

27.0 STATEMENT OF QUALIFICATIONS

I, Jim Chapman, P.Geo, of 2705 West 5th Avenue, Vancouver, V6K 1T5, in the Province of British Columbia, am a Professional Geoscientist.

I am a member of the Association of Professional Engineers and Geoscientists of British Columbia, Licence #19871. I am a graduate from the University of British Columbia with a Bachelor of Science degree in geology in 1976, and I have practiced my profession continuously since graduation.

As a result of my experience and qualifications I am a Qualified Person as defined in National Policy 43-101.

This experience has included all aspects of the industry from project generation through implementation and report preparation for owners, clients and regulatory authorities. Since 1982 I have operated as an independent consulting geologist, I have been responsible for international and domestic project development, examination, evaluation and reporting on a variety of mineral deposit types and commodities, supervision and management of exploration projects as well as client representation and government liaison.

I am the author of, and responsible for the preparation of the technical report titled "43-101 Technical Report on the Adobe Property, Elko County, Nevada USA for Sitka Gold Corporation dated January 30, 2017. The sources of all information are quoted in the report. The information provided by the various parties is to the best of my knowledge and experience correct.

I am an independent author as described by Section 1.5 of NI43-101. I have no direct or indirect interest in Sitka Gold Corporation or of the subject property described in this report.

As stated in the "Report" I conducted a site visit of the subject property on November 6th 2016. Prior to the 2016 visit the author had no involvement with the subject property.

I am not aware of any material fact or material change with respect to the subject matter of this technical report, which is not reflected in this report, the omission to disclose which would make this report misleading. At the effective date of this report, to the best of my knowledge, information, and belief, the technical report, contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

I have read National Instrument 43-101, Form 43-101FI and this report has been prepared in compliance with NI 43-101 and Form 43-101FI.

Dated at Vancouver, British Columbia, this 30th day of January 2017.
