

Morien Announces Quarterly Dividend and Changes to Executive Management Team

November 29, 2018 – Halifax, Nova Scotia – Morien Resources Corp. ("Morien" or the "Company") (TSXV:MOX), is pleased to announce that its Board of Directors have declared a dividend of \$0.0025 (one quarter of one cent) per common share for the fourth quarter of 2018, and to announce the promotion of Mr. Dawson Brisco to President and Chief Executive Officer.

Quarterly Dividend

Morien's Board of Directors (the "Board") have declared a dividend of \$0.0025 (one quarter of one cent) per common share to be paid on December 21, 2018 to shareholders of record at the close of business on December 7, 2018.

It is Morien's current intention to pay a quarterly dividend of \$0.0025 per common share in Q1 2019. As the Donkin Coal Mine scales up production, it is anticipated that quarterly dividends will be calculated as a high percentage of cash flow available for distribution, having regard to the stability of cash flow and the need to maintain flexibility to secure new royalty assets. However, the declaration, amount and timing of any future dividends remain at the discretion of the Board.

Future dividends will be subject to the Board's determination that the payment of a dividend is in the best interest of Morien and its shareholders, having regard to the Company's cash reserves, anticipated financial requirements, legal requirements for the declaration of dividends and other conditions existing at such time, including forward production guidance from Kameron Collieries ULC, owner and operator of the Donkin Coal Mine.

The Company's dividend payments will qualify as an 'eligible dividend' for Canadian income tax purposes.

Changes to Executive Management Team

Mr. Brisco was appointed as President of Morien in May 2018, and prior to that led the Company's business and corporate development efforts since its formation in 2012. The expansion of Mr. Brisco's management responsibilities, and his promotion to President and CEO, recognizes his valuable skillset and the meaningful contributions he has made to Morien's

growth. He is a Professional Geologist with over 15 years of mining industry experience in a variety of roles, and holds a Honours Bachelor of Science degree in Geology from Saint Mary's University in Halifax, Nova Scotia.

Mr. John P. A. Budreski, who resigned as CEO, will continue with Morien as Executive Chairman.
