INFORMATION CIRCULAR

As at November 14, 2019 (unless otherwise stated)

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the "Notice") and is furnished to shareholders (each, a "Shareholder") holding common shares (each, a "Share") in the capital of Gaia Metals Corp. (the "Company") in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the "Meeting") of the Shareholders to be held at 10:00 a.m. (Vancouver time) on Monday, December 16, 2019 at the offices of the Company, Suite 500, 666 Burrard Street, Vancouver, BC, V6C 3P6, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is November 14, 2019. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specially engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 6, 2019 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "Designated Persons") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY STRIKING OUT THE PRINTED NAMES OF THE DESIGNATED PERSONS AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE

SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, TSX Trust Company at their offices located at 200 University Ave., Suite 300, Toronto, ON M5H 4H1, by mail or fax (416-595-9593), at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) (December 12, 2019, 10:00 a.m. Vancouver time) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact, authorized in writing, or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Shares represented will be voted or withheld from the vote on that matter accordingly. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Shares represented by the proxy in favour of each matter identified in the proxy AND for the nominees of the Company's board of directors (the "Board") for directors and auditor.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that**

instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of their broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that their broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote their Shares.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

NOTICE AND ACCESS

The Company is **not** sending the Meeting materials to Shareholders using "notice-and-access", as defined under National Instrument 54-101.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the record date, determined by the Board to be the close of business on November 6, 2019, a total of 8,900,246 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the record date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, common shares carrying more than 10% of the voting rights attached to the outstanding common shares of the Company.

Exercise of Compensation Securities by Directors and NEOs

During the financial year ended March 31, 2019, no NEO or directors of the Company exercised compensation securities.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the "Option Plan") pursuant to which the Board may grant options (the "Options") to purchase Shares to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company's growth. Under the Option Plan, the maximum number of Shares reserved for issuance, including Options currently outstanding, is equal to 10% of the Shares outstanding from time to time (the "10% Maximum"). The 10% Maximum is an "evergreen" provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Shares which may be the subject of Options on a yearly basis to any one person cannot exceed 5% of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the "Exercise Period"), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee's employment, office or position as director, if terminated for just cause; (c) 90 days (or such other period of time as permitted by any rule or regulation of such exchange on which the Shares may be listed) following the date of termination of an optionee's position as a director or NEO, if terminated for any reason other than the optionee's disability or death; (d) 30 days following the date of termination of an optionee's position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee's disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

The TSX Venture Exchange ("TSXV") requires listed companies that have "rolling" stock option plans in place to receive shareholder approval for such plans on a yearly basis at the company's annual Shareholders meeting. The last shareholders meeting was held on November 21, 2018 and approval was granted.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company.

The Company has entered into the following agreements with management:

Adrian Lamoureux – Pursuant to a management agreement made May 1, 2018, the Company agreed to pay Adrian Lamoureux a management fee of \$7,500 plus GST and expenses per month. The agreement is in good standing.

Dusan Berka - Pursuant to a management agreement made May 1, 2018, the Company agreed to pay Duster Capital Corp. of which Dusan Berka is principal, a management fee of \$5,000 plus GST and expenses per month. The agreement is in good standing.

If a Change in Control occurs, defined as the acquisition of common shares or other voting securities of the Company such that a person or persons come to hold, of record or beneficially, at least twenty percent (20%) of the voting securities and act in concert with respect to voting such voting securities, and if a Triggering Event subsequently occurs, as defined in the management agreements, within one (1) year of the Change of Control, the NEO shall be entitled to elect to terminate its engagement with the Company and receive a lump sum Termination Payment from the Company in an amount equal to two (2x) times:

- (a) the annual Base Fee in effect as of the Termination Date; plus
- (b) the average of the annual bonuses or other cash incentive payments, if any, paid by the Company to the NEO for the two calendar years immediately preceding the year in which the Termination Date occurs.

Oversight and Description of Director and NEO Compensation

Compensation of Directors

Compensation of directors of the Company is reviewed annually and determined by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

Salary

The Company's CEO and CFO receive consulting/management fees. The Board reviews salaries annually to ensure that they reflect each respective NEO's performance and experience in fulfilling his/her role. Due to the relatively small size of the Company, limited cash resources, and the early stage and scope of the Company's operations, NEOs receive limited salaries relative to industry standards. The Board does not currently have any plan in place to materially increase NEOs' salaries.

Option Plan

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

No individual who is, or at any time during the most recently completed financial year was, a director or executive officer of the Company, no proposed nominee for election as a director of the Company and no associate of such persons:

- (i) is or at any time since the beginning of the most recently completed financial year has been, indebted to the Company; or
- (ii) whose indebtedness to another entity is, or at any time since the beginning of the most recently completed financial year has been, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company, in relation to a securities purchase program or other program.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

No informed person or proposed director of the Company and no associate or affiliate of the foregoing persons has or has had any material interest, direct or indirect, in any transaction since the commencement of the Company's most recently completed financial year or in any proposed transaction which in either such case has materially affected or would materially affect the Company.

APPOINTMENT OF AUDITOR

Manning Elliott, LLP, of Vancouver, BC, are the auditors of the Company. Unless otherwise instructed, the proxies given pursuant to this solicitation will be voted for the re-appointment of Manning Elliott, LLP, of Vancouver, BC as the auditors of the Company to hold office for the ensuing year. Manning Elliott, LLP, have been the auditors of the Company since May 10, 2008.

Management recommends shareholders vote for the appointment of Manning Elliott, LLP, as the Company's auditors for the ensuing year at the remuneration to be fixed by the Board.

MANAGEMENT CONTRACTS

No management functions of the Company are performed to any substantial degree by a person other than the directors or executive officers of the Company.

CORPORATE GOVERNANCE DISCLOSURE

National Policy 58-201 establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and, therefore, these guidelines have not been adopted. National Instrument 58-101 mandates disclosure of corporate governance practices which disclosure is set out below.

Independence of Members of Board

The Company's Board consists of three directors, one of whom is independent based upon the tests for independence set forth in National Instrument 52-110 ("NI 52-110"). Adrian Lamoureux and Dusan Berka are not independent as both are officers of the Company. Paul Chung is independent. The Company is currently seeking an additional independent director.

Management Supervision by Board

The operations of the Company do not support a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are however able to meet at any time without any members of management including the non-independent directors being present. The independent directors also have access to the Company's legal counsel and its officers.

Risk Management

The Board is responsible for adoption of a strategic planning process, identification of principal risks and implementing risk management systems, succession planning and the continuous disclosure requirements of the Company under applicable securities laws and regulations.

Participation of Directors in Other Reporting Issuers

The participation of the directors in other reporting issuers is described in the table provided under "Election of Directors" in this Information Circular.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

1. information respecting the functioning of the Board, committees and copies of the Company's corporate governance policies;
2. access to recent, publicly filed documents of the Company, technical reports and the Company's internal financial information;
3. access to management and technical experts and consultants; and
4. a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to Shareholders. The Board has adopted a Code of Conduct and has instructed its management and employees to abide by the Code.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the Company's industry are consulted for possible candidates.

Compensation of Directors and the Officers

To determine compensation payable, the independent directors review compensation paid for directors and CEOs of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the independent directors annually review the performance of the CEO and CFO in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

Board Committees

As the directors are actively involved in the operations of the Company and the size of the Company's operations does not warrant a larger board of directors, the Board has determined that additional committees beyond the Audit Committee are not necessary at this stage of the Company's development.

Assessments

The Board does not consider that formal assessments would be useful at this stage of the Company's development. The Board conducts informal annual assessments of the Board's effectiveness, the individual directors and each of its committees. To assist in its review, the Board conducts informal surveys of its directors.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Expectations of Management

The Board expects management to operate the business of the Company in a manner that enhances Shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

AUDIT COMMITTEE

The audit committee has various responsibilities as set forth in National Instrument 52-110 ("NI 52-110").

The Audit Committee's Charter

The Company's Audit Committee (the "Committee") is governed by an audit committee charter, the text of which is attached as Schedule "A" to this Information Circular.

Composition of the Audit Committee

The following are the members of the Committee:

Adrian Lamoureux	Not Independent ⁽¹⁾	Financially literate ⁽¹⁾
Dusan Berka	Not Independent ⁽¹⁾	Financially literate ⁽¹⁾
