

INFORMATION CIRCULAR
(as at November 17, 2020, unless indicated otherwise)

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Max Resource Corp. (the "Company") for use at the Annual General Meeting of the shareholders of the Company to be held on Wednesday, December 16, 2020 (the "Meeting"), at the time and place and for the purposes set out in the accompanying notice of meeting and at any adjournment thereof. The solicitation will be made by mail and may also be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the Company. The Company will bear the cost of this solicitation. The Company will not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principal's authorization to execute forms of proxy.

APPOINTMENT AND REVOCATION OF PROXY

Registered Shareholders

Registered shareholders may vote their common shares by attending the Meeting in person or by completing the enclosed proxy. Registered shareholders should deliver their completed proxies to Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th floor, Toronto, Ontario, M5J 2Y1 or by facsimile at 1-866-249-7775 or (416) 263-9524 (by mail, telephone or internet according to the instructions on the proxy), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, otherwise the shareholder will not be entitled to vote at the Meeting by proxy.

The persons named in the proxy are directors and officers of the Company and are proxyholders nominated by management. **A shareholder has the right to appoint a person other than the nominees of management named in the enclosed instrument of proxy to represent the shareholder at the Meeting. To exercise this right, a shareholder must insert the name of its nominee in the blank space provided. A person appointed as a proxyholder need not be a shareholder of the Company.**

A registered shareholder may revoke a proxy by:

- (a) signing a proxy with a later date and delivering it at the place and within the time noted above;
- (b) signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed, as set out in the notes to the proxy) and delivering it to the registered office of the Company, 700 W Georgia Street, 25th Floor, Vancouver, British Columbia, V7Y 1B3, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof,
- (c) attending the Meeting or any adjournment thereof and registering with the scrutineer as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked; or
- (d) in any other manner provided by law.

Beneficial Shareholders

The information set forth in this section is of significant importance to many shareholders, as many shareholders do not hold their shares in the Company in their own name. Shareholders holding their shares through banks, trust companies, securities dealers or brokers, trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans or other persons (any one of which is herein referred to as an "Intermediary") or otherwise not in their own name (such shareholders herein referred to as "Beneficial Shareholders") should note that only proxies deposited by shareholders appearing on the records maintained by the Company's transfer agent as registered shareholders will be recognized and allowed to vote at the Meeting. If a shareholder's shares are listed in an account statement provided to the shareholder by a broker, in all likelihood those shares are **not** registered in the shareholder's name and that shareholder is a Beneficial Shareholder. Such shares are most likely registered in the name of the shareholder's broker or an agent of that broker. In Canada the vast majority of such shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. Shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted at the Meeting at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or "NOBOs") or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or "OBOs").

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a "VIF"), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the "Meeting Materials") directly to the NOBOs and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to OBOs. The Company does not intend to pay for Intermediaries to forward the Meeting materials to OBOs. OBOs will not receive the Meeting Materials unless their Intermediary assumes the cost of delivery.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder's shares on the Beneficial Shareholder's behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions ("Broadridge") in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. **A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting – Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

The Meeting Materials are being sent to both registered and non-registered owners of the Company's shares. If you are a Beneficial Shareholder and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of the Company's securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

If a shareholder specifies a choice with respect to any matter to be acted upon, the shares represented by proxy will be voted or withheld from voting by the proxy holder in accordance with those instructions on any ballot that may be called for. In the enclosed form of proxy, in the absence of any instructions in the proxy, it is intended that such shares will be voted by the proxyholder, if a nominee of management, in favour of the motions proposed to be made at the meeting as stated under the headings in the notice of meeting accompanying this Information Circular. If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxyholder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment.

The instrument of proxy enclosed, in the absence of any instructions in the proxy, also confers discretionary authority on any proxyholder other than the nominees of management named in the instrument of proxy with respect to the matters identified herein, amendments or variations to those matters, or any other matters which may properly be brought before the Meeting. To enable a proxyholder to exercise its discretionary authority a shareholder must strike out the names of the nominees of management in the enclosed instrument of proxy and insert the name of its nominee in the space provided, and not specify a choice with respect to the matters to be acted upon. This will enable the proxyholder to exercise its discretion and vote on such matters in accordance with its best judgment.

At the time of printing this Information Circular, management of the Company is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized capital of the Company consists of an unlimited number of common shares. On November 10, 2020 (the “Record Date”), the Company had 84,678,100 common shares outstanding. All common shares in the capital of the Company are of the same class and each carries the right to one vote. Only those shareholders of record on the Record Date are entitled to attend and vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, there are no persons that beneficially own, directly or indirectly, or exercise control or direction over, 10% or more of the common shares of the Company.

Stock Options and Other Compensation Securities

During the financial year ended December 31, 2019, no NEOs or directors of the Company were issued compensation securities.

Exercise of Stock Options

During the financial year ended December 31, 2019, no NEOs or directors of the Company exercised compensation securities.

Stock Option Plan and Other Incentive Plans

The Company has adopted a “rolling” stock option plan (the “Plan”) pursuant to which the board of directors (the “Board”) may grant options (the “Options”) to purchase common shares of the Company

(the “Shares”) to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Plan, the maximum number of Shares reserved for issuance, including Options currently outstanding, is equal to 10% of the Shares outstanding.

The number of Shares which may be the subject of Options on a yearly basis to any one person cannot exceed 5% of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the discounted market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “Exercise Period”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) 90 days (or such other period of time as permitted by any rule or regulation of such exchange on which the Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) 30 days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Plan.

Employment, Consulting and Management Agreements

The Company has not entered into any agreement or arrangement under which compensation was provided during the most recently completed fiscal year ended December 31, 2019, or is payable in respect of services provided to the Company or any of its subsidiaries that were: (a) performed by a director or NEO, or (b) performed by any other party but are services typically provided by a director or a NEO.

Oversight and Description of Director and NEO Compensation

Compensation Program Objectives

The objectives of the Company’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Company’s continued success;
- to align the interests of the Company’s executives with the interests of the Company’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Company is a junior mineral exploration company involved in exploration and development of early-stage mineral

properties and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of the NEOs.

Purpose of the Compensation Program

The Company's executive compensation program has been designed to reward executives for reinforcing the Company's business objectives and values, for achieving the Company's performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of consulting fees, performance bonus and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The consulting fees of a NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed consulting fee, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. The pre-established, quantitative target(s) used to determine performance bonuses are set each fiscal year. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Stock options may be awarded to NEOs based on performance measured against set objectives. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Company's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program, Compensation Risk and Compensation Governance

The Board approves the compensation of the NEOs. The Company does not presently have a compensation committee and the Company has not retained any compensation advisor or compensation consultant in respect of its compensation policies.

It is anticipated that a portion of the Company's executive compensation may consist of options granted under the Company's Plan. Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long-term value creation. As the benefits of such compensation, if any, are not realized by the executive until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and its shareholders is limited.

The other two elements of compensation, consulting fees and performance bonuses, represent the remaining portion of an executive's total compensation. While neither salary nor bonus are "long term" or "at risk", as noted above, these components of compensation are not at a level of total compensation whereby an executive would take inappropriate or excessive risks at the expense of the Company and its shareholders that would be beneficial to them from the standpoint of their short-term compensation when their long-term compensation might be put at risk from their actions.

Due to the small size of the Company, and the current level of the Company's activity, the Board is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which, financial and other information of the Company are reviewed, and which includes executive compensation. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

NEOs and directors of the Company are not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Consulting Fees

Consulting Fees for NEOs are expected to continue to be set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions. In setting base compensation levels, consideration is to be given to such factors as level of responsibility, experience and expertise. Subjective factors such as leadership, commitment and attitude are also to be considered. The Company has not established performance goals for its NEOs.

Pension Arrangements

The Company does not have any pension arrangements in place for the NEOs and directors.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLAN

The following table sets out, as of the end of the most recently completed financial year ended December 31, 2019, all required information with respect to compensation plans under which equity securities of the Company are authorized for issuance:

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
Equity compensation plans approved by securityholders	75,000	3.60	2,715,615
Equity compensation plans not approved by securityholders	Nil	N/A	Nil
Total	75,000		2,715,615

CORPORATE GOVERNANCE

Board of Directors

The Board presently consists of three directors, two of whom are independent. The definition of independence used by the Company is that used by the Canadian Securities Administrators, which is set out in section 1.4 of National Instrument 52-110 *Audit Committees* ("NI 52-110"). A director is independent if he has no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their very nature considered to be material relationships and are specified in section 1.4 of NI 52-110.

Paul John and Patrick Frandle are considered to be independent directors. Brett Matich is not considered to be independent as he is management of the Company.

The Board believes that the principal objective of the Company is to generate economic returns with the goal of maximizing shareholder value, and that this is to be accomplished by the Board through its stewardship of the Company. In fulfilling its stewardship function, the Board's responsibilities will include strategic planning, appointing and overseeing management, succession planning, risk identification and management, environmental oversight, communications with other parties and overseeing financial and corporate issues. Directors are involved in the supervision of management.

Pursuant to the *Business Corporations Act* (British Columbia), directors must declare any interest in a material contract or transaction or a proposed material contract or transaction. Further, the independent members of the Board meet independently of management members when warranted.

Other Directorships

The directors of the Company are also directors of the following other reporting issuers:

Brett Matich	N/A
Paul John	N/A
Patrick Frandle	N/A

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for directors. If and when new directors are added, however, they have the opportunity to become familiar with the Company by meeting with other directors and with officers and employees of the Company. As each director has a different skill set and professional background, orientation and training activities are and will continue to be tailored to the particular needs and experience of each director. The Company's financial and legal advisers are also available to the Company's directors.

Code of Ethics

The Board has adopted a Code of Ethics (the "Code"), which applies to all directors, officers, employees and consultants of the Company, and prescribes a high standard ethical conduct in all dealings related to the affairs of the Company.

The Code provides basic guidelines setting forth the ethical behavior expected from every employee of the Company with respect to the use of Company time and assets, protection of confidential information, conflicts of interest, trading in the Company's securities and other matters. Every employee of the Company is subject to the Code and will be requested to sign a form acknowledging that he understands its contents and agrees to be bound by its provisions.

In summary, all employees must:

- follow applicable laws and regulations wherever the Company does business;
- work safely, in accordance with regulatory and other industry standards;
- treat everyone fairly and equitably: customers, suppliers, other employees, Company stakeholders and third parties dealing with the Company;
- refrain from speaking publicly on Company matters, unless authorized;
- refrain from trading on, and "tipping" others on, confidential information;
- respect the confidential nature of the information to which they may have access and refrain from sharing same, except on a need-to-know basis;
- always perform their duties in the best interests of the Company;
- avoid conflicts of interest, both real and perceived;

- be honest and act with integrity;
- handle Company assets with care and refrain from using same and Company time for personal purposes;
- respect the right of all employees to fair treatment and equal opportunity;
- respect the right of all employees to a working environment free from discrimination or harassment of any sort;
- act in a respectful and professional manner with other employees;
- refrain from inappropriately influencing the political process;
- work in an environmentally responsible manner;
- respect the cultures and rights of communities where the Company operates its business;
- ensure that all transactions are handled honestly and recorded accurately; and
- report any violation to this Code.

In the Board's regular meetings, the Board considers the Company's operations and business activities in light of the Code. The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity.

Whistle-Blowing Policy

The Board has also adopted a Whistle-Blowing Policy (the "WB Policy"), which applies to all directors, officers, employees and consultants of the Company. The aim of the WB Policy is to ensure that the Company provides a mechanism by which it may be informed of dishonest, fraudulent, unacceptable behaviour, conduct and practices made by its directors, officers, consultants and employees regarding accounting, internal accounting controls or auditing or related matters (a "Questionable Event"). The Company expects its directors, officers, employees and consultants to feel confident about disclosing and reporting on any concerns they may have about any Questionable Event they are aware of. The WB Policy is structured as a formal tool to allow the receipt, retention and treatment of complaints, denunciations, warnings and any form of notice by any director, officer, employee or consultant of the Company regarding a Questionable Event.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees for election to the Board. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members.

Compensation

The Board has not established a Compensation Committee. The Board as a whole is responsible for reviewing the adequacy and form of compensation paid to the Company's executives and key employees, and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Board evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives, and makes recommendations with respect to compensation levels based on such evaluations.

Other Board Committees

The Board has not established any committees other than the Audit Committee.

Assessments

There is no formal committee with the responsibility for assessing the effectiveness of the Board as a whole. The Board as a group regularly reviews its performance and assesses the effectiveness of the Board as a whole.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

General

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Company's financial statements and the independence and performance of the Company's external auditor, acting as a liaison between the Board and the Company's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.

Audit Committee Charter

The Board has adopted an Audit Committee Charter, which sets out the Audit Committee's mandate, organization, powers and responsibilities. The Audit Committee Charter is attached as Schedule "A" to this Information Circular.

Notes:

- (1) A member of the Audit Committee is independent if he has no direct or indirect "material relationship" with the Company. A material relationship is a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment. An executive officer of the Company, such as the President, is deemed to have a material relationship with the Company.
- (2) A member of the Audit Committee is financially literate if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services, however, as provided for in NI 52-110 the Audit Committee must pre-approve all non-audit services to be provided to the Company or its subsidiaries, unless otherwise permitted by NI 52-110.

Stock Option Plan

The Company's current stock option plan is a "rolling" stock option plan (the "Plan"), which makes a maximum of 10% of the issued and outstanding Shares available for issuance thereunder.

The purpose of the Plan is to provide directors, officers and key employees of, and certain other persons who provide services to, the Company with an opportunity to purchase Shares of the Company at a specific price, and subsequently benefit from any appreciation in the value of the Shares. This provides an incentive for such persons to contribute to the future success of the Company and enhances the ability of the Company to attract and retain skilled and motivated individuals, thereby increasing the value of the Shares for the benefit of all Shareholders.

The exercise price of stock options granted under the Plan will be determined by the Board and will be priced in accordance with the policies of the Exchange, and will not be less than the closing price of the Common Shares on the Exchange on the date prior to the date of grant less any allowable discounts. All options granted under the Plan will have a maximum term as permitted by the Exchange and will be the dates fixed by the Board at the time the options are granted.

The Plan provides that it is solely within the discretion of the Board to determine who should receive options and how many they should receive. The Board may issue a majority of the options to insiders of the Company. However, the Plan provides that in no case will the Plan or any existing share compensation arrangement of the Company result, at any time, in the issuance to any option holder, within a one-year period, of a number of Common Shares exceeding 5% of the Company's issued and outstanding Common Share capital.

The Exchange requires listed companies that have "rolling" stock option plans in place to receive shareholder approval for such plans on a yearly basis at the company's annual Shareholders meeting. The full text of the Plan is available for review by any Shareholder up until the day preceding the Meeting by calling the Company at (604) 365-1522.

Upon the approval of the Plan by Shareholders, Shareholder approval will not be required or sought on a case-by-case basis for the purpose of the granting of options and the exercise of options under the Plan.

At the Meeting, Shareholders will be asked to approve an ordinary resolution approving the Plan. The text of the resolution to be considered and, if thought fit, approved at the Meeting is as follows:

"BE IT RESOLVED THAT:

1. Subject to the approval of the Exchange, the Plan, which makes a total of 10% of the issued and outstanding shares of the Company available for issuance thereunder as described in the Company's Information Circular dated November 17, 2020, be and is hereby ratified, confirmed and approved.
2. The Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the Plan.
3. Any one director or officer of the Company be and is hereby authorized and directed to perform all such acts, deeds and things and execute all such documents and other instruments as may be required to give effect to the true intent of this resolution."

In order to be effective, the foregoing ordinary resolutions must be approved by a simple majority of the votes cast by those shareholders of the Company who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the Plan.

The directors of the Company believe the passing of the foregoing ordinary resolution is in the best interests of the Company and recommend that shareholders of the Company vote in favour of the resolution.

Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the Plan.

OTHER BUSINESS

It is not known whether any other matters will come before the Meeting other than those set forth above and in the notice of meeting, but if any other matters do arise, the persons named in the proxy intend to vote on any poll, in accordance with their best judgment, exercising discretionary authority with respect to amendments or variations of matters ratified in the notice of meeting and other matters which may properly come before the Meeting or any adjournment.
