INFORMATION CIRCULAR

**Annual General and Special Meeting of Shareholders
to be held on Wednesday, June 14, 2017**

INTRODUCTION

THIS MANAGEMENT INFORMATION CIRCULAR (the “**Information Circular**”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF SYLOGIST LTD. (the “**Corporation**” or “**Sylogist**”) for use at the annual general and special meeting of the holders (the “**Shareholders**”) of common shares in the capital of Sylogist (the “**Sylogist Shares**”) to be held at Sylogist’s offices located at Suite 102, 5 Richard Way S.W. Calgary, Alberta, T3E 7M8, on Wednesday, June 14, 2017 at the hour of 10 a.m. (Calgary time), and at any adjournment(s) thereof (the “**Meeting**”) for the purposes set out in the accompanying Notice of Annual General and Special Meeting. Information in this Information Circular is given as at May 9, 2017 unless otherwise stated.

SOLICITATION OF PROXIES

Management of the Corporation is soliciting proxies from Shareholders for the Meeting. Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally, by telephone or through electronic means by directors or officers of the Corporation. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of Sylogist Shares pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). This Information Circular and other proxy-related materials are not being sent to registered or beneficial owners of the Sylogist Shares using the Notice-and-Access procedures contained in NI 54-101. The cost of any such solicitation will be borne by the Corporation.

FORWARD-LOOKING STATEMENTS

This Information Circular contains forward-looking statements that reflect the current expectations of Sylogist about Sylogist’s future results, performance, prospects and opportunities. Sylogist has tried to identify these forward-looking statements by using words such as “may,” “expect,” “anticipate,” “believe,” “intend,” “plan,” “estimate,” “potentially” and similar expressions. Such forward-looking statements necessarily involve known and unknown risks and uncertainties that may cause Sylogist’s actual results, performance, prospects and opportunities in future periods to differ materially from those expressed or implied by such forward-looking statements. There can be no assurance that the expectations of Sylogist will prove to be correct. Except as may be required by law, Sylogist assumes no obligation to update these forward-looking statements.

EXERCISE OF DISCRETION BY PROXY HOLDERS

All Sylogist Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting, as applicable, and where a choice with respect to any matter to be acted upon has been specified in the Instrument of Proxy, the Sylogist Shares represented by the proxy will be voted, or withheld from voting if applicable, in accordance with such specifications. **IN THE ABSENCE OF ANY SUCH SPECIFICATIONS, THE MANAGEMENT DESIGNEES, IF NAMED AS PROXY, WILL VOTE IN FAVOUR OF ALL THE MATTERS SET OUT HEREIN.** The enclosed Instrument of Proxy confers discretionary authority upon the management designees, or other persons named as proxy, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. At the date of this Information Circular, the Corporation is not aware of any amendments to, or variations of, or other matters which may come before the Meeting. In the event that other matters come before the Meeting, then the management designees intend to vote in accordance with the judgment of the management designees.

APPOINTMENT OF PROXY

Registered Shareholders may vote in person at the Meeting or they may appoint another person, who does not have to be a Shareholder, as their proxy to attend and vote in their place. The persons named in the enclosed form of proxy are directors and officers of the Corporation. **A SHAREHOLDER SUBMITTING A PROXY HAS THE RIGHT TO APPOINT A PERSON OR COMPANY TO REPRESENT HIM OR HER AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT THE SHAREHOLDER SHOULD INSERT THE NAME OF THE DESIRED REPRESENTATIVE IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKE OUT THE OTHER NAMES OR SUBMIT ANOTHER APPROPRIATE PROXY.** In order to be effective, the enclosed Instrument of Proxy must be received by Computershare Trust Company of Canada (the “**Transfer Agent**”): (a) by mail to Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1; or (b) by Fax at 1-866-249-7775, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment(s) thereof. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date of its execution. The instrument of proxy shall be in writing under the hand of the Shareholder or his attorney, or, if such Shareholder is a corporation, under its corporate seal, and executed by a director, officer or attorney thereof duly authorized.

REVOCATION OF PROXIES

A Shareholder who has submitted a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A proxy may be revoked by either executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Shareholder or by his authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, and by depositing the proxy bearing a later date with the Transfer Agent, at any time up to and including the last business day preceding the date of the Meeting or any adjournment thereof at which the proxy is to be used or by depositing the revocation of proxy with the chairman of such Meeting on the day of the Meeting, or any adjournment thereof, or in any other matter permitted by law. In addition, a proxy may be revoked by the Shareholder personally attending at the Meeting and voting his Sylogist Shares.

ADVICE TO BENEFICIAL HOLDERS OF SYLOGIST SHARES

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Sylogist Shares can be recognized and acted upon at the Meeting. If Sylogist Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Sylogist Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Sylogist Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). In the United States, the majority of such shares are registered in the name of CEDE & Co., which company acts as a nominee for many U.S. brokerage firms.

There are two kinds of Beneficial Shareholders - those who do not object to the issuer of the securities they own knowing who they are and how many securities they hold (“**NOBOs**” for Non-Objecting Beneficial Owners), and those who object to their name and holdings being made known to the issuer of the securities (“**OBOs**” for Objecting Beneficial Owners). Issuers can now request and obtain a list of their NOBOs from intermediaries via their transfer agent, use this list for specific purposes connected with the affairs of the Corporation (including the ability to formally recognize NOBOs at the Meeting for the purposes of voting their shares in person or by proxy), and obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge Financial Solutions, Inc. (“**Broadridge**”)).

The Corporation has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction

form (“VIF”) from the Transfer Agent. These VIFs are to be completed and returned to the Transfer Agent in the envelope provided or by facsimile. In addition, the Transfer Agent provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. The Transfer Agent will tabulate the results of the VIFs received from the NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Sylogist Shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Sylogist Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. **Please return your voting instructions as specified in the request for voting instructions.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from OBOs in advance of the Meeting. Every intermediary/broker has its own mailing procedures and provides its own return instructions which should be carefully followed by OBOs in order to ensure that their Sylogist Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge. **The Corporation does not know the names of the OBOs. As a result, OBOs will not be recognized at the Meeting for the purposes of voting their Sylogist Shares in person or by proxy, without following the procedures set out by their broker or its agent.** Broadridge typically mails the proxy-related materials to the OBOs along with scannable VIF. The OBO is requested to complete and return their voting instructions to them as directed. Broadridge then tabulates the results of all instructions received and provides the appropriate instructions respecting the voting of the Sylogist Shares to be represented at the Meeting.

A Beneficial Shareholder receiving a VIF cannot use that VIF to vote Sylogist Shares directly at the Meeting as the Beneficial Shareholder’s voting instructions must be returned as directed well in advance of the Meeting in order to have the Sylogist Shares voted. Beneficial Shareholders may revoke their VIFs in accordance with the procedure established by their broker or its agent.

Voting by Internet

Registered Shareholders may vote in person at the Meeting or may give another person authority to vote at the Meeting on their behalf by appointing a proxyholder. Please vote, sign, date and return the Proxy in the envelope provided to Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, so that it arrives no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting.

You may also cast your vote by telephone (1-866-732-8683 within North America, 312-588-4290 from outside North America) or internet (www.investorvote.com) by following the instructions provided on the form. If you choose to vote by telephone or internet, your vote must also be cast no later than 48 hours, excluding Saturdays, Sundays and holidays prior to the time of the Meeting.

All references to Shareholders in this Information Circular and the accompanying Instrument of Proxy and Notice are to Shareholders of record, unless specifically stated otherwise.

CONFIDENTIALITY OF VOTING

Proxies will be counted and tabulated by the Transfer Agent in such a manner as to preserve the confidentiality of your voting instructions, except:

- (a) where you make a written comment on the proxy form or otherwise clearly indicate that you wish to communicate your position to management;
- (b) as necessary to meet the requirements of applicable law or regulatory authorities; or

- (c) in the event of a proxy contest.

VOTING SECURITIES AND PRINCIPAL HOLDER THEREOF

The Corporation is authorized to issue an unlimited number of Sylogist Shares. As at May 9, 2017, there were 22,738,994 Sylogist Shares issued and outstanding. Each Sylogist Share carries the right to one vote at meetings of Shareholders.

May 5, 2017 is the record date for the Meeting (the “**Record Date**”). Only registered holders of Sylogist Shares at the close of business on the Record Date are entitled to notice of the Meeting and to vote thereat unless, after the record date, a registered holder transferred his Sylogist Shares and that transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he owns such shares, requests, not later than 10 days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote, in which case such transferee shall be entitled to vote such shares at the Meeting.

The following table lists the person who, to the knowledge of the Corporation’s directors and senior officers, beneficially owns, directly or indirectly or exercises control or direction over, Sylogist Shares carrying 10% or more of the voting rights attaching to the outstanding Sylogist Shares:

Name	Type of Ownership	Number of Sylogist Shares Beneficially Owned⁽²⁾	Percent of Sylogist Shares Currently Outstanding
Cambridge Global Asset Management, a division of CI Global Investments Inc.	Indirect	3,103,000	13.7%

Note:

- (1) The information as to Sylogist Shares beneficially owned or over which control or direction is exercised, not being within the knowledge of the Corporation, is based on publicly available information.

As at the date hereof, the current directors and officers of the Corporation as a group owned, beneficially, directly and indirectly, 1,862,782. Sylogist Shares representing approximately 8.2% of the issued and outstanding Sylogist Shares.

QUORUM FOR MEETING

The By-Laws provide that holders present, not being less than two (2) in number and holding or representing not less than five (5%) percent of the issued and outstanding Sylogist Shares entitled to vote at the Meeting, shall constitute a quorum for the transaction of business at the Meeting in respect of Shareholders.

APPROVAL REQUIREMENTS

All of the matters to be considered at the Meeting are ordinary resolutions requiring approval by a majority of the votes cast in respect of the resolution by or on behalf of Shareholders present in person or represented by proxy at the Meeting.

MATTERS TO BE ACTED UPON AT THE MEETING

At the meeting, Shareholders will consider the following items of regular business:

Financial Statements

The board of directors of the Corporation (the “**Board of Directors**” or the “**Board**”) has approved the audited consolidated financial statements of the Corporation for the year ended September 30, 2016. At the Meeting, Shareholders will receive and consider the audited consolidated financial statements of the Corporation for the year ended September 30, 2016 and the auditors’ report thereon, but no vote by the Shareholders with respect thereto is required or proposed to be taken.

Number of Directors

The term of office of each of the present directors expires at the Meeting. At the Meeting, Shareholders will be asked to consider passing an ordinary resolution fixing the number of directors of the Corporation to be elected at four (4) members. In order for the resolution to be effective, it must be approved by the affirmative vote of a majority of the votes cast in respect thereof by shareholders present in person or by proxy at the Meeting. **Unless otherwise directed, it is the intention of the management designees, if named as proxy, to vote proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at four (4).**

Election of Board of Directors

The Shareholders will be asked to consider an ordinary resolution electing directors of the Corporation to hold office until the next annual meeting of the Shareholders. It is proposed that the persons named below will be nominated at the Meeting. **It is the intention of the management designees, if named as proxy, to vote for the election of said persons to the Board of Directors.** Management does not contemplate that any of such nominees will be unable to serve as directors; however, if, for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion unless the Shareholder has specified in his or her proxy that his or her Sylogist Shares are to be withheld from voting in the election of directors.

The following table states the names of all persons proposed to be nominated for election as directors, position or office within the Corporation now held by them, their principal occupations within the five (5) preceding years, the day on which they became directors of the Corporation and the number of Sylogist Shares owned by them or over which they exercise control or direction as of the date hereof.

Appointment of Auditor

Shareholders will be asked to consider a resolution appointing auditors of the Corporation to act until the next annual meeting of the Shareholders and to authorize the directors to fix the remuneration of the auditors. Management proposes that the firm of Deloitte LLP, Chartered Accountants, be appointed as auditors of the Corporation. Deloitte LLP, Chartered Accountants, were appointed the Corporation's auditors on January 17, 2012. **The management designees, if named as proxy, intend to vote the Sylogist Shares represented by any such proxy for the appointment of Deloitte LLP, Chartered Accountants, as auditor of the Corporation at remuneration to be fixed by the Board of Directors.**

Approval of Stock Option Plan

The Policies of the TSX Venture Exchange Inc. (the “**Exchange**”) requires all incentive stock option grants to be made pursuant to a stock option plan approved by the Corporation’s Shareholders. At the present time the Corporation has a “rolling” stock option plan, pursuant to which directors, officers, employees and consultants of the Corporation are awarded non-assignable and non-transferable options to purchase Sylogist Shares (the “**Options**”), which was approved by the Shareholders at the Corporation’s previous annual and special meeting of the Shareholders held on June 7, 2016. Pursuant to the policies of the Exchange, such “rolling” plans must receive yearly Shareholder approval.

The stock option plan (the “**Option Plan**”) was approved on June 7, 2016, and remains unchanged. A copy of the Option Plan is attached hereto at Schedule A.

Accordingly, Shareholders are being asked to approve the Option Plan in accordance with Policy 4.4 of the Exchange.

The Option Plan has been established to advance the interests of the Corporation or any of its subsidiaries and affiliates by encouraging the directors, officers, employees and consultants of the Corporation, or any of its subsidiaries or affiliates, to acquire Sylogist Shares thereby increasing their proprietary interest in the Corporation, encouraging them to remain with the Corporation, or its subsidiaries or affiliates, and providing them with additional incentive in the conduct of their affairs for and on behalf of the Corporation, its subsidiaries and affiliates.

Details of the Option Plan

Some key provisions of the Option Plan are as follows:

- (a) The aggregate number of Sylogist Shares reserved for issuance under the Option Plan must not exceed 10% of outstanding Sylogist Shares (on a non-diluted basis). The Sylogist Shares in respect of which Options are not exercised shall be available for subsequent Option grants. No fractional shares may be purchased or issued thereunder;
- (b) the aggregate number of Sylogist Shares reserved for issuance under the Option Plan and granted to any one person within a 12 month period may not exceed 5% of the outstanding Sylogist Shares;
- (c) the issuance of Sylogist Shares to insiders (as a group) pursuant to the Option Plan may not at any time exceed 10% of the outstanding Sylogist Shares;
- (d) the issuance of Sylogist Shares to insiders (as a group) and such insider's associates pursuant to the Option Plan within a 12 month period may not exceed 10% of the outstanding Sylogist Shares;

- (e) the issuance of Sylogist Shares to any one Consultant (as such term is defined in the TSX Venture Exchange Corporate Finance Manual) pursuant to the Option Plan within a one year period may not exceed 2% of the outstanding Sylogist Shares;
- (f) the issuance of Sylogist Shares to persons retained to provide Investor Relations Activities (as such term is defined in the TSX Venture Exchange Corporate Finance Manual) for the Corporation within a one year period may not exceed an aggregate of 2% of the outstanding Sylogist Shares; and
- (g) Options granted to persons retained to provide Investor Relations Activities (as such term is defined in the Exchange Policy 4.4) shall vest over a period of not less than 12 months with no more than ¼ of such Options vesting in any three month period.

In the event of a participant ceasing to be a director, officer or employee of the Corporation or a subsidiary of the Corporation for any reason other than death, including the resignation or retirement of the participant as a director, officer or employee of the Corporation or the termination by the Corporation of the employment of the participant, prior to the expiry time of an Option, such Option, if vested, shall cease and terminate on the ninetieth (90th) day following the effective date of such resignation or termination, unless such participant was engaged in Investor Relations Activities (as such term is defined in the Exchange Policy 4.4), in which case any Option shall expire on the thirtieth (30th) day after notice of such termination is given.

In the event of the death of a participant on or prior to the expiry time of an Option, such Option, if vested, may be exercised as to such of the Shares in respect of which such Option has not previously been exercised (including in respect of the right to purchase Shares not otherwise vested at such time), by the legal personal representatives of the participant at any time up to and including (but not after) a date one (1) year following the date of death of the participant or the expiry time of such Option, whichever occurs first.

Pursuant to the Option Plan, the Corporation can, at any time, have a number of Options outstanding equal to up to 10% of the then outstanding number of Shares. In the event of the exercise or cancellation of any Options, the Corporation could make a further grant of Options, provided that the 10% maximum is not exceeded.

Outstanding Options and Shares Available for Issuance

The following table summarizes, as of May 9, 2017, the number of Options that have been exercised under the Option Plan since its inception, the number of Options outstanding as of May 9, 2017, and the number of Options remaining available for grant as of May 9, 2017.

	Number	Percentage of Currently Outstanding Shares
Total Available under Option Plan	2,273,899	10.00%
Options Exercised since inception	4,155,927	18.3%
Options Outstanding	1,989,384	8.7%
Options Available for Grant	284,515	1.3%

Resolution for Approval of the Option Plan

The approval of a simple majority of the votes cast by Shareholders of the Corporation is required to re-approve the Option Plan and to grant options thereunder. The text of the ordinary resolution to be considered at the Meeting re-approving the Option Plan is set forth below:

“BE IT RESOLVED as an ordinary resolution of the shareholders of the Corporation as follows:

1. the Corporation's Stock Option Plan (the "**Option Plan**") is hereby approved, confirmed and ratified;
2. the form of the Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Corporation;
3. any one (1) officer or director of the Corporation be and is hereby authorized to execute all such deeds, documents and other writings and perform such acts as may be necessary in order to give effect to the amendment of the Option Plan as herein contemplated and the Board of Directors from time to time is authorized to grant options in the capital stock of the Corporation pursuant to and in accordance with the Option Plan;
4. the Corporation is authorized to reserve and issue common shares in the capital of the Corporation for issuance upon exercise of stock options granted pursuant to the Option Plan."

In order for the foregoing resolution to be passed, it must be approved by a majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting. **The management designees, if named as proxy, intend to vote the Sylogist Shares represented by any such proxy in favour of the resolution re-approving the Option Plan.**

Other Business

While management is not aware of any other business other than that mentioned in the Notice of Meeting to be presented for action by the Shareholders at the Meeting, it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting, or any adjournment(s) thereof, in accordance with the discretion of the persons authorized to act thereunder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This discussion describes and explains all significant elements of compensation awarded to, earned by, paid to or payable to the Corporation's executive officers for the fiscal year ended September 30, 2016. Such persons include those who acted as Chief Executive Officer ("**CEO**") and Chief Financial Officer ("**CFO**") for the Corporation and: (i) the Corporation's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and (ii) each individual who would be a "Named Executive Officer" under (i) above but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of the most recently completed financial year-end (each a "Named Executive Officer" or "NEO" and collectively the "Named Executive Officers" or "NEOs").

During the financial year ended September 30, 2016, the Corporation had three (3) Named Executive Officers, namely, James D. Wilson, President and Chief Executive Officer, David O.C. Elder, Vice President, Corporate Development and Corporate Secretary, and Brian W. Grassby, Vice President, Finance and Chief Financial Officer. There were no other executive officers of the Corporation during the year. Mr. Grassby retired effective September 30, 2016.

Compensation Governance

The Board of Directors has a Compensation Committee, comprised of Mr. Cherkas and Mr. Elliott, both of whom are independent and have direct experience with matters of executive compensation from past and present occupations. In executive capacities, both Mr. Cherkas and Mr. Elliott have participated in the setting of policy for executive compensation, as well as having other company's executive compensation policies applied directly to them in their various executive roles. As considered necessary, the Compensation Committee has sought the advice of the Corporation's external auditors and legal counsel, as well as the informal advice of an experienced, external

compensation professional, in considering and recommending to the Board of Directors policies for executive and director level compensation for the Corporation. The Compensation Committee has and continues to review the cash compensation, performance and overall compensation package of each executive officer, including the Named Executive Officers, as well as directors, principally themselves, on an annual basis and makes recommendations to the Board as a whole.

Compensation Program

The objective of the Corporation's executive compensation program is to motivate, reward and retain management talent that is needed to achieve the Corporation's business objectives. The compensation program is designed to ensure that compensation is competitive with other companies of similar size and performance, and is commensurate with the experience, performance and contribution of the individuals involved and the overall performance of the Corporation. In evaluating performance, the Compensation Committee gives consideration to the Corporation's long-term interests and quantitative financial objectives, as well to the qualitative aspects of the individual's performance and achievements.

The Corporation has not had a formal compensation program with set benchmarks, other than monitoring and evaluating performance based on the Corporation's Adjusted EBITDA, which is reviewed quarterly and annually in conjunction with the Corporation's budgeting process. The Corporation has historically relied on informal discussions, among management, the Board, outside investors and professionals, as to what are reasonable and rewarding objectives for executive officers, always remaining mindful of and seeking to align those objectives with the interests of the Corporation's stakeholders. The reader is referred to the Corporation's annual audited and quarterly financial statements, along with the related management's discussion and analysis of financial condition, for the definition of Adjusted EBITDA it employs, which documents can be found on sedar.com.

Fundamentally, the Corporation is growth oriented, focused on cash flow and total economic return for its shareholders, and has strived to design and implement a compensation program that is aligned with those objectives. Meaningful growth can be achieved through organic initiatives or through strategic acquisitions, in either case focusing on the cash flow and economic returns to the Corporation, which requires executive management experience, insight and discipline. Cash flow is the lifeblood of any organization. The Corporation considers it paramount to ensure sustainability, reinvestment, growth and competitiveness. Total economic return is the shareholder's return on his investment, in terms of dividend distributions, reinvestment in growth and capital appreciation. The Corporation strongly believes that cash flow growth results in growing returns to the shareholder.

While seeking to ensure that its executive compensation program is fair, motivational and competitive, the Compensation Committee and the Board of Directors are guided by the overarching principle that a high level of total compensation should be variable and aligned to performance, specifically the delivery of strong, recurring and growing cash flow. As such, the compensation program for executives, while respective of their achievements, levels of expertise, responsibilities and length of service, is designed to reward them, together with shareholders, for delivering superior financial performance.

In the later part of the fiscal 2013, the Compensation Committee reviewed a number of changes in the Corporation in the period leading up to its then fiscal year end, including operating performance, completed acquisitions, management changes and the practicalities of option or other securities grants. At that time, the Compensation Committee recommended, which the Board of Directors accepted, that, in light of their roles in providing the strategic direction for the Corporation and being principally responsible for its overall performance, Mr. Wilson and Mr. Elder be eligible commencing in fiscal 2014 for annual cash bonuses to be based on the free cash flow of the Corporation. "Free cash flow" of the Corporation was defined as cash from operating activities, before non-cash changes in working capital, management bonuses and acquisition and integration costs.

Since the beginning of fiscal 2014, the Corporation has grown dramatically in terms of Revenue and Cash Flow. Consistent with its guiding principles, the Compensation Committee recommended retaining its compensation structure for executives consistent with what had been implemented to date.

Risks of Compensation Policies and Practices

The Corporation's compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Compensation Committee noted the following facts that discourage the Corporation's executives from taking unnecessary or excessive risk:

- the Corporation's operating strategy and related compensation philosophy;
- the effective balance, in each case, between cash and equity mix, near-term and long-term focus, corporate and individual performance, and financial and non-financial performance; and
- the Corporation's approach to performance evaluation and compensation provides greater rewards to an executive officer achieving both short-term and long-term agreed upon objectives.

Based on this review, the Compensation Committee believes that the Corporation's total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Financial Instruments

The Corporation has not implemented any policies which restrict its executive officers and directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Elements of Compensation

Salary

In determining the base salary of an executive officer, including a Named Executive Officer, the Compensation Committee and the Board of Directors places equal weight on the following factors: (i) the particular responsibilities related to the position; (ii) salaries paid by comparable businesses; (iii) the experience level of the executive officer; and (iv) his or her overall performance. Salaries of the executive officers are not determined based on benchmarks or a specific formula.

Bonus

For fiscal 2016, Mr. Wilson and Mr. Elder were eligible for annual bonuses, payable in cash, based on free cash flow of the Corporation for the period. Mr. Wilson and Mr. Elder were paid 8% and 4% respectively of such free cash flow. Mr. Grassby was not eligible for a bonus in fiscal 2014. In fiscal 2016, Mr. Grassby was eligible for an annual bonus, payable in cash, equal to 4% of the free cash flow of the Corporation exceeding \$8 million. The payment of bonuses is consistent with the overall objective of the Corporation to reward performance.

Option-Based Compensation

The Corporation's Option Plan is a rolling option plan that was established in 2003 to advance the interests of the Corporation, or any of its subsidiaries and affiliates, by encouraging the directors, officers, employees and consultants of the Corporation, or any of its subsidiaries or affiliates, to acquire Sylogist Shares thereby increasing their proprietary interest in the Corporation, encouraging them to remain with the Corporation, or its subsidiaries or affiliates, and providing them with additional incentives in the conduct of their affairs for and on behalf of the Corporation, its subsidiaries and affiliates. The process that the Corporation uses to grant option-based awards to executive officers, including the Named Executive Officers, is for the Board to approve option grants based on recommendations made by the Compensation Committee from time to time. The factors that are taken into account when considering new grants under the Option Plan are based upon a number of criteria, including the performance of the executive officers, the number of stock options available for grant under the Option Plan, the number of stock

options anticipated to be required to meet the future needs of the Corporation, as well as the number of stock options previously granted to each of the executive officers.

Under the Option Plan, the maximum number of Sylogist Shares which may be made subject to Options at any time and from time to time shall not exceed 10% of the total number of Sylogist Shares then outstanding on a non-diluted basis. Furthermore, the maximum number of Sylogist Shares which may be granted to a participant under the Option Plan shall not exceed 5% of the total number of Sylogist Shares then outstanding on a non-diluted basis.

No options were issued to officers or directors of the Company in fiscal 2016.

MANAGEMENT CONTRACTS

Management functions of the Corporation are performed by the directors and senior officers of the Corporation and are not to any substantial degree performed by any other person or corporation.

CORPORATE GOVERNANCE DISCLOSURE

Every issuer that is listed on the Exchange is required under National Instrument 58-101 – *Corporate Governance Disclosure* (“NI 58-101”) and the TSX Venture Exchange Policy 3.1 to disclose annually in its information circular certain information concerning its corporate governance practices. The Board of Directors is responsible for the governance of the Corporation. The Corporation’s Board and senior management consider good governance to be central to the effective and efficient operation of the Corporation. Listed below is a brief discussion of the Board’s approach to governance of the Corporation. The Corporation is a “venture issuer” (as defined in NI 58-101) and is required to provide the following information in its Information Circular if the Corporation is soliciting a proxy for the election of directors.

Mandate of the Board of Directors

The Corporation has adopted a form of written mandate of the Board of Directors which provides that the fundamental responsibilities of the Board of the Corporation are to: (i) identify and understand the risks associated with the business of the Corporation; (ii) appoint and oversee a competent executive team to manage the business of the Corporation, with a view to maximizing shareholder value; and (iii) ensure corporate conduct in an ethical and legal manner via an appropriate system of corporate governance, disclosure processes and internal control. The Board facilitates its exercise of independent supervision over management by ensuring that the Board has independent directors, as defined in Multilateral Instrument 52-110 – *Audit Committees*. The Board is also responsible for approving long-term strategic plans and annual operating budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financings.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the business of the Corporation in the ordinary course, evaluating new business opportunities and challenges, recruiting people and meeting all legal and regulatory requirements of the business.

Board of Directors

Following the Meeting, the Board will be composed of four (4) directors. Mr. Cherkas and Mr. Elliot, nominees for election as directors, will be considered independent. Mr. Wilson and Mr. Elder, both nominees for election as directors, are not considered independent by virtue of their positions as officers of the Corporation.

Directorships

The following directors are presently directors of other issuers which are reporting issuers or their equivalent in a domestic or foreign jurisdiction.

Name	Name of Reporting Issuer	Name of Exchange or Market	Position	From	To
C. Fraser Elliott	Vital Retirement Living Inc.	TSX-V	Director	May 11, 1998	Present
	Gowest Gold Ltd.	TSX-V	Executive Chairman	March, 2009	Present

Orientation and Continuing Education

New directors will be provided with an orientation which will include written information about the duties and obligations of directors and the business and operations of the Corporation, documents from recent Board meetings and opportunities for meetings and discussion with senior management and other directors. The orientation program for each new director will be tailored to that director’s needs and areas of interest.

As an ongoing process, the Board considers management development (including training and monitoring senior management) based mainly on periodic reports to the Board by the Compensation Committee and the Chief

Executive Officer. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation with management's assistance, to attend related industry seminars and conventions and to visit the Corporation's operations. Board members have full access to the Corporation's records.

Ethical Business Conduct

The Board does not currently have a written code of business conduct and ethics. The Board does have in place a formal mandate. In addition, the Corporation has a Share Trading Policy intended to protect investors and to promote investor confidence by preventing the misuse of material information.

While the Board does not take any formal measures to encourage and promote a culture of ethical business conduct, it does rely upon the selection of persons as directors, officers and employees who they consider to meet the highest ethical standards.

The Board itself must comply with the conflict of interest provisions of the *Business Corporations Act* (Alberta), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nominations of Directors

The Board's mandate provides that the Board selects nominees for election to the Board and that the Board must be composed of a majority of independent directors. The Board of the Corporation is currently not comprised of a majority of independent directors. The Board does not have a nominating committee, but encourages an objective nomination process by considering succession planning (including appointment of management) based mainly on periodic reports to the Board by the Chief Executive Officer and Chief Financial Officer. The Board will annually review general and specific criteria to consider when directors are being appointed to the Board.

The objective of this review will be to recommend that appointments be made to provide the best mix of skills and experience to guide the long-term strategy and ongoing business operations of the Corporation. The review will take into account the desirability of maintaining a balance of skills, experience and background, with appropriate diversity, along with the key common characteristics required for effective Board participation.

Compensation

The directors of the Corporation receive compensation in the form of Options pursuant to the Option Plan. The Board, on recommendation of the Compensation Committee, is responsible for determining all forms of compensation to be granted to the Chief Executive Officer and the directors, and for reviewing the Chief Executive Officer's recommendations respecting compensation of the other senior executives of Sylogist. In this regard, the Board considers, among other things, that recruitment and retention of qualified executives is critical to the Corporation's success, that compensation must be fair and competitive and that performance needs to be rewarded. The compensation paid to executive officers consists of a combination of base salary, performance incentives and Options.

Other Board Committees

The Board does not have any standing committee other than the Audit and Compensation Committees.

Assessment

The Board is responsible for annually assessing its overall performance and that of its committees. The objective of this review is to contribute to a process of continuous improvement in the Board's execution of its responsibilities. The review should have regard to the mandate or charter of the Board or committee and should identify any areas where the directors or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation.

The Board is also responsible for regularly assessing the effectiveness and contribution of the individual directors, having regard to the competencies and skills each director is expected to bring to the Board.

- (c) **“Corporation”** means Sylogist Ltd. and any successor corporation and any reference herein to action by the Corporation means action by or under the authority of its Board of Directors or a duly empowered committee appointed by the Board of Directors;
- (d) **“Discounted Market Price”** means the last per share closing price for the Common Shares on the Exchange before the date of grant of an Option, less any applicable discount under Exchange Policies;
- (e) **“Exchange”** means the TSX Venture Exchange or any other stock exchange on which the Common Shares are listed;
- (f) **“Exchange Policies”** means the policies of the Exchange, including those set forth in the Corporate Finance Manual of the Exchange;
- (g) **“Insider”** has the meaning ascribed thereto in Exchange Policies;

- (k) “Plan” shall mean the Corporation’s incentive stock option plan as embodied herein and as from time to time amended.

Capitalized terms in the Plan that are not otherwise defined herein shall have the meaning set out in the Exchange Policy, including without limitation “Consultant”, “Employee”, “Insider”, “Investor Relations Activities”, “Management Company Employee”, “Tier 1 Issuer” and “Tier 2 Issuer”.

Wherever the singular or masculine is used in this Plan, the same shall be construed as meaning the plural or feminine or body corporate and vice versa, where the context or the parties so require.

3. **Administration**

The Plan shall be administered by the Board of Directors. The Board of Directors shall have full and final discretion to interpret the provisions of the Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the Plan. All decisions and interpretations made by the Board of Directors shall be binding and conclusive upon the Corporation and on all persons eligible to participate in the Plan, subject to shareholder approval if required by the Exchange. Notwithstanding the foregoing or any other provision contained herein, the Board of Directors shall have the right to delegate the administration and operation of the Plan to a special committee of directors appointed from time to time by the Board of Directors, in which case all references herein to the Board of Directors shall be deemed to refer to such committee.

- (a) The Board of Directors may at any time and from time to time designate those Optionees who are to be granted an Option pursuant to the Plan and grant an Option to such Optionee. Subject to Exchange Policies and the limitations contained herein, the Board of Directors are authorized to provide for the grant and exercise of Options on such terms (which may vary as between Options) as it shall determine. No Option shall be granted to any person except upon recommendation of the Board of Directors. A person who has been granted an Option may, if he is otherwise eligible and if permitted by Exchange Policies, be granted an additional Option or Options if the Board of Directors shall so determine. Subject to Exchange Policies, the Corporation shall represent that the Optionee is a bona fide Employee, Consultant or Management Company Employee (as such terms are defined in Exchange Policies) in respect of Options granted to such Optionees.

4. **Participation**

Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Optionee’s relationship or employment with the Corporation.

Notwithstanding any express or implied term of this Plan or any Option to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as conferring on any Optionee any right with respect to continuance as a director, officer, employee or consultant of the Corporation or any subsidiary of the Corporation.

Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director or officer of or a consultant to the Corporation or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer or full-time employee of or a consultant to the Corporation or any of its subsidiaries.

No Optionee shall have any of the rights of a shareholder of the Corporation in respect to Common Shares issuable on exercise of an Option until such Common Shares shall have been paid for in full and issued by the Corporation on exercise of the Option, pursuant to this Plan.

5. **Common Shares Subject to Options**

The number of authorized but unissued Common Shares that may be issued upon the exercise of Options granted under the Plan at any time plus the number of Common Shares reserved for issuance under outstanding incentive stock options otherwise granted by the Corporation shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis at any time, and such aggregate number of Common Shares shall

automatically increase or decrease as the number of issued and outstanding Common Shares changes. The Options granted under the Plan together with all of the Corporation's other previously established stock option plans or grants, shall not result at any time in:

- (a) the number of Common Shares reserved for issuance pursuant to Options granted to Insiders (as a group) exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders (as a group) within a 12 month period, of a number of Options exceeding 10% of the outstanding Common Shares; or
- (c) the grant to any one (1) Optionee within a twelve month period, of a number of Options exceeding 5% of the issued and outstanding Common Shares.

Subject to Exchange Policies, the aggregate number of Common Shares reserved for issuance to any one (1) Optionee under Options granted in any 12 month period shall not exceed 5% of the issued and outstanding Common Shares determined at the date of grant (or an aggregate of 2% of the issued and outstanding Common Shares in the case of an Optionee who is a Consultant or who is retained to provide Investor Relations Activities (as such terms are defined in Exchange Policies)).

Appropriate adjustments shall be made as set forth in Section 13 hereof, in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

6. Option Agreement

- (a) A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the "Stock Option Agreement"). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.
- (b) The Board of Directors may require any Optionee to agree in the Stock Option Agreement that the Optionee, if so requested by the Corporation or any representative of the underwriters (the "Managing Underwriter") in connection with any registration of the offering of any securities of the Corporation under the *United States Securities Act of 1933, as amended* (the "1933 Act"), Optionee shall not sell or otherwise transfer any Common Shares or other securities of the Corporation for a period of up to 180 days (or such other period as may be requested in writing by the Managing Underwriter and agreed to in writing by the Corporation) following the effective date of a registration statement of the Corporation filed under the 1933 Act.

7. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the "Expiry Date"), subject to earlier termination as provided in Sections 9 and 10 hereof.

Subject to Exchange Policies and any limitations imposed by any relevant regulatory authority, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount at least equal to the Discounted Market Price of the Common Shares.

8. **Exercise of Options**

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 9 and 10 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist, provided that any Option granted to an Optionee retained to provide Investor Relations Activities shall vest over a period of not less than 12 months with no more than ¼ of such Options vesting in any three month period.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised.

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the 1933 Act, the United States Securities and Exchange Act of 1934, as amended, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

The certificates representing any Common Shares issued to a “U.S. person” (as defined in Rule 902 of Regulation S under the 1933 Act, which definition includes, but is not limited to, an individual resident in the United States, an estate or trust of which any executor or administrator or trustee, respectively, is a U.S. person, and any partnership or corporation organized or incorporated under the laws of the United States) shall, until such time as the same is no longer required under the applicable requirements of the 1933 Act or applicable U.S. state laws and regulations, bear a legend in substantially the following form:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “1933 ACT”). THESE SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED ONLY (A) TO THE CORPORATION, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 904 OF REGULATION S UNDER THE 1933 ACT, (C) IN COMPLIANCE WITH THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS UNDER THE 1933 ACT PROVIDED BY RULE 144 OR RULE 144A THEREUNDER, IF AVAILABLE, AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS, OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE 1933 ACT OR ANY APPLICABLE STATE LAWS AND REGULATIONS GOVERNING THE OFFER AND SALE OF SECURITIES, AND THE HOLDER HAS, PRIOR TO SUCH SALE, FURNISHED TO THE CORPORATION AN OPINION OF COUNSEL, OF RECOGNIZED STANDING, OR OTHER EVIDENCE OF EXEMPTION, REASONABLY SATISFACTORY TO THE CORPORATION. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA. AT ANY TIME THE CORPORATION IS A “FOREIGN ISSUER” AS DEFINED IN REGULATION S UNDER THE 1933 ACT, A NEW CERTIFICATE, BEARING NO LEGEND, THE DELIVERY OF WHICH WILL CONSTITUTE “GOOD DELIVERY” MAY BE OBTAINED FROM THE APPLICABLE TRANSFER AGENT UPON DELIVERY OF THIS CERTIFICATE AND A DULY EXECUTED DECLARATION, IN FORM SATISFACTORY TO THE CORPORATION AND THE APPLICABLE TRANSFER AGENT TO THE EFFECT THAT THE SALE OF THE SECURITIES IS BEING MADE IN COMPLIANCE WITH RULE 904 OF REGULATION S

UNDER THE 1933 ACT AT A TIME WHEN THE CORPORATION IS A “FOREIGN ISSUER”
AS DEFINED IN REGULATION S UNDER THE 1933 ACT.”

9. **Ceasing to be a Director, Officer, Employee or Consultant**

If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee’s ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

10. **Death of Optionee**

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee’s rights under the Option shall pass by the Optionee’s will or the laws of descent and distribution, or by the Optionee’s legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee’s death.

11. **Optionee’s Rights Not Transferable**

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

12. **Takeover or Change of Control**

The Corporation shall have the power, in the event of:

- (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or
- (b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

13. **Anti-Dilution of the Option**

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;
- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change;
- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

14. **United States Matters**

- (a) Each option granted under the Plan to an option holder who is a citizen or resident of the United States (including its territories, possessions and all areas subject to the jurisdiction) (a "U.S. Optionee") will be designated in the Option Agreement as either a non-qualified stock option or an incentive stock option within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, of the United States (the "Code"), provided that the stock option complies with the following provisions. If not designated in the Option Agreement, the Option shall be an incentive stock option. No provisions of the Plan, as it may be applied to a U.S. Optionee who has been granted an incentive stock option within the meaning of Section 422 of the Code, shall be construed so as to be inconsistent with any provision of Section 422 of the Code. Notwithstanding anything in the Plan contained to the contrary, the following provisions shall apply to each U.S. Optionee who will be granted an incentive stock option within the meaning of Section 422 of the Code:
 - (i) options shall only be granted to U.S. Optionees who are, at the time of grant, officers, key employees or directors (provided, for purposes of this Section 14 only, such directors are then also officers or key employees of the Corporation or a subsidiary). Any director of the Corporation who is a U.S. Optionee shall be eligible to vote upon the granting of such option;
 - (ii) the aggregate fair market value (determined as of the time the option is granted) of the Common Shares exercisable for the first time by a U.S. Optionee during any calendar year under the Plan and all other stock option plans, within the meaning of Section 422 of the Code, of the Corporation or any subsidiary shall not exceed US\$100,000;

- (iii) the purchase price for Common Shares under each Option granted to a U.S. Optionee pursuant to the Plan shall be not less than the fair market value of such Common Shares at the time the option is granted, as determined in good faith by the directors at such time;
 - (iv) if any U.S. Optionee to whom an option is to be granted under the Plan at the time of the grant of such option is the owner of shares possessing more than ten percent (10%) of the total combined voting power of all classes of shares of the Corporation, then the following special provisions shall be applicable to the option granted to such individual:
 - (A) the purchase price per Common Share subject to such option shall not be less than one hundred and ten percent (110%) of the fair market value of one Common Share at the time of grant; and
 - (B) for the purposes of this Section 11 only the option exercise period shall not exceed five (5) years from the date of grant;
 - (v) no option may be granted hereunder to a U.S. Optionee following the expiry of five (5) years after the date on which the Plan is adopted by the Board or the date the Plan is approved by the shareholders of the Corporation, whichever is earlier;
 - (vi) no option granted to a U.S. Optionee under the Plan shall become exercisable unless and until the Plan shall have been approved by the shareholders of the Corporation; and
 - (vii) no incentive stock options may be granted under the Plan after ten (10) years after the adoption of this Plan by the Board of Directors of the Corporation.
- (b) At the discretion of the Board of Directors, Optionees may satisfy withholding obligations as provided in this paragraph. When an Optionee incurs tax liability in connection with an Option, which tax liability is subject to tax withholding under applicable tax laws (including, without limitation, income and payroll withholding taxes), and Optionee is obligated to pay the Corporation an amount required to be withheld under applicable tax laws, Optionee may satisfy the tax withholding obligation by one or some combination of the following methods: (a) by cash payment, (b) out of Optionee's current compensation, (c) if permitted by the Board of Directors, in its discretion, by surrendering to the Corporation, Common Shares that (i) have been owned by Optionee for more than six (6) months on the date of surrender or such other period as may be required to avoid a charge to the Corporation's earnings, and (ii) have a Market Value on the date of surrender equal to (or less than, if other consideration is paid to the Corporation to satisfy the withholding obligation) Optionee's marginal tax rate times the ordinary income recognized, plus an amount equal to the Optionee's share of any applicable payroll withholding taxes, or (d) if permitted by the Board of Directors, in its discretion, by electing to have the Corporation withhold from the Common Shares to be issued upon exercise of the Option, if any, that number of Common Shares having a Market Value equal to the amount required to be withheld. For this purpose, the Market Value of the Common Shares to be withheld shall be determined on the date that the amount of tax to be withheld is to be determined (the "Tax Date"). In making its determination as to the type of consideration to accept, the Board of Directors shall consider if acceptance of such consideration may be reasonably expected to benefit the Corporation or result in the recognition of compensation expense (or additional compensation expense) for financial reporting purposes.

15. **Withholdings**

- (a) If the Corporation is required under the *Income Tax Act* (Canada) or any other applicable law to remit to any governmental authority an amount on account of tax on the value of any taxable benefit associated with the exercise or disposition of Options by a Optionee, then the Optionee shall, concurrently with the exercise or disposition:

- (i) pay to the Corporation, in addition to the exercise price for the Options, if applicable, sufficient cash as is determined by the Corporation to be the amount necessary to fund the required tax remittance;
- (ii) authorize the Corporation, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Corporation determines such portion of the Common Shares being issued upon exercise of the Options as is required to realize cash proceeds in the amount necessary to fund the required tax remittance; or
- (iii) make other arrangements acceptable to the Corporation to fund the required tax remittance.

16. **Costs**

The Corporation shall pay all costs of administering the Plan.

17. **Termination and Amendment**

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority. Further, the Board of Directors may amend this Plan in order to: (i) fix typographical errors; and (ii) clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions, subject to the approval of the Exchange or other applicable regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 17(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof;
