

Annual General and Special Meeting of Shareholders

NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS

MEETING DATE, TIME & LOCATION:

Date: June 29, 2021

Time: 2:30 p.m. (Calgary time)

Place: Livingston Place - West Tower, Suite 1000, 250 - 2nd Street S.W., Calgary, Alberta T2P 0C1

You are receiving this notification because Tidewater Midstream and Infrastructure Ltd. (the “**Corporation**”) will be using the notice and access model (“**N&A**”) for the delivery of meeting materials to our shareholders in respect of our upcoming annual general and special meeting to be held on June 29, 2021 (the “**Meeting**”). Under N&A, shareholders still receive a proxy or voting instruction form (“**VIF**”) enabling them to vote at the Meeting by proxy. However, instead of a paper copy of the full Information Circular – Proxy Statement (“**Information Circular**”), shareholders receive this notification which provides guidelines on how to access the Information Circular electronically. Adopting N&A to deliver materials is more environmentally friendly as it reduces paper use and also lowers the Corporation’s costs for printing and mailing.

– Matters to be Voted on at the Meeting –

The resolutions to be voted on at the Meeting are listed below, along with the section name in the Information Circular where further detail regarding the matter is provided. **Shareholders are reminded to review the Information Circular carefully before voting as it has been prepared to help you make an informed decision.**

Fixing the Number of Directors: Fixing the number of directors at seven members. Please refer to “*Fixing the Number of Directors*” in the Information Circular.

Election of Directors: The election of the directors for the coming year. Please refer to “*Election of Directors*” in the Information Circular.

Auditor: The appointment of Deloitte LLP as our auditor for the coming year and authorizing the Directors to fix their remuneration. Please refer to “*Appointment of Auditor*” in the Information Circular.

Unallocated Equity Based Deferred Share Units: The approval of unallocated equity based deferred share units under the Corporation’s deferred share unit plan. Please refer to “*Approval of Unallocated Equity Based Deferred Share Units*” in the Information Circular.

“Say on Pay”: The approval, on a non-binding advisory basis, of the Corporation’s approach to executive compensation. Please refer to “*Advisory Vote On Executive Compensation*” in the Information Circular.

SHAREHOLDERS ARE REMINDED TO **REVIEW** THE INFORMATION CIRCULAR **PRIOR** TO VOTING.

The Corporation has elected to use a procedure known as 'stratification' in relation to its use of N&A. Stratification is the process of including a paper copy of the Information Circular in the notice package that is sent to certain shareholders. In relation to the Meeting, the Corporation has determined that registered shareholders and those beneficial shareholders with existing instructions on their account to receive paper material will receive a paper copy of the Notice of Meeting, the Information Circular and a form of proxy or VIF (as applicable), whereas other beneficial shareholders will receive this N&A notification plus a VIF.
