

CALLINEX MINES INC.

INFORMATION CIRCULAR

November 7, 2024

INTRODUCTION

This Information Circular accompanies the Notice of Annual General Meeting (the “Notice”) and is furnished to shareholders holding common shares in the capital of Callinex Mines Inc. (the “Company”) in connection with the solicitation by the management of the Company of proxies to be voted at the Annual General Meeting (the “Meeting”) of the shareholders to be held at Suite 704, 595 Howe Street, Vancouver, BC V6C 2T5 on Monday, December 9, 2024 at 10:00 am (Vancouver time), or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is November 7, 2024. Unless otherwise stated, all amounts herein are in Canadian dollars.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of October 31, 2024, on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. **In order to vote, registered**

shareholders of the Company need to complete, date and sign the form of proxy and deposit it with the Company's transfer agent, Computershare Investor Services inc., 510 Burrard Street, 2nd Floor, Vancouver, BC V6C 3B9 by mail or fax, no later than forty eight (48) hours (excluding Saturday, Sundays and holidays) prior to the time of the Meeting, or adjournment thereof.

The persons named as proxyholders (the "Designated Persons") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's transfer agent, Computershare Investor Services Inc. (the "Transfer Agent") at their offices located at 510 Burrard St., 3rd Floor Vancouver, BC, V6C 3B9 by mail or fax not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarial certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING BY PROXIES

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the

proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., being the registration name for The Canadian Depository for Securities Limited (which acts as nominee for many Canadian brokerage firms and in the United States, under the name Cede & Co., as nominee for The Depository Trust Company which acts as depository for many U.S. brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

Regulatory policies require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or "NOBOs") or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or "OBOs").

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information

Circular and a request for voting instructions (a “VIF”), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the “Meeting Materials”) directly to the NOBOs and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder’s shares on the Beneficial Shareholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions (“Broadridge”) in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Oversight and Description of Director and NEO Compensation

The Company’s executive compensation program is administered by the Compensation Committee. The Compensation Committee consists of Nico Civelli, Michael Louie and Keith Minty. All of the members of the Compensation Committee are independent within the meaning of NI 52-110.

The Compensation Committee’s responsibilities include reviewing and making recommendations to the Board of Directors with respect to adequacy and the form of compensation to all executive officers and directors of the Company, making recommendations to the Board of Directors in respect of granting of stock options to management, directors officers and other employees and consultants of the Company, and monitoring the performance of the Company’s executive officers.

Executive compensation awarded to the named executive officers consists of two components: (i) management fees and (ii) stock options. The Company does not presently have a long-term incentive plan for its named executive officers. There is no policy or target regarding allocation between cash and noncash elements of the Company’s compensation program.

In setting compensation rates for named executive officers, the Company compares the amounts paid to them with the amounts paid to executives in comparable positions at other comparable companies. The Company’s compensation payable to the named executive officers is based upon, among other things, the responsibility, skills and experience required to carry out the functions of each position held by each named executive officer and varies with the amount of time spent by each named executive officer in carrying out his or her functions on behalf of the Company. The grant of stock options, as a key component of the executive compensation package, enables the Company to attract and retain qualified executives. Stock option grants are based on the total of stock options available under the Option Plan. In granting stock options, the Board of Directors reviews the total of stock options available under the Option Plan and recommends grants to newly retained executive officers at the time of their appointment and considers recommending further grants to executive officers from time to time thereafter. The amount and terms of outstanding options held by an executive are taken into account when determining whether and how new option grants should be made to the executive. The exercise periods are to be set at the date of grant. The stock option grants may contain vesting provisions in accordance to the Company’s Option Plan.

Due to the Company being a junior mining issuer and having limited financial resources, compensation is not tied to performance criteria or goals. The Company is unaware of any significant events that have significantly affected compensation of its management team and directors. The Company did not make any changes to its compensation policies during or after the fiscal year ended September 30, 2023.

Pension

The Company does not provide any pension benefits for directors or executive officers.

CORPORATE GOVERNANCE

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices*, the Company is required to disclose its corporate governance practices as follows:

Board of Directors

The Board of Directors is currently comprised of four (4) members. Securities legislation recommends that the Board of Directors of a public company be constituted with a majority of individuals who qualify as “independent” directors. An “independent” director is a director who has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, reasonably interfere with the exercise of a director’s independent judgment. Except for Max Porterfield, who is not an independent director because of position as CEO of the Company, all of the directors of the Company are independent directors.

Directorships

The following current directors of the Company are directors and/or officers of other reporting issuers:

Name of Director of the Company	Names of Other Reporting Issuers	Exchange
Max Porterfield	None	
Nico Civelli	Claren Energy Corp.	TSX
Michael Louie	None	
Keith Minty	None	

Orientation and Continuing Education

The Board of Directors provides an overview of the Company’s business activities, systems and business plan to all new directors. New director candidates have free access to any of the Company’s records, employees or senior management in order to conduct their own due diligence and will be briefed on the strategic plans-, short-, medium- and long-term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing policies of the Company. The directors are encouraged to update their skills and knowledge by taking courses and attending professional seminars.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new directors and recommending new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company’s mission and strategic objectives, and a willingness to serve.

Compensation

The Board of Directors conducts reviews with regard to the compensation of the directors and the Chief Executive Officer once a year. To make its recommendations on such compensation, the Board of Directors takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

Other Board Committees

The Board of Directors has no other committees other than the Audit, Corporate Governance and Compensation Committees.

Assessments

The Board of Directors regularly monitors the adequacy of information given to directors, communications between the board and management and the strategic direction and processes of the Board and its committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

Confirming Stock Option Plan

Pursuant to Policy 4.4 of the TSX Venture Exchange (“TSX-V”), all TSX-V listed companies are required to adopt a stock option plan prior to granting incentive stock options. The purpose of the stock option plan is to attract and motivate directors, senior officers, employees, consultants, and others providing services to the Company and its subsidiaries, and thereby advance the Company’s interests, by affording such persons with an opportunity to acquire an equity interest in the Company through the issuance of stock options. On December 13, 2023, the Company’s shareholders approved a “rolling” stock option plan reserving a maximum of 10% of the issued share of the Company at the time of the stock option grant the (the “Stock Option Plan”). As of the date of this Information Circular, the Company was eligible to grant up to 1,892,739 Options under the Stock Option Plan, of which 1,817,167 are outstanding and 75,572 are available under the Stock Option Plan.

The disinterested shareholders are being asked to approve the Stock Option Plan at the Meeting. As a “rolling” stock option plan, the Stock Option Plan will be required to be re-approved by disinterested shareholders each year at the Company’s annual general meeting.

Summary of the Stock Option Plan

The following information is intended as a brief description of the Company’s proposed Stock Option Plan and is qualified in its entirety by the full text of the Stock Option Plan, which will be available for review at the Meeting. Capitalized terms are as defined in the Stock Option Plan.

1. The aggregate number of Common Shares that may be reserved for issuance pursuant to Options shall not exceed 10% of the outstanding Common Shares at the time of the granting of an Option, less the aggregate number of Common Shares then reserved for issuance pursuant to any other share compensation arrangement. For greater certainty, if an Option is surrendered, terminated or expires without being exercised, the Common Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Stock Option Plan.
2. The exercise price per Common Share for an Option shall be determined by the Directors or their delegates if any, but will in no event be less than the permitted discount to the Market Price for the Common Shares (as defined by the policies of the TSX-V) at the date of grant. The Company must obtain disinterested shareholder approval of any decrease in the exercise price of, or an extension to stock options granted to individuals that are Insiders at the time of the proposed amendment.
3. If Options are granted within ninety days of a Distribution by the Company by prospectus, then the exercise price per Common Share for such Option shall not be less than the greater of the minimum exercise price calculated pursuant to subsection 5.1(a) herein and the price per Common Share paid by

the public investors for Common Shares acquired pursuant to such Distribution. Such ninety-day period shall begin:

- (a) on the date the final receipt is issued for the final prospectus in respect of such Distribution; or
 - (b) in the case of an initial public offering, on the date of listing.
4. The number of Common Shares reserved for issuance in any 12 month period under the Stock Option Plan and any other share compensation arrangement to (a) any one Person, shall not exceed 5% of the outstanding Common Shares at the time of the grant (unless the Company has obtained disinterested shareholder approval to exceed such limit); (b) any one Consultant or Person employed to provide Investor Relations Activities, shall not exceed 2% of the outstanding Common Shares at the time of the grant; and (c) to Insiders, shall not exceed 10% of the outstanding Common Shares at any point in time.
 5. Unless the Company has received disinterested shareholder approval to do so, the number of Common Shares issued to any Person within a 12 month period pursuant to the exercise of Options granted under the Stock Option Plan and any other share compensation arrangement shall not exceed 5% of the outstanding Common Shares at the time of the grant.
 6. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Stock Option Plan. All options granted under the Stock Option Plan, unless sooner terminated, have a term not exceeding and shall therefore expire no later than 10 years after the date of the grant.
 7. If a Participant who is an Officer, Employee or Consultant is terminated for cause, each Option held by such Participant shall terminate and shall therefore cease to be exercisable upon such termination for cause

If a Participant dies or suffers a disability prior to otherwise ceasing to be an Eligible Person, each Option held by such Participant shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is twelve months after the date of the Participant's death or disability.

Unless an option agreement specifies otherwise, if a Participant ceases to be an Eligible Person for any reason other than death or disability, each Option held by the Participant other than a Participant who is involved in investor relations activities will cease to be exercisable 90 days after the Termination Date or for a "reasonable period" after the Participant ceases to serve in such capacity, as determined by the Board. For Participants involved in investor relations activities, Options shall cease to be exercisable 30 days after the Termination Date or for a "reasonable period" after the Participant ceases to serve in such capacity, as determined by the Board.

For greater certainty, if a Participant dies, each Option held by such Participant shall be exercisable by the legal representative of such Participant until such Option terminates and therefore ceases to be exercisable pursuant to the terms of this Section.

If any portion of an Option is not vested at the time a Participant ceases, for any reason whatsoever, to be an Eligible Person, such unvested portion of the Option may not be thereafter exercised by the Participant or its legal representative, as the case may be, always provided that the Board may, in its discretion and in the case of Options relating to Investor Relations, subject to the approval of the TSX-V, thereafter permit the Participant or its legal representative, as the case may be, to exercise all or any part of such unvested portion of the Option that would have vested prior to the time such Option otherwise terminates and therefore ceases to be exercisable pursuant to the terms of this Section. For

greater certainty, and without limitation, this provision will apply regardless of whether the Participant ceased to be an Eligible Person voluntarily or involuntarily, was dismissed with or without cause, and regardless of whether the Participant received compensation in respect of dismissal or was entitled to a notice of termination for a period which would otherwise have permitted a greater portion of an Option to vest.

8. The Board retains the discretion to impose vesting periods on any options granted. In accordance with the policies of the TSX-V, stock options granted to consultants performing investor relations services must vest in stages over a minimum of 12 months with no more than one-quarter of the stock options vesting in any three-month period.

Under Policy 4.4 of the TSX-V, all such rolling stock option plans which set the number of common shares issuable under the Stock Option Plan at a maximum of 10% of the issued and outstanding common shares must be approved and ratified by shareholders on an annual basis. Therefore, at the Meeting, shareholders will be asked to pass an ordinary resolution in the following form:

RESOLVED that:

- (1) the Company approve and ratify, subject to regulatory approval, the Stock Option Plan pursuant to which the directors may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares of the Company at the time of grant, with a maximum of 5% of the Company's issued and outstanding common shares being reserved to any one person on a yearly basis; and
- (2) any one officer or director of the Company is hereby authorized to execute and deliver all such documents and do all such acts and things as may be deemed advisable in such individual's discretion for the purpose of giving effect to this resolution.

Management recommends the ratification and approval of the Company's Stock Option Plan.
