## **Silver North Appoints New Director, Announces AGM and Grants Options**

**Vancouver, BC, February 24, 2026 – Silver North Resources Ltd. (TSX-V: SNAG, OTCQB: TARSF, Frankfurt: I90, “Silver North” or the “Company”)** is pleased to announce that Nancy Curry has been appointed to the board of directors of Silver North (the “**Board**”). In addition, the Company announces that the Annual General Meeting (the “**AGM**”) of the shareholders will be held on Thursday, March 26, 2026 at 1:30 pm PST in Vancouver B.C. at #410 – 325 Howe Street.

Mark T. Brown, Board Chair, noted that “We are very lucky to have someone of Nancy’s calibre and experience join the Board at a time when we are in a rapid growth phase following our highly successful drill programs. Nancy’s experience in finance will complement our team and add a new dimension to Board discussions and corporate planning.”

Upon her agreement to join the Board, Nancy Curry said “I’m incredibly excited to be joining the Board of Silver North at such a pivotal time for the Company. I believe Silver North is uniquely positioned to generate value for shareholders through its highly prospective silver portfolio in the Yukon. The Company’s recent discoveries in the renowned Keno Hill Silver District — particularly at the Haldane Project, where high-grade silver has been identified in drilling across two target areas — highlight the strength of its exploration success. In addition, the Tim property in southern Yukon, just 19 kms from Coeur’s Silver Tip Mine, has already revealed high-grade silver mineralization through partner-funded work. I look forward to working with Jason and Mark as they continue to advance and expand this portfolio.”
