General Proxy Materials

Solicitation of Proxies

This Information Circular is provided in connection with the solicitation of proxies by the Management of the Corporation for use at the Meeting for the purposes set forth in the Notice of Meeting. In addition to solicitation by mail, proxies may be solicited in person, by telephone or other means of communication, and by directors, officers and employees of the Corporation who will not be specifically remunerated therefore. The cost of soliciting proxies will be borne by the Corporation.

Appointment of Proxyholders

The person named in the enclosed form of proxy is a director and officer of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the person designated in the form of proxy provided by the Corporation, to represent the Shareholder at the Meeting. To exercise this right, the Shareholder should insert the name of the desired representative in the blank space provided in the form of proxy or submit another appropriate form of proxy.** In order to be effective, a Shareholder must forward its proxy to Computershare Trust Company, Attention: Proxy Department, 600, 530 - 8th Avenue SW, Calgary, Alberta, T2P 3S8. All proxies must be forwarded not later than 48 hours (excluding Saturdays, Sundays and holidays) preceding the Meeting, or any adjournment or adjournments thereof, as applicable. In the alternative, a Shareholder may bring the proxy to the Meeting and deliver it to the Chairman of the Meeting prior to the commencement of the Meeting. The proxy shall be in writing and executed by the Shareholder or such Shareholder's attorney authorized in writing, or if such Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney, as applicable. A Shareholder may also vote by telephone toll free at 1-866-732-VOTE (8683) or online at www.investorvote.com by following the instructions provided on the form of proxy.

Revocation of Proxies

A proxy is revocable. The giving of a proxy will not affect a Shareholder's right to attend and vote in person at the applicable Meeting. In addition to revocation in any other manner permitted by law, a Shareholder may revoke a proxy by instrument in writing executed by the Shareholder or such Shareholder's attorney authorized in writing, or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof, duly authorized, and deposited at the registered office of the Corporation located at 2151, Tower 2, Rice Howard Place, 10060 – Jasper Avenue, Edmonton, Alberta T5J 3R8 at any time up to and including the last business day preceding the day of the applicable Meeting, or any adjournment or adjournments thereof at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment or adjournments thereof.

Proxy Voting

The Shares represented by a valid proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the proxy, the Shares represented by the proxy will be voted or withheld from voting in accordance with such specification. In the absence of any such specification, the management designee, if named as proxy, will vote IN FAVOUR of the proposed resolution. The enclosed form of proxy confers discretionary authority in respect of amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting, or any adjournment or adjournments thereof. As of the date hereof, Management of the Corporation knows of no amendments, variations or other matters to come before the Meeting. In the event that other matters come before the Meeting, then the management designee intends to vote in accordance with the judgment of the Management of the Corporation.

Pursuant to the Bylaws, business may be transacted at the Meeting if not less than two persons are present in person, each being a Shareholder entitled to attend and vote at the Meeting; or a duly appointed proxy or representative, and together representing not less than ten percent (10%) of the issued Shares of the Corporation carrying voting rights at the meeting.

Voting of Shares – Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to many Shareholders as a substantial number of the Shareholders hold their Shares through intermediaries such as brokers and their agents or nominees, and not in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of the Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Shares will not be registered under the name of the Shareholder on the records of the Corporation. Such Shares will more likely be registered under the name of the Shareholder’s broker or an agent or nominee of that broker. Shares held by brokers or their agents or nominees can only be voted or withheld from voting upon any resolution upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers, their agents or nominees are prohibited from voting Shares for their clients.

Applicable regulatory policy requires intermediaries and brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary and broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or agent or nominee thereof) is identical to the form of proxy provided to registered Shareholders; however, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the Beneficial Shareholder. **A Beneficial Shareholder receiving a proxy from an intermediary cannot use that proxy to vote Shares directly at the Meeting; rather, the proxy must be returned to the intermediary well in advance of the Meeting in order to have the Shares voted. A Beneficial Shareholder may, however, request the intermediary to appoint the Beneficial Shareholder as a nominee of it as a proxy holder. A Beneficial Shareholder should contact the intermediary, broker or agent and nominees thereof, should it have any questions respecting the voting of the Shares.**

The holders of Shares of record at the close of business on the Record Date are entitled to vote such Shares at the Meeting on the basis of one vote for each Share held, the Shares being the only class of shares certified to vote at the Meeting, except to the extent that:

- (a) such person transfers his Shares after the Record Date; and

The Bylaws provide that not less than two persons present in person, each being a Shareholder entitled to attend and vote at the Meeting or a duly appointed proxy or representative and together representing not less than ten percent (10%) of the issued shares, constitute a quorum for the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at the date hereof, the only persons or companies who beneficially own, directly or indirectly, or control or direct ten percent (10%) or more of the voting rights of the outstanding Shares are as follows:

Unless otherwise directed, it is the intention of the management designees, if named as proxy, to vote for the election of said persons to the Board. Composition of the Audit Committee

The Audit Committee is currently comprised of the following members:

Name and Office if Any	Independent (1)	Financially Literate (1)
Sine Chadi	No	Yes
Diane Buchanan	Yes	Yes
Kevin Lynch (Chair)	Yes	Yes
Dave Majeski	Yes	Yes
Susan Green	Yes	Yes

The Board believes that the composition of the Audit Committee reflects a high level of financial literacy and expertise. The Board has determined that each member of the Audit Committee is “financially literate” within the meaning of applicable Canadian securities laws based on each member’s education and experience. In considering criteria for the determination of financial literacy, the Board of Directors looks at the ability to read and understand financial statements of a publicly traded corporation. Each member of the Audit Committee has been, during the course of his or her business career, in senior management of a publicly traded company or has served as a member of boards of directors of other private and public corporations. The members of the Audit Committee have direct access to the external auditors of the Corporation. The Audit Committee and the full Board of Directors review the unaudited quarterly financial statements, audited annual financial statements, management’s discussion and analysis of financial results and earnings press releases.

None of the audit committee members have an accounting degree and therefore rely on the external auditors together with the CFO, to assess the general application of the accounting principles applied.

All the Audit Committee members have the capacity to understand accounting principles and assess general applications of the same. All the directors have directly related real estate expertise to evaluate accounting issues raised by the Corporation’s activities. The Audit Committee reviews the quarterly and annual financial statements and related financial reporting of the Corporation and meets with the external independent auditors to review and consider audit procedures and to assess the appropriateness and effectiveness of the Corporation’s policies, business practices and internal controls.

Audit Committee Oversight

At no time since the commencement of the Financial Year, was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation’s most recently completed financial year has the Corporation relied on the exemption in Section 2.4 (*De Minimis Non-Audit Services*) of NI 52-110 or an exemption from NI 52-110, in whole or in part granted under Part 8 of NI 52-110. As the Corporation is listed on the TSX-V it is relying on the exemption provided by Section 6.1 of NI 52-110 with respect to Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*).

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services other than the general requirements under the heading “External Audit” of the Audit Committee Charter which states that the Audit Committee must pre-approve any non-audit services to the Corporation and the fees for those services.

External Auditor Service Fees (By Category)

The aggregate fees billed by the Corporation’s external auditors in each of the last two financial years for audit and non-audit related services are as follows:

Financial Year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2025	\$94,993	\$ -	\$26,000	Nil
2024	\$109,523	\$ -	\$20,700	Nil
