Notice and Access

The Corporation is using the notice-and-access procedures (“**Notice and Access**”) under the Canadian Securities Administrators’ National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* for the delivery of the Circular for the Meeting to its Shareholders.

Under Notice and Access, instead of receiving paper copies of the Circular, Shareholders will be receiving a Notice and Access notification with information on how they may obtain a copy of the Circular electronically or request a paper copy. Registered Shareholders will still receive a proxy form enabling them to vote at the Meeting. The use of Notice and Access in connection with the Meeting reduces paper use, as well as the Corporation’s printing and mailing costs.

The Company will arrange to mail paper copies of the Circular to those registered Shareholders who have existing instructions on their account to receive paper copies of the Corporation's Meeting materials. The Company urges its holders of common shares (each, a "Common Share") in the capital of the Corporation ("Shareholders") to review the Circular before voting.
