INFORMATION CIRCULAR

For the Annual and Special Meeting of Shareholders
to be held on June 16, 2017

PROXIES

Management Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of NexgenRx Inc. (the "Corporation") for use at the Annual and Special Meeting of the shareholders of the Corporation ("Shareholders") to be held at the head office of NexgenRx Inc., located at 185 The West Mall, Suite 600, Toronto, Ontario M9C 5L5, on June 16, 2017 at 11:00 a.m. (Toronto time) (the "Meeting"), or at any adjournment thereof, for the purpose set forth in the Notice of Meeting accompanying this Information Circular.

The information contained herein, unless otherwise stated, is given as of May 16, 2017. There is enclosed herewith a form of proxy for use at the Meeting, to be placed before the Shareholders at the Meeting pursuant to the *Business Corporations Act* (Ontario). Shareholders are urged to participate in the Meeting and to vote on the matters to be considered in person or by proxy.

The people named in the accompanying proxy will vote the common shares ("Common Shares") in respect of which they are appointed in accordance with the direction of the Shareholder appointing them. In the absence of such direction, such shares will be voted in favour of the matters to be acted on as set out herein.

The costs incurred in the preparation and mailing of both the proxy and this Information Circular will be borne by the Corporation. In addition to the use of the mail, proxies may be solicited by personal interviews, telephone or other means by directors, officers and regular employees of the Corporation who will not be directly compensated therefore. Brokerage houses and other custodians, nominees and fiduciaries will be reimbursed for the reasonable expenses of forwarding documents to beneficial owners for whom shares are held, in accordance with applicable securities laws.

Record Date

The directors of the Corporation have set the close of business on April 17, 2017 as the record date (the "Record Date") for determining which Shareholders shall be entitled to receive notice of and to vote at the Meeting. Only Shareholders of record as of the Record Date are entitled to receive notice of and to vote at the Meeting.

Appointment and Revocation of Proxies

Those Shareholders desiring to be represented by proxy must deposit their forms of proxy with [TSX Trust Company](#), 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, no later than 48 hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment thereof, or with the chairman of the Meeting on the date of the Meeting or any adjustment thereof. A proxy must be executed by the holder of voting shares or his attorney authorized in writing, or if the Shareholder is a corporation, under its seal by a duly authorized officer or attorney thereof. No instruments appointing a proxy shall be valid after the expiration of 12 months from the date of its execution.

The people named in the form of proxy accompanying this Information Circular are officers and/or directors of the Corporation. Each Shareholder submitting the proxy has the right to appoint a person to represent and act for him or it at the Meeting other than the person designated in the

NexgenRx Inc.

form of proxy furnished by the Corporation. Such person does not need to be a Shareholder of the Corporation. The Shareholder may exercise this right by striking out the names of the person so designated and inserting the name of the desired representative in the blank space provided, or by completing another proper form of proxy in place of this form of proxy and in either case depositing the proxy with Equity Financial Trust Company, at the head office of the Corporation, or with the chairman of the Meeting within the time specified above for deposit of proxies.

An instrument of proxy may be revoked by the person giving it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person.

In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or his attorney authorized in writing, or if the Shareholder is a corporation, under its seal or by a duly authorized officer or attorney thereof, and deposited either at the head office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of such Meeting on the day of the Meeting, or any adjournment thereof, and upon either of such deposits the proxy is revoked.

The form of proxy forwarded to Shareholders with the Notice of Meeting and this Information Circular confers discretionary authority upon the nominees named in the proxy with respect to amendments or variations to matters identified in the Notice of Meeting accompanying this Information Circular and with respect to other matters which may properly come before the Meeting.

At the date hereof, management of the Corporation knows of no such amendment, variation or other matter. If any such amendment, variation or other matter properly comes before the meeting, the instruments of proxy with respect to such matters will be voted in accordance with the best judgment of the person voting the proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting of Common Shares – General

The authorized share capital of the Corporation consists of an unlimited number of Common Shares, an unlimited number of Class A preferred shares, an unlimited number of Class B preferred shares, an unlimited number of Class C preferred shares, an unlimited number of Class D preferred shares and an unlimited number of Class E preferred shares, of which 60,091,943 Common Shares were issued and outstanding as of the record date of April 17, 2017. The Corporation has granted an aggregate of 800,000 options that remain outstanding under the employee stock option plan, of which 640,000 were exercisable, but unexercised, as at the record date.

The Corporation will prepare a list of Shareholders of record as at the close of business on April 17, 2017 (the "Record Date"). A holder of Common Shares named on that list will be entitled to vote the Common Shares then registered in such holder's name. Holders of the Common Shares are entitled to one vote at the Meeting for each Common Share held.

Voting shall be by a show of hands except where, either before or after a show of hands, a ballot is required by the chairman of the Meeting or is requested by any persons present or represented by proxy and entitled to vote at the Meeting and holding at least 10% of the Common Shares represented at the Meeting. Upon a show of hands, every Shareholder present shall have one vote.

NexgenRx Inc.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "CDS").

These securityholder materials are being sent to both registered and Non-Registered Holders of the securities. If you are a Non-Registered Holder, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Proxy Circular and the instrument of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service company (such as Broadridge Investor Communications Solutions ("Broadridge")) to forward Meeting Materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will:

- (a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through the Internet at www.proxyvotecanada.com; or
- (b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with TSX Trust Company at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered**

NexgenRx Inc.

Holders should carefully follow the instructions of their Intermediaries and their service companies.

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

Principal Holders of Common Shares

To the knowledge of the directors and senior officers of the Corporation, the following are the only persons who beneficially own, directly or indirectly or exercise control or direction over the Common Shares carrying more than 10% of the voting rights attached to the Common Shares as at the record date of April 17, 2017.

Majority Voting

The Board of Directors has adopted a Majority Voting Policy stipulating that in an uncontested election of directors (being an election where the number of nominees for director positions is equal to the number of directors authorized to be elected upon such election, as determined by the Board of Directors or Shareholders), if the number of Common Shares "withheld" for any nominee exceeds the number of Common Shares voted "for" the nominee, then, notwithstanding that such director was duly elected as a matter of corporate law, the director shall be required to forthwith submit his/her resignation as a director (and, as applicable, a member of any committee of the Board of Directors) to the Chairman of the Board of Directors following the applicable Shareholders' meeting (and in any event, within seven (7) days of such meeting), which shall become effective upon acceptance by the Board of Directors. Following receipt of a resignation submitted pursuant to the Majority Voting Policy, the Board of Directors shall

NexgenRx Inc.

consider the resignation forthwith, and shall accept the resignation forthwith, except in cases where "exceptional circumstances" apply. For this purpose, "exceptional circumstances" means occasions where such resignation would, in the opinion of a majority of the Board of Directors, have a material strategic, economic, commercial, operational or regulatory impact on the Corporation. Where exceptional circumstances apply, the Board may delay accepting the resignation until such time as the "exceptional circumstances" have been fully assessed and addressed to the satisfaction of the Board of Directors. Following the Board of Directors' acceptance of the resignation, the Board of Directors shall publicly disclose the applicable director's resignation. When a resignation is accepted, subject to any corporate law restrictions, the Board of Directors may leave the vacancy unfilled or appoint a new director to fill the vacancy.

In the event that any director who receives a greater number of proxy votes withheld than votes in favour of such director's election does not tender his/her resignation in accordance with the Majority Voting Policy, he/she will not be re-nominated by the Board of Directors, and the Board of Directors may apply to an applicable court for an order authorizing the Corporation to file a Notice of Change of Directors with the applicable corporate registry.

NexgenRx Inc.

Conflicts of Interest

The directors and officers of the Corporation may, from time to time, be involved with the business and operations of other issuers, in which case a conflict of interest may arise between their duties as officers and directors of the Corporation and as officer and directors of such other companies. Such conflicts must be disclosed in accordance with, and are subject to such procedures and remedies, as applicable, under the *Business Corporations Act* (Ontario).

3. Appointment of Auditors

Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of the re-appointment of Grant Thornton LLP Canada Chartered Accountants, as auditors of the Corporation, to hold office until the close of the next annual meeting, at a remuneration to be determined by the board of directors of the Corporation. Grant Thornton LLP Canada Chartered Accountants was first appointed as auditors of the Corporation in October 2016. Approval of the appointment of the auditors will require the affirmative votes of the holders of not less than half of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote "FOR" the resolution.**

4. Approval of Stock Option Plan

In accordance with the TSX Venture Exchange's (the "Exchange") policy governing stock options, all issuers that have a rolling stock option plan reserving a maximum of 10% of the issued and outstanding shares of the Corporation must receive yearly shareholder approval of the stock option plan. The Board of Directors has recently approved an Amended and Restated Stock Option Plan, the primary amendment being a change to the maximum term of stock options from five (5) years to ten (10) years. A copy of the Amended and Restated Stock Option Plan is attached hereto as Appendix "A". The Exchange requires the 2017 Amended and Restated Stock Option Plan to be ratified and approved by the Shareholders of the Corporation.

Management of the Corporation will place before the Meeting the following resolution relating to the ratification and approval of the 2017 Amended and Restated Stock Option Plan:

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Corporation's 2017 Amended and Restated Stock Option Plan be and is hereby ratified, confirmed and approved in substantially the form attached as Appendix "A" to the Information Circular prepared for the purposes of this Meeting, subject to acceptance by the TSX Venture Exchange;
2. The Corporation be and is authorized to grant stock options for up to 10% of the Common Shares of the Corporation outstanding from time to time pursuant and subject to the terms and conditions of the 2017 Amended and Restated Stock Option Plan;

4. The Board of Directors be authorized on behalf of the Corporation to make any amendments to the 2017 Amended and Restated Stock Option Plan as may be required by regulatory authorities, without further approval of the Shareholders of the Corporation, in order to ensure adoption of the 2017 Amended and Restated Stock Option Plan;
5. Notwithstanding that this resolution has been duly passed by the shareholders of the Corporation, without further resolution of shareholders, approval is hereby given to the Board of Directors of the

NexgenRx Inc.

Corporation, in their sole discretion, to revoke this resolution at any time and refrain from implementing the 2017 Amended and Restated Stock Option Plan; and

6. Any one director or officer of the Corporation be and he is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution."

The approval by Shareholders requires a favourable vote of a majority of the Common Shares voted in respect thereof at the Meeting. The Exchange requires such approval before it will allow the adoption of the 2017 Amended and Restated Stock Option Plan. Options to purchase Common Shares that were previously granted to directors, officers and employees of the Corporation will be deemed to be granted under the Plan. **Unless instructed otherwise, the management designees in the accompanying Instrument of Proxy intend to vote "FOR" the foregoing resolution.**

5. Other Business

The management of the Corporation knows of no matter to come before the Meeting other than the matters referred to in the Notice of Meeting. However, if any other matters properly come before the Meeting, the accompanying Instrument of Proxy will be voted on such matters with the best judgment of the person or persons voting the proxy.

The Corporation has no other incentive plans other than its stock option plan (the "**Plan**"). The Plan provides that the board of directors may from time to time, in its discretion, grant to directors, officers and employees of the Corporation and to consultants retained by the Corporation, non-transferable options to purchase common shares ("**Common Shares**"), or such other shares as may be substituted therefore, in the capital of the Corporation for a period of up to ten (10) years from the date of the grant provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares of the Corporation at the date of the grant.

The purpose of this Plan is to advance the interests of the Corporation by encouraging the directors, officers and employees of the Corporation and consultants retained by the Corporation to acquire Common Shares, thereby: (i) increasing the proprietary interests of such persons in the Corporation; (ii) aligning the interests of such persons with the interests of the Corporation's shareholders generally; (iii) encouraging such persons to remain associated with the Corporation and (iv) furnishing such persons with an additional incentive in their efforts on behalf of the Corporation.

The following is a summary of the material terms of the Plan:

- The number of Common Shares to be reserved and authorized for issuance pursuant to options granted under the Plan shall not exceed ten percent (10%) of the total number of issued and outstanding shares in the Corporation.
- Under the Plan, the aggregate number of optioned Common Shares granted to any one optionee in a 12 month period must not exceed 5% of the Corporation's issued and outstanding shares. The number of optioned Common Shares granted to any one consultant in a 12 month period must not exceed 2% of the Corporation's issued and outstanding shares. The aggregate number of optioned Common Shares granted to an optionee who is employed to provide investor relations' services must not exceed 2% of the Corporation's issued and outstanding Common Shares in any 12 month period.
- The exercise price for options granted under the Plan will not be less than the market price of the Corporation's Common Shares at the time of the grant, less applicable discounts permitted by the policies of the TSX Venture Exchange ("TSX-V").
- Options will be exercisable for a term of up to ten (10) years, subject to earlier termination in the event of the optionee's death or the cessation of the optionee's services to the Corporation.
- Options granted under the Plan are non-assignable, except by will or by the laws of descent and distribution.

The Corporation's Plan was approved by shareholders at the Corporation's Annual and Special Meeting of the Shareholders held on May 26, 2016. An Amended and Restated version of the Plan (increasing the maximum term of options from five (5) to ten (10) years has been approved by the Board of Directors and is subject to ratification and approval by the Shareholders at the Meeting.

his employment with the Corporation. These terms are reviewed by the Compensation Committee on an annual basis. Mr. Loucks' employment agreement provides for gross annual remuneration of \$180,000 until such time as the Corporation has earned a Pre-Tax Profit¹ in each of two consecutive fiscal quarters (and thereafter such increased amount as the Compensation Committee may recommend and the board of directors approve), a monthly vehicle allowance and such benefits as the Corporation may offer to its officers and employees from time to time. These benefits include basic life and disability insurance, and a health care spending account to a maximum of \$1,200 per year. Mr. Loucks is also entitled to be reimbursed for all reasonable travel and other out-of-pocket expenses incurred in the performance of his duties. Pursuant to his employment agreement, Mr. Loucks is also entitled to receive such additional remuneration, by way of lump sum bonus or otherwise, as the Compensation Committee may recommend and the board of directors may approve, to fairly compensate him for his contribution to the success of the Corporation generally and for his personal performance in discharging the duties and responsibilities of his office. Mr. Loucks' employment agreement is for an indefinite term, and may be terminated by the Corporation for cause, by reason of incapacity or death, or without cause, and may be terminated by Mr. Loucks, as a result of retirement or resignation on not less than 60 days' notice to the Corporation. In the event that Mr. Loucks' employment is terminated without cause by the Corporation, then Mr. Loucks shall be entitled to a payment equal to two times the aggregate of: (i) his then current base salary per annum; plus (ii) the average of the aggregate of certain specified bonuses paid (if any) during the last two calendar years preceding the date of termination. The amount of such payment shall then be payable by the Corporation, at the election of Mr. Loucks, in a lump sum equal to a discounted amount (calculated in accordance with a specified percentage and discounted further to present value) or in the full amount but paid monthly over a period of 24 months. In the event of any such termination, for any reason, any unvested stock options held by Mr. Loucks would expire and terminate, and any vested options would have to be exercised within a specified period of time. Pursuant to his employment agreement, Mr. Loucks has agreed to not compete with the Corporation for a period of two years from the date of the termination of employment, irrespective of the cause of such termination. It should also be noted that the Corporation has obtained a \$1 million key-man insurance policy over Mr. Loucks. Oversight and description of directors and NEO compensation

The Compensation Committee recommends to the Board of Directors of the Corporation the compensation of the Corporation's directors, NEO and senior officers that the Committee feels is suitable, primarily by comparison of the remuneration paid by other companies that the Committee feels are similarly placed within the same business as the Corporation.

Market comparisons as well as evaluation of similar positions in the same industry and/or in the same geography are among the criteria used in recommending compensation levels. Following a review of such criteria, the Compensation Committee makes a recommendation to the Board of Directors, which may adopt the recommendation or modify it as it sees fit.

Compensation provided to Named Executive Officers consists of two principal components: (1) base salaries; and (2) Options granted pursuant to the Corporation's Stock Option Plan.

Base salaries – The Corporation's view of base salaries is that they should be competitive with industry peers, to the extent that can be determined, and with other public companies at similar stages of development and having similar assets, number of employees, market capitalization and profit margin. Employment agreements entered into with certain Named Executive Officers also provide for salary adjustments that are tied to corporate targets, such as positive Pre-Tax Profit (as defined below).

Options – Pursuant to the Corporation's Stock Option Plan, the board of directors of the Corporation, at its discretion, determines all grants of stock options to Named Executive Officers. Such grants are considered incentives intended to align the Named Executive Officers' and shareholders' interests in the long term. The Corporation emphasizes stock options in executive compensation as they allow the Named Executive Officers to share in corporate results in a manner that is relatively cost-effective despite the effects of treating stock options as a compensation expense. The Compensation Committee provides recommendations to the board of directors with respect to option grants to Named Executive Officers.

The objective of the Board of Directors and the Compensation Committee in setting compensation levels is to attract and retain individuals of high calibre to serve as officers of the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of executive officers with the long term interests of the shareholders, while at the same time preserving cash

NexgenRx Inc.

flows. These objectives are designed to ensure that the Corporation continues to grow on an absolute basis as well as to grow cash flow and earnings for Shareholders. The Board of Directors (following recommendation of the Compensation Committee) sets the compensation received by NEO so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size, stage of development, having similar assets, number of employees, market capitalization and profit margin. In setting such levels, the Board of Directors and the Compensation Committee relies primarily on their own experience and knowledge.

Pension disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement for the Directors and NEOs.

The period during which an Option may be exercised (the "Option Period") shall be determined by the Board at the time that the Option is granted, subject to any vesting limitations which may be imposed by the Board in its sole unfettered discretion at the time that such Option is granted and Sections 11, 12 and 16 below, provided that:

- (a) no Option shall be exercisable for a period exceeding ten (10) years from the date that the Option is granted unless the Corporation receives the permission of the stock exchange or exchanges on which the Shares are then listed and as specifically provided by the Board and as permitted under the rules of any stock exchange or exchanges on which the Shares are then listed;
- (b) no Option in respect of which shareholder approval is required under the rules of any stock exchange or exchanges on which the Shares are then listed shall be exercisable until such time as the Option has been approved by the shareholders of the Corporation;
- (c) the Board may, subject to the receipt of any necessary regulatory approvals, in its sole discretion, accelerate the time at which any Option may be exercised, in whole or in part;
- (d) any Options granted to any Participant must expire within 90 days after the Participant ceases to be a Participant, and within 30 days for any Participant engaged in investor relation activities after such Participant ceases to be employed to provide investor relation activities; and
- (e) should the expiry date of an Option fall within a Black-Out Period or within nine business days following the expiration of a Black-Out Period, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the Black-Out Period, such tenth business day to be considered the expiry date for such Option for all purposes under the Plan. - (c) Any Participant (or his legal, personal representative) wishing to exercise an Option shall deliver to the Corporation, at its principal office in the City of Toronto, Ontario:
 - (i) a written notice expressing the intention of such Participant (or his legal, personal representative) to exercise his Option and specifying the number of Shares in respect of which the Option is exercised; and

- (d) Upon the exercise of an Option as aforesaid, the Corporation shall use reasonable efforts to forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his legal, personal representative) or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Shares in respect of which the Option has been duly exercised.

11. Ceasing to be a Director, Officer, Employee or Consultant

If any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Corporation (as the case may be) for any reason other than death, his/her Option will terminate at 4:00 p.m. (Toronto time) on the earlier of the date of the expiration of the Option Period and 90 days after the date such Participant ceases to hold the position or positions of director, officer, employee or consultant of the Corporation as the case may be, and ceases to actively perform services for the Corporation. Notwithstanding the foregoing, an Option granted to a Participant who performs investor relations services on behalf of the Corporation shall terminate on the date that is 30 days after the termination of the employment or cessation of services being provided and shall be subject to Exchange policies and procedures for the termination of Options for investor relations services. For greater certainty, the termination of any Options held by the Participant, and the period during which the Participant may exercise any Options, shall be without regard to any notice period arising from the Participant's ceasing to hold the position or positions of director, officer, employee or consultant of the Corporation (as the case may be).

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall: (i) confer upon such Participant any right to continue as a director, officer, employee or consultant of the Corporation, as the case may be; or (ii) be construed as a guarantee that the Participant will continue as a director, officer, employee or consultant of the Corporation, as the case may be.

12. Death of a Participant

In the event of the death of a Participant, any Option previously granted to him shall be exercisable until the end of the Option Period or until the expiration of 12 months after the date of death of such Participant, whichever is earlier, and then, in the event of death, only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or applicable law; and

14. Proceeds from Exercise of Options

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

15. Adjustments

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made to the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share that may be acquired upon the exercise of the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent any dilution or enlargement of the same.
- (b) Adjustments under this Section 15 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued upon the exercise of an Option following the making of any such adjustment.

16. Change of Control

Notwithstanding the provisions of section 11 or any vesting restrictions otherwise applicable to the relevant Options, in the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change of control of the Corporation, each Participant shall be entitled to exercise, in whole or in part, the Options granted to such Participant hereunder, either during the term of the Option or within 90 days after the date of the sale or change of control, whichever first occurs.

For the purpose of this Plan, "change of control of the Corporation" means and shall be deemed to have occurred upon:

- (c) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or
- (d) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a bona fide reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the re-arrangement); or
- (e) individuals who were members of the Board of the Corporation immediately prior to a meeting of the shareholders of the Corporation involving a contest for or an item of business relating to the election of directors, not constituting a majority of the Board following such election.

17. Transferability

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall be non-transferrable and non-assignable unless specifically provided herein. During the lifetime of a Participant, any Options granted hereunder may only be exercised by the Participant and in the event of the death of a Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.

18. Amendment and Termination of Plan

The Board may, at any time, suspend or terminate this Plan. The Board may also, at any time, amend or revise the terms of this Plan, subject to the receipt of all necessary regulatory approvals, provided that no such amendment or revision shall alter the terms of any Options theretofore granted under this Plan.

19. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan and Options granted hereunder is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If Shares cannot be issued to a Participant upon the exercise of an Option for any reason whatsoever, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

20. Stock Exchange Rules

This Plan and any option agreements entered into hereunder shall comply with the requirements from time to time of the stock exchange or exchanges on which the Shares are listed.

CORPORATE GOVERNANCE

Pursuant to National Policy 58-101 *Disclosure of Corporate Governance Practices* the Corporation is required to and hereby discloses its corporate governance practices as follows.

1. Board of Directors

The Board of Directors of the Corporation (the "Board") facilitates its exercise of independent supervision over the Corporation's management through frequent meetings of the Board.

The following directors are currently considered "independent" in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Corporation, other than the interests and relationships arising from shareholdings: David Rosenkrantz, Patrick Crowley, Barry Reiter, Connie Graham and Catherine Novick. It is expected that Charles Burns will, if elected at the Annual and Special Meeting of the Corporation's shareholders, be considered "independent".

The following directors are, or have been within the past three years, members of management and thus are not considered independent: Ronald C. Loucks and Thomas F. Corcoran.

2. Directorships

The following current and proposed directors of the Corporation presently serve as directors of other reporting issuers as follows:

Director	Other Reporting Issuer
Ronald C. Loucks	None
Thomas F. Corcoran	None
Patrick G. Crowley	None
David A. Rosenkrantz	Carfinco Financial Group Inc.
Barry J. Reiter	Baylin Technologies Inc.
Charles Burns	Phoenix Canada Oil Company
	Starrex International Limited
Connie Graham	None
Catherine Novick	None

3. Orientation and Continuing Education

Directors are provided with a Director's Manual, corporate documentation and have the opportunity to become familiar with the Corporation by meeting with other directors and its officers and employees. Orientation activities are tailored to the particular needs and expertise of each director and the overall needs of the Board. Mr. Crowley, Ms. Novick, Ms. Graham and Mr. Corcoran have formal governance accreditation through the Institute of Corporate Directors.

4. Ethical Business Conduct

The Board of Directors of the Corporation has adopted a written Code of Business Conduct & Ethics (the "Code") for its directors, officers, employees and consultants. As a measure to encourage compliance with the proposed Code, the Board has also established a whistleblower policy which details the complaint procedures for financial concerns.

The Board must comply with the conflict of interest provisions of the *Business Corporations Act* (Ontario), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transaction and agreements in respect of which a director or executive officer has a material interest.

In addition to the Code, the Board has adopted a Corporate Disclosure Policy and a Policy on Trading and Confidentiality of Insider Information.

5. Nomination of Directors

The Board has established a Corporate Governance and Nominating Committee, which has been charged to consider and report periodically to the Board on all matters relating to the selection and qualification of members of the Board. In order to identify new candidates for nomination to the Board, the Board of Directors of the Corporation considers the recommendation of the Corporate Governance and Nominating Committee, in addition to the advice and input of the entire board of directors, regarding:

- a. the appropriate size of Board, the necessary competencies and skills of the Board as a whole and the competencies and skills of each director individually; and
- b. the identification and recommendation of new individuals qualified to become a new Board member. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Corporation, the ability to devote the time required and a willingness to serve.

In reviewing "board diversity", the Corporate Governance and Nominating Committee has resolved that the nomination of any new board members should be based upon the individual nominee being the best qualified candidate at such time, though noted that if a search process for new candidates were to be conducted, it should be ensured that female candidates are considered.

The Board of Directors has also adopted a Majority Voting Policy stipulating that in an uncontested election of directors (being an election where the number of nominees for director positions is equal to the number of directors authorized to be elected upon such election, as determined by the Board of Directors or Shareholders), if the number of Common Shares "withheld" for any nominee exceeds the number of Common Shares voted "for" the nominee, then, notwithstanding that such director was duly elected as a matter of corporate law, the director shall be required to forthwith submit his/her resignation as a director (and, as applicable, a member of any committee of the Board of Directors) to the Chairman of the Board of Directors following the applicable Shareholders' meeting (and in any event, within seven (7) days of such meeting), which shall become effective upon acceptance by the Board of Directors.

6. Compensation

The Compensation Committee recommends to the Board of Directors of the Corporation the compensation of the Corporation's directors and the CEO and senior officers that the Committee feels is suitable, primarily by comparison of the remuneration paid by other corporations that the Committee feels are similarly placed within the same business as the Corporation.

7. Other board Committees

Other than the Audit and Compensation Committees, the Corporation does not have any Board Committees other than the Corporate Governance and Nominating Committee.

A written charter establishing and governing the Corporate Governance and Nominating Committee has been approved by the Board. This Committee is to be composed of not fewer than three directors, a majority of which are to be "independent". Members are to be appointed annually and meetings are to be held at least twice annually. The Corporate Governance and Nominating Committee's purpose is to

In furtherance of those responsibilities, the Committee shall:

- (i) be responsible for the implementation of systems designed to ensure that (i) newly elected directors and committee members receive effective and comprehensive orientation, (ii) all directors are provided continuing education opportunities, both to maintain and enhance their skills and abilities as directors, and (iii) directors' knowledge and understanding of the Corporation's business remains current;
- (j) coordinate the periodic assessment of the effectiveness of the Board, its committees and individual directors;
- (k) assist in establishing procedures for effective Board meetings and otherwise ensure that processes, procedures and structures are in place to ensure that the Board functions independently of the Corporation's management and without conflicts of interest;
- (l) confirm that systems and processes are in place to ensure that the Board can fulfill its responsibility for oversight of the Corporation's investor relations and public relations activities;

8. Assessments

Together with the Corporate Governance and Nominating Committee (and in accordance with and consideration of the recommendations thereof), the Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its committees, including reviewing the Board's decision making processes and the quality of information provided by management.
