

Sego Continues Drilling at the Southern Gold Zone at the Miner Mountain Project, British Columbia

Vancouver, British Columbia--(Newsfile Corp. - November 26, 2021) - SeGo Resources Inc. (TSXV: SGZ) Ticker Symbol ("Sego" or "the Company") wishes to clarify that the current drilling program at the Miner Mountain Project has not been disrupted by the tragic flooding that happened in Southern BC. During the heavy rainfall we stopped for 3 days due to muddy roads but they have been graded and maintained since then. Samples are being shipped to the lab and two drill holes remain to be completed. The Company does not anticipate any further delays.

About the Project

Sego is 100% owner of the Miner Mountain project, an alkalic copper-gold porphyry exploration project near Princeton, British Columbia. The property is 2,056 hectares in size and is located 15 kilometres north of the Copper Mountain Mine operated by Copper Mountain Mining Corporation and Mitsubishi Copper. SeGo has a Memorandum of Understanding with the Upper Similkameen Indian Band on whose Traditional Territory the Miner Mountain project is situated. SeGo has received an Award of Excellence for its reclamation work at Miner Mountain.
