I, Todd McCracken, P.Geo., employed with BBA Engineering Ltd., do hereby consent to the public filing of the NI 43-101 Technical Report prepared for Patriot Battery Metals titled "Mineral Resource Estimate for the CV5 Pegmatite, Corvette Property", Québec, Canada (the "Technical Report"), dated September 8th, 2023 and effective as of June 25th, 2023, with the securities regulatory authorities referred to above.

I also consent to the use of extracts from, or a summary of, the Technical Report contained in the News Release of Patriot Battery Metals dated September 8th, 2023.

I confirm that I have read the written disclosure in the News Release and that is fairly and accurately represents the information contained in the sections of the Technical Report for which I am responsible.

Signed this 8th day of September 2023.
