, to the knowledge of the Company, no proposed director of the Company is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of subsection (a) above, “**order**” means:

- (i) a cease trade order;
- (ii) an order similar to a cease trade order; or
- (iii) an order that denied the relevant company access to any exemption under securities legislation; that was in effect for more than 30 consecutive days.

Except as otherwise disclosed herein, to the knowledge of the Company, no proposed director of the Company:

- (a) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in the that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;
- (b) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director or executive officer;
- (c) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (d) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Mr. Gustavson was a director and officer of EncoreFX Inc. (“**EFX**”) and a director of EFX’s subsidiaries from each entity’s respective date of incorporation to March 2020. Ms. Bayer was an officer of EFX and EFX’s subsidiaries from incorporation to March 2020. On March 30, 2020, EFX was assigned into bankruptcy under the *Bankruptcy and Insolvency Act* (Canada) (“**BIA**”) while its subsidiaries in Australia and New Zealand were placed into voluntary administration. Ernst & Young (“**EY**”) was appointed as EFX’s trustee under the BIA and EY was also appointed as liquidator to EFX’s subsidiaries in both Australia and New Zealand. On March 30, 2021, the Supreme Court of British Columbia pronounced an Order which converted EFX’s bankruptcy proceedings to proceedings under the *Companies’ Creditors Arrangement Act* (Canada) (“**CCAA**”) and appointed EY as Monitor of EFX. The CCAA proceedings were terminated on November 2, 2022, and the BIA was annulled on January 10, 2023.

Mr. South became a director of Ascent Industries Corp. (“**Ascent**”) on June 25, 2019. Prior to his appointment as director, on March 1, 2019 the Supreme Court of British Columbia issued an order granting Ascent’s application for creditor protection under the CCAA. The CCAA proceedings were completed in May 2020.

### **ITEM 3. Appointment of Auditor**

The Board recommends that Shareholders vote to appoint Kingston Ross Pasnak LLP, Chartered Professional Accountants (“**KRP**”) of Suite 1500, 9888 Jasper Avenue NW, Edmonton, Alberta, as auditors of the Company to hold office until the next annual meeting of Shareholders and to authorize the directors to fix their remuneration. The Board resolved on May 1, 2023 to appoint KRP as auditors for the Company in place of KPMG LLP, Chartered Accountants (“**KPMG**”).

There have been no reportable events between the Company and KPMG and no modified opinions by KPMG for the purposes of National Instrument 51-102 *Continuous Disclosure Obligations* (“**NI 51-102**”). A “reportable event” is defined in NI 51-102 as a disagreement, a consultation or an unresolved issue with the auditors. A copy of the reporting package required by NI 51-102 with respect to the resignation of KPMG and the appointment of KRP as auditors for the Company, including the Notice of Change of Auditor, a letter from KPMG and a letter from KRP are attached to this Information Circular as Schedule “A”.

The management designees, if named as proxy, intend to vote the Common Shares represented by any such proxy FOR the appointment of KRP as auditors of the Company, at a remuneration to be fixed by the Board, unless a Shareholder has specified in his or her proxy that his or her Common Shares are to be withheld from voting on the appointment of auditors.

#### **ITEM 4. Approval of Rolling 10% Stock Option Plan**

At the Meeting, Shareholders will be asked to approve the Company's 2024 rolling 10% stock option plan (the "**Plan**") to replace its existing fixed 10% stock option plan. The purpose of the Plan is to provide an incentive to directors, employees and consultants of the Company to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company and to increase their efforts on behalf of the Company.

The following summary of the material terms of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. Shareholders may obtain a copy of the Plan from the Company prior to the Meeting on written request.

**Eligible Participants.** Options may be granted under the Plan to bona fide directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the "**Directors**"), employees of the Company or its subsidiaries (collectively, the "**Employees**") or consultants of the Company or its subsidiaries (collectively, the "**Consultants**"). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded options under the Plan

**Number of Shares Reserved.** The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of options. Options that are exercised, cancelled or expire prior to exercise continue to be issuable under the Plan.

**Limitations.** Under the Plan, the aggregate number of options granted to any one person (including companies wholly-owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12-month period, calculated at the date an option is granted to any such person. Disinterested shareholder approval will be required for any grant of options which will result in the number of options granted to Insiders (as defined in the *Securities Act* (British Columbia)) as a group at any point in time or within a 12 month period exceeding 10% of the issued and outstanding Common Shares of the Company.

**Exercise Price.** The exercise price of options granted under the Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the TSX Venture Exchange (the "**Exchange**") policy manual, or such other minimum price as is permitted by the Exchange in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the Exchange, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of stock options granted to Insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

**Term of Options.** Subject to the termination and change of control provisions noted below, the term of any options granted under the Plan is determined by the Board and may not exceed ten (10) years from the date of grant. Disinterested Shareholder approval will be required for any extension to stock options granted to individuals that are Insiders at the time of the proposed amendment.

**Vesting.** All options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide investor relations activities must vest in stages over 12 months with no more than one-quarter of the options vesting in any three month period. In the event of a Change of Control, as defined in the Plan, all unvested options will vest immediately. Even in the event of a Change of Control, the acceleration of Options granted to investor relations service providers is subject to prior Exchange approval.

**Dividend Entitlement.** The Plan does not include any dividend entitlement to participants. If participants were entitled to receive options in lieu of dividends declared by the Company, and if the Company did not have sufficient unallocated options available to satisfy the obligation, then the Company may settle those entitlements with cash.

Termination. Any options granted pursuant to the Plan will terminate upon the earliest of:

- (a) the end of the term of the option;
- (b) on the date the holder ceases to be eligible to hold the option (the “**Cessation Date**”), if the Cessation Date is as a result of dismissal for cause;
- (c) one year from the date of death or disability, if the Cessation Date is as a result of death or disability;
- (d) 90 days from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause; or
- (e) on such other date as fixed by the Board, provided that the date is no more than one year from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause.

Exercise of Options. The exercise price of an option must be paid in cash, other than as described below as determined by the Board:

- (a) Cashless Exercise. The Company may make an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to an optionee to purchase the Common Shares issuable upon exercise of their options. The brokerage firm would then sell a sufficient number of Common Shares to cover the exercise price of the options in order to repay the loan made to the optionee. The brokerage firm would then receive an equivalent number of Common Shares from the exercise of the options and the optionee would then receive the balance of the Common Shares or the cash proceeds from the balance of such Common Shares.
- (b) Net Exercise. The Company may accept the exercise of options by optionees other than those who provide investor relations services without the optionee making any cash payment so the Company does not receive any cash from the exercise of the subject options, and instead the optionee receives only the number of Common Shares that is the equal to the quotient obtained by dividing:
  - (i) the product of the number of options being exercised multiplied by the difference between the volume weighted average price (“**VWAP**”) of the Common Shares and the exercise price of the options; by
  - (ii) the VWAP of the Common Shares.

Adjustments. Any adjustment to stock options granted or issued (except in relation to a consolidation or share split) will be subject to the prior acceptance of the Exchange.

Disinterested Shareholder approval will be sought in respect of any material amendment to the Plan. The proposed Plan is subject to Exchange acceptance and if the Exchange finds the disclosure to Shareholders to be inadequate, Shareholder approval may not be accepted by the Exchange.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

- (a) the Company’s 2024 rolling 10% stock option plan (the “**Plan**”) is hereby confirmed and approved, and in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options;
- (b) the board of directors of the Company be authorized in its absolute discretion to administer the Plan, and amend or modify the Plan in accordance with its terms and conditions and with the policies of the TSX Venture Exchange; and

- (c) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available at the records office of the Company at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, Canada until the business day immediately preceding the date of the Meeting, and a copy will also be made available at the Meeting.

**Proxies received in favour of management will be voted in favour of the approval of the Plan, unless the Shareholder has specified in their Proxy that their Common Shares are to be voted against such resolution.**

#### **OTHER BUSINESS**

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

### Oversight and description of director and named executive officer compensation

The objective of the Company’s compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company’s fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company’s resources, industry practice and regulatory guidelines regarding executive compensation levels.

The Board has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company provides medical and dental benefits but it does not provide pension or other benefits to the executive officers.

The base compensation of the executive officers is reviewed and set annually by the Board. The CEO has substantial input in setting annual compensation levels. The CEO is directly responsible for the financial resources and operations of the Company. In addition, the CEO and the Board from time to time determine the stock option grants to be made pursuant to the Company’s Plan. Previous grants of stock options are taken into account when considering new grants. The Board awards bonuses at its sole discretion. The Board does not have pre-existing performance criteria or objectives.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company’s financial resources and prospects.

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company or the Company's subsidiaries. See "Employment Consulting and Management Agreements" above.

## STATEMENT OF CORPORATE GOVERNANCE

### Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators ("**CSA**") have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

### Board of Directors

The composition of the Board currently consists of six members: Richard Myerscough, Peter Berrang, Peter Gustavson, Briony Bayer, Jeremy South and Dr. Hannes Blum, and it is proposed that all six individuals will be nominated at the Meeting.

The Board consists of a majority of individuals who qualify as independent directors. For this purpose, a director is independent if he or she has no direct or indirect "material relationship" with the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Of the proposed nominees, Briony Bayer, CFO, and Richard Myerscough, Chief Innovation Officer, are considered not independent.

## Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers as of the Record Date:

<i>Name</i>	<i>Name of other reporting issuer</i>
Jeremy South	Herbal Dispatch Inc.

## Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

The Company has adopted a written Board mandate and written corporate governance guidelines to support the directors of the Company. The Company's governance committee (the "**Governance Committee**") is comprised of three directors of the Company, Peter Gustavson, Jeremy South, and Dr. Hannes Blum, and is also responsible for determining appropriate orientation and education programs for new Board members.

## Ethical Business Conduct

The Board has adopted a formal code of business conduct and ethics. The Board is of the view that the fiduciary duties placed on individual directors by the Company's governing legislation and common law together with corporate statutory restrictions on an individual director's participation in Board decisions in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

## Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board's duties effectively and to maintain diversity of views and experience.

The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

## Compensation

The Board has established a formal compensation committee (the "**Compensation Committee**"). The Compensation Committee is responsible for reviewing and determining the adequacy and form of compensation paid to the Company's executives and key employees. The Compensation Committee and the Board evaluate the performance of the CEO and other senior management measured against the Company's business goals and industry compensation levels.

## Board Committees

The Board has no committees other than the Audit Committee, the Compensation Committee and the Governance Committee.

## Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its committees to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors and receives reports from each committee respecting its own effectiveness. As part of the assessments, the Board or the individual committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

## AUDIT COMMITTEE

### Audit Committee Disclosure

Pursuant to section 224(1) of the *Business Corporations Act* (British Columbia) National Instrument 52-110 of the Canadian Securities Administrators (“NI 52-110”) the Company is required to have an audit committee (the “**Audit Committee**”) comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Audit Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company’s financial reporting processes generally. In meeting these responsibilities, the Audit Committee monitors the financial reporting process and internal control system, reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Audit Committee is also mandated to review and approve all material related party transactions.

### The Audit Committee’s Charter

The Company has adopted a Charter of the Audit Committee, a copy of which is attached hereto as Schedule “B”.

### Composition of the Audit Committee

The Audit Committee is comprised of the following members: Jeremy South (Chair), Briony Bayer and Peter Gustavson. Each member of the Audit Committee is considered to be financially literate, as defined by NI 52-110, in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

The members of the Audit Committee are elected by the Board at its first meeting following the annual shareholders’ meeting. Unless a chair is elected by the full Board, the members of the Audit Committee designate a chair by a majority vote of the full Audit Committee membership.

### Relevant Education and Experience

All three Audit Committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company’s financial statements and are therefore considered “financially literate”.

### **Audit Committee Oversight**

Since the commencement of the Company’s most recently completed financial year, the Board has not failed to adopt a recommendation of the Committee to nominate or compensate an external auditor.

### **Reliance on Certain Exemptions**

Since the commencement of the Company’s most recently completed financial year, the Company has not relied on the exemptions contained in sections 2.4, 6.1.1(4), 6.1.1(5), 6.1.1(6) or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 6.1.1(4), (5) and (6) provide exemptions in certain circumstances from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the venture issuer. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

### **Pre-Approval Policies and Procedures**

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the Audit Committee, on a case-by-case basis.

### **External Auditor Service Fees**

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in respect of each of the last two fiscal years, by category, are as follows:

<b>Financial Year Ending</b>	<b>Audit Fees</b>	<b>Audit Related Fees</b>	<b>Tax Fees</b>	<b>All Other Fees</b>
October 31, 2023	\$95,000	Nil	\$30,000	\$12,925
April 30, 2022	\$31,220	Nil	Nil	Nil

### **Exemption**

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

### **AUDIT COMMITTEE CHARTER**

The primary function of the audit committee (the “**Audit Committee**”) is to assist the board of directors (the “**Board**”) in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting, and the Company’s auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels.
