INFORMATION CIRCULAR

(Containing information as at November 1st, 2024 unless indicated otherwise)

SOLICITATION OF PROXIES

This information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Independence Gold Corp. (the “**Company**”) for use at the Annual General Meeting of shareholders of the Company (and any adjournment thereof) to be held on Wednesday, December 18th, 2024 (the “**Meeting**”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

APPOINTMENT OF PROXYHOLDER

The individuals named (the “**Management’s Nominees**”) in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN THE MANAGEMENT’S NOMINEES DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY STRIKING OUT THE NAMES OF THE MANAGEMENT NOMINEES AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** If your Common Shares are held in physical form (i.e. paper form) and are registered in your name, then you are a registered shareholder (a “**Registered Shareholder**”). However, if, like most shareholders, you keep your Common Shares in a brokerage account, then you are a beneficial shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders (as defined below). The instructions below should be read carefully by all shareholders.

REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited with the Company’s registrar and transfer agent, **Computershare Investor Services Inc., 100 University Avenue - 9th floor, Toronto, Ontario, M5J 2Y1**, (the “**Transfer Agent**”) at any time up to and including the last business day preceding the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Transfer Agent;
- (b) using a touch-tone phone to transmit voting choices to the toll-free number indicated in the Proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the holder’s account number and the proxy control number; or

- (c) using the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the Proxy control number;

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered shareholders may vote at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in such shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS Inc. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy to the clearing agencies and intermediaries for onward distribution to Beneficial Shareholders.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**Objecting Beneficial Owners**", or "**OBO's**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**", or "**NOBO's**"). Subject to the provision of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") issuers may request and obtain a list of their NOBO's from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers who obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBO's.

If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf. Common Shares on your behalf. The intermediaries (or their service companies) are responsible for forwarding this Information Circular and other Meeting materials to each OBO, unless the OBO has waived the right to receive them.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Company has adopted the notice and access procedure described in NI 54-101 and National Instrument 51-102 - *Continuous Disclosure Obligations* to distribute its proxy related materials to the Registered Shareholders and Beneficial Shareholders. In addition, the Company has not agreed to pay to distribute the proxy-related materials to the OBOs.

Meeting materials sent to Beneficial Shareholders who have not waived their right to receive Meeting materials are accompanied by a request for voting instructions (a “VIF”). This form is provided instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. VIF’s whether provided by the Company or by an intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit a Beneficial Shareholder to direct the voting of the Common Shares which they beneficially own. If a Beneficial Shareholder who receives a VIF wishes to attend the Meeting or have someone else attend on his behalf, then the Beneficial Shareholder may write the applicable name in the space provided in the VIF, which will grant the Beneficial Shareholder or his nominee the right to attend and vote at the Meeting.

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE “REQUEST FOR VOTING INSTRUCTIONS” (VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

Compensation Discussion and Analysis

The Company's process of determining executive and director compensation is very simple. In particular, the Company relies solely on board discussion without any formal objectives, criteria or analysis.

The Company's compensation policy has been established with a view to continue to provide executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry.

The Company compensates its executives through the Company's incentive stock option plan (as more particularly described below). Through its executive compensation practices, the Company seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Company's executive compensation structure seeks to motivate and reward executives whose knowledge, skills and performance are critical to the Company's success, and align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

Officers are eligible under the Company's incentive stock option plan to receive grants of stock options. The incentive stock option plan is an important part of the Company's long-term incentive strategy for its officers, permitting them to participate in any appreciation of the market value of the Company's common shares over a stated period of time. The Company's incentive stock option plan is intended to reinforce commitment to long-term growth in profitability and shareholder value. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such officer's long-term contribution to the Company will be key to its long-term success.

Termination and Change of Control Benefits

The following contracts, agreement, plans and arrangements provide for payments to the applicable Named Executive Officers at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the company or a change in such Named Executive Officers' responsibilities:

The Company entered into a management agreement (the "Agreement") with Rand Explorations Ltd. ("Rand") and Randy Turner (See "Management Contracts" for more details) whereby under the Agreement, should the Agreement be terminated by Rand due to: (i) a change of control; or (ii) the breach or default of any material term of the Agreement by the Company, the Company will be obligated to pay Rand as follows:

- In case of a change of control an amount equivalent to thirty-six months' annual remuneration, calculated at the highest rate in effect during the twelve-month period immediately preceding the termination date.
- If the Agreement is terminated without cause or resignation for good cause, as defined in the Agreement, the Company will be obligated to pay Rand an amount equivalent to twenty-four months' annual remuneration, calculated at the highest rate in effect during the twelve-month period immediately preceding the termination date.

Other than as noted above, the Company has no compensatory plan, contract or arrangement where a Named Executive Officer is entitled to receive more than \$100,000 from the Company or its subsidiaries, including periodic payments or instalments, in the event of (i) the resignation, retirement or any other termination of the Named Executive Officer's employment with the Company and its subsidiaries; (ii) a change of control of the Company or any of its subsidiaries; or (iii) a change in the Named Executive Officer's responsibilities following a change of control.

Directors and executive officers may, however, be interested in the approval of the Company's stock option plan as detailed below.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Annual Approval of Incentive Stock Option Plan

The Plan is a rolling maximum stock option plan providing for the number of Common Shares reserved for issuance under such Plan to be equal to 10% of the Company's issued and outstanding share capital at the time of any option grant. In accordance with the policies of the TSXV, rolling stock option plans must receive shareholder approval annually. Accordingly, at the Meeting, shareholders will be asked to re-approve the Plan.

The Plan is intended to provide the Board with the ability to issue options to provide the employees, consultants, officers and directors of the Company with long-term equity-based performance incentives which are a key component of the Company's executive compensation strategy. The Company believes it is important to align the interests of management and employees with shareholder interests and to link performance compensation to enhancement of shareholder value. This is accomplished through the use of options whose value over time is dependent on market value.

The Plan incorporates the following terms and conditions:

1. The aggregate number of Common Shares which may be issued pursuant to options granted under the Plan, unless otherwise approved by shareholders, may not exceed that number which is equal to 10% of the Common Shares of the Company issued and outstanding at the time of the grant.
2. The number of Common Shares subject to each option will be determined by the Board, provided that the aggregate number of Common Shares reserved for issuance pursuant to options granted to:
 - (a) insiders during any 12-month period may not exceed 10% of the issued Common Shares of the Company unless the grant is approved by a majority of the votes cast by "disinterested shareholders";
 - (b) any one individual during any 12-month period may not exceed 5% of the issued Common Shares of the Company unless the Company is listed on Tier 1 of the TSXV and has obtained the approval of the disinterested shareholders;
 - (c) any one consultant during any 12-month period may not exceed 2% of the issued Common Shares of the Company;
 - (d) all persons employed to provide investor relations activities (as a group) may not exceed 2% of the issued Common Shares of the Company during any 12-month period;in each case calculated as at the date of grant of the option, including all other Common Shares under option to such person at that time.
3. Options may be exercisable for a period of ten years from the date of grant. The options are non-assignable and non-transferable. The options can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the Plan or within 90 days after ceasing to be an eligible optionee, (30 days in the case of a person engaged in investor relations activities), immediately in the case for dismissal from employment or service for cause, or, if the optionee dies, the earlier of the expiry date and the date which is six months after the date of death, provided that the Board, in its discretion may extend the date of exercise to the earlier of the expiry date and one year from the date of the optionee's death.
4. If the normal expiry date of any option falls within any blackout period or within 10 business days following the end of any blackout period, then the expiry date of such options shall, without any further action, be extended to the date that is 10 business days following the end of such blackout period.
5. The Company can demand the payment of cash (or sell Common Shares issued upon exercise of an option), as may be necessary to satisfy the Company's tax withholding obligations on behalf of any person exercising options.
6. To make such other "house-keeping" changes as may be requested by the TSXV.

The foregoing is only a summary of the salient features of the Plan. A copy of the Plan may be inspected at the offices of the Company at Suite 580 – 625 Howe Street, Vancouver, British Columbia during normal business hours and at the Meeting. In addition, a copy of the Plan will be mailed, free of charge, to any holder of Common Shares who requests a copy, in writing, from the Corporate Secretary of the Company. Any such requests should be mailed to the Company, at its head office, to the attention of the Corporate Secretary.

Accordingly, shareholders will be asked to pass an ordinary resolution, in substantially the following form, to re-

approve the Plan:

“RESOLVED, as an ordinary resolution, that:

1. the incentive stock option plan (the “**Plan**”) as described in the Information Circular dated October 16th, 2023 be and is hereby approved, subject to the acceptance for filing thereof by the TSX Venture Exchange and the grant of options thereunder in accordance therewith, be approved;
2. the number of Common Shares reserved for issuance under the Plan shall be no more than 10% of the Company’s issued and outstanding share capital at the time of any stock option grant;
3. the Board of the Company be authorized to make any changes to the Plan as may be required or permitted by the TSX Venture Exchange;
4. any director or officer of the Company is hereby authorized and directed for and in the name of and on behalf of the Company to execute or cause to be executed, whether under corporate seal of the Company or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing; and
5. notwithstanding that this resolution has been duly passed by the shareholders of the Company, the Plan is conditional upon receipt of final approval from the TSX Venture Exchange and the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable by the directors.”

If named as proxy, the Management Nominees intend to vote the Common Shares represented by such Proxy at the Meeting for the approval of the Plan, unless otherwise directed in the instrument of Proxy.

An ordinary resolution must be passed by a simple majority of 50% plus one of the votes cast at the Meeting by the shareholders entitled to vote who are represented in person or by proxy at the Meeting.

ITEM 4: ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid, and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.
