**Re: Fury Gold Mines Limited (the “Company”)**

This consent is delivered in connection with the Company’s short form base shelf prospectus dated October 12, 2023 (the “**Prospectus**”), which incorporates by reference the Company’s annual information form for the years ended December 31, 2022 and 2021 (the “**2022 AIF**”), the annual management’s discussion and analysis for the year ended December 31, 2022 (the “**2022 Annual MD&A**”) and the interim management’s discussion and analysis for three and six months ended June 30, 2022 (the “**2022 Q2 MD&A**”).

I, Andrew Turner, P. Geol., of APEX Geoscience Ltd., hereby consent to being named in the Prospectus and to the inclusion of the reference to the following technical report (the “**Technical Report**”) in the Prospectus and the extracts and information derived from, or a summary of, the Technical Report in the written disclosure contained in the Prospectus or incorporated by reference therein:

- *Technical Report on the Committee Bay Project, Nunavut Territory, Canada, dated September 11, 2023.*

I have read the Prospectus and the documents incorporated therein by reference, including the 2022 AIF, the 2022 Annual MD&A and the 2022 Q2 MD&A, and have no reason to believe that there are any misrepresentations in the information contained in the Prospectus or the documents incorporated therein by reference that are derived from the Technical Report or within my knowledge as a result of the services performed by me in connection with the Technical Report.

References to the Prospectus include all documents incorporated by reference.

Sincerely,

“Andrew Turner”
