MANAGEMENT SOLICITATION

This information circular (the "Circular") is furnished to you in connection with the solicitation of proxies by management of Silver Viper Minerals Corp. ("we", "us", "Silver Viper" or the "Company") for use at the annual general and special meeting (the "Meeting") of shareholders of the Company ("Silver Viper Shareholders") to be held at 11:00 am (Vancouver time) on Tuesday, June 27, 2023 and at any adjournment of the Meeting. We will conduct the solicitation by mail, and our officers, directors and employees may, without receiving special compensation, contact Silver Viper Shareholders by telephone, electronic means, or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse Silver Viper Shareholders, nominees, or agents for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

GENERAL PROXY INFORMATION

Appointment of Proxyholders

The persons named as proxyholders in the enclosed form of proxy are the Company's directors and officers. **As a Silver Viper Shareholder, you have the right to appoint a person or company (who need not be a Silver Viper Shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

Voting by Proxy

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. **If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.**

The enclosed form of proxy gives the persons named as proxyholders discretionary authority regarding amendments to or variations of matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. **However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgment.**

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an "X" in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxyholders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

Non-Registered Holders

Only Silver Viper Shareholders whose names appear on our records or validly appointed proxyholders are permitted to vote at the Meeting. Most Silver Viper Shareholders are "non-registered" Silver Viper Shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered Silver Viper Shareholder.

Non-registered Silver Viper Shareholders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "**NOBOs**". Those non-registered Silver Viper Shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "**OBOs**".

In accordance with securities regulatory requirements under National Instrument 54-101- *Communication with Beneficial Owners of Securities of a Reporting Issuer*, we will have distributed copies of the Notice of Meeting, this Circular, and the form of proxy (the "**Meeting Materials**") directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting Materials to each OBO unless the OBO has waived the right to receive them. Management does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials, and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary* and that in the case of an OBO, the objecting beneficial owner will not receive these materials unless the OBO's intermediary assumes the cost of delivery.

Silver Viper Shares held by Nominees can only be voted in accordance with the instructions of the non-registered Silver Viper Shareholder. Meeting Materials sent to non-registered Silver Viper Shareholders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "**VIF**"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered Silver Viper Shareholder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered Silver Viper Shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered Silver Viper Shareholders to direct the voting of the shares they beneficially own. Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the non-registered holder may request a legal proxy as set forth in the VIF, which will grant the non-registered holder or his/her nominee the right to attend and vote at the Meeting. Non-registered Silver Viper Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

Revocability of Proxy

If you are a registered Silver Viper Shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered Silver Viper Shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment or postponement thereof.

If you are a non-registered Silver Viper Shareholder who wishes to revoke a proxy authorization form or VIF or to revoke a waiver of your right to receive Meeting Materials and to give voting instructions, you must give written instructions to your Nominee in accordance with such Nominee's instructions.

Notice of the Meeting was posted on the Company's SEDAR profile on April 28, 2023.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as set out herein, none of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (each, a "**Silver Viper Share**"), of which 104,899,968 Silver Viper Shares were issued and outstanding as of the record date, being May 19, 2023 (the "**Record Date**"). The Company has only two classes of shares, common and preferred. There are no preferred shares outstanding as of the Record Date. Holders of preferred shares are not entitled to vote Silver Viper Shares.

Persons who are registered Silver Viper Shareholders at the close of business on the Record Date will be entitled to receive notice of, attend, and vote at the Meeting. On a show of hands, every Silver Viper Shareholder and proxyholder will have one vote and, on a poll, every Silver Viper Shareholder present in person or represented by proxy will have one vote for each Silver Viper Share. In order to approve a motion proposed at the meeting, a majority of more than 50% of the votes cast will be required to pass an ordinary resolution.

To the knowledge of the directors and executive officers of the Company, as of the date of this Circular, no person or company beneficially owns directly or indirectly, controls, or directs shares carrying 10% or more of the voting rights attached to all outstanding shares of the Company.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation, Philosophy and Objectives

On April 29, 2022, the Company appointed a compensation committee (the "**Compensation Committee**") and adopted a Compensation Committee Charter providing the Compensation Committee with the overall responsibility of recommending levels of executive compensation in order to attract, hire, retain and motivate the Company's Chief Executive Officer, Chief Financial Officer, and other executive officers (collectively,

"**Management**") and certain key employees and non-executive officers below the vice-president level (collectively, "**Non-Management Officers**") and for recommending compensation of directors. See Appendix B of this Circular for a full copy of the Compensation Committee Charter.

The Compensation Committee consists of a minimum of three members, each of whom, to the extent possible, shall be independent within the meaning of National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"). As of the date of this Circular, the members of the Compensation Committee are Gary Cope, N. Ross Wilmot and Art Freeze, each of whom are considered independent for the purposes of NI 52-110.

The Silver Viper board of directors (the "**Silver Viper Board**") meets to discuss and determine management compensation upon recommendation by the Compensation Committee in accordance with the parameters set out in the Compensation Committee Charter. In accordance with the Compensation Committee Charter, the Silver Viper Board has delegated to the Compensation Committee the following duties and responsibilities:

- (a) recommend to the Silver Viper Board: (i) the performance targets and corporate goals relevant to Management compensation and evaluate the performance of Management in relation to such goals; (ii) the proposed appointment of any person to Management; (iii) Management compensation; (iv) Non-Management Officer compensation; and (v) compensation of the directors who serve on the Silver Viper Board or its committees.
- (b) administer the Stock Option Plan and recommend to the Silver Viper Board all awards and benefits to be granted under such plan to Management and Non-Management Officers;
- (c) with the assistance of Management, monitor compensation trends and recommend to the Silver Viper Board compensation policies and plans for the Company; and
- (d) review the Company's disclosure related to executive compensation disclosure and the Stock Option Plan;

In carrying out its duties, the Compensation Committee may engage outside consultants to aid in its review of the Company's compensation program and policies.

The Silver Viper Board, as a whole and based on the recommendations of the Compensation Committee, aims to ensure that total compensation paid to Management, Non-Management Officers and directors is fair and reasonable. The Silver Viper Board relies on the experience of its members as officers and directors with other junior mining companies in assessing compensation levels based on the recommendations provided by the Compensation Committee. No director or member of Management (including the Named Executive Officers (as hereinafter defined)) is permitted to purchase financial instruments that are designed to hedge or offset a decrease in the market value of the Company's equity securities held directly or indirectly.

Analysis of Elements

Base compensation is used to provide the Management and Non-Management Officers a set amount of money during the year with the expectation that each such person will perform his or her responsibilities to the best of his or her ability and in the best interests of the Company. The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward members of Management and Non-Management Officers' efforts to increase value for Silver Viper Shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to directors, officers, consultants, and employees periodically at the discretion of the Silver Viper Board, on recommendation from the Compensation Committee. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's current 2017 stock option plan, which was most recently approved by Silver Viper Shareholders at the annual general and special meeting held on June 22, 2022 (the "**Stock Option Plan**"). The Silver Viper Board may, on a recommendation from the Compensation Committee, choose to grant a cash bonus to Management and Non-Management Officers during the year at its sole discretion. The amount and timing of such bonus will depend on the needs of the Company, the amount of cash in the treasury, and the relative amounts each member of management or consultant earns in fees each month.

Long-Term Compensation and Option-Based Awards

The Company has no long-term incentive plans other than the Stock Option Plan. The Company's directors, officers, employees, and consultants are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of senior management, employees, and other consultants. The Silver Viper Board believes that the Stock Option Plan aligns the interests of the Management, Non-Management Officers and the Silver Viper Board with Silver Viper Shareholders by linking a component of executive compensation to the longer-term performance of the Silver Viper Shares.

Options to purchase Silver Viper Shares under the terms of the Stock Option Plan (each, a "**Silver Viper Option**") are granted by the Silver Viper Board, on recommendations from the Compensation Committee. In monitoring or adjusting the Silver Viper Option allotments, the Compensation Committee takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous Silver Viper Option grants and the objectives set for Management, Non-Management Officers and the Silver Viper Board. In addition to determining the number of Silver Viper Options to be granted pursuant to the methodology outlined above, the Compensation Committee, on behalf of the Silver Viper Board, also makes the following determinations:

- the parties who are entitled to participate in the Stock Option Plan;
- the exercise price of each Silver Viper Option granted;
- the date on which each Silver Viper Option is granted;
- the vesting period, if any, for each Silver Viper Option;
- the other material terms and conditions of each Silver Viper Option grant; and
- any re-pricing, cancellation, or amendment to a Silver Viper Option grant.

The Compensation Committee makes these determinations subject to and in accordance with the provisions of the Stock Option Plan. The Silver Viper Board reviews and approves grants of Silver Viper Options periodically during the financial year based on the recommendations of the Compensation Committee.

Pursuant to the Stock Option Plan, the Silver Viper Board may grant Silver Viper Options to directors, officers, employees and consultants as incentives. The number of Silver Viper Options awarded to a recipient is determined by their position and their potential future contributions to Silver Viper. The exercise price of Silver Viper Options is determined by the Silver Viper Board, on recommendation from the Compensation Committee, but will in no event be less than the closing trading price of the Silver Viper Shares on the TSX Venture Exchange (the "**TSXV**") on the day before a Silver Viper Option is granted.

The executive officers and Silver Viper Board refer to the Compensation Committee with respect to setting or amending any equity incentive plans under which share-based or option-based awards are granted, including the Stock Option Plan. The Compensation Committee carries out these responsibilities in accordance with the Compensation Committee Charter.

Pursuant to the Belcarra Agreement, Belcarra, a company wholly owned by a director of the Company, provides management, administrative, office facilities, and other related services including the provision of personnel as may be required by the Company from time to time, with costs allocated on a shared and proportional basis with certain other companies that have also engaged Belcarra to provide these services, including a CFO and Corporate Secretary to the Company in exchange for a variable monthly fee which is calculated as 33.33% of the total costs incurred by Belcarra for the applicable month. During the year ended December 31, 2022, Belcarra provided services to the Company, as well as to two other publicly traded companies, being Barsele Minerals Corp., and Orex Minerals Inc., and the cost of such services was allocated on a proportional basis among the three companies at 33.33% per company. Pursuant to the terms of the Belcarra Agreement, as amended January 1, 2021, the Company will pay Belcarra a fee of \$1,000,000 in the event of a Change of Control (as such term is defined in the Belcarra Agreement) of the Company. Such fee will be due and payable on the date of the Change of Control and will be in addition to any other fees due by the Company to Belcarra under the Belcarra Agreement.

CORPORATE GOVERNANCE

The following is a summary of the Company's corporate governance disclosure required by Form 58-101F2 of National Instrument 58-101 - *Disclosure of Corporate Governance Practices*.

Silver Viper Board

The Silver Viper Board, at present, is composed of five directors, two of whom are executive officers of the Company and three of whom are considered to be "independent", as that term is defined in applicable securities legislation. Arthur Freeze, Gary Cope, and N. Ross Wilmot are considered to be independent directors. Mr. Stephen Cope, President and CEO and Ms. Carla Hartzenberg, CFO, by reason of their respective offices, are not. In determining whether a director is independent, the Silver Viper Board chiefly considers whether the director has a relationship which could, or could be perceived to, interfere with the director's ability to objectively assess the performance of management.

The Silver Viper Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Silver Viper Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Silver Viper Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff, and complying with applicable regulatory requirements. The Silver Viper Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans, and annual operating plans.

Directorships

Certain of the directors of the Company are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Name of Other Reporting Issuer (or Equivalent in Foreign Jurisdiction)
Arthur Freeze	Canasil Resources Inc.; Orex Minerals Inc.; Barsele Minerals Corp.; Norsemont Mining Inc.
N. Ross Wilmot	Orex Minerals Inc.; Barsele Minerals Corp.; Burrell Resources Inc.
Gary Cope	Barsele Minerals Corp.

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and consultants. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Silver Viper Board.

Ethical Business Conduct

The Silver Viper Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Silver Viper Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Silver Viper Board in which the director has an interest, have been sufficient to ensure that the Silver Viper Board operates independently of management and in the best interests of the Company. Every quarter, the members of the Silver Viper Board, as well as the Company's officers and senior management, each sign a confirmation acknowledging the Company's code of ethical conduct and the following policies implemented by the Company: (i) conflicts of interest; (ii) insider trading; and (iii) discrimination, harassment, and bullying.

Nomination of Directors

The Silver Viper Board has not appointed a nominating committee because the Silver Viper Board fulfills these functions. The Silver Viper Board periodically reviews suggestions from existing directors regarding potential changes to the Silver Viper Board.

Compensation

All compensation matters are dealt with by the Silver Viper Board upon recommendations by the Compensation Committee.

To determine compensation payable, the Compensation Committee, established April 29, 2022, reviews compensation paid to directors, CEOs, and CFOs of companies of similar size and stage of development. The Compensation Committee determines appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management, while taking into account the financial and other resources of the Company. In setting the compensation, the independent directors annually review the performance of the CEO and CFO in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

In terms of specific experience of the Compensation Committee relevant to the determination of executive compensation, N. Ross Wilmot is a Chartered Professional Accountant who has provided public companies with senior financial management services for more than 20 years; Gary Cope has an extensive history as an executive in the junior resource industry; and Art Freeze has held Consulting, Management & Supervisory positions with international mining companies.

The Company is a small junior resource company with limited financial resources. The compensation program for senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives including attracting and retaining qualified executives, motivating the short and long-term performance of the executives, and aligning the interests of the executives with those of the Silver Viper Shareholders.

The Compensation Committee may seek independent compensation advice where appropriate from external consultants in order to assist it in assessing executive remuneration levels and aligning directors and executive remuneration packages with comparable market compensation. The Compensation Committee has not yet engaged such external advice.

Committees of the Silver Viper Board

The Silver Viper Board has appointed an Audit Committee, a Compensation Committee and a Corporate Governance Committee, the members of which are as follows:

Assessments

The Silver Viper Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Silver Viper Board, its committees or individual directors, other than the reviews to be completed by the Compensation Committee from time to time. The relatively small size of the Company enables the Silver Viper Board to satisfy itself that individual directors are performing effectively. As the Company grows, the Silver Viper Board will consider adopting further formal procedures for evaluating director and committee performance.

AUDIT COMMITTEE

As at the date of this Circular, the Audit Committee is composed of Gary Cope, N. Ross Wilmot, and Art Freeze. All of the members of the committee are "financially literate". Gary Cope, N. Ross Wilmot and Art Freeze are "independent." Under this heading, the Company is including the disclosure required by Form 52-110F2 of NI 52-110. The text of the Audit Committee Charter is attached in Appendix A.

The Silver Viper Board and management will ensure that the Audit Committee has adequate funding to fulfill its duties and responsibilities.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemptions contained in Sections 2.4 or Part 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total amount of fees payable to the auditor in the financial year in which the non-audit services were provided. Part 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Under s. 5 (b)(c) and (d) of Form 52-110F2, the Company has not relied on any of the following exemptions:

Section 6.1 exempts the Company from the requirements of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110 and allows for the short form of disclosure of audit committee procedures set out in Form 52-110F2 *Disclosure by Venture Issuers* and disclosed in this Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON

Number of Directors

Under the Company's articles, the number of directors may be fixed or changed from time to time by ordinary resolution but must not be fewer than three. There are currently five directors, and five nominees are proposed by management for election at the Meeting.

At the Meeting, Silver Viper Shareholders will be asked to pass an ordinary resolution setting the number of directors at five (5).

Election of Directors

Directors are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general and special meeting, unless he resigns or otherwise vacates office before that time.

Nominations and Voting

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below, all of whom are presently members of the Silver Viper Board. Management does not expect that any of the nominees will be unable to serve as a director. The articles of the Company include rules regarding the requirement for advance notice for the nomination of directors (the "**Advance Notice Provisions**"). The purpose of the Advance Notice Provisions is to provide Silver Viper Shareholders, directors and management of the Company with direction on the procedure for shareholder nomination of directors. As the first public announcement of the Meeting was filed on the Company's SEDAR profile on April 28, 2023, the deadline for Silver Viper Shareholders to submit nominations for election to the Silver Viper Board at the Meeting has passed.

Approval of Incentive Stock Option Plan

The only equity compensation plan which the Company currently has in place is the Stock Option Plan which was most recently approved by Silver Viper Shareholders on June 22, 2022.

The intention of management with the Stock Option Plan is to give Eligible Persons (defined below) the opportunity to participate in the success of the Company by granting them Silver Viper Options, thereby giving them an ongoing proprietary interest in the Company. The Stock Option Plan requires the approval of Silver Viper Shareholders each year in the annual general and special meeting of Silver Viper Shareholders in accordance TSXV Policy 4.4 – "*Security Based Compensation*" ("**Policy 4.4**") of the TSXV Corporate Finance Manual (the "**Exchange Manual**").

In addition, on May 18, 2023, the Silver Viper Board approved the following amendments (the "**Amendments**") to the Stock Option Plan to update the language in respect of the limits on the number of Silver Viper Shares issuable under all Security Based Compensation Plans (which as of the date of this circular is just the Stock Option Plan) of the Company to the requirements of Policy 4.4:

5.5 The following limitations apply to grants of Options under this Plan:

(a) the aggregate number of ~~Options~~ **Shares that are issuable under all Security Based Compensation Plans** granted **or issued** to any one Person (and companies owned or controlled by that Person) in **any** twelve-month period must not exceed 5% of the Issued Shares...

(b) the aggregate number of ~~Options~~ **Shares that are issuable under all Security Based Compensation Plans** granted **or issued** to any one Consultant in **any** twelve-month period...

The Stock Option Plan is a rolling plan, with the Company authorized to reserve a maximum of 10% of the issued and outstanding share capital at the time of the grant. As a result, any increase in the number of issued and outstanding Silver Viper Shares will result in an increase in the number of Silver Viper Shares available for issuance under the Stock Option Plan.

Terms of the Stock Option Plan

A full copy of the Stock Option Plan, as amended by the Amendments, will be available at the Meeting for review by Silver Viper Shareholders. Silver Viper Shareholders may also obtain copies of the Stock Option Plan from the Company before the Meeting on written request. The following is a summary of the material terms of the Stock Option Plan, as amended by the Amendments, which summary is qualified in its entirety by the complete text of the Stock Option Plan, as amended by the Amendments, a copy of which is attached to this Circular as

Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of a Silver Viper Option, such Silver Viper Option will, at the election of the Company, cease and terminate.

Exercise Price: Subject to any adjustments made pursuant to the Stock Option Plan, Silver Viper Options granted under the terms of the Stock Option Plan will be exercisable at a price that is not less than the market price of the Silver Viper Shares as of the date of grant, being the closing sale price of the Silver Viper Shares on the TSXV on the last day that Silver Viper Shares were traded before the date of grant.

Termination of Plan: The Stock Option Plan will terminate when it is terminated by Silver Viper. Any Silver Viper Options outstanding when the Stock Option Plan is terminated will remain in effect until they are exercised, or they expire.

At the Meeting, Silver Viper Shareholders will be asked to pass an ordinary resolution approving the Stock Option Plan in the following form:

APPENDIX A AUDIT COMMITTEE CHARTER

The purpose of the Audit Committee (the "**Committee**") is to assist the Silver Viper Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information which will be provided to the shareholders and others; reviewing the systems of internal controls which management and the Silver Viper Board of Directors have established; appointing, retaining and overseeing the performance of independent accountants; and overseeing the Company's accounting and financial reporting processes and the audits of the Company's financial statements. Details of the responsibilities are laid out in National Instrument 52-110 Audit Committees ("**NI 52-110**").

The Committee will fulfill these responsibilities by carrying out the activities defined below under "Duties and Responsibilities." The Committee shall be given full and direct access to the Silver Viper Board Chairman, Company executives, and independent accountants as necessary to carry out these responsibilities. However, the Committee's function is one of oversight only and shall not relieve the Company's management of its responsibilities for preparing financial statements which accurately and fairly present the Company's financial results and condition, or the responsibilities of the independent accountants relating to the audit or review of financial statements.

1. COMPOSITION OF THE AUDIT COMMITTEE

The Committee shall be comprised of at least three directors, each of whom will be independent to the extent possible and as regulated. No member of the Committee, to the extent possible, shall have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the preceding year. Each appointed Committee member shall be subject to annual reconfirmation after the Annual General and Special Meeting and may be removed by the Silver Viper Board of Directors at any time.

All members of the Committee shall be "financially literate" as defined in NI 52-110, meaning that they are able to read and understand fundamental financial statements, including a statement of financial position and statements of operations and comprehensive loss, shareholders' equity and cash flow statements. At least one member of the Committee shall have been employed previously in finance or accounting, or possess current or former certification in accounting, or any other comparable experience or background, which would result in financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

2. DUTIES AND RESPONSIBILITIES

To fulfill its duties and responsibilities, the Committee shall:

- a. Review annually the Audit Committee Charter for adequacy and recommend any changes to the Silver Viper Board of Directors.

- c. Review the financial, investment and risk management policies followed by the Company in operating its business activities.
- d. Review the Company's annual audited financial statements, related disclosures, including the MD&A portion of the Company's filings, and discuss with the independent accountants the matters required to be discussed by auditing standards, including (a) the quality as well as acceptability of the accounting principles applied in the financial statements, and (b) new or changed accounting policies; significant estimates, judgments, uncertainties or unusual transactions; and accounting policies relating to significant financial statement items. Also review with Management the results of the Company's

review of Internal Controls over Financial Reporting for each quarter, and more generally its disclosure controls and procedures.

- e. Review any management letters or internal control reports prepared by the independent accountants or auditors and responses to prior management letters, and review with the independent accountants or auditors the Company's internal financial controls.
- f. Review the effectiveness of the independent audit effort, including approval of the scope of, and fees charged in connection with, the annual audit, quarterly reviews and any non-audit services being provided.
- g. Be directly responsible for the appointment, determination of the compensation for, retention and oversight of the work of the independent accountants employed to conduct the audit (including resolution of disagreements between the independent accountants and management regarding financial reporting) or other audit, review or attest services. The independent accountants shall report directly to the Audit Committee.
- h. Pre-approve all audit services and permissible non-audit services by the independent accountants. The Committee may establish pre-approval policies and procedures for the engagement of independent accountants to render services to the Company, including but not limited to policies that would allow the delegation of preapproval authority to one or more members of the Committee, provided that any preapprovals delegated to one or more members of the Committee are reported to the Committee at its next scheduled meeting.
- i. Review the hiring policies for any employees or former employees of the independent accountants.
- j. - 8.1 In the event of any reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other corporate change involving a change to the Shares at any time after the grant of any Option to any Optionee and prior to the expiration of the term of such Option, such Optionee will receive at the time of any subsequent exercise of his or her Option in accordance with the terms hereof, in lieu of the number of Optioned Shares to which the Optionee was entitled upon such exercise, but for the same aggregate consideration therefor, such number of Optioned Shares as such Optionee would have held as a result of such change if on the record date thereof the Optionee had been the registered holder of the number of Optioned Shares to which the Optionee was previously entitled upon such exercise.
- 8.2 If the Corporation declares and pays a special cash dividend or other distribution out of the ordinary course, a special dividend in specie on the Shares, or a stock dividend other than in the ordinary course, the Option Price of all Options outstanding on the record date of such dividend or other distribution will be reduced by an amount equal to the cash payment or other distribution or the fair market value of the dividend in specie or stock dividend or other distribution, as determined by the Board in its sole discretion but subject to all necessary regulatory approvals.
- 8.3 Notwithstanding any other provision of this Plan, any adjustment to an Option granted or issued under this Plan (except in relation to a consolidation or stock split) is subject to the prior approval of the Exchange.

- (b) an Acquiring Person makes an offer, regardless of whether the acquisition is completed, to acquire Shares;
- (c) the Corporation proposes to sell all or substantially all of its assets and undertaking;
- (d) the Corporation proposes to merge, amalgamate or be absorbed by or into any other corporation (save and except for a Subsidiary) under any circumstances which involve or may involve or require the liquidation of the Corporation, a distribution of its assets among its shareholders, or the termination of the corporate existence of the Corporation;

 - (ii) offer to acquire from each Optionee his or her Options for a cash payment equal to the In the Money Amount, and any Options not so surrendered or exercised by the Effective Time of the Change of Control Event will be deemed to have expired; and
 - (iii) that an Option granted under this Plan be exchanged for an option to acquire, for the same exercise price, that number and type of securities as would be distributed to the Optionee in respect of the Shares issued to the Optionee had the Optionee exercised the Option prior to the Effective Time of the Change of Control Event, provided that any such replacement option must provide that it survives for a period of not less than one year from the Effective Time of the Change of Control Event, regardless of the continuing directorship, officership or employment of the holder.

9.2 For greater certainty, and notwithstanding anything else to the contrary contained in this Plan, the Board will have the power, in its discretion, in any Change of Control Event which may or has occurred, to make such arrangements as it will deem appropriate for the exercise of outstanding Options including, without limitation, to modify the terms of this Plan and/or the Options, subject to the prior written approval of the Exchange. If the Board exercises such power after having received such approval from the Exchange, the Options will be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Board prior to or in conjunction with completion of the Change of Control Event.

- 9.3 Notwithstanding any other provision of this Plan, the vesting terms of Options granted to Persons retained to perform Investor Relation Activities may not be amended without the prior approval of the Exchange.

10. AMENDMENT OR DISCONTINUANCE OF THIS PLAN

- 10.1 The Board may suspend or terminate this Plan at any time, or from time to time amend the terms of this Plan or of any Option granted under this Plan and any stock option agreement relating thereto, provided that any such suspension, termination or amendment:

- (a) complies with applicable law and the requirements of the Exchange, including applicable requirements relating to requisite shareholder approval and prior approval of the Exchange or any other relevant regulatory body;
- (b) is, in the case of an amendment that materially adversely affects the rights of any Optionee, made with consent of such Optionee;
- (c) is, in the case of any reduction in the Option Price of Options held by Optionees that are Insiders at the time of the proposed reduction, subject to approval by disinterested shareholders of the Corporation in accordance with the Exchange Manual; and
- (d) is, in the case of the extension of the Expiry Date of an Option held by Optionee that is an Insider at the time of the proposed extension, subject to approval by disinterested shareholders of the Corporation in accordance with the Exchange Manual.

- 10.2 If this Plan is terminated, the provisions of this Plan and any administrative guidelines and other rules and regulations adopted by the Board and in force on the date of termination will continue in effect as long as any Option or any rights pursuant thereto remain outstanding and, notwithstanding the termination of this Plan, the Board will remain able to make such amendments to this Plan or the Options as they would have been entitled to make if this Plan were still in effect.

- 10.3 No amendment, suspension or discontinuance of this Plan may contravene the requirements of the Exchange or any securities commission or regulatory body to which this Plan or the Corporation is now or may hereafter be subject.

11. WITHHOLDING OBLIGATIONS

- 11.1 The Corporation may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amounts as are required by law to be withheld or deducted as a consequence of the Optionee's exercise of Options or other participation in this Plan ("**Withholding Obligations**"). The Corporation will have the right, in its discretion, to satisfy any Withholding Obligations by:

- (a) selling or causing to be sold, on behalf of any Optionee, such number of Shares issued to the Optionee on the exercise of Options as is sufficient to fund the Withholding Obligations;
- (b) retaining the amount necessary to satisfy the Withholding Obligations from any amount which would otherwise be delivered, provided or paid to the Optionee by the Corporation, whether under this Plan or otherwise;
- (c) requiring the Optionee, as a condition of exercise under Article 3 to:
 - (i) remit the amount of any such Withholding Obligations to the Corporation in advance;
 - (ii) reimburse the Corporation for any such Withholding Obligations; or

- (iii) cause a broker who sells Shares acquired by the Optionee on behalf of the Optionee to withhold from the proceeds realized from such sale the amount required to satisfy any such Withholding Obligations and to remit such amount directly to the Corporation; and
- (d) making such other arrangements as the Corporation may reasonably require.

The sale of Shares by the Corporation, or by a broker engaged by the Corporation (the "**Broker**"), under this Section 11.1 will be made on the Exchange. The Optionee consents to such sale and grants to the Corporation an irrevocable power of attorney to affect the sale of such Shares on the Optionee's behalf and acknowledges and agrees that:

- (i) the number of Shares sold will, at a minimum, be sufficient to fund Withholding Obligations net of all selling costs, which costs are the responsibility of the Optionee and which the Optionee hereby authorizes to be deducted from the proceeds of such sale;
- (ii) in effecting the sale of any such shares, the Corporation or the Broker will exercise its sole judgement as to the timing and the manner of sale and will not be obligated to seek or obtain a minimum price; and
- (iii) neither the Corporation nor the Broker will be liable for any loss arising out of any sale of such Shares including any loss relating to the pricing, manner or timing of such sales or any delay in transferring any Shares to an Optionee or otherwise. The Optionee further acknowledges that the sale price of Shares will fluctuate with the market price of the Corporation's Shares and no assurance can be given that any particular price will be received upon any sale.

11.2 For greater certainty, no action may be taken by the Corporation or any other Person pursuant to Section 11.1 that would result in:

- (a) an alteration of the Exercise Price of the Options at issue; or
- (b) a cashless exercise of the Options at issue,

and any action taken by the Corporation or any other Person pursuant to Section 11.1 must be in compliance with the Exchange Manual.

12. MISCELLANEOUS PROVISIONS

12.1 This Plan applies to all Options granted under this Plan after this Plan is approved by shareholders of the Corporation and the Exchange.

12.2 The operation of this Plan and the issuance and exercise of all Options and Optioned Shares contemplated by this Plan are subject to compliance with all applicable laws, and all rules and requirements of the Exchange. For greater certainty, disinterested shareholder approval of the shareholders of the Corporation will be obtained in connection with any matter regarding this Plan where required by the Exchange Manual.

12.3 As a condition of participating in this Plan, each Optionee agrees to comply with all applicable laws and the policies and requirements of the Exchange, and to fully cooperate with the Corporation in doing all such things, including executing and delivering all such agreements, undertakings or other documents or furnishing all such information as is reasonably necessary to facilitate compliance with such laws, rules and requirements, including all Withholding Obligations.

- 12.4 Participation in this Plan is voluntary and does not constitute a condition of employment or continued employment or service. An Optionee will not have any rights as a shareholder of the Corporation with respect to any of the Optioned Shares underlying any Option until the date of issuance of a certificate for Shares upon the exercise of such Option, in full or in part, and then only with respect to the Shares represented by such certificate or certificates. Without in any way limiting the generality of the foregoing, no adjustment will be made for dividends or other rights for which the record date is prior to the date such share certificate is issued.
- 12.5 Nothing in this Plan or any Option will confer upon an Optionee any right to continue or be re-elected as a director of the Corporation or any right to continue in the employ or engagement of the Corporation or any Subsidiary, or affect in any way the right of the Corporation or any Subsidiary to terminate the Optionee's employment or engagement at any time; nor will anything in this Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Subsidiary to extend the employment or engagement of any Optionee beyond the time which the Optionee would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Subsidiary or any present or future retirement policy of the Corporation or any Subsidiary, or beyond the time at which the Optionee would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Subsidiary.
- 12.6 An Option will be personal to the Optionee and will be non-assignable and non-transferable (whether by operation of law or otherwise), except as provided for herein. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of an Option contrary to the provisions of this Plan, or upon the levy of any attachment or similar process upon an Option, the Option will, at the election of the Corporation, cease and terminate and be of no further force or effect whatsoever.
- 12.7 This Plan (including any amendment to this Plan), the terms of the issue or grant of any Option under this Plan, the grant and exercise of Options hereunder, and the Corporation's obligation to sell and deliver Optioned Shares upon the exercise of Options, will be subject to all applicable law and the requirements of the Exchange, and to such approvals by any regulatory or governmental agency as may, in the opinion of counsel to the Corporation, be necessary or advisable. The Corporation will not be obliged by any provision of this Plan or the grant of any Option hereunder to issue or sell Shares in violation of such laws, rules and regulations or any condition of such approvals.
- 12.8 This Plan and all matters to which reference is made herein will be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.
