Re: Mangazeya Mining Ltd. (the “Company”)
National Instrument 43-101

The undersigned refers to the Technical Report dated August, 2017, entitled “NI 43-101 Compliant Mineral Resource and Ore Reserve Estimate for the Nasedkino Gold Project, Russian Federation” prepared by Wardell Armstrong International Ltd for Daltsvetmet (the “2017 Technical Report”).

1. The undersigned hereby consents to the public filing of the 2017 Technical Report by way of SEDAR.
2. The undersigned consents to the use of extracts from, or a summary of, the 2017 Technical Report in the Company’s press release dated August 14, 2017 (the “Press Release”) and consents to being named in such document.
3. The undersigned confirms that the undersigned has read the Press Release and that the Press Release fairly and accurately represents the information in the sections of the Technical Report for which I am responsible.

This consent is provided solely for the purpose of assisting the securities regulatory authorities in discharging their responsibilities and should not be used for any other purpose. Any use that a third party makes of this letter, or any reliance or decisions made based on it, are the responsibility of such third parties. The undersigned accepts no responsibility for loss or damages, if any, suffered by any third party as a result of decisions made or actions taken based on this consent.
