

T. Maunula & Associates Consulting Inc.

15 Valencia Drive, Chatham, ON N7L 0A9

CONSENT OF QUALIFIED PERSON

I, Tim Maunula, state that I am responsible for preparing the technical report titled “***NI 43-101 Technical Report for the Larocque East Project, Northern Saskatchewan***” with an effective date of: May 15, 2019, as signed and certified by me (the “Technical Report”).

Furthermore, I state that:

- (a) I consent to the public filing of the Technical Report by IsoEnergy Ltd. (IsoEnergy);
- (b) The document that the Technical Report supports is the press release titled “**IsoEnergy Files Larocque East Uranium Property Technical Report**” (the “Document”) dated June 12, 2019;
- (c) I consent to the use of extracts from, or a summary of, the Technical Report in the Document disclosed by IsoEnergy.
- (d) I confirm that I have read the Document being filed by IsoEnergy and that it fairly and accurately represents the information in the Technical Report for which I am responsible.

Dated at Chatham, Ontario this 10th of June, 2019

“Original Document Signed and Sealed”

Tim Maunula, P.Geol.
Principal Geologist
