GENERAL PROXY INFORMATION

Revocability of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) executing a proxy bearing a later date; or
- (b) executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the shareholder’s authorized attorney in writing, or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized, and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., or at the address of the registered office of the Company at 700 – 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the date that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

- (c) by the registered shareholder personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Appointment of Proxyholders

A shareholder entitled to vote at the Meeting may, by means of a proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be Shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf.

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and/or officers of the Company (the "**Management Designees**"). **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting other than either of the Management Designees. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

A proxy will not be valid unless the completed, signed and dated form of proxy is delivered to the office of **Computershare Investor Services Inc., at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at www.investorvote.com** not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Exercise of Discretion

The Management Designees named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. The Proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the Management Designees will vote the Common Shares represented by the Proxy at their own discretion for the approval of such matter.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting, each Management Designee intends to vote thereon in accordance with the Management Designee's best judgment.

Proxy Voting Options

If you are a registered Shareholder, you may elect to submit a proxy in order to vote whether or not you are able to attend the Meeting in person. In order to vote by mail, you must complete, date and sign the Proxy and return it to the Company's transfer agent, Computershare Investor Services Inc., at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, or by fax within North America to 1-866-249-7775 and outside North America to (416) 263-9524, or by telephone to 1-866-732-VOTE (8683) or internet at www.investorvote.com at any time up to and including 10:00 a.m. (Vancouver time) on November 29, 2022.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings unless the Beneficial Shareholders have waived the right to receive meeting material. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting.

If you are a Beneficial Shareholder, the form of proxy supplied to you by your broker (or its agent) is similar to the form of Proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary how to vote on your behalf. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Communications Solutions Canada ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the Management Designees to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. It must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although, as a Beneficial Shareholder, you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker (or agent of your broker), you may attend at the Meeting as proxyholder for your broker and vote the Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker or have a person designated by you to do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instrument form provided to you and return the same to your broker (or your broker's agent) in accordance with the instructions provided by your broker (or agent), well in advance of the Meeting.

Alternatively, you may request in writing that your broker send you a legal Proxy which would enable you, or a person designed by you, to attend at the Meeting and vote your Common Shares.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than as disclosed herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed October 18, 2022, as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value of the Company. As of October 18, 2022, the Company had outstanding 100,011,151 fully paid and non-assessable Common Shares without par value, each carrying the right to one vote. The Company has no other classes of voting securities.

To the knowledge of the Directors and executive officers of the Company, only the following shareholder owns, directly or indirectly, or exercises control or direction over, shares carrying more than 10% of the outstanding voting rights of the Company:

Shareholder Name	Number of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly ⁽¹⁾⁽²⁾	Percentage of Outstanding Shares
George David Richardson	25,948,499	25.9%

- (1) This information was supplied to the Company from insider reports and beneficial ownership reports filed on SEDI, and from the beneficial shareholders themselves.
- (2) The holdings represent registered and beneficial ownership, and for the purposes hereof, beneficial ownership is presumed where sole voting and dispositive power is declared without disclaiming ownership.
- (3) George David Richardson controls or is deemed to control indirectly 24,348,499 Common Shares through Countryman Investments Limited, a private company in which Mr. Richardson is a principal.

VOTES NECESSARY TO PASS RESOLUTIONS

Except at otherwise described in this Information Circular, a simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. At least a two-thirds majority of affirmative votes cast by disinterested shareholders at the Meeting are required to pass the special resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled all such nominees will be declared elected or appointed by acclamation.

Recommendation of the Board

The Board unanimously recommends that Shareholders vote in favour of all resolutions.

ELECTION OF DIRECTORS

The Board currently consists of five directors. Management proposes to fix the number of directors of the Company at four (4) and to nominate the persons listed below for election as directors.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director’s office is earlier vacated in accordance with the provisions of the British Columbia *Business Corporations Act* or the Articles of the Company, each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management does not contemplate that any of the nominees will be unable to serve as a director. In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the proxy as nominee to vote the Common Shares represented by proxy for the election of any other person or persons as directors.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares of the Company which each beneficially owns or over which control or direction is exercised:

(1) The information as to principal occupation, business or employment and Common Shares beneficially owned or controlled is not within the knowledge of the management of the Company and has been furnished by the respective nominees. Each nominee has held the same or a similar principal occupation with the organization indicated or a predecessor thereof for the last five years unless otherwise indicated.

(2) The number of Common Shares beneficially owned by the above nominees for directors, directly or indirectly, is based on information furnished by Computershare Investor Services Inc., the registrar and transfer agent of the Company, insider reports filed on SEDI and by the nominees themselves.

To the knowledge of the Company, no proposed director is, or has, within the 10 years before the date of this Information Circular, been a director, chief executive officer or chief financial officer of any company that,

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

To the knowledge of the Company, no proposed director of the Company was, as at the date of the Information Circular, or has been within 10 years before the date of the Information Circular, a director or executive officer of any company (including Progressive Planet Solutions Inc.) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

No proposed director of the Company has, within the 10 years before the date of the information circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

No proposed director of the Company has been subject to (i) any penalties or sanctions imposed by a court relating to securities legislation or by a security regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (ii) any penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for that proposed director.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Compensation

The Board as a whole has the responsibility of determining the compensation for the Chief Executive Officer (the “**CEO**”) and the Chief Financial Officer (the “**CFO**”) and of determining compensation for directors and senior management.

The Company’s compensation objectives include the following:

- to assist the Company in attracting and retaining highly-qualified individuals;
- to create among directors, officers, consultants and employees a sense of ownership in the Company and to align their interests with those of the shareholders; and
- to ensure competitive compensation that is also financially affordable for the Company.

The compensation program is designed to provide competitive levels of compensation. The Company recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive’s level of responsibility. In general, the Company’s NEOs (defined below) may receive compensation that is comprised of three components:

- Salary, wages or contractor payments;
- Stock option grants; and/or
- Bonuses.

The objective and reason for this system of compensation is to allow the Company to remain competitive compared to its peers in attracting experienced personnel. The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal “peer group”. The Compensation Committee relies on the general experience of its members in setting base salary amounts.

Stock option grants are designed to reward the NEOs for success on a similar basis as the shareholders of the Company, although the level of reward provided by a particular stock option grant is dependent upon the volatile stock market.

Any bonuses paid to the NEOs are allocated on an individual basis related to the review by the Board of the work planned during the year and the work achieved during the year, including work related to mineral exploration, administration, financing, shareholder relations and overall performance. The bonuses are paid to reward work done above the base level of expectations set by the base salary, wages or contractor payments.

Executive Compensation

In this section “**Named Executive Officer**” or “**NEO**” means the CEO, the CFO and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed fiscal year and whose total compensation exceeds \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an officer of the Company at the end of the most recently completed financial year end.

There are no other executive officers of the Company whose total compensation exceeded \$150,000 during the financial year ended April 30, 2022. The compensation paid to the Named Executive Officers for the three most recently completed financial years of the Company is as set out below:

The Plan is administered by the directors of the Company. The Plan provides that options will be issued pursuant to option agreements with directors, officers, employees or consultants of the Company or a subsidiary of the Company. See "External Auditor Service Fees" under "Audit Committee And Relationship With Auditor".

CORPORATE GOVERNANCE

General

National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") requires issuers to disclose the corporate governance practices that they have adopted according to guidance provided pursuant to National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201").

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The Canadian Securities Administrators (the "CSA") have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by reporting issuers of its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The current independent members of the Board of Directors of the Company are Edward Beggs, Dwayne L. Melrose and Scott Jenkins. The non-independent director is Stephen Harpur, the President and Chief Executive Officer of the Company.

Directorships

The participation of the directors in other reporting issuers is described in the following table:

Name of Director	Names of Other Reporting Issuers of which the Director is a Director
Stephen Harpur	None
Edward Beggs	None
Dwayne L. Melrose	Golden Tag Resources Ltd. Greenhawk Resources Inc.
Scott Jenkins	None
Peter Lacey	Braveheart Resources Inc. Hemostemix Inc.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties and on director responsibilities.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available to discussions with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Other Board Committees

The Board has no committees other than the Audit Committee.

The Audit Committee provides an open avenue of communication between management, the Company's independent auditors and the Board and to assist the Board in its oversight of:

- (a) the integrity, adequacy and timeliness of the Company's financial reporting and disclosure practices;
- (b) the Company's compliance with legal and regulatory requirements related to financial reporting; and
- (c) the independence and performance of the Company's independent auditors.

The Audit Committee also performs any other activities consistent with the Audit Committee Charter, the Company's Articles and governing laws as the Audit Committee or Board deems necessary or appropriate. See "*Audit Committee and Relationship with Auditor*".

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and the Audit Committee.

Compensation

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Amended and Restated Stock Option Plan (the "2022 Plan")

The Company's 10% Plan, was first approved by the Company shareholders on November 20, 2006 and amended on September 1, 2010. The TSX-V requires listed companies that have "rolling" stock option plans in place receive Shareholder approval of such plans on a yearly basis and as such the Plan was last approved at the annual general meeting held on November 29, 2021. As of November 24, 2021 the TSX-V amended its policies with regards to stock option plans and accordingly, the shareholders of the Company will be asked at the Meeting to ratify and approve the amended and restated stock option plan (the "2022 Plan") as compared to the Plan, which contains terms substantively similar to the Plan previously approved by the Shareholders and the TSX-V

The purpose of the Plan and subsequently the 2022 Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to the Company and any subsidiaries with

an opportunity to purchase Common Shares of the Company and benefit from any appreciation in the value of the Company's Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Common Shares for the benefit of all the Shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company.

The 2022 Plan provides for a floating maximum limit of 10% of the outstanding Common Shares, as permitted by the policies of the TSX-V. As at October 18, 2022 this represents 10,001,115 Common Shares available under the 2022 Plan, of which 9,953,000 are issued and 48,115 are reserved and available for issuance under the 2022 Plan.

Under the 2022 Plan, the option price must not be less than the exercise price permitted by the TSX-V. The current policies of the TSX-V state that the option price must not be less than the closing prices of the Common Shares listed on the TSX-V on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the TSX-V. An option must be exercised within a period of ten years from the date of granting. Within this ten-year period, the Board may determine the limitation period during which an option may be exercised. Any amendment to the 2022 Plan requires the approval of the TSX-V and may require Shareholder approval.

The material terms of the 2022 Plan are as follows:

1. Options may be granted to Directors, Officers, Consultants and Employees of the Company or its subsidiaries, and to Management Companies and Management Company Employees, as such terms are defined in the 2022 Plan.
2. The term of any options granted under the 2022 Plan will be fixed by the Board at the time such options are granted, provided that options will not be permitted to exceed a term of ten years.
3. The exercise price of any options granted under the 2022 Plan will be determined by the Board, in its sole discretion, but shall not be less than the closing price of the Company's Common Shares on the day preceding the date on which the directors grant such options, less any discount permitted by the TSX-V or such other price as may be required by the TSX-V, to a minimum of \$0.05 per share.
4. No vesting requirements will apply to options granted under the 2022 Plan other than as required by TSX-V policies; however, a four-month hold period may apply to shares issued under the option.
5. All options will be non-assignable and non-transferable except in the case of the death of an Optionee, and subject to restrictions.
6. No more than (i) 5% of the issued Common Shares may be granted to any one individual in any 12-month period; and (ii) 2% of the issued Common Shares may be granted to a consultant, or an employee performing investor relations activities, in any 12-month period.
7. If the option holder ceases to be a director of the Company or ceases to be employed by the Company (other than by reason of death or disability), as the case may be, then the option granted shall expire on no later than the 60th day following the date that the option holder ceases to be a director or ceases to be employed by the Company, subject to the terms and conditions set out in the 2022 Plan.
8. Disinterested shareholder approval must be obtained for (i) any reduction in the exercise price of an outstanding option, if the option holder is an insider; (ii) any grant of options to insiders, within a 12-month period, exceeding 10% of the Company's issued Common Shares; (iii) any grant of options to any one individual, within a 12-month period, exceeding 5% of the Company's issued Common Shares; (iv) the grant of security based compensation to Insiders exceeding 10% of the issued and outstanding shares of the Company; and (v) any extension to options granted to Insiders of the Company at the time of the proposed extension.

9. Options will be reclassified in the event of any consolidation, subdivision, conversion or exchange of the Company's Common Shares.

The 2022 Plan is subject to annual shareholder approval and TSX-V acceptance to its filing. Shareholders will be asked at the Meeting to consider, and if thought fit, approve an ordinary resolution ratifying and approving the 2022 Plan.

The full text of the 2022 Plan, which is attached as Schedule "B" to this Information Circular, is an amended version of the previous stock option plan with substantively the same terms as the existing stock options plan. The full text of the 2022 Plan, when approved will be made available at the registered and records offices of the Company, Suite 700 – 401 West Georgia Street, Vancouver, British Columbia, V6B 5A1.

Shareholder Approval

Shareholders will be asked at the Meeting to approve with or without variation the following resolution:

"RESOLVED THAT the 2022 Stock Option Plan be and is hereby implemented, ratified and approved, and that in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options and that the board of directors be and are hereby authorized, without further shareholder approval, to make such changes to the 2022 Stock Option Plan as may be required or approved by regulatory authorities."

Other Matters

As of the date of this Information Circular, management knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

With respect to any other Options, the Board may specifically constitute a committee of its Directors, as the Board may designate from time to time. Notwithstanding, the Board may resolve to be the Committee to administer the Plan with respect to all of the Plan or certain participants and/or awards made or to be made under the Plan. Each Option granted by the Company prior to the date of the approval of the Plan by the Company’s shareholders, including options granted under previously approved stock option plans of the Company, be and are continued under and shall be subject to the terms of the Plan.

3.2 The Board shall have the authority to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to make all other determinations necessary or advisable for the administration of the Plan; and to reserve and issue Shares issuable upon due exercise of Options. All determinations and interpretations made by the Board shall be binding and conclusive on all parties concerned. No member of the Board shall be liable for anything done or omitted to be done by such member, by any member of the Board or of the Committee, or by an Officer of the Company in connection with the performance of any duties under the Plan, except for such person’s own wilful misconduct or as expressly provided under applicable laws. The granting of Options is entirely discretionary, and nothing contained under this Plan shall be construed to give any person any right to participate in this Plan or be granted an Option, and the granting of an Option to a person shall not entitle that person to receive any additional Options.

4.2 No Investor Relations Service Provider may receive any security based compensation other than Options.

4.3 Subject to applicable laws or the rules or policies of the Exchange, Optionees may elect to hold their Options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held directly by the Optionee.

4.4 Subject to applicable laws or the rules or policies of the Exchange, Options may also be granted under the Plan in exchange for outstanding options granted by the Company or any predecessor company thereof or any affiliate thereof, whether such outstanding options are granted under the Plan, under any other stock option plan of the Company or any predecessor company or affiliate thereof, or under any stock option agreement with the Company or any predecessor company or affiliate thereof.

4.5 Subject to applicable laws or the rules or policies of the Exchange, Options may also be granted under the Plan in substitution for outstanding options of another entity in connection with a plan of arrangement or exchange, amalgamation, merger, consolidation, acquisition of property or shares, or other reorganization between or involving such other company and the Company or any of its subsidiaries.

ARTICLE 5 SHARES SUBJECT TO PLAN

5.1 Subject to adjustment as provided in Sections 5.2 and 5.3 hereof, the Options issuable pursuant to the Plan, together with all grants of Securities-based Compensation Arrangements shall not exceed a maximum of 10% of the number of issued and outstanding Shares from time to time, calculated on a non-diluted basis. Shares issuable pursuant to Options granted under this Plan that have been exercised, cancelled or otherwise terminated shall be available for subsequent grants of Options under the Plan.

5.2 Notwithstanding any other provision hereunder:

- (a) The maximum aggregate number of Shares that are issuable pursuant to Options granted or issued to Insiders (as a group), together with all grants of Security-based Compensation Arrangements issued to Insiders (as a group), shall not exceed 10% of the issued and outstanding Shares at any point in time, unless the Company has obtained the requisite Disinterested Shareholder Approval pursuant to Exchange policies;

- (b) Options shall not be granted if, upon such grant, together with all grants of Securities-based Compensation Arrangements, the maximum aggregate number of Shares that are issuable pursuant to all Options granted or issued in any 12 month period to Insiders (as a group) exceeds 10% of the issued and outstanding Shares, calculated at the date such Option is granted, unless the Company has obtained the requisite Disinterested Shareholder Approval pursuant to Exchange policies;
- (c) The issuance of Options to any one Optionee, together with all grants of Security-based Compensation Arrangements issued to the Optionee, within a 12 month period, shall not exceed 5% of the issued and outstanding Shares, calculated at the date such Option is granted, unless the Company has obtained the requisite Disinterested Shareholder Approval required pursuant to Exchange policies. This limit may only be exceeded with Disinterested Shareholder Approval;
- (d) The issuance of Options to any one Optionee who is a Consultant, together with all grants of Security-based Compensation Arrangements issued to the Consultant within a 12 month period, shall not exceed 2% of the issued and outstanding Shares, calculated at the date such Option is granted; and

5.3 If the Shares are listed for trading on the TSX Venture Exchange, the aggregate number of Shares which may be purchased by the due exercise of Options granted to persons (as a group) employed or retained to provide Investor Relation Activities must not exceed, in the aggregate, 2% of the issued and outstanding Shares in any 12 month period, calculated at the date such Option is granted, and such Options must vest in stages over a period of not less than 12 months with no more than 25% of such Options vesting in any three month period.

5.4 For the purposes of this Article 5, the number of Shares issued and outstanding is determined on the basis of the number of Shares that are outstanding immediately prior to the Share issuance in question, unless otherwise expressly stated.

ARTICLE 6 EXERCISE PRICES

6.1 The exercise price per Share subject to an Option shall be determined by the Committee at the time an Option is granted. In no event shall such exercise price be lower than the exercise price permitted by the Exchange.

6.2 Subject to applicable laws or the rules and policies of the Exchange, the Committee may reprice the prevailing exercise price of an Option. Any reduction in the exercise price of an Option held by an Optionee who is an Insider of the Company at the time of the proposed amendment is, however, subject to the Company obtaining prior Disinterested Shareholder Approval if and as required by the Exchange.

ARTICLE 7 TERM & EXERCISE

7.1 Each Option and all rights thereunder shall be expressed to expire on the date set out in the applicable Option Agreement and shall be subject to earlier termination as provided in Article 9; provided, however, that in no circumstances shall the duration of an Option exceed 10 years or the maximum term permitted by the Exchange at the date of grant, whichever is shorter. 7.2 Subject to any vesting restrictions imposed by the Exchange, the Committee may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall apply to such Options. Notwithstanding the foregoing, with respect to Options granted to Persons conducting Investor Relations Activities, the minimum vesting requirements required under Exchange policies with respect to such Options must be applied, unless the Exchange has granted its prior written approval otherwise.

7.3 Subject to any vesting restrictions imposed by the Committee, Options may be exercised in whole or in part at any time and from time to time during the applicable Option Period. The exercise of any Option will be contingent upon receipt by the Company of a written notice of exercise, specifying the number of Shares with respect to which the Options are being exercised, accompanied by cash payment, certified cheque, wire transfer or bank draft for the full purchase price of such Shares with respect to which the Options are exercised. No Optionee or its legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares unless and until the certificates for Shares issuable (or, if such Shares are issued as uncertificated Shares, the notice of issuance) pursuant to Options under the Plan are issued to it under the terms of the Plan.

7.4 Subject to applicable laws or the rules and policies of the Exchange, the Committee may extend the exercise period of an Option. However, any extension of the exercise period of an Option held by an Optionee who is an Insider of the Company at the time of the proposed extension is subject to the Company obtaining prior Disinterested Shareholder Approval if and as required by the Exchange.

ARTICLE 8 OPTION AGREEMENTS

8.1 Each Option granted hereunder may be evidenced by an Option Agreement, signed on behalf of the Company and by the Optionee, in such form as the Committee shall approve. Each such Option Agreement is subject to the provisions of the Plan. Without limiting the generality of the foregoing, and if and for so long as the Company is listed on the TSX Venture Exchange, for Options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are required to represent in the Option Agreement that the Optionee is a bonafide Employee, Consultant or Management Company Employee, as the case may be.

8.2 In the event of a conflict between the provisions of the Plan and an Option Agreement, the provisions of the Plan shall prevail.

In such circumstances, the Options of the deceased Optionee may only be exercised by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or by the laws of descent and distribution.

9.5 In the event of a Change of Control or impending Change of Control, the Board may, in its sole discretion but without requirement, deal with outstanding Options in such manner as it deems fair and reasonable in light of the circumstances. Without limiting the generality of the foregoing, the Board may, with or without any action or consent on the part of the Optionee, but in all events subject to the approval of the Exchange:

- (a) Deliver a notice to an Optionee advising that the unvested portion of the Options held by the Optionee, if any, shall immediately vest. Notwithstanding the foregoing, the Board may not accelerate the vesting period of any Options held by an Optionee employed or retained to provide Investor Relation Services without the prior written approval of the Exchange;
- (b) Deliver a notice to an Optionee advising that the expiry of the Options held by the Optionee for any vested portions of the Options shall be the earlier of the expiry of the applicable Option Period or the 10th day following the date of such notice, and the expiry of the Option Period of the unvested portion of the Options shall be the date of such notice; or
- (c) Take such other actions, or combination of the foregoing actions, as it deems fair and reasonable under the circumstances.

9.6 Notwithstanding the foregoing, and subject to applicable laws or the rules and policies of the Exchange, the Committee may, in its discretion, provide for the extension of the Option Period of an Option for any period that is not beyond the allowable Option Period thereof; eliminate or make less restrictive any restrictions governing an Option; waive any restriction or other provision of this Plan or an Option Agreement; or otherwise amend or modify the Option in any manner that is not adverse to such Optionee or as consented to by the Optionee.

9.7 Nothing contained in the Plan, nor in any Option granted pursuant to the Plan, shall as such confer upon any person any right with respect to continuance as a Director, Officer, Consultant, Employee or Management Company Employee of the Company, its subsidiaries or affiliates, or interfere in any way with the right of the Company, its subsidiaries or affiliates to terminate an Optionee's employment or services at any time.

9.8 If an Optionee, or in the case of a Management Company Employee, the applicable Management Company, retires, resigns or is terminated from employment or engagement with the Company, its affiliates or subsidiaries, the loss or limitation, if any, by the cancellation of the right to purchase Shares underlying Options held by such Optionee shall not give rise to any right to damages and shall not be included in the calculation of, nor form any part of, any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

ARTICLE 10 ADJUSTMENTS

10.1 If the outstanding Shares are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, the Board shall, in its sole discretion, in the manner it deems fair and reasonable in light of the circumstances, make an appropriate and proportionate adjustment in the number or kind of Shares optioned and the exercise price per Share, as regards previously granted and unexercised Options or portions thereof, and as regards to Options which may be granted subsequent to any

such change in the Company's capital.
