APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, TSX Trust Company, 301 - 100 Adelaide Street W, Toronto, ON M5H 4H1, Attention: Proxy Department, not later than 10:30 am (Vancouver, British Columbia time) on Monday August 8th, 2022, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as the Canadian Depository for Securities Limited and in the United States, under the name Cede & Co., as nominee for the Depository Trust Company (which acts as a brokerage depository for many U.S. firms and custodial banks) (the "Nominees"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOs**").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators, the Company has elected to send the Meeting materials indirectly to NOBOs.

If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

The Company is not sending the Meeting materials to shareholders using "notice-and-access", as defined under NI 54-101.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder, his attorney authorized in writing or, if the shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

- (iii) the maximum number of Shares that may be issued to insiders collectively under the 2022 Option Plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Options which may be granted within any twelve (12) month period to Option Plan Participants who perform investor relations activities must not exceed 2% of the issued and outstanding Shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three (3) month period. In addition, the maximum number of Shares that may be granted to any one consultant under the 2022 Option Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant.

ADMINISTRATION

The plan administrator of the 2022 Option Plan (the “**Option Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Option Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Options under the 2022 Option Plan; determine conditions under which Options may be granted, vested or exercised, including the expiry date, exercise price and vesting schedule of the Options; establish the form of option certificate (“**Option Certificate**”); interpret the 2022 Option Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2022 Option Plan.

Subject to any required regulatory or shareholder approvals, the Option Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Option Plan Participants, amend, modify, change, suspend or terminate the Options granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the 2022 Option Plan or any Option granted pursuant thereto may materially impair any rights of an Option Plan Participant or materially increase any obligations of an Option Plan Participant under the

2022 Option Plan without the consent of such Option Plan Participant, unless the Option Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the 2022 Option Plan.

All of the Options are subject to the conditions, limitations, restrictions, vesting, exercise and forfeiture provisions determined by the Option Plan Administrator, in its sole discretion, subject to such limitations provided in the 2022 Option Plan and will be evidenced by an Option Certificate. In addition, subject to the limitations provided in the 2022 Option Plan and in accordance with applicable law, the Option Plan Administrator may accelerate the vesting of Options, cancel or modify outstanding Options and waive any condition imposed with respect to Options or Shares issued pursuant to Options.

EXERCISE OF OPTIONS

Options shall be exercisable as determined by the Option Plan Administrator at the time of grant, provided that no Option shall have a term exceeding ten (10) years so long as the Shares are listed on the Exchange.

Subject to all applicable regulatory rules, the vesting schedule for an Option, if any, shall be determined by the Option Plan Administrator. The Option Plan Administrator may elect, at any time, to accelerate the vesting schedule of an Option, and such acceleration will not be considered an amendment to such Option and will not require the consent of the Option Plan Participant in question. However, no acceleration to the vesting schedule of an Option granted to an Option Plan Participant performing investor relations services may be made without prior acceptance of the Exchange.

The exercise price of an Option shall be determined by the Option Plan Administrator and cannot be lower than the greater of: (i) the minimum price required by the Exchange; and (ii) the market value of the Shares on the applicable grant date.

An Option Plan Participant may exercise the Options in whole or in part through any one of the following forms of consideration, subject to applicable laws, prior to the expiry date of such Options, as determined by the Option Plan Administrator:

- the Option Plan Participant may send a wire transfer, certified cheque or bank draft payable to the Company in an amount equal to the aggregate exercise price of the Shares being purchased pursuant to the exercise of the Option;
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, a brokerage firm may be engaged to loan money to the Option Plan Participant in order for the Option Plan Participant to exercise the Options to acquire the Shares, subsequent to which the brokerage firm shall sell a sufficient number of Shares to cover the exercise price of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of Shares from the exercise of the Options, and the Option Plan Participant shall receive the balance of the Shares or cash proceeds from the balance of such Shares; and
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options, in lieu of a cash payment to the Company, an Option Plan Participant, excluding those providing investor relations services, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the Shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the Shares.

If an exercise date for an Option occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the 2022 Option Plan, the Option shall be exercised no more than ten business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

The following describes the impact of certain events that may, unless otherwise determined by the Option Plan Administrator or as set forth in an Option Certificate, lead to the early expiry of Options granted under the 2022 Option Plan.

Termination by the Company for cause:	Forfeiture of all unvested Options. The Option Plan Administrator may determine that all vested Options shall be forfeited, failing which all vested Options shall be exercised in accordance with the 2022 Option Plan.
Voluntary resignation of an Option Plan Participant:	Forfeiture of all unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Options in accordance with a prescribed formula as set out in the 2022 Option Plan. Forfeiture of the remaining unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.
Death or disability of an Option Plan Participant:	Acceleration of vesting of all unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.
Termination or voluntary resignation for good reason within twelve (12) months of a change in control:	Acceleration of vesting of all unvested Options. Exercise of vested Options in accordance with the 2022 Option Plan.

Any Options granted to an Option Plan Participant under the 2022 Option Plan shall terminate at a date no later than twelve (12) months from the date such Option Plan Participant ceases to be an Option Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of all or substantially all of the Company's assets, the Option Plan Administrator may, without the consent of the Option Plan Participant, cause all or a portion of the Options granted to terminate upon the occurrence of such event.

AMENDMENT OR TERMINATION OF THE 2022 OPTION PLAN

Subject to any necessary regulatory approvals, the 2022 Option Plan may be suspended or terminated at any time by the Option Plan Administrator, provided that no such suspension or termination shall alter or impact any rights or obligations under an Option previously granted without the consent of the Option Plan Participant.

The following limitations apply to the 2022 Option Plan and all Options thereunder as long as such limitations are required by the Exchange:

- any adjustment to Options, other than in connection with a security consolidation or security split, is subject to prior Exchange acceptance;
- any amendment to the 2022 Option Plan is subject to prior Exchange acceptance, except for amendments to reduce the number of Shares issuable under the 2022 Option Plan, to increase the exercise price of Options or to cancel Options;
- any amendments made to the 2022 Option Plan shall require regulatory and Shareholder approval, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the 2022 Option Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- the exercise price of an Option previously granted to an insider must not be reduced, or the extension of the expiry date of an Option held by an insider may not be extended, unless the Company has obtained disinterested shareholder approval to do so in accordance with Exchange policies.

Subject to the foregoing limitations and any necessary regulatory approvals, the Option Plan Administrator may amend any existing Options or the 2022 Option Plan or the terms and conditions of any Option granted thereafter, although the Option Plan Administrator must obtain written consent of the Option Plan Participant (unless otherwise excepted out by a provision of the 2022 Option Plan) where such amendment would materially decrease the rights or benefits accruing to an Option Plan Participant or materially increase the obligations of an Option Plan Participant.

COMPANY 2022 OPTION PLAN RESOLUTION

At the Meeting, the Shareholders of the Company will be asked to consider and approve an ordinary resolution, in substantially the following form, in order to approve the 2022 Option Plan, which resolution requires approval of greater than 50% of the votes cast by the Shareholders who, being entitled to do so, vote, in person or by proxy, on the ordinary resolution at the Meeting:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

- (a) subject to final acceptance of the TSX Venture Exchange (the “**TSXV**”), the Company’s new stock option plan (the “**2022 Option Plan**”), substantially in the form attached as Schedule “B” to the management information circular of Doubleview Gold Corp. (the “**Company**”) dated June 30, 2022, is hereby approved;

RECOMMENDATION OF THE BOARD

The Board has determined that the 2022 Option Plan is in the best interests of the Company and the Shareholders and unanimously recommends that the Shareholders vote in favour of approving the 2022 Option Plan. **In the absence of any contrary directions, it is the intention of management to vote proxies in the accompanying form FOR the foregoing resolution.**

The Board reserves the right to amend any terms of the 2022 Option Plan or not to proceed with the 2022 Option Plan at any time prior to the Meeting if the Board determines that it would be in the best interests of the Company and the Shareholders and to do so in light of any subsequent event or development occurring after the date of the Information Circular.

6. APPROVAL OF EQUITY INCENTIVE PLAN

At the Meeting, Shareholders will be asked to approve a resolution approving the Company’s equity incentive plan (the “**Equity Incentive Plan**”). The Equity Incentive Plan was approved by the Board on June 15, 2022, has been submitted for acceptance to the Exchange. Currently, the sole security-based compensation plan of the Company is its existing stock option plan, pursuant to which the Board may grant stock options to directors, officers, employees of and consultants to the Company and its subsidiaries. The Board has determined that it is in the best interests of the Company to adopt a security-based compensation plan which would provide the Company with the ability and flexibility to make broader and different forms of equity rewards as part of its need to retain a competitive compensation structure for its directors, officers, employees and consultants. The purpose of the Equity Incentive Plan is to, among other things: (i) provide the Company with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries; (ii) reward directors, officers, employees and consultants that have been granted Awards (as defined below) under the Equity Incentive Plan for their contributions toward the long-term goals and success of the Company; and (iii) enable and encourage such directors, officers, employees and consultants to acquire Shares of the Company as long-term investments and proprietary interests in the Company. The approval of the Equity Incentive Plan by the Board is subject to approval of the Shareholders and to the final acceptance of the Exchange.

A summary of certain provisions of the Equity Incentive Plan is set out below, and a full copy of the Equity Incentive Plan is attached hereto as Schedule “C”. This summary is qualified in its entirety to the full copy of the Equity Incentive Plan.

SUMMARY OF EQUITY INCENTIVE PLAN

ELIGIBILITY

The Equity Incentive Plan provides flexibility to the Company to grant equity-based incentive awards in the form of restricted share units (“RSUs”), performance share units (“PSUs”) and deferred share units (“DSUs”) (collectively, the “Awards”) to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries, excluding any persons who perform investor relations activities on behalf of the Company or any of its subsidiaries (collectively, the “Equity Incentive Plan Participants”).

NUMBER OF SHARES ISSUABLE

The aggregate number of common shares in the capital of the Company (each, a “Share”) that may be issued to Equity Incentive Plan Participants under the Equity Incentive Plan may not exceed 15,855,612 subject to adjustment as provided for in the Equity Incentive Plan.

LIMITS ON PARTICIPATION

The Equity Incentive Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the Exchange, unless disinterested Shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the Exchange:

- (i) the maximum number of Shares that may be issued to any one Equity Incentive Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly owned by the Equity Incentive Plan Participant) under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued Shares calculated on the date of grant;
- (ii) the maximum number of Shares that may be issued to insiders collectively under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 10% of the issued Shares calculated on the date of grant; and
- (iii) the maximum number of Shares that may be issued to insiders collectively under the Equity Incentive Plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Shares that may be granted to any one consultant under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant.

ADMINISTRATION

The plan administrator of the Equity Incentive Plan (the “Equity Incentive Plan Administrator”) will be the Board or a committee of the Board, if delegated. The Equity Incentive Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Awards under the Equity Incentive Plan; determine any vesting provisions or other restrictions on Awards; determine conditions under which Awards may be granted, vested or settled, including establishing performance goals; establish the form of Award agreement (“Award Agreement”); interpret the Equity Incentive Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Equity Incentive Plan.

Subject to any required regulatory or shareholder approvals, the Equity Incentive Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Equity Incentive Plan Participants, amend, modify, change, suspend or terminate the Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the Equity Incentive Plan or any Award granted pursuant thereto may materially impair any rights of an Equity Incentive Plan Participant or materially increase any obligations of an Equity Incentive Plan Participant under the Equity Incentive Plan without the consent of such Equity Incentive Plan

Participant, unless the Equity Incentive Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the Equity Incentive Plan.

All of the Awards are subject to the conditions, limitations, restrictions, vesting, settlement and forfeiture provisions determined by the Equity Incentive Plan Administrator, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan and will be evidenced by an Award Agreement. In addition, subject to the limitations provided in the Equity Incentive Plan and in accordance with applicable law, the Equity Incentive Plan Administrator may accelerate the vesting or payment of Awards, cancel or modify outstanding Awards and waive any condition imposed with respect to Awards or Shares issued pursuant to Awards.

Subject to the terms and conditions of the Equity Incentive Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents credited to an Equity Incentive Plan Participant's accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with terms of the Plan. Where the issuance of Shares pursuant to the settlement of dividend equivalents will result in the Company having insufficient Shares available for issuance or would result in the Company breaching its limits on grants of Awards, as set out above, the Company shall settle such dividend equivalents in cash.

SETTLEMENT OF VESTED SHARE UNITS

The Equity Incentive Plan provides for the grant of restricted share units (each, a “**RSU**”). A RSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof for each vested RSU. RSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, following a period of continuous employment of the Equity Incentive Plan Participant with the Company or a subsidiary of the Company.

The Equity Incentive Plan also provides for the grant of performance share units (each, a “**PSU**”, together with RSUs, the “**Share Units**”), which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested PSU. PSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, subject to the attainment of certain performance goals and satisfaction of such other conditions to vesting, if any, as many be determined by the Equity Incentive Plan Administrator.

Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company, no Share Unit shall vest prior to the first anniversary of its date of grant. Upon settlement of the Share Units, which shall be within sixty (60) days of the date that the applicable vesting criteria are met, deemed to have been met or waived, and in any event no later than three years following the end of the year in respect of which the Share Units are granted, holders of the Share Units will receive any, or a combination of, the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one fully paid and non-assessable Share issued from treasury in respect of each vested Share Unit; or
- (ii) a cash payment, which shall be determined by multiplying the number of Share Units redeemed for cash by the market value of a Share (calculated with reference to the five (5) day volume weighted average trading price, and subject to a minimum price as set out in the Equity Incentive Plan) (the “**Market Price**”) on the date of settlement.

The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a Share Unit settlement at any time up until payment is actually made. If a settlement date for a Share Unit occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the Share Unit shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

SETTLEMENT OF VESTED DSUS

The Equity Incentive Plan also provides for the grant of deferred share units (each, a “**DSU**”). A DSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested DSU on a future date following the Equity Incentive Plan Participant’s separation of services from the Company or its subsidiaries. Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company and as set out below, no DSU shall vest prior to the first anniversary of its date of grant. Upon settlement of the DSUs, which shall be no earlier than the date of the Equity Incentive Plan Participant’s termination of services to the Company or its subsidiaries and no later than one (1) year after such date, holders of DSUs will receive any or a combination of the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one (1) fully paid and non-assessable Share issued from treasury in respect of each vested DSU; or
- (ii) a cash payment, determined by multiplying the number of DSUs redeemed for cash by the Market Price of a Share on the date of settlement.

In addition to grants made by the Equity Incentive Plan Administrator to all Equity Incentive Plan Participants, directors of the Company may elect, subject to acceptance by the Company, in whole or in part, of such election, to receive any portion of their director’s fees to be payable in DSUs.

The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a DSU settlement at any time up until payment is actually made. If a settlement date for a DSU occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the DSU shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

The following describes the impact of certain events that may, unless otherwise determined by the Equity Incentive Plan Administrator or as set forth in an Award Agreement, lead to the early expiry of Awards granted under the Equity Incentive Plan.

Termination by the Company for cause:	Forfeiture of all unvested Awards. The Plan Administrator may determine that all vested Awards shall be forfeited, failing which all vested Awards shall be settled in accordance with the Equity Incentive Plan.
Voluntary resignation of an Equity Incentive Plan Participant:	Forfeiture of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Awards in accordance with a prescribed formula as set out in the Equity Incentive Plan. Forfeiture of the remaining unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Death or disability of an Equity Incentive Plan Participant:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination or voluntary resignation for good reason within twelve (12) months of a change in control:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.

Any Awards granted to an Equity Incentive Plan Participant under the Equity Incentive Plan shall terminate at a date no later than twelve (12) months from the date such Equity Incentive Plan Participant ceases to be an Equity Incentive Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company’s assets, the Plan

Administrator may, without the consent of the Equity Incentive Plan Participant, cause all or a portion of the Awards granted to terminate upon the occurrence of such event, subject to any necessary approvals.

AMENDMENT OR TERMINATION OF THE EQUITY INCENTIVE PLAN

Subject to the approval of the Exchange, where required, the Equity Plan Administrator may from time to time, without notice to or approval of the Equity Incentive Plan Participants or Shareholders, terminate the Equity Incentive Plan. Amendments made to the Equity Incentive Plan shall require regulatory and Shareholder approval, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the Equity Incentive Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

COMPANY EQUITY INCENTIVE PLAN RESOLUTION

At the Meeting, the Shareholders of the Company will be asked to consider and approve an ordinary resolution, in substantially the following form, in order to approve the Equity Incentive Plan, which resolution requires approval of greater than 50% of the votes cast by the Shareholders who, being entitled to do so, vote, in person or by proxy, on the ordinary resolution at the Meeting:

- (b) the directors of the Company or any committee of the board of directors of the Company are hereby authorized to grant restricted share units (**“RSUs”**), performance share units (**“PSUs”**) and deferred share units (**“DSUs”**) pursuant to the Equity Incentive Plan to those eligible to receive RSUs, PSUs and DSUs thereunder;
- (c) any one (1) director or officer of the Company is hereby authorized to execute and deliver on behalf of the Company all such documents and instruments and to do all such other acts and things as in such director’s opinion may be necessary to give effect to the matters contemplated by these resolutions; and
- (d) notwithstanding that this resolution be passed by the shareholders of the Company, the adoption of the proposed Equity Incentive Plan is conditional upon receipt of final approval of the TSXV, and the directors of the Company are hereby authorized and empowered to revoke this resolution, without any further approval of the shareholders of the Company, at any time if such revocation is considered necessary or desirable to the directors.”

RECOMMENDATION OF THE BOARD

The Board has determined that the Equity Incentive Plan is in the best interests of the Company and the Shareholders and unanimously recommends that the Shareholders vote in favour of approving the Equity Incentive Plan. In the absence of any contrary directions, it is the intention of management to vote proxies in the accompanying form FOR the foregoing resolution.

The Board reserves the right to amend any terms of the Equity Incentive Plan or not to proceed with the Equity Incentive Plan at any time prior to the Meeting if the Board determines that it would be in the best interests of the Company and the Shareholders and to do so in light of any subsequent event or development occurring after the date of the Information Circular.

Composition of Audit Committee and Independence

The Company’s current Audit Committee consists of Farshad Shirvani, Andrew H. Rees and C. Hugh Maddin. National Instrument 52-110 *Audit Committees*, (“**NI 52-110**”) provides that a member of an audit committee is “independent” if the member has no direct or indirect material relationship with the Company, which could, in the view of the Company’s Board, reasonably interfere with the exercise of the member’s independent judgment. Two members of the current Audit Committee are considered independent and are “financially literate” (as defined in NI 52-110).

Relevant Education and Experience

Farshad Shirvani, MSc. Geol. Mr. Shirvani has a B.Sc. and M.Sc. in geology from the Shiraz University in Shiraz, Iran and has more than 23 years of solid geological experience in mineral exploration. Mr. Shirvani is the President of Terracad Geoscience Services Ltd. and served as a member of the Board of Directors of several Junior Mining Companies including Gold Producer Barkerville Gold Mines Ltd. (BGM-TSXV) for more than 7 years (recently bought out by Osisko Gold Royalties Ltd. worth \$ 338 million). Mr. Shirvani brings to Doubleview a wealth of experience in Mining Property Acquisition, Exploration, and Development.

Andrew H. Rees. Mr. Rees has served as a director and a member of the Company’s audit committee since June 2011. Mr. Rees currently serves as an audit committee member and a director of a number of resource-based issuers. Based on his experience, Mr. Rees is financially literate with respect to junior mining issuers.

- (b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions).

Pre-Approval Policies and Procedures

The Audit Committee has not adopted any specific policies and procedures for the engagement of non-audit services.

Exemption in Section 6.1

The Company is a "venture issuer" as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations).

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101, Disclosure of Corporate Governance Practices, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the "**Guidelines**") adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company's approach to corporate governance is set out below.

Board of Directors

Management is nominating four individuals to the Board, of which all are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Company. The "material relationship" is defined as a relationship which could, in the view of the Company's Board, reasonably interfere with the exercise of a director's independent judgement. All of the current members of the Board are considered "independent" within the meaning of NI 52-110, except for Farshad Shirvani, who is the President and Chief Executive Officer of the Company.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to management, evaluate management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO and President. The Board will give direction and guidance through the CEO to management and will keep management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and the Audit Committee chairperson. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities, elects a chairperson of the Board and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO and the President, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) (the “Act”), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its audit committee.

Directorships

The following directors of the Company are directors and/or officers of other reporting issuers:

Name of Director of the Company	Names of Other Reporting Issuers
Farshad Shirvani	Casa Minerals Inc.
Andrew H. Rees	Casa Minerals Inc. Blende Silver Corp. Engineer Gold Mines Ltd. Golden Cariboo Resources Ltd. Klondike Silver Corp.
Charles Hugh Maddin	Makara Mining Corp. Medaro Mining Corp. Global Care Capital Inc.
Christopher Cherry	Please see Schedule “E” for all details

Orientation and Continuing Education

The Board’s practice is to recruit for the Board only persons with extensive experience in identifying and targeting junior businesses for transactions and in public company matters. Prospective new board members are provided a reasonably detailed level of background information, verbal and documentary, on the Company’s affairs and plans prior to obtaining their consent to act as a director.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract

or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Chairman and a majority of the non-executive directors.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

DOUBLEVIEW GOLD CORP. (the "Company")

AUDIT COMMITTEE CHARTER

(Implemented pursuant to National Instrument 52-110 – *Audit Committees*)

National Instrument 52-110 – *Audit Committees* (the "**Instrument**") relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Company. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Company wherein management solicits proxies from the security holders of the Company for the purpose of electing directors to the board of directors. The Company, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.

This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Committee in the oversight of the financial reporting process of the Company. Nothing in this Charter is intended to restrict the ability of the board of directors or Committee to alter or vary procedures in order to comply more fully with the Instrument, as amended from time to time.

I. MANDATE

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of Doubleview Gold Corp. (the "Company") shall assist the Board in fulfilling its financial oversight responsibilities. The Committee's primary duties and responsibilities under this mandate are to serve as an independent and objective party to monitor:

1. The quality and integrity of the Company's financial statements and other financial information;
2. The compliance of such statements and information with legal and regulatory requirements;
3. The qualifications and independence of the Company's independent external auditor (the "Auditor"); and
4. The performance of the Company's internal accounting procedures and Auditor.

II. STRUCTURE AND OPERATIONS

A. Composition

The Committee shall be comprised of three or more members.

B. Qualifications

Each member of the Committee must be a member of the Board.

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement.

C. Appointment and Removal

In accordance with the Articles of the Company, the members of the Committee shall be appointed by the Board and shall serve until such member's successor is duly elected and qualified or until such member's earlier resignation or removal. Any member of the Committee may be removed, with or without cause, by a majority vote of the Board.

D. Chair

Unless the Board shall select a Chair, the members of the Committee shall designate a Chair by the majority vote of all of the members of the Committee. The Chair shall call, set the agendas for and chair all meetings of the Committee.

E. Meetings

The Committee shall meet as frequently as circumstances dictate. The Auditor shall be given reasonable notice of, and be entitled to attend and speak at, each meeting of the Committee concerning the Company's annual financial statements and, if the Committee feels it is necessary or appropriate, at every other meeting. On request by the Auditor, the Chair shall call a meeting of the Committee to consider any matter that the Auditor believes should be brought to the attention of the Committee, the Board or the shareholders of the Company.

At each meeting, a quorum shall consist of a majority of members that are not officers or employees of the Company or of an affiliate of the Company.

As part of its goal to foster open communication, the Committee may periodically meet separately with each of management and the Auditor to discuss any matters that the Committee or any of these groups believes would be appropriate to discuss privately. In addition, the Committee should meet with the Auditor and management annually to review the Company's financial statements in a manner consistent with Section III of this Charter.

The Committee may invite to its meetings any director, any manager of the Company, and any other person whom it deems appropriate to consult in order to carry out its responsibilities. The Committee may also exclude from its meetings any person it deems appropriate to exclude in order to carry out its responsibilities.

III. DUTIES

A. Introduction

The following functions shall be the common recurring duties of the Committee in carrying out its purposes outlined in Section I of this Charter. These duties should serve as a guide with the understanding that the Committee may fulfill additional duties and adopt additional policies and procedures as may be appropriate in light of changing business, legislative, regulatory or other conditions. The Committee shall also carry out any other responsibilities and duties delegated to it by the Board from time to time related to the purposes of the Committee outlined in Section I of this Charter.

The Committee, in discharging its oversight role, is empowered to study or investigate any matter of interest or concern which the Committee in its sole discretion deems appropriate for study or investigation by the Committee.

The Committee shall be given full access to the Company's internal accounting staff, managers, other staff and Auditor as necessary to carry out these duties. While acting within the scope of its stated purpose, the Committee shall have all the authority of, but shall remain subject to, the Board.

2. Review the Company's financial reporting procedures and internal controls to be satisfied that adequate procedures are in place for the review of the Company's public disclosure of financial information extracted or derived from its financial statements, other than disclosure described in the previous paragraph, and periodically assessing the adequacy of those procedures.

Review disclosures made to the Committee by the Company's Chief Executive Officer and Chief Financial Officer during their certification process of the Company's financial statements about any significant deficiencies in the design or operation of internal controls or material weaknesses therein and any fraud involving management or other employees who have a significant role in the Company's internal controls.

Manner of Carrying Out its Mandate

1. Consult, to the extent it deems necessary or appropriate, with the Auditor, but without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements.
2. Request any officer or employee of the Company or the Company's outside counsel or Auditor to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.
3. Meet, to the extent it deems necessary or appropriate, with management, any internal auditor and the Auditor in separate executive sessions.
4. Have the authority, to the extent it deems necessary or appropriate, to retain special independent legal, accounting or other consultants to advise the Committee advisors.

7. Annually review the Committee's own performance.
8. Provide an open avenue of communication among the Auditor, the Company's financial and senior management and the Board.
9. Not delegate these responsibilities.

C. Limitation of Audit Committee's Role

These are the responsibilities of management and the Auditor.

4.6 Vesting of Options and Acceleration

Subject to the limitations in Section 3.8 and all applicable Regulatory Rules, the vesting schedule for an Option, if any, shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Plan Administrator may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Participant under Section 8.2 of the Plan. Notwithstanding the foregoing, if the Corporation is listed on the TSXV, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

4.7 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Plan Administrator may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate.

4.8 Exercise of Options

An Option may be exercised only by the Participant or the Personal Representative of any Participant. A Participant or the Personal Representative of any Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Plan Administrator the required Exercise Notice, the applicable Option Certificate and one of following forms of consideration, subject to Applicable Laws:

- (a) *Cash Exercise* - Consideration may be paid by a Participant sending a wire transfer, certified cheque or bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.
- (b) *Cashless Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by a Participant as follows: (i) a brokerage firm loans money to the Participant in order for the Participant to exercise Options to acquire the underlying Shares (the "**Loan**"); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Exercise Price of the Options that were exercised by the Participant in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Participant receives the balance of the Shares or the cash proceeds from the balance of such Shares.

- (c) *Net Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options such that, in lieu of a cash payment to the Corporation, a Participant, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Exercise Price of the subject Options, by (ii) the VWAP of the underlying Shares.

In the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Corporation, must be included in calculating the limits set forth in Sections 3.7, 3.8(a), 3.8(b) and 3.8(c).

4.9 **Issue of Share Certificates or Direct Registration Statements**

As soon as reasonably practicable following the receipt of the Exercise Notice, the Plan Administrator shall cause to be delivered to the Participant a certificate or direct registration statement for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Plan Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Participant concurrent with delivery of the certificate or direct registration statement for the Shares.

4.10 **Termination of Options**

Subject to such other terms or conditions that may be attached to Options granted hereunder, a Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Plan Administrator at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, pursuant to Article 6.

ARTICLE 5 ADDITIONAL OPTION TERMS

5.1 **Black-Out Period**

If the Expiry Date for an Option occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Option shall be extended no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation's securities.

5.2 **Withholding Taxes**

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or exercise, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or exercise of the Option. Any such additional payment is due no later than the date on which such amount with respect to the Option is required to be remitted to

the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise or vesting of such Option and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. For greater certainty, the application of this Section 5.2 to any granting, vesting or exercise of an Option shall not conflict with the policies of the Exchange that are in effect at the relevant time and the Corporation will obtain prior Exchange acceptance and/or shareholder approval of any application of this Section 5.2 if required pursuant to such policies.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Option or issuances of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

5.3 Recoupment

Notwithstanding any other terms of the Plan, Options may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Option, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

5.4 No Other Benefit

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Option granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Options whatsoever. Participants are expressly advised that the value of any Options issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Options.

ARTICLE 6 TERMINATION OF EMPLOYMENT OR SERVICES

6.1 Termination of Participant

Subject to Article 7 and unless otherwise determined by the Plan Administrator or as set forth in an Option Certificate:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Option held by the Participant that has

not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;

- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
 - (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and
 - (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i)

the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;

- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

6.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

6.3 Death or Disability

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

6.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this Article 6, subject to any necessary Regulatory Approvals and, in the case of Options granted to Investor Relations Service Providers, Section 3.8(d) and Section 4.6, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in Article 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.8.

ARTICLE 7 EVENTS AFFECTING THE CORPORATION

7.1 Change in Control

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.
- (b) Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

7.2 Triggering Events

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Certificate, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

7.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in

Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share.

7.4 Assumptions of Options in Acquisitions

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without shareholder approval, provided that: (a) the number of Shares issuable pursuant to the Options (and their applicable exercise price) is adjusted in accordance with the share exchange ratio applicable to the particular transaction, regardless of whether the adjusted exercise price is below the current Market Price; and (b) any other applicable policies of the TSXV have been complied with.

7.5 No Restriction on Action

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

7.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

7.7 Fractions

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this Article 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 8
AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

8.1 Discretion of the Plan Administrator

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

8.2 Amendment of Option or Plan

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the TSXV;
- (b) any amendment to the Plan is subject to the prior acceptance of the TSXV, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c) subject to any rules of the TSXV, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to disinterested shareholder approval in accordance with the policies of the TSXV.

ARTICLE 9
MISCELLANEOUS

9.1 Legal Requirement

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

9.2 Rights of Participant

No Participant has any claim or right to be granted an Option and the granting of any Option is not to be

construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

9.3 Conflict

In the event of any conflict between the provisions of the Plan and the provisions of an Option Certificate, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

9.4 Anti-Hedging Policy

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

9.5 No Guarantee of Tax Consequences

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

9.6 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

9.7 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

9.8 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

9.9 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability

of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

9.10 Notices

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

Doubleview Gold Corp.

Attention: Corporate Secretary

Such notices are, if delivered by hand or by courier, deemed to have been given by the sender and received by the addressee at the time of delivery. Any notice sent by email will be deemed to have been given by the sender and received by the addressee on the first Business Day after it was transmitted. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.

9.12 Governing Law

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

9.13 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to the Plan, including with respect to the grant of Options and any issuance of Shares made in accordance with the Plan.

- (b) making a cash payment to the Participant, which shall be calculated by multiplying the number of Vested Share Units to be redeemed for cash by the Market Price Per Share as at the Share Unit Settlement Date, net of applicable withholding taxes. Cash payment may be made through the Corporation’s payroll in the pay period that the Share Unit Settlement Date falls within.

For greater certainty, nothing in this Section 4.4 shall cause Share Units which have not Vested to vest by the Share Unit Settlement Date if such Share Units would not have otherwise Vested pursuant to the terms of the Award Agreement or the Plan Administrator’s determinations.

A holder of Share Units shall not have any right to demand, to be paid in, or receive any specific allocation of Shares or a cash payment in respect of a Vested Share Unit at any time. Notwithstanding any allocation by the Plan Administrator to settle Vested Share Units, or a portion thereof, in Shares or make a cash payment therefore, the Corporation reserves the right to change its allocation in respect thereof at any time up until payment is actually made, and the holder of such Vested Share Units shall not have the right, at any time to enforce settlement as to the allocation of Shares or cash payment.

- (a) Subject to Corporate Policies, the Board may fix from time to time a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 5.1(b) to participate in the grant of additional DSUs pursuant to this Section 5.1. The Board shall have the right, in its sole discretion, to accept or reject such request, in whole or in part, which acceptance or rejection shall be binding on the Electing Person for the applicable year. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this ARTICLE 5.1 and whose request is accepted by the Board shall receive their accepted Elected Amount in the form of DSUs in lieu of cash. The “**Elected Amount**” shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the “**Cash Fees**”).
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form as provided by the Corporation (the “**Election Notice**”) with the Chief Financial Officer of the Corporation:
 - (i) in the case of an existing Electing Person, by the end of the fiscal year preceding the fiscal year to which such election is to apply; and (ii) in the case of a newly appointed Electing Person, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. If no election is made within the foregoing time frames, or if the Corporation rejects the election request in its entirety, the Electing Person shall be paid the entire amount of his or her Elected Amount in cash.
- (c) The number of DSUs (including fractional DSUs) granted to an Electing Person at any particular time pursuant to this Section 5.1 will be calculated by dividing (a) the amount of any Director Fees that are to be paid in DSUs (including any Elected Amount), by (b) the Market Price of a Share on the Date of Grant.

5.2 Granting of DSUs to Participants

In addition to DSUs granted pursuant to Section 5.1, the Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of the Plan and such other terms and conditions as the Plan Administrator may determine, grant DSUs to any Participant, and, in doing so, may, without limitation, in its discretion, (a) designate the Participants who may receive DSUs under the Plan, (b) fix the number of DSUs, if any, to be granted to each Participant and the date or dates on which such DSUs shall be granted, (c) determine the relevant conditions and vesting provisions (including Performance Goals, if any, and the Performance Period), and (d) the vesting schedule of the DSUs.

5.3 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

5.4 Vesting of DSUs

The Vesting Date of a DSU shall not be prior to the first anniversary of the Date of Grant, other than:

- (a) in the event a Participant ceases to be a Participant due to death of the Participant as set out in Section 7.3; and
- (b) in the event a Participant ceases to be a Participant in connection with a Change in Control, as set out more particularly in Section 8.1.

5.5 Settlement of Vested DSUs

- (a) Subject to Section 6.2 and ARTICLE 7, each Vested DSU shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled:
 - (i) prior to the Participant Service Separation Date; or
 - (ii) later than 12 months following the Participant Service Separation Date.

If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the Participant Service Separation Date (the “**DSU Settlement Date**”).

- (b) On the DSU Settlement Date, the Corporation shall settle each Vested DSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its discretion (subject to any necessary Exchange approvals):
 - (i) issuing the Participant one (1) fully paid and non-assessable Share from treasury for each Vested DSU and delivering a Share certificate to the Participant representing the amount thereof (or in the case of Shares issued in uncertificated form, causing the issuance of the aggregate number of Shares as the Participant shall then be entitled to receive to be evidenced by a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation); or
 - (ii) making a cash payment to the Participant, which shall be calculated by multiplying the number of Vested DSUs to be redeemed for cash by the Market Price Per Share as at the DSU Settlement Date, net of any applicable withholding taxes. Cash payment may be made through the Corporation’s payroll in the pay period that the DSU Settlement Date falls within or via cheque.

A holder of DSUs shall not have any right to demand, to be paid in or receive any specific allocation of Shares or a cash payment in respect of a Vested DSU at any time. Notwithstanding any allocation by the Plan Administrator to settle Vested DSUs, or portion thereof, in Shares or make a cash payment therefore, the Corporation reserves the right to change its allocation in respect thereof at any time up until payment is actually made, and the holder of such Vested DSUs shall not have the right at any time to enforce settlement as to the allocation of Shares or cash payment.

The DSUs in respect of which Shares are issued or a cash payment is made shall be cancelled, and no further issuances or payments shall be made to the Participant under the Plan in relation to such DSUs.

ARTICLE 6
ADDITIONAL AWARD TERMS

6.1 Dividend Equivalents

- (a) Subject to the terms and conditions of the Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Share Units and DSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first Business Day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with Sections 4.4 and 5.5, respectively. Where the proposed issuance of Shares by the Corporation would result in the limits contained in Sections 3.7 or 3.8 being exceeded, the dividend equivalents which have vested in proportion to the Share Units and DSUs to which they relate shall instead be settled in cash in accordance with Sections 4.4(b) and 5.5(b)(ii), respectively.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares, and nothing in the Plan shall be interpreted as creating such an obligation.

6.2 Black-Out Period

If a settlement date for an Award occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Award shall be settled no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation's securities.

6.3 Withholding Taxes

The granting, vesting or settlement of each Award under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. For greater certainty, the application of this Section 6.3 to any granting, vesting or settlement of an Award shall not conflict with the policies of the Exchange that are in effect at the relevant time and the Corporation will obtain prior Exchange acceptance and/or shareholder approval

of any application of this Section 6.3 if required pursuant to such policies.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Awards granted under the Plan, whether arising as a result of the grant or payment in respect of the Award or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Award or issuances of Shares or cash payments made under the Plan and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

6.4 Compliance with the Tax Act

The terms and conditions applicable to any Award (or portion thereof) granted to a Participant who is subject to taxation under the Tax Act are intended to comply with the Tax Act. Without limiting the foregoing,

- (a) the terms of any such Award (or portion thereof) permitting the deferral of payment or other settlement thereof shall be subject to such requirements and shall be administered in such manner as the Plan Administrator may determine to be necessary or appropriate to comply with the applicable provisions of the Tax Act; and
- (b) any elections allowed to be exercised by a Participant shall be deemed to be void or shall be deemed amended or altered so as not to cause the Award to be considered a “salary deferral arrangement” under the Tax Act, as defined in Section 248(1) of the Tax Act, or create adverse tax consequences under the Tax Act.

6.5 Recoupment

Notwithstanding any other terms of the Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Award, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 6.5 to any Participant or category of Participants.

6.6 No Other Benefit

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Award granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Awards whatsoever. Participants are expressly advised that the value of any Awards issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Awards.

ARTICLE 7
TERMINATION OF EMPLOYMENT OR SERVICES

7.1 Termination of Participant

Subject to ARTICLE 8 and unless otherwise determined by the Plan Administrator or as set forth in an Award Agreement:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Award held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Awards held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Awards held by the Participant that have Vested as of the Termination Date shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Award held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Awards held by the Participant that have Vested as of the Termination Date shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) a portion of any Awards held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Awards multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Awards were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Awards were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Awards will immediately vest;

- (ii) subject to Section 7.1(c)(i), any Awards held by the Participant that are not yet Vested at the Termination Date after the application of Section 7.1(c)(i) shall be immediately forfeited to the Corporation; and
- (iii) any Awards held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 7.1(c)(i) shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Awards under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 7.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Awards shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

7.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Award during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

7.3 Death or Disability

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Award held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the first anniversary of the date of the death or Disability of the Participant. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Awards under the Plan ceases as of the date of the death or Disability of the Participant.

7.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this ARTICLE 7, subject to Section 4.3(b) and Section 5.4 and any necessary

Regulatory Approvals, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in ARTICLE 7, permit the acceleration of vesting of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Awards occurs, then such Awards will be settled in accordance with Sections 4.4 and 5.5, as applicable.

ARTICLE 8 EVENTS AFFECTING THE CORPORATION

8.1 Change in Control

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Awards held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Corporation shall settle such Awards in accordance with Section 4.4 and 5.5, as applicable, provided that in the event that any Awards are subject to the satisfaction of Performance Goals, then the vesting of such Awards shall accelerate and vest only to the extent that such Performance Goals have been satisfied, and further provided that if the Performance Goals are, in the Plan Administrator's discretion, capable of being partially performed, then vesting shall be accelerated on a pro rata basis to reflect the degree to which such Performance Goals have been satisfied, as determined solely by the Plan Administrator.
- (b) Notwithstanding Section 8.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance, as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become realizable, or payable; (iii) restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment); (v) the replacement of such Award with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 8.1(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction.

8.2 **Triggering Events**

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Award Agreement, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Awards granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Awards prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Awards or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Awards may have otherwise been subject.

8.3 **Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator may, subject to prior TSXV acceptance, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Awards.

8.4 **Assumptions of Awards in Acquisitions**

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Awards under the Plan without shareholder approval, provided that: (a) the number of Shares issuable pursuant to the Awards (and their applicable exercise or subscription price) is adjusted in accordance with the share exchange ratio applicable to the particular transaction, regardless of whether the adjusted exercise price is below the current Market Price; and (b) any other applicable policies of the TSXV have been complied with.

8.5 **No Restriction on Action**

The existence of the Plan and of any Awards granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

8.6 Issue by Corporation of Additional Shares

Except as expressly provided in this ARTICLE 8, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

8.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this ARTICLE 8 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 9 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

9.1 Amendment, Suspension, or Termination of the Plan

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV, and to Section 9.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

9.2 Shareholder Approval

Notwithstanding Section 9.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the approval of shareholders of the Corporation shall be required for any amendment to the Plan except for the following:

- (a) amendments to fix typographical errors; and
- (b) amendments to clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

ARTICLE 10 MISCELLANEOUS

10.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

10.2 **Rights of Participant**

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

10.3 **Conflict**

In the event of any conflict between the provisions of the Plan and the provisions of an Award Agreement, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

10.4 **Anti-Hedging Policy**

By accepting the Award, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

10.5 **No Guarantee of Tax Consequences**

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

10.6 **Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

10.7 **Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

10.8 **Successors and Assigns**

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

10.9 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

10.10 Notices

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

10.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date.

10.12 Governing Law

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

10.13 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to the Plan, including with respect to the grant of Awards and any issuance of Shares made in accordance with the Plan.
