

CERTIFICATE FOR R. TIMOTHY HENNEBERRY

I, R.Tim Henneberry, P.Geo. a consulting geologist with offices at 2446 Bidston Road, Mill Bay, B.C. V0R 2P4 and 704 - 1060 Alberni Street, Vancouver, B.C. V6E 4K2 do hereby certify that: I am the Qualified Person for:

Gold Rush Cariboo Inc.

Suite 400 - 365 Bay Street
Toronto, Ontario M5H 2V1

I earned a Bachelor of Science Degree majoring in geology from Dalhousie University, graduating in May 1980.

I have been registered with the Association of Professional Engineers and Geoscientists in the Province of British Columbia as a Professional Geoscientist since November 1992, with License Number 19759.

I have practiced my profession continuously for 37 years since graduation.

I have read the definition of "qualified person" set out in National Instrument 43-101 ("NI 43-101") and certify that by reason of my education, affiliation with a professional association (as defined in NI 43-101) and past relevant work experience, I fulfill the requirements to be a "qualified person" for the purposes of NI 43-101. My relevant experience for the purpose of this Technical Report is:

- 36 years of exploration experience for base and precious metals in the Western Cordillera
- I was Chief Geologist for Goldleaf Management Group Lower Stewart River placer gold projects during the period 1988 to 1992.
- I have reviewed placer operations in the Cariboo, Germansen River and the Fraser River and written technical reports for several of these operations.

I am responsible for all sections of the technical report titled "National Instrument 43-101 Report Horseshoe Bend Project" and dated April 8, 2017, relating to the Horseshoe Bend property. I originally visited the Horseshoe Bend property on November 27, 2003 for one day and most recently visited the property on June 10, 2016.

I have had prior involvement with the property that is the subject of the Technical Report, writing a Technical Report on the Horseshoe Bend Property in January 2004.

As of August 24, 2017, to the best of my knowledge, information and belief, the Technical Report contains all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

I am independent of the Issuer and the independent of the property vendor after applying all of the tests in section 1.5 of NI 43-101.

I have read NI 43-101 and Form 43-101F, and the Technical Report has been prepared in compliance with that instrument and form.

I make this Technical Report effective August 24, 2017.

"signed and sealed"

R.Tim Henneberry, P.Geo
