MANAGEMENT INFORMATION CIRCULAR

(Containing information as at May 10, 2024, unless otherwise stated)

SOLICITATION OF PROXIES

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Kingsmen Resources Ltd. (the “**Company**”) for use at the Annual General Meeting (the “**Meeting**”) of shareholders (the “**Shareholders**”) of the Company (and any adjournment thereof) to be held on June 12, 2024 at the time and place and for the purposes set forth in the accompanying Notice of Annual General Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named in the accompanying form of proxy are directors and/or officers (“**Management’s Nominees**”) of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY. A proxy will not be valid unless the completed form of proxy is received by Computershare Investor Services Inc. (the “Transfer Agent”), Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or any adjournment thereof. Proxies delivered after that time will not be accepted.**

REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by his attorney duly authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company, and delivered to the registered and records office of the Company located at Suite 1305, 1090 West Georgia Street, Vancouver, British Columbia V6E 3V7 (Attention: Corporate Secretary), at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the common shares of the Company (“Common Shares”) they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered Shareholders may vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company

acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Information Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**NOBOs**"). Subject to the provision of National Instrument 54-101–*Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf.

The Company's OBOs can expect to be contacted by Broadridge or their brokers or their broker's agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to Shareholders in this Information Circular and the accompanying form of Proxy and Notice of Annual General Meeting are to Shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

The shares represented by a properly executed proxy in favour of Management's Nominees as proxyholders in the accompanying form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and

- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL, SUCH SHARES WILL BE VOTED AS DIRECTED BY MANAGEMENT OF THE COMPANY FOR EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED, OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED, BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Annual General Meeting, and with respect to other matters which may properly come before the Meeting. If any amendments or variations to matters identified in the Notice of Annual General Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter that may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors. Directors and senior officers may, however, be interested in the general authorization granted to the directors with respect to stock options to insiders as detailed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of Common Shares without par value. As at May 6, 2024 (the "**Record Date**"), the Company had 19,349,919 Common Shares issued and outstanding.

Only Shareholders of record at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders will have one vote, and on a poll every Shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in that Shareholder's name on the list of Shareholders as at the Record Date, which is available for inspection during normal business hours at the Transfer Agent and will be available at the Meeting. **Shareholders represented by proxy holders are not entitled to vote on a show of hands.**

To the knowledge of the directors and executive officers of the Company, there are no persons or companies who beneficially own, or control or direct, directly or indirectly, common shares carrying 10% or more of the voting rights attached to all outstanding common shares of the Company.

ELECTION OF DIRECTORS

The board of directors (the "**Board**") presently consists of five directors and Shareholders will be asked at the Meeting to determine the number of directors at five for the ensuing year. It is proposed that five directors be elected for the ensuing year.

The term of office of each of the present directors expires at the Meeting. The persons named below will be presented for election at the Meeting as management's nominees and the persons named by management as proxyholders in the accompanying form of proxy intend to vote for the election of these nominees. Oversight and Description of Director and NEO Compensation

Compensation, Philosophy and Objectives

The Board meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis. The general objectives of the Company’s compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interests of shareholders; and (c) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior mineral exploration company without a history of earnings.

The Board, as a whole, ensures that total compensation paid to all Named Executive Officers (or NEOs), as hereinafter defined, is fair and reasonable. The Board, as a whole, recommends levels of executive compensation that are competitive, motivating and commensurate with the time spent by executive officers in meeting their obligations. The Board relies on the experience of its members in assessing compensation levels.

Analysis of Elements

Base salary is used to provide the Named Executive Officers a set amount of money during the year with the expectation that each Named Executive Officer will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each NEO’s efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Company’s stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company’s Option Plan. A description of the significant terms of the Option Plan is found under the heading “*Particulars of Other Matters to be Acted Upon - Ratification of Stock Option Plan*”.

The Company does not determine executive compensation based on the share price performance. Overall the salaries or consulting fees payable to the NEOs, in particular to the Company’s CEO, have had a minor upward trend in order to provide competitive levels of compensation necessary to attract and maintain executive talent.

The Board has considered the implications of the risks associated with the Company's compensation practices. The Board acknowledges that the Company, as a junior natural resource company, does not presently generate any revenues, and that all management compensation to date has been derived solely from cash in the Company's treasury,

acquired by way of equity financings to date, and the grant of incentive stock options to directors, management, contractors and employees. Salary compensation to the Named Executive Officers is provided for under verbal understandings or written consulting agreements with the Named Executive Officers or management companies under their control. Upon the occurrence of certain events, the Company's early termination of these contracts may also trigger additional balloon payments, which could adversely impact the Company's working capital.

Option-based Awards

The Company has no long-term incentive plans other than the Option Plan. The Company's directors, employees, officers and certain consultants are entitled to participate in the Option Plan. The Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Option Plan aligns the interests of the NEOs and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Company's common shares.

Options are granted by the Board. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the NEOs and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Option Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the prescribed discount permitted by the Exchange from the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Option Plan. The Board reviews and approves grants of options on an annual basis and periodically during a financial year.

There is no restriction on NEOs or Directors regarding the purchase of financial instruments, including prepaid variable forward contracts, equity swaps, collars or units or exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by the NEO or Director for the financial year ended December 31, 2023.

No NEO or Director, directly or indirectly, purchased any financial instruments or employed a strategy to hedge or offset a decrease in market value of equity securities granted as compensation or held.

Termination and Change of Control Benefits

The Company does not have any plan contract, agreement or plan or arrangement that provides for payments to a NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, a change in control of the Company or a change in the NEO's responsibilities.

Pension

The Company does not have any form of pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement. The Company does not have any form of deferred compensation plan.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Ratification of the Stock Option Plan

The Company has in place a 10% rolling stock option plan (the "**Option Plan**") whereby the maximum number of common shares that may be reserved for issuance pursuant to such plan will not exceed 10% of the issued shares of the Company at the time of the stock option grant. In accordance with the policies of the Exchange, issuers with a rolling stock option plan must obtain shareholder approval of such plan on an annual basis.

The purpose of the Option Plan is to provide the Company with a share related mechanism to enable the Company to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward directors, officers, employees and other service providers for their contribution toward the long term goals of the Company and to enable and encourage such individuals to acquire shares of the Company as long term investments.

The following information is intended to be a brief description of the Option Plan and is qualified in its entirety by the full text of the Option Plan which is available for review by any Shareholder up until the day preceding the Meeting at the Company's head office at Suite 1305, 1090 West Georgia Street, Vancouver, British Columbia, and will be available at the Meeting:

Summary of the Option Plan

Eligibility

The Option Plan allows the Company to grant Options to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries (collectively, the "**Option Plan Participants**").

Number of Common Shares Issuable

The aggregate number of Common Shares that may be issued to Option Plan Participants under the Option Plan will be that number of Common Shares equal to 10% of the issued and outstanding Common Shares on the particular date of grant of the Option, inclusive of any Outstanding Options.

Limits on Participation

The Option Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the Exchange, unless disinterested Shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the Exchange:

- (i) the maximum number of Common Shares that may be issued to any one Option Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly-owned by the Option Plan Participant) under the Option Plan, together with any other security based compensation arrangements, within a 12-month period, may not exceed 5% of the issued Common Shares calculated on the date of grant;
- (ii) the maximum number of Common Shares that may be issued to insiders collectively under the Option Plan, together with any other security based compensation arrangements, within a 12-month period, may not exceed 10% of the issued Common Shares calculated on the date of grant; and
- (iii) the maximum number of Common Shares that may be issued to insiders collectively under the Option Plan, together with any other security based compensation arrangements, may not exceed 10% of the issued Common Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Options which may be granted within any 12-month period to Option Plan Participants who perform investor relations activities must not exceed 2% of the issued and outstanding Common Shares, and such Options must vest in stages over 12 months with no more than 25% vesting in any three month period. In addition, the maximum number of Common Shares that may be granted to any one consultant under the Option Plan, together with any other security based compensation arrangements, within a 12-month period, may not exceed 2% of the issued Common Shares calculated on the date of grant.

Administration

The plan administrator of the Option Plan (the “**Option Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Option Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Options under the Option Plan; determine conditions under which Options may be granted, vested or exercised, including the expiry date, exercise price and vesting schedule of the Options; establish the form of option certificate (“**Option Certificate**”); interpret the Option Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Option Plan.

Subject to any required regulatory or Shareholder approvals, the Option Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Option Plan Participants, amend, modify, change, suspend or terminate the Options granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the Option Plan or any Option granted pursuant thereto may materially impair any rights of an Option Plan Participant or materially increase any obligations of an Option Plan Participant under the Option Plan without the consent of such Option Plan Participant, unless the Option Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the Option Plan.

All of the Options are subject to the conditions, limitations, restrictions, vesting, exercise and forfeiture provisions determined by the Option Plan Administrator, in its sole discretion, subject to such limitations provided in the Option Plan, and will be evidenced by an Option Certificate. In addition, subject to the limitations provided in the Option Plan and in accordance with applicable law, the Option Plan Administrator may accelerate the vesting of Options, cancel or modify outstanding Options and waive any condition imposed with respect to Options or Common Shares issued pursuant to Options.

Exercise of Options

Options shall be exercisable as determined by the Option Plan Administrator at the time of grant, provided that no Option shall have a term exceeding 10 years so long as the Common Shares are listed on the Exchange.

Subject to all applicable regulatory rules, the vesting schedule for an Option, if any, shall be determined by the Option Plan Administrator. The Option Plan Administrator may elect, at any time, to accelerate the vesting schedule of an Option, and such acceleration will not be considered an amendment to such Option and will not require the consent of the Option Plan Participant in question. However, no acceleration to the vesting schedule of an Option granted to an Option Plan Participant performing investor relations services may be made without prior acceptance of the Exchange.

The exercise price of an Option shall be determined by the Option Plan Administrator and cannot be lower than the greater of: (i) the minimum price required by the Exchange; and (ii) the market value of the Shares on the applicable grant date.

An Option Plan Participant may exercise the Options in whole or in part through any one of the following forms of consideration, subject to applicable laws, prior to the expiry date of such Options, as determined by the Option Plan Administrator:

- the Option Plan Participant may send a wire transfer, certified cheque or bank draft payable to the Company in an amount equal to the aggregate exercise price of the Common Shares being purchased pursuant to the exercise of the Options;

- subject to approval from the Option Plan Administrator and the Common Shares being traded on the Exchange, a brokerage firm may be engaged to loan money to the Option Plan Participant in order for the Option Plan Participant to exercise the Options to acquire the Common Shares, subsequent to which the brokerage firm shall sell a sufficient number of Common Shares to cover the exercise price of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of Common Shares from the exercise of the Options, and the Option Plan Participant shall receive the balance of the Common Shares or cash proceeds from the balance of such Common Shares; and
- subject to approval from the Option Plan Administrator and the Common Shares being traded on the Exchange, consideration may be paid by reducing the number of Common Shares otherwise issuable under the Options, in lieu of a cash payment to the Company, an Option Plan Participant, excluding those providing investor relations services, only receives the number of Common Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the Common Shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the Common Shares. The number of Common Shares delivered to the Option Plan Participant may be further reduced to satisfy applicable tax withholding obligations.

If an exercise date for an Option occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Option Plan, the Option shall be exercised no more than ten business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

Termination of Employment or Services and Change in Control

The following describes the impact of certain events that may, unless otherwise determined by the Option Plan Administrator or as set forth in an Option Certificate, lead to the early expiry of Options granted under the Option Plan.

Termination by the Company for cause:	Forfeiture of all unvested Options. The Option Plan Administrator may determine that all vested Options shall be forfeited, failing which all vested Options shall be exercised in accordance with the Option Plan.
Voluntary resignation of an Option Plan Participant:	Forfeiture of all unvested Options. Exercise of vested Options in accordance with the Option Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Options in accordance with a prescribed formula as set out in the Option Plan. Forfeiture of the remaining unvested Options. Exercise of vested Options in accordance with the Option Plan.
Death or disability of an Option Plan Participant:	Acceleration of vesting of all unvested Options. Exercise of vested Options in accordance with the Option Plan.
Termination or voluntary resignation for good reason within 12 months of a change in control:	Acceleration of vesting of all unvested Options. Exercise of vested Options in accordance with the Option Plan.

Any Options granted to an Option Plan Participant under the Option Plan shall terminate at a date no later than 12 months from the date such Option Plan Participant ceases to be an Option Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company's assets, the Option Plan Administrator may, without the consent of the Option Plan Participant, cause all or a portion of the Options granted to terminate upon the occurrence of such event.

Amendment or Termination of the Option Plan

Subject to any necessary regulatory approvals, the Option Plan may be suspended or terminated at any time by the Option Plan Administrator, provided that no such suspension or termination shall alter or impact any rights or obligations under an Option previously granted without the consent of the Option Plan Participant.

The following limitations apply to the Option Plan and all Options thereunder as long as such limitations are required by the Exchange:

- any adjustment to Options, other than in connection with a security consolidation or security split, is subject to prior Exchange acceptance;
- any amendment to the Option Plan is subject to prior Exchange acceptance, except for amendments to reduce the number of Shares issuable under the Option Plan, to increase the exercise price of Options or to cancel Options;
- any amendments made to the Option Plan shall require regulatory and Shareholder approval, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the Option Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- the exercise price of an Option previously granted to an insider must not be reduced, or the extension of the expiry date of an Option held by an insider may not be extended, unless the Company has obtained disinterested Shareholder approval to do so in accordance with Exchange policies.

Subject to the foregoing limitations and any necessary regulatory approvals, the Option Plan Administrator may amend any existing Options or the Option Plan or the terms and conditions of any Option granted thereafter, although the Option Plan Administrator must obtain written consent of the Option Plan Participant (unless otherwise excepted out by a provision of the Option Plan) where such amendment would materially decrease the rights or benefits accruing to an Option Plan Participant or materially increase the obligations of an Option Plan Participant.

The Exchange policies require that the Option Plan be approved by the affirmative vote of a majority of the votes cast at the Meeting. Accordingly, the Company requests that the Shareholders pass the following resolution:

"RESOLVED, as an ordinary resolution, that:

1. the stock option plan (the "**Option Plan**") of Kingsmen Resources Ltd. (the "**Company**"), in the form previously approved by the Shareholders of the Company at the last annual general meeting held on June 2, 2023, with or without amendments that may be required to conform to the policies of the TSX Venture Exchange or comply with rules and regulations of any other regulatory body having authority over the Company or the Option Plan, is hereby ratified, confirmed and approved;
2. the Company is authorized to grant stock options pursuant and subject to the terms and conditions of the Option Plan entitling all of the optionholders in aggregate to purchase up to such number of common shares of the Company as is equal to 10% of the number of common shares of the Company issued and outstanding on the applicable grant date; and
3. any one of the directors or officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commission forms, as may be required to give effect to the true intent of this resolution."

An ordinary resolution requires the approval of a simple majority (>50%) of the votes cast by the Shareholders of the Company being entitled to vote in person or by proxy at the Meeting.

Management of the Company recommends that the shareholders vote in favour of the Ratification of Stock Option Plan Resolution. It is the intention of persons named in the enclosed form of proxy, if not expressly

directed otherwise in such form of proxy, to vote such proxy FOR the Ratification of Stock Option Plan Resolution.
