Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Proxy Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed elsewhere in this Management Proxy Circular, none of the directors or senior officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on, other than the election of directors. Directors and executive officers may be interested in the annual approval of the Stock Option Plan as detailed below. See "*Particulars of Matters to be Acted Upon - Ratification and Re-Approval of Stock Option Plan*".

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares, Record Date and Principal Shareholders

As at the date of this Management Proxy Circular, the authorized share structure of the Corporation consists of an unlimited number of Common Shares without par value and an unlimited number of preferred shares without par value. The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting is March 22, 2023 (the "Record Date"). As at the Record Date, there were 165,523,533 Common Shares issued and outstanding as fully paid and non-assessable, each carrying the right to one vote, and no preferred shares issued or outstanding.

To the knowledge of the directors and senior officers of the Corporation, the following are the only persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, shares carrying 10% or more of the voting rights attached to all outstanding shares of the Corporation as of the close of business on March 22, 2023:

<u>Name</u>	<u>Number of Shares</u>	<u>Percentage</u>
Eric Krafft (Director and Interim CEO of the Corporation)	62,204,404	37.5%

Common Shares

The holders of Common Shares are entitled to notice of and to vote at all annual general meetings and special meetings of shareholders (except meetings at which only holders of a specified class or series of shares are entitled to vote) and are entitled to one vote per Common Share. The holders of Common Shares are entitled to receive such dividends as the board of directors of the Corporation (the "Board of Directors" or the "Board") declares and, upon liquidation, to receive such assets of the Corporation as are distributable to holders of Common Shares.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on the Record Date and holders of Common Shares issued by the Corporation after the Record Date and prior to the Meeting will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders, or who is holding a proxy on behalf of a Shareholder who is not present at the Meeting, will have one vote, and on a poll every Shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in his, her or its name.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "Non-Registered Holder") are registered either:

- a) In the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with, in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans; or
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "CDS").

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, Management Proxy Circular and the instrument of proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service corporation (such as Broadridge Financial Solutions, Inc. ("Broadridge")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through Internet based voting procedures; or
- b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services Inc. at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

This Management Proxy Circular and accompanying materials are being sent to both registered Shareholders and Non-Registered (beneficial) Shareholders. Beneficial shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“Objecting Beneficial Owners”, or “OBOs”) and those who do not object to their identity being made known to the issuers of the securities they own (“Non-Objecting Beneficial Owners”, or “NOBOs”). Subject to the provisions of NI 54-101 issuers may request and obtain a list of their NOBOs from Intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a beneficial shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf. The Corporation’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above.

The Corporation has decided to take advantage of the provisions of NI 54-101 that permit it to deliver the Meeting Materials directly to its NOBOs. By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. As a result, if you are a NOBO of the Corporation, you can expect to receive a scannable Voting Instruction Form (“VIF”) from the Transfer Agent. Please complete and return the VIF to the Transfer Agent in the envelope provided or by facsimile. The Transfer Agent will tabulate the results of the VIF’s received from the Corporation’s NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF’s they receive.

The Corporation is not sending its proxy-related materials to the registered Shareholders or Non-Registered (beneficial) Shareholders using “notice and access”, as defined in NI 54-101.

The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials and Form 54-101F7 to OBOs, as defined under NI 54-101. As a result, OBOs will not receive the Meeting Materials unless the OBOs intermediary assumes the costs of delivery.

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and, if necessary, revoke their proxy in accordance with the revocation procedures set above.

ELECTION OF DIRECTORS

Fixing the Number of Directors

At the Meeting, the Shareholders will be asked to fix the number of directors of the Corporation to be elected at three (3) and elect three (3) directors for the ensuing year.

Approval of the number of directors will require the affirmative votes of the holders of not less than a simple majority of the votes cast in respect thereof by Shareholders present in person or by proxy at the Meeting. Unless otherwise directed, the management designees named in the accompanying instrument of proxy intend to vote in favour of fixing the number of directors at three (3).

STATEMENT OF EXECUTIVE COMPENSATION

In accordance with the requirements of National Instrument 51-102 *Continuous Disclosure Obligations*, the Canadian Securities Administrators have issued guidelines on executive compensation disclosure for venture issuers as set out in Form 51-102F6V. The objective of the disclosure is to communicate the compensation the Corporation paid, made payable, awarded, granted, gave or otherwise provided to each named executive officer and director for the financial year, and the decision-making process relating to compensation. The disclosure will provide insight into executive compensation as a key aspect of the overall stewardship and governance of the Corporation and will help Shareholders understand how decisions about executive compensation are made. The Corporation's approach to executive compensation is set forth below.

Director and Named Executive Officer Compensation

Executive compensation is required to be disclosed for each (i) Chief Executive Officer (or individual who served in a similar capacity during the most recently completed financial year), (ii) each Chief Financial Officer (or individual who served in a similar capacity during the most recently completed financial year), (iii) the most highly compensated executive officers (other than the Chief Executive Officer and the Chief Financial Officer) who were serving as executive officers at the end of the most recently completed fiscal year whose total compensation was, individually, more than \$150,000; and (iv) each individual who would meet the definition set forth in (iii) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year (the "Named Executive Officers" or "NEO's").

Stock Option Plans and Other Incentive Plans

The Corporation has no other incentive plans other than its Stock Option Plan. The Corporation has adopted a rolling stock option, which makes a total of 10% of the issued and outstanding shares at the date of grant of an option available for issuance thereunder.

The Stock Option Plan, which is a significant component of executive compensation, was established to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to retain and encourage key individuals and qualified parties to continue their association with the Corporation. The Stock Option Plan provides that it is solely within the discretion of the Board to determine who should receive options and in what amounts. The options may have vesting provisions, as determined by the Board. Options may be granted for any term up to a maximum of ten years after the issuance of such options.

The following is a summary of the material terms of the Stock Option Plan:

If the option holder ceases to be a director of the Corporation or ceases to be employed by the Corporation (other than by reason of death or termination for cause), as the case may be, then the option granted shall expire within 90 days following the date that the option holder ceases to be a director or ceases to be employed by the Corporation, or for those holders engaged in providing investor relations services, the options granted shall expire within 30 days following the date that the option holder ceases to provide such investor relations services, unless the Board or committee of the Board authorized to act on the Board's behalf, at its own discretion, extends the expiry of such options.

Oversight and Description of Director and Named Executive Officer Compensation

The objectives of the Corporation’s executive compensation policy are to:

- Attract, retain and motivate executives critical to the success of the Corporation;
- Provide fair, competitive and cost-effective compensation programs to its executives;
- Link the interests of management with those of the holders of Common Shares; and
- Provide rewards for outstanding corporate and individual performance.

Director Compensation

The Board determines director compensation from time to time in its sole discretion. Directors of the Corporation are currently paid monthly fees of \$2,500 for serving on the Board. No Director of the Corporation is paid fees for serving on any committee of the Corporation. Directors are not paid for attending any committee or Board meetings. See “**Director and NEO Compensation, Excluding Options and Compensation Securities**”. Directors are entitled to receive compensation from the Corporation to the extent that they provide other services to the Corporation and any such compensation is based on rates that would be charged by such directors for such services to arm’s length parties. Directors are also entitled to be reimbursed for reasonable expenditures incurred in performing their duties as directors. See “**Stock Option Plan and Other Incentive Plans**” for a discussion on incentive stock options that may be awarded to Directors. The Shareholders will be asked at the Meeting to ratify and re-approve the Stock Option Plan which was previously adopted and approved by the Shareholders on April 28, 2022. See “*Particulars of Other Matters to be Acted Upon - Ratification and Re-Approval of Stock Option Plan*”.

Named Executive Officer Compensation

The Board reviews the compensation payable to the Named Executive Officers on an annual basis, or periodically if needed.

The objective of the Board of Directors in setting compensation levels is to attract and retain individuals of high caliber to serve the Corporation, to motivate their performance in order to achieve the Corporation's strategic objectives and to align the interests of the Named Executive Officers with the long-term interests of the Shareholders. These objectives are designed to ensure that the Corporation's business continues to grow and develop.

The Board of Directors sets the compensation received by the Named Executive Officers so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size and stage of development having similar assets, number of employees and market capitalization.

The Corporation compensates its Named Executive Officers based on their skill and experience levels and the existing stage of development of the Corporation. Named Executive Officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Corporation's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board of Directors has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders: First, Named Executive Officers are paid a monthly consulting fee or salary determined by the Board of Directors, if appropriate; secondly, the Board of Directors awards Named Executive Officers long term incentives in the form of stock options, if appropriate; and thirdly, and only in special circumstances, the Board of Directors may award cash or share bonuses for exceptional performance that Board believes results or is likely to result in a significant increase in shareholder value.

The base compensation of the Named Executive Officers is reviewed and set annually by the Board of Directors. The Chief Executive Officer has substantial input in setting annual compensation levels. The Chief Executive Officer is directly responsible for the financial resources and operations of the Corporation. In addition, the Chief Executive Officer and Board of Directors from time to time determine the stock option grants to be made pursuant to the Stock Option Plan. Previous grants of stock options are taken into account when considering new grants. The Board of Directors awards bonuses at its sole discretion. The Board of Directors has not set any performance criteria or objectives.

The Board of Directors considers the implications of the risks associated with the Corporation's compensation policies and practices when determining rewards for its Named Executive Officers, and ensures that those policies do not encourage management to take inappropriate or excessive risks. The Board of Directors does not believe that there are any risks arising from the compensation programs that would be reasonably likely to have a material adverse effect on the compensation.

Neither Named Executive Officers nor directors are permitted to take any derivative or speculative positions in the Corporation's securities. This is to prevent the purchase of financial instruments that are designed to hedge or offset any decrease in the market value of the Corporation's securities.

Compensation for the most recently completed financial year should not be considered as an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Corporation's financial resources and prospects.

Pension Disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement for its directors or Named Executive Officers.

CORPORATE GOVERNANCE

In accordance with the requirements of National Instrument 58-101 *Disclosure of Corporate Governance Practices* the Canadian Securities Administrators have issued guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2. The disclosure addresses matters relating to constitution and independence of directors, the functions to be performed by the directors of a corporation, their committees and effectiveness and evaluation of proposed corporate governance guidelines and best practices. The Corporation's approach to corporate governance is set forth below.

Compensation Committee

The purpose of the Compensation Committee is to assist the Board of Directors in discharging its responsibilities with respect to appointing, compensation and evaluating and planning for the succession of officers and other senior management personnel of the Corporation; and approving the Corporation's annual budget. The Charter of the Corporation's Compensation Committee is attached to this Management Proxy Circular as Schedule "B".

Board of Directors

In determining whether a director is independent, the Corporation primarily considers whether the director has a relationship which could, or could be perceived to, interfere with the director's exercise of independent judgement. For the purposes of this disclosure, a director is independent if he or she would be independent within the meaning of section 1.4 of National Instrument 52-110 *Audit Committees*.

The Board is currently composed of three (3) directors and all members of the current Board are the proposed nominees for election as director at the Meeting. The following table sets forth the nominees for appointment to the Board, their independence or non-independence and the basis for that determination:

Name	Independent	Basis for Determination of Independence ⁽¹⁾
JOHANSSON, Lars-Eric	Yes	No material relationship
MAJOR, Daniel	Yes	No material relationship
KRAFFT, Eric	No	N/A

Note:

1. Individuals who are, or have been within the last three years, an employee or executive officer of the Corporation, are considered to have, or have had, a material relationship with the Corporation, therefore these individuals do not satisfy the meaning of independence as set forth in section 1.4 of National Instrument 52-110 *Audit Committees*.

The Corporation has not developed an official orientation or training program for new directors, but they are encouraged to communicate with other directors, officers and employees as needed. New directors will have the opportunity to become familiar with the Corporation with full access to records, meeting with legal counsel, the auditors and various technical consultants. Orientation activities are tailored to the needs and expertise of each director and the overall needs of the Board. The Corporation does not have a formal program of continuing education for its directors but encourages its directors to attend continuing education seminars at the Corporation's expense, subject to prior approval by management of the Corporation. The Corporation also liaises with its legal counsel, auditors and other advisors to keep apprised of any developments and material changes to corporate governance and reporting policies affecting the Corporation and makes the directors aware of any such developments and changes.

Ethical Business Conduct

The Board encourages, monitors and promotes a culture of ethical business conduct of the Corporation and ensures that the Board complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. As the Corporation grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

The Corporation currently has the following policies in place for its directors, officers, employees and consultants:

- Corporate Disclosure Policy;
- Insider Trading Policy; and
- Whistleblower Policy

Shareholders may visit the Corporation's website at www.leadingedgematerials.com to view copies of the above noted policies.

When there is a need to fill a position on the Board, either due to a vacancy or as required to carry out the Board's duties effectively and maintain a breadth of experience, the Compensation Committee assists the current directors with identifying individuals qualified to become new Board members and potential candidates for consideration.

Compensation

The Compensation Committee reviews the compensation payable to the Named Executive Officers on an annual basis, or periodically if needed, and makes recommendations to the Board of Directors. The Board has the ability to adjust and approve such compensation.

The following table sets forth the members of the Compensation Committee as of the Record Date, their independence or non-independence and the basis for that determination:

Market comparisons, as well as evaluation of similar positions in different industries in the same geography, along with individuals experience and the diversity such individual brings to the Corporation's Board, are the criteria used in determining compensation.

Other Board Committees

The Board does not currently have any committees other than the Audit Committee and Compensation Committee.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its Audit Committee and its Compensation Committee, including reviewing the Board's decision-making processes and the quality of information provided by management.

- (c) *Net Exercise* - Subject to approval from the Plan Administrator on terms and conditions which the Plan Administrator may determine, and further subject to the Shares being traded on the Exchange, consideration may be paid by a Participant, excluding Investor Relations Service Providers, surrendering or terminating the right to purchase a certain number of the Shares otherwise issuable under the Options such that the net value of the rights surrendered or terminated is equal to the aggregate Exercise Price of the net number of Shares to be issued and, in that case, the aggregate Exercise Price of the net number of Shares to be issued will be paid and satisfied by the surrender or termination of such rights, and the Participant will only receive the net number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied

by the difference between the VWAP of the underlying Shares and the Exercise Price of the subject Options, by (ii) the VWAP of the underlying Shares. The number of Shares delivered to the Participant may be further reduced to satisfy applicable tax withholding obligations pursuant to Section 5.2.

4.11 **Termination of Options**

Subject to such other terms or conditions that may be attached to Options granted hereunder, a Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. If the Expiry Date for an Option occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Option shall be extended no more than ten (10) Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation's securities.

5.2 **Withholding Taxes**

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary, desirable, or required by law in respect of such Option, including the grant, vesting, termination, surrender, or exercise, such action is not effective unless the deduction or withholding of such tax or other amounts has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting, termination, surrender, or exercise of the Option. Any such additional payment is due no later than the date on which such amount with respect to the Option is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise or vesting of such Option and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant, vesting, termination, surrender, exercise, cashless exercise, net exercise, or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment in respect of any Option or any issuance of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

5.3 Recoupment

Notwithstanding any other terms of the Plan, Options may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Option, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

5.4 No Other Benefit

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Option granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Options whatsoever. Participants are expressly advised that the value of any Options issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Options.

ARTICLE 6 TERMINATION OF EMPLOYMENT OR SERVICES

6.1 Termination of Participant

Subject to ARTICLE 7 and unless otherwise determined by the Plan Administrator or as set forth in an Option Agreement:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.9 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and

- (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.9 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
- (i) a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
- (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and
- (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.9 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the

Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

6.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

6.3 Death or Disability

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.9 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

6.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this ARTICLE 6, subject to Section 3.9(d) and any necessary Regulatory Approvals, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in ARTICLE 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.9.

ARTICLE 7 EVENTS AFFECTING THE CORPORATION

7.1 Change in Control

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.9 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination

Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.

- (b) Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

7.2 **Triggering Events**

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Agreement, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

7.3 **Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share.

7.4 **Assumptions of Options in Acquisitions**

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without shareholder approval, provided that the rules of the TSXV are complied with.

7.5 **No Restriction on Action**

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

7.6 **Issue by Corporation of Additional Shares**

Except as expressly provided in this ARTICLE 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

7.7 **Fractions**

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this ARTICLE 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 8 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

8.1 **Discretion of the Plan Administrator**

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

8.2 **Amendment of Option or Plan**

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a) any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the TSXV;
- (b) any amendment to the Plan is subject to the prior acceptance of the TSXV, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c) subject to any rules of the TSXV, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to disinterested shareholder approval in accordance with the policies of the TSXV.

ARTICLE 9 MISCELLANEOUS

9.1 **Legal Requirement**

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

9.2 **Rights of Participant**

No Participant has any claim or right to be granted an Option and the granting of any Option is not to be construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

9.3 **Conflict**

In the event of any conflict between the provisions of the Plan and the provisions of an Option Agreement, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

9.4 **Anti-Hedging Policy**

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

9.5 **No Guarantee of Tax Consequences**

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

9.6 **Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

9.7 **Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

9.8 **Successors and Assigns**

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

9.9 **Severability**

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

9.10 **Notices**

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

Such notices are, if delivered by hand or by courier, deemed to have been given by the sender and received by the addressee at the time of delivery. Any notice sent by email will be deemed to have been given by the sender and received by the addressee on the first Business Day after it was transmitted. Any notice given by either the Participant or the Corporation is not binding on the recipient thereof until received.

9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.

9.12 Governing Law

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

9.13 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to the Plan, including with respect to the grant of Options and any issuance of Shares made in accordance with the Plan.
