SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF ALLIED COPPER CORP. (the “**Company**”) of proxies to be used at the annual general and special meeting of shareholders of the Company to be held on Wednesday, January 19, 2022 at Suite 520 – 999 West Hastings Street, Vancouver, BC V6C 2W2 at **10:00 a.m.** (Pacific time), and at any adjournment or postponement thereof (the “**Meeting**”) for the purposes set out in the accompanying notice of meeting (the “**Notice**”). Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other proxy solicitation services. In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and clearing agencies, custodians, nominees, fiduciaries or other intermediaries to send the Notice, this management information circular (“**Circular**”), the consolidated annual financial statements of the Company for the financial year ended June 30, 2021 and related management’s discussion and analysis and other meeting materials, if applicable (collectively the “**Meeting Materials**”) to the beneficial owners of the common shares of the Company (the “**Common Shares**”) held of record by such parties. The Company may reimburse such parties for reasonable fees and disbursements incurred by them in doing so. The costs of the solicitation of proxies will be borne by the Company. The Company may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from the shareholders of the Company in favour of the matters set forth in the Notice.

COVID-19 GUIDANCE

In the context of the effort to mitigate potential risk to the health and safety associated with COVID-19 and in compliance with the orders and directives of the Government of Canada, the Province of Ontario and the City of Toronto, the shareholders are being discouraged from attending the Meeting in person. All shareholders are encouraged to vote on the matters before the Meeting by proxy in the manner set out herein and in the accompanying management information circular dated December 15, 2021 of the Company.

APPOINTMENT AND REVOCATION OF PROXIES

A Registered Shareholder may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice.

The purpose of a form of proxy is to designate persons who will vote on the shareholder’s behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Company. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE COMPANY, TO REPRESENT HIM OR HER AT THE MEETING MAY DO SO BY**

FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY. A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Company’s transfer agent and registrar, TSX Trust Company (the “**Transfer Agent**”) not later than **10:00 a.m.** (Pacific time) on Monday, January 17, 2022 or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays and holidays, preceding the time of such adjourned Meeting at which the form of proxy is to be used. A form of proxy should be executed by the Registered Shareholder or his or her attorney duly authorized in writing or, if the Registered Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies may be deposited with the Transfer Agent using one of the following methods:

By Mail or Hand Delivery:	TSX Trust Company Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1
Facsimile:	416-595-9593
By Internet:	www.voteproxyonline.com You will need to provide your 12 digit control number (located on the form of proxy accompanying this Circular)

A Registered Shareholder attending the Meeting has the right to vote in person and, if he or she does so, his or her form of proxy is nullified with respect to the matters such person votes upon at the Meeting and any subsequent matters thereafter to be voted upon at the Meeting or any adjournment thereof.

A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Company, located at 393 University Ave., Suite 1810, Toronto, Ontario M5G 1E6, at any time prior to **10:00 a.m.** (Pacific time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders of the Company do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a Non-Registered Holder are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)) (a “**Clearing Agency**”) of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Company or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Company’s OBOs can expect to be contacted by their Intermediary. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the

Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. *Voting Instruction Form*. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a “VIF”). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

B. *Form of Proxy*. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder’s or its nominees name in the blank space provided.

Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Company as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As of December 15, 2021 (the “**Record Date**”), there were a total of 38,075,752 issued and outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Company’s directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED ON

No director or executive officer of the Company who was a director or executive officer at any time since the beginning of the Company's last financial year, or any associate or affiliates of any such directors or officers, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than as disclosed in this Circular.

4. APPROVAL AND CONFIRMATION OF STOCK OPTION PLAN

The Company has adopted a "rolling" stock option plan (the "**Stock Option Plan**") for officers, directors, employees and consultants of the Company. The Stock Option Plan provides for the issue of stock options to acquire up to 10% of the Company's issued and outstanding Common Shares as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling plan" as the number of Common Shares reserved for issue pursuant to the grant of stock options will increase as the Company's issued and outstanding share capital increases. At no time will more than 10% of the outstanding Common Shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares in respect of that expired, exercised or terminated stock option shall again be available for the purpose of the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below in the section entitled "*Statement of Executive Compensation – Stock Option Plan and other Incentive Plans*".

Accordingly, shareholders will be asked to approve the following resolution:

In accordance with the policies of the TSXV, the Stock Option Plan must be approved by the majority of votes cast at the Meeting on the resolution.

Stock Option Plan and other Incentive Plans

The Company has in place a “rolling” stock option plan (the “**Stock Option Plan**”) which was approved by the shareholders at the annual and special meeting of the Company held on December 2, 2020.

The purpose of the Stock Option Plan is to, among other things, encourage Common Share ownership in the Company by directors, officers, employees and consultants of the Company and its affiliates and other designated persons. Options may be granted under the Stock Option Plan only to directors, officers, employees and consultants of the Company and its subsidiaries and other designated persons as designated from time to time by the Board. As at the date hereof, there are 3,807,575 Common Shares reserved for issuance under the Stock Option Plan. Any Common Shares subject to an option which, for any reason, is cancelled or terminated prior to exercise will be available for a subsequent grant under the Stock Option Plan. The option price of any

Common Shares cannot be less than the market price of the Common Shares. Options granted under the Stock Option Plan may be exercised during a period not exceeding ten years, subject to earlier termination upon the termination of the optionee's employment, upon the optionee ceasing to be an employee, officer, director or consultant of the Company or any of its subsidiaries or ceasing to have a designated relationship with the Company, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. The options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of Common Shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Company's capitalization. Subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Company in respect of options granted under the Stock Option Plan.

The Company has no equity compensation plans other than the Stock Option Plan.

Employment, Consulting and Management Agreements

The Company does not have in place any employment agreements between the Company or any subsidiary or affiliate thereof and its Named Executive Officers.

There are no employment agreements in place with any of the directors of the Company.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Board, at the recommendation of the management of the Company, determines the compensation payable to the directors of the Company and reviews such compensation periodically throughout the year. For their role as directors of the Company, each director of the Company who is not a Named Executive Officer may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Company who are not Named Executive Officers were compensated by the Company or its subsidiaries during the most recently completed financial year end for their services in their capacity as directors of the Company.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Company believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Company as a whole. The primary components of the Company's executive compensation are base salary and option-based awards. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Company's executive compensation program:

- align interest of executives and shareholders;
- attract and motivate executives who are instrumental to the success of the Company and the enhancement of shareholder value;
- pay for performance;

- ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Company's long-term value; and
- connect, if possible, the Company's employees into principles 1 through 4 above.

The Board is responsible for the Company's compensation policies and practices. The Board has the responsibility to review and make recommendations concerning the compensation of the directors of the Company and the Named Executive Officers. The Board also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan. The Board also reviews and approves the hiring of executive officers.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. Comparative data for the Company's peer group is also accumulated from a number of external sources including independent consultants. The Company's policy for determining salary for executive officers of the Company is consistent with the administration of salaries for all other employees.

Annual Incentives

The Company is not currently awarding any annual incentives by way of cash bonuses. However, the Company, in its discretion, may award such incentives in order to motivate executives to achieve short-term corporate goals. The Board approves annual incentives.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Company in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Company that arise on a day to day basis. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Company currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Company.

Termination and Change of Control Benefits

REPORT ON GOVERNANCE

The Company believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the “**Governance Guidelines**”) of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Company’s approach to governance and outlines the various procedures, policies and practices that the Company and the Board have implemented.

Board of Directors

The Board is currently composed of five directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* (“**Form 58-101F2**”) requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Company by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a “material relationship” with the issuer. Accordingly, of the proposed nominee, Richard L. Tremblay, President & CEO is considered not to be “independent”. The remaining four proposed directors are considered by the Board to be “independent”, within the meaning of MI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors.

The following table sets forth the directors of the Company who currently hold directorships with other reporting issuers:

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Company's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Company and the nature of its business.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

The Board has established an Audit Committee and does not have any other board committees.

Assessments

Currently the Board has not implemented a formal process for assessing directors.
