SOLICITATION OF PROXIES

This management information circular ("**Management Information Circular**") is furnished in connection with the solicitation of proxies by the management of EastCoal Inc. Except to the extent otherwise herein stated, all information set forth herein is given as of October 23, 2018.

Shareholders who are unable to be present at the Meeting in person are requested to fill in, sign, date and return the enclosed proxy instrument to the Company's transfer agent and registrar, Computershare Investor Services Inc., no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting (namely, by 10 a.m., Pacific time, on November 20, 2018) or any adjournment thereof at which the proxy is to be used. Follow the online voting instructions given to you and vote over the Internet referring to your holder account number and proxy access number provided on the form of proxy that was delivered to you. The Chair of the Meeting may waive or extend the proxy cut-off without notice. An addressed envelope accompanies this Management Information Circular and may be used for such purpose. The solicitation will be primarily by mail however proxies may be solicited by telephone or in writing by employees or designated agents of the Company. The Company may pay brokers or other persons holding common shares of the Company ("**Common Shares**") in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and this Management Information Circular to beneficial owners of Common Shares and obtaining proxies therefrom. The Company will bear the cost of solicitation on behalf of management of proxies in the form furnished herewith.

APPOINTMENT AND REVOCATION OF PROXIES

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder's behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

A shareholder who has given a proxy may revoke it by an instrument in writing duly executed and delivered either to Computershare Investor Services Inc. or to the registered office of the Company at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or of any reconvening thereof, or in any other manner provided by law. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Common Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

NON-REGISTERED HOLDERS

The information set forth in this section is of significant importance to those shareholders of the Company who do not hold shares in their own name.

The Meeting Materials (as defined below) are being sent to both registered and non-registered owners of Common Shares. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Common Shares on your behalf.

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered shareholder in respect of Common Shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and directors or administrators of self-administered RRSPs, RRIAs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 (“**NI 54-101**”) of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, Management Information Circular and form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders. The Company does not intend to pay for delivery of the Meeting Materials, including voting instructions in accordance with the requirements of NI 54-101, to objecting beneficial holders (as defined in NI 54-101), and as a result objecting beneficial holders will not receive the Meeting Materials or voting instructions unless their intermediary assumes the cost of delivery.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will receive either a voting instruction form or, less frequently, a form of proxy. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

- (a) **Voting Instruction Form.** In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “**proxy authorization form**”) which the Intermediary must follow. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. Voting instruction forms in some cases permit the completion of the voting instruction form by telephone or through the Internet. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must strike out the names of the persons named in the form and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided and complete, sign and return the voting instruction form in accordance with the directions provided. A form of proxy giving the right to attend and vote will then be forwarded to the Non-Registered Holder.
- (b) **Form of Proxy.** Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete the form of proxy and deposit it with Computershare Investor Services Inc. as provided above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxy nominees named in the form and insert the Non-Registered Holder’s name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or voting information form is to be delivered.**

EXERCISE OF DISCRETION

The nominees named in the enclosed form of proxy will vote or withhold from voting the Common Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. If a shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. The proxy will confer discretionary authority on the nominees named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified; and

- (b) any other matter, including amendments to any of the foregoing, as may properly come before the Meeting or any adjournment thereof.

In respect of a matter for which a choice is not specified in the proxy, or unless otherwise provided in the proxy, the nominees named in the accompanying form of proxy will vote the Shares represented by the proxy for the approval of such matter.

As of the date of this Management Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting, but if any amendment, variation or other matter properly comes before the Meeting each nominee intends to vote thereon in accordance with the nominee's best judgement.

CORPORATE GOVERNANCE DISCLOSURE

The Board believes that the principal objective of the Company is to generate economic returns with the goal of maximizing shareholder value, and that this is to be accomplished by the Board through its stewardship of the Company. In fulfilling its stewardship function, the Board's responsibilities will include strategic planning, appointing and overseeing management, succession planning, risk identification and management, environmental oversight, communications with other parties and overseeing financial and corporate issues. The Board believes that good corporate governance practices provide an important framework for timely response by the Board to situations that may directly affect shareholder value, and the Board is committed to practicing good corporate governance.

Independence of Members of Board

The Board must have the capacity, independently of management, to fulfill its responsibilities. To facilitate this independence, the Company recruits strong, independent directors whenever possible.

Of the existing directors of the Company, Mr. Hendrik Dietrichsen, is not independent as he is deemed to have a material relationship with the Company by virtue of being an officer of the Company. Mr. Jonker is also not deemed to be independent for the purposes of NI 52-110 by virtue of his prior engagement as President and acting CFO of the Company.

All the members of the Board have been members continuously for a number of years and all the non-executive directors have significant experience as directors of other public companies. All directors are familiar with the duties and obligations of directors and have had the opportunity to discuss with management and to view documents from recent board meetings.

The Company encourages directors and management to update their skills through attendance of seminars. Due to the high level of skills of the current directors, the Company does not provide other continuing education opportunities to directors.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet responsibilities to shareholders. The Company's management is committed to conducting its business in an ethical manner. In identifying candidates, the Board considers the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess.

Compensation

The Board as a whole is responsible for reviewing the adequacy and form of compensation paid to the Company's executives and key employees, and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling these responsibilities, the Board evaluates the performance of the Company's CEO and other senior management in light of corporate goals and objectives, and makes recommendations with respect to compensation levels based on such evaluations.

Under National Instrument 52-110 ("**NI 52-110**"), companies are required to provide disclosure with respect to their audit committee, including the text of the audit committee's charter, composition of the audit committee and the fees paid to the external auditor. The Company's disclosure with respect to audit committees is described below:

General

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Company's financial statements and the independence and performance of the Company's external auditor, acting as a liaison between the Board and the Company's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.

Hendrik Dietrichsen	No	Yes

- 2) A member of the Audit Committee is financially literate if he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

SCHEDULE “B”

Audit Committee Charter

Mandate

The primary function of the audit committee (the “**Audit Committee**”) is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company’s systems of internal controls regarding finance and accounting, and the Company’s auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company’s policies, procedures and practices at all levels. The Audit Committee’s primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company’s financial reporting and internal control systems and review the Company’s financial statements;
- review and appraise the performance of the Company’s external auditors; and
- provide an open avenue of communication among the Company’s auditors, financial and senior management and the Board.

Composition

The Audit Committee shall be comprised of three directors as determined by the Board, the majority of whom shall be free from any relationship that, in the opinion of the Board, would reasonably interfere with the exercise of his or her independent judgment as a member of the Audit Committee and in accordance with the requirements of applicable securities laws and policies of any exchange on which the Company’s shares may be listed.

At least one member of the Audit Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Audit Committee’s Charter, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company’s financial statements.

The members of the Audit Committee shall be elected by the Board at its first meeting following the annual shareholders’ meeting. Unless a Chair is elected by the full Board, the members of the Audit Committee may designate a Chair by a majority vote of the full Audit Committee membership.

Appointments to the Audit Committee shall be for a period of one year, which may be extended further one year periods, providing the director remains independent throughout this extension period and as long as the member remains a director.

Meetings

The Audit Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Notice of Meetings

1. Meetings of the Audit Committee shall be summoned by the Chair of the Audit Committee at the request of any of its members or at the request of external or internal auditors if they consider it necessary.

2. Unless otherwise agreed, notice of each meeting confirming the venue, time and date together with an agenda of items to be discussed, shall be forwarded to each member of the Audit Committee, any other person required to attend and all other non-executive directors, no later than five working days before the date of the meeting. Supporting papers shall be sent to Audit Committee members and to other attendees as appropriate, at the same time.

Minutes of Meetings

1. The Secretary, as selected by the Chair, shall minute the proceedings and resolutions of all meetings of the Audit Committee, including recording the names of those present and in attendance.
2. The Secretary, as selected by the Chair, shall ascertain, at the beginning of each meeting, the existence of any conflicts of interest and minute them accordingly.
3. Minutes of Audit Committee meetings shall be circulated promptly to all members of the Committee and, once agreed, to all members of the Board.

Voting arrangements

1. Each member of the Audit Committee shall have one vote which may be cast on matters considered at the meeting. Votes can only be cast by members attending a meeting of the Committee which may be held by audio conference so long as all members can hear each other.
2. If a matter that is considered by the Audit Committee is one where a member of the Audit Committee, either directly or indirectly has a personal interest, that member shall not be permitted to vote on that matter at the meeting.
3. The Chairman shall not have a casting vote.

Responsibilities and Duties

9. Review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - a. the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of fees paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided;
 - b. such services were not recognized by the Company at the time of the engagement to be non-audit services; and
 - c. such services are promptly brought to the attention of the Audit Committee by the Company and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

Provided the pre-approval of the non-audit services is presented to the Audit Committee's first scheduled meeting following such approval, such authority may be delegated by the Audit Committee to one or more independent members of the Audit Committee.
