

## CERTIFICATE OF AUTHOR

I, Sam Bourque, CPG, do hereby certify that:

1. I am an Independent Consulting Geologist, based out of Idaho with a business address of 111 Village Circle, Garden Valley, ID 83622
2. I am responsible for the preparation and contents of the entire report titled "Technical Report on the Klondike Exploration Project, San Miguel County, Colorado, USA", prepared for Allied Copper Corporation, effective March 26, 2022. I have read NI 43-101 and Form 43-101F1, and have prepared this Technical Report in accordance with the requirements set out in that form.
3. I visited the Klondike Property on February 6, 2022, and reviewed all available geology maps and reports. I verified and agree with prior work and interpretations based on outcropping geology.
4. I graduated with a Bachelor of Science degree in Geology from Northern Arizona University, 2003.
5. I have worked in the exploration and mining industry continuously for the 18 years since I received my degree. The majority of my career has been conducting exploration for base and base and precious metals deposits across the Western United States. I have three years of direct experience working on copper and copper cobalt-exploration for ASARCO and First Cobalt, and have managed an exploration program for Porphyry copper in the Yerington Mining District, NV.
6. I am a Certified Professional Geologist with the American Institute of Professional Geologists (#11775).
7. I have read the definition of "qualified person" set out in Canadian National Instrument 43-101 and certify that by reason of my education, affiliation with a professional association (as defined by NI 43-101) and past relevant work experience, I fulfill the requirements to be a "qualified person" for the purposes of NI 43-101.
8. I am independent of Allied Copper Corp. within the definitions set out in Section 1.5 of NI 43-101, and have had no prior involvement with the Klondike Property. I nor my Family do not own shares in Allied Copper Corp, and have no business interest related to or associated with the Allied or the Klondike Property other than a normal service provider-client relationship.
9. I am not aware of any relevant information that has been omitted or misrepresented that could be construed as misleading with regards to the facts, interpretations and recommendations contained in this report. At the effective date of this report, to the best of my knowledge, this report contains all scientific, technical and historic information that is necessary to include to ensure that the report is not misleading.

Signed: "Sam Bourque"
