Morien Announces Quarterly Dividend

November 26, 2019 – Halifax, Nova Scotia – Morien Resources Corp. ("Morien" or the "Company") (TSXV:MOX), is pleased to announce that its Board of Directors (the "Board") have declared a dividend of $0.0025 (one quarter of one cent) per common share for the fourth quarter of 2019. The dividend will be paid on December 20, 2019 to shareholders of record at the close of business on December 6, 2019.

Morien's quarterly dividend is intended to be step-variable in relation to Donkin Mine production expansion and coal price, having regard to the stability of cash flow and the need to maintain flexibility to secure new royalty assets. However, the declaration, amount and timing of future dividends will be subject to the Board's determination that the payment of a dividend is in the best interest of Morien and its shareholders, having regard to the Company's cash reserves, anticipated financial requirements, legal requirements for the declaration of dividends and other conditions existing at such time, including forward production guidance from Kameron Collieries, owner/operator of the Donkin Mine. The Company's Q4 2019 dividend payment will qualify as an 'eligible dividend' for Canadian income tax purposes.
