INFORMATION CIRCULAR
as at May 21, 2024
(unless otherwise indicated)

This Information Circular is furnished in connection with the solicitation of proxies by the management of Zincore Metals Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on June 25, 2024 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Information Circular, references to “**the Company**”, “**we**” and “**our**” refer to the Company. “**Common Shares**” means common shares without par value in the capital of the Company. “**Shareholder**” means a holder of Common Shares. “**Beneficial Shareholders**” means Shareholders who do not hold Common Shares in their own name and “**intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders. “**Registered Shareholders**” means a Shareholder whose name appears on the records of the Company as the registered holder of Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors of the Company. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

If you are a Registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by using one of the following methods:

- (a) by completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Trust Company of Canada ("**Computershare**"), by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail using the enclosed return envelope or one addressed to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) by hand delivery to 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (c) by using a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy control number; or
- (d) by using the internet through the website of Computershare's internet website www.investorvote.com. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy control number.

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of Shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders – those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form (a "**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which

may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any Shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.**

Notice to Shareholders in the United States

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia and the securities laws of applicable provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of applicable provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of applicable provinces of Canada differ from the disclosure requirements under United States securities laws.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the registered office of the Company at Suite 1500, 1055 West Georgia Street, P.O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the Registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

To the best of the Company's knowledge, no director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting.

If elected, such nominees will take office from and after the Meeting until the Company’s next annual meeting or until his successor is elected or appointed.

Management does not contemplate that any of the proposed Director Nominees will be unable to serve as a director but, if that should occur for any reason before the Meeting, the management representatives designated in the form of proxy (or voting instruction form, as applicable) reserve the right to vote for another nominee at their discretion. CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the Shareholders. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "CSA") have adopted National Policy 58-201 *Corporate Governance Guidelines*, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

The Board is currently composed of three directors. The Board facilitates its independent supervision over management by conducting quarterly reviews of the Company's consolidated financial statements and management's discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

A director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. The Board currently has two independent members, being Adam Ho and Ramon Perez. Mathew Roma is not considered independent as he is the current CEO of the Company.

Directorship

The Director Nominees are board members of other reporting issuers as follows:

Name of Director	Name of Reporting Issuer	Exchange
Adam Ho	Arepoint Group Inc. Chemistree Technology Inc.	TSXV CSE
Ramon Perez	Cross River Ventures Corp.	CSE
Matthew Roma	Smithe Resources Corp.	TSX-V

Orientation and Continuing Education

The Board ensures that all new directors receive a comprehensive orientation regarding (i) the role of the Board, its committees and its directors, and (ii) the nature and operation of the Company's business. Each new director brings a different skill set and professional background, and with this information, the Chair is able to determine what orientation to the nature and operation of the Company's business will be necessary and relevant to each new director.

Ethical Business Conduct

The Company has not adopted formal guidelines to encourage and promote a culture of ethical business conduct, but does so by nominating Board members it considers ethical, by avoiding or minimizing conflicts of interest, and by having at least one independent director. It is not anticipated that the Board will adopt formal guidelines in the 12 months following the date of this Circular.

Nomination of Directors

The Company does not have a stand-alone nomination committee. The full Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the industry are consulted for possible candidates.

Compensation

The Board determines the compensation for the Company's directors by comparison with publicly available information on other reporting issuers in the mining industry.

Other Board Committees

Other than the Audit Committee as discussed above, the Board has no other standing committees.

Assessments

Assessments are not regularly conducted for the Board, committees, or individual directors. The assessment of the performance of the Board is determined by the Board based on the expertise, contributions and participation of individual directors in meetings of the Board and its committee.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation Philosophy and Objectives

The fundamental goal of the Company is to create value for its Shareholders and growth of the Company. Compensation plays an important role in achieving short and long-term business objectives and in serving this goal. The Company’s compensation program is designed to:

1. align the interests of executive officers with Shareholder interests to maximize long-term Shareholder value;
2. link executive compensation to the performance of the Company and its strategic plan;
3. compensate executive officers at a level that ensures the Company is able to attract, motivate and retain highly qualified individuals with exceptional skills; and
4. to evaluate executive performance on the basis of the Company’s overall performance and achievements and building long-term Shareholder value.

The Company considers that objective corporate goals, combined with individual performance goals, play an important role in creating and maintaining an effective compensation strategy for the Company’s Named Executive Officers. The Company also may consider other factors in setting executive compensation including quantitative and qualitative measurement of corporate and individual performances, competitive conditions, general market performance data, executive training and development and overall management of the Company. The Company’s objective is to facilitate an increase in Shareholder value, retention of qualified executives, and growth of the Company

through the achievement of corporate and individual performance goals under the leadership of the Named Executive Officers.

To date, no specific formulas have been developed to assign a specific weighting to the cash-based versus option-based compensation components. Instead, the Board considers the Company's performance, including the factors described above, and assigns compensation based on this assessment.

Director Compensation

The Company does not compensate its directors in their capacities as such, although directors of the Company may be granted incentive stock options from time to time and may be reimbursed for their expenses incurred in connection with their services as directors and certain directors may be compensated for services as consultants or experts. The Company has no pension plan or arrangement for cash compensation or non-cash compensation to the Other Directors of the Company except stock options.

Stock Options and Other Compensation Securities

The Company has a Share Option Plan dated for reference May 21, 2024 (the “**Option Plan**”). The principal purpose of the Option Plan is to advance the interests of the Company by encouraging the directors, employees and consultants of the Company and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through Options, to acquire Common Shares in the share capital of the Company, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

The Option Plan provides that the aggregate number of securities reserved for issuance under the Option Plan will be 10% of the number of Common Shares of the Company issued and outstanding from time to time.

The Option Plan is administered by the Board of Directors of the Company, which has full and final authority with respect to the granting of all Options thereunder.

Options may be granted under the Option Plan to such service providers of the Company and its affiliates, if any, as the Board of Directors may from time to time designate. The exercise prices will be determined by the Board of Directors, but will, in no event, be less than the Discounted Market Price, as such defined by the policies of the TSX Venture Exchange (“TSXV”). All Options granted under the Option Plan will expire not later than the date that is ten years from the date that such Options are granted. Options granted under the Option Plan are not transferable or assignable other than by testamentary instrument or pursuant to the laws of succession.

As at December 31, 2023, there were nil stock options outstanding representing 0% of the total number of Shares issued and outstanding. As at May 21, 2024 there were 43,633,174 total Shares issued and outstanding and accordingly, there are 4,363,317 Common Shares available for reserve for grant of Options.

The Board is of the view that the Option Plan permits the Company to attract and maintain the services of executives, employees and other service providers with other companies in the industry, and therefore will seek Shareholder approval at the Meeting of the Plan.

Material Terms of the Plan

The following is a summary of the material terms of the Option Plan. All terms capitalized but not defined below shall have the meanings ascribed to such terms in the Option Plan.

- (b) Investor Relations Service Providers may not receive any Security Based Compensation other than Options.
- (c) Options granted under the Plan are non-assignable, and non-transferable;
- (d) For options granted to Service Providers, the Company must ensure that the proposed Option holder (an “**Optionee**”) is a bona fide Service Provider of the Company or its affiliates;
- (e) An Option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (f) If an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee’s lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;

- (g) In the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (h) Vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;
- (i) Subject to approval from the TSXV, the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan;

The Option Plan also allows for option holders to exercise options on a “Cashless Exercise” or “Net Exercise” basis. “Cashless Exercise” is a method of exercising Options in which a securities dealer loans funds to the Optionee or sells the same shares as those underlying the Option, prior to or in conjunction with the exercise of Options, to allow the Optionee to fund the exercise of some or all of their Options. “Net Exercise” is a method of Option exercise under which the Optionee does not make any payment to the issuer for the exercise of their Options and receives on exercise a number of Common Shares equal to the intrinsic value (current market price less the exercise price) of the Option valued at the current market price. Pursuant to the policies of the TSXV, the current market price must be the 5-day volume weighted average trading price prior to Option exercise. “Net Exercise” may not be utilized by persons performing investor relations services.

3.2 The term of an Option will be set by the Board at the time such Option is allocated under this Plan. An Option can be exercisable for a maximum of 10 years from the Effective Date.

Option Amendment

3.3 Subject to §2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the Option, the date the Common Shares commenced trading on the TSX Venture, or the date of the last amendment of the Exercise Price.

3.4 An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in §3.2.

3.5 In respect of any proposed amendment to the terms of an Option, and except as otherwise provided under TSX Venture Policies:

- (a) any amendment must be approved by the TSX Venture, and be subject to shareholder approval, where applicable, prior to the exercise of such Option; and
- (b) the Company must issue a news release outlining the terms of the amendment.

Vesting of Options

3.6 Subject to §3.7, vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under this Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:

- (a) the Participant remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or
- (b) the Participant remaining as a Director of the Company or any of its Affiliates during the vesting period.

Vesting of Options Granted to Investor Relations Service Providers

3.7 Notwithstanding §3.6, Options granted to Investor Relations Service Providers will vest such that:

- (a) no more than 25% of the Options vest no sooner than three months after the Options were granted;
- (b) no more than another 25% of Options vest no sooner than six months after the Options were granted;
- (c) no more than 25% of Options vest no sooner than nine months after the Options were granted; and
- (d) the remainder of the Options vest no sooner than 12 months after the Options were granted.

Effect of Take-Over Bid

3.8 If a Take Over Bid is made to the shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding §3.6 or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSX Venture for vesting requirements imposed by the TSX Venture Policies.

Acceleration of Vesting on Change of Control

3.9 In the event of a Change of Control occurring, Options granted and outstanding, which are subject to vesting provisions, shall be deemed to have immediately vested upon the occurrence of the Change of Control, excluding Options granted to a Person engaged in Investor Relations Activities. Notwithstanding the foregoing, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the TSXV.

Extension of Options Expiring during Black-out Period

3.10 Should the Expiry Date for an Option fall within a Black-out Period, such Expiry Date shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Black-out Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan, provided that such automatic extension of the Expiry Date for an Option will not apply where the Participant or the Company is subject to a cease trade order (or similar order under securities laws) in respect of the Company's securities.

Optionee Ceasing to be Director, Employee or Service Provider

3.11 Options may be exercised after the Participant has left his/her employ/office or has been advised by the Company or its subsidiary, as applicable, that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (b) an Option granted to any Participant will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the Termination Date, and only to the extent that such Option was vested at the Termination Date; and
- (c) in the case of an Optionee being dismissed from employment or service for Cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate on the Termination Date without right to exercise same.

Non-assignable

3.12 Subject to §3.11(a), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

3.13 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;
- (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares

hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.13;

(e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;

(f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.13, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company;

(g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.13, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records and such determination will be binding upon the Company and all Optionees; and

(h) any adjustment, other than in connection with a security consolidation or security split, to Options granted or issued under this Plan is subject to the prior acceptance of the TSX Venture, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.
