INFORMATION CIRCULAR

This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Altamira Gold Corp. for use at the annual general meeting (the “Meeting”) of shareholders of Altamira Gold Corp. to be held on Thursday, October 10, 2024 and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Meeting. Except where otherwise indicated, the information contained herein is stated as of August 23, 2024.

In this Information Circular, references to the “**Company**” and “**we**” refer to Altamira Gold Corp. “**Common Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Non-Registered Shareholders**” means Shareholders who do not hold Common Shares in their own name. “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (“**Proxy**”) are officers or directors of the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting.** You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.

Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed Proxy and returning it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Registered Shareholders electing to submit a Proxy may do so by:

- (i) **Internet:** Vote online at www.investorvote.com using the Proxy Control Number found in the enclosed Proxy;
- (ii) **Mail:** Completing, dating and signing the enclosed Proxy and returning it to the Company’s transfer agent, Computershare, by fax within North America at 1-866-249-7775, or by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada; or

- (iii) **Telephone:** Using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the holder's account number and the Proxy Control Number.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "Voting by Non-Registered Shareholders" below for further information on how to vote your Common Shares.

Exercise of Discretion by the Proxyholder

If you vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) exercise of discretion of proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the Voting Instruction Form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The Voting Instruction Form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The Voting Instruction Form sent by Computershare or Broadridge will name the same persons as the Company’s Proxy to represent you at the Meeting. As a Non-Registered Shareholder you may not be recognized directly at the Meeting. In order to attend the Meeting or appoint a proxyholder of your own choosing to attend the Meeting, you should insert your own name or the name of the desired representative in the blank space provided in the Voting Instruction Form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as proxyholder for your Intermediary. The completed Voting Instruction Form should be returned in accordance with the instructions on the form.

If you receive a Voting Instruction Form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the Voting Instruction Form must be completed and returned in accordance with its instructions well in advance of the voting deadline in order to have your Common Shares voted at the Meeting.

NOTICE AND ACCESS PROCESS

The Company has decided to use the notice and access model (“**Notice and Access**”) provided for under amendments to National Instrument 54-101 for the delivery of the Information Circular, audited financial statements and Management’s Discussion and Analysis for the financial year ended February 29, 2024 (the “**Information Circular and Financials**”) to Shareholders for the Meeting. The Company has adopted this alternative means of delivery in order to further its commitment to environmental sustainability and to reduce its printing and mailing costs.

Under Notice and Access, instead of receiving printed copies of the Information Circular and Financials, Shareholders receive Notice with information on the Meeting date, location and purpose, as well as information on how they may access the Information Circular and Financials electronically.

Shareholders with existing instructions on their account to receive printed materials and those Shareholders with addresses outside of Canada and the United States will receive a printed copy of the Information Circular and Financials with the Notice.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Information Circular, no director or executive officer of the Company who was a director or executive officer since the beginning of the Company’s last financial year, each proposed nominee for election as a director of the Company, or any associate or affiliates of any such directors, executive officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company has fixed the record date for the Meeting as the close of business on August 23, 2024 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Company’s articles (the “**Articles**”), subject to the special rights and restrictions attached to the shares of any affected class or series of shares, the quorum for the transaction of business at a meeting of Shareholders is one or more persons, present in person or by proxy.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Common Shares without par value. As of the Record Date there were 211,977,286 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the Record Date, there are no Shareholders who beneficially own, directly or indirectly, or exercise control or direction over, Common Shares of the Company carrying more than 10% of the voting rights attached to all of the issued and outstanding Common Shares of the Company, other than as set forth below.

Name of Shareholder	Number of Common Shares Owned or Controlled, Directly or Indirectly	Percentage of Class of Outstanding Common Shares
Crescat Portfolio Management LLC	32,045,675	15.12%
Aura Minerals Inc.	24,000,000	11.32%

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Company’s directors, the only matters to be placed before the Meeting are those set forth in the accompanying Notice of Meeting and more particularly discussed below.

Presentation of Financial Statements

The directors will place before the Meeting the audited consolidated financial statements for the financial year ended February 29, 2024 together with the auditors’ report thereon. The Company’s financial statements are available on the System of Electronic Document Analysis and Retrieval (SEDAR+) website at www.sedarplus.com.

Fixing the Number of Directors and Election of Directors

The Company proposes to fix the number of directors of the Company at five (5) and to nominate the persons listed below for election as directors. Each director will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated. Management does not contemplate that any of the nominees will be unable to serve as a director. If, prior to the Meeting, any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the Common Shares represented by Proxy for the election of any other person or persons as directors.

Pursuant to the advance notice provisions contained in the Company’s Articles (the “**Advance Notice Provisions**”), the Board has determined that notice of nominations of persons for election to the Board at the Meeting must be made following the requirements of such Advance Notice Provisions. To the date of this Information Circular, the Company has not received notice of a nomination in compliance with the Articles and, subject to the timely receipt of any such nomination, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

The following table sets out the names of the management nominees; their positions and offices in the Company; principal occupations; the period of time that they have been directors of the Company; and the number of Common Shares which each beneficially owns or over which control or direction is exercised:

Notes:

- (1) The information as to country of residence and principal occupation, and Common Shares beneficially owned or over which a director exercises control or direction, not being within the knowledge of the Company, has been furnished by the respective nominees as at the date of this Information Circular.
- (2) Member of the Audit Committee.
- (3) Member of the Compensation Committee.

Except as otherwise disclosed below, to the knowledge of the Company, no proposed director of the Company is, as at the date of this Information Circular, or has been, within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer, or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

For the purposes of subsection (a) above, “order” means:

- (i) a cease trade order;
- (ii) an order similar to a cease trade order; or
- (iii) an order that denied the relevant company access to any exemption under securities legislation;

that was in effect for more than 30 consecutive days.

Except as otherwise disclosed below, to the knowledge of the Company, no proposed director of the Company:

- (a) is, as at the date of this Information Circular, or has been within 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in the that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets;
- (b) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director or executive officer;
- (c) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (d) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Appointment of Auditor

At the Meeting, Shareholders will be asked to vote for the appointment of De Visser Gray LLP to serve as auditor of the Company for the fiscal year, to hold such position until the next annual general meeting of the shareholders or until they are removed by the Board or resign as provided by law, and to authorize the Board to fix the remuneration to be paid to De Visser Gray LLP.

Approval of Stock Option Plan

At the Meeting, Shareholders of the Company will be asked to approve the continuation of the Company's 2022 stock option plan (the "**Plan**"). The purpose of the Plan is to provide an incentive to directors, officers, employees and consultants to acquire a proprietary interest in the Company, to continue their participation in the affairs of the Company, to increase their efforts on behalf of the Company, and to reward or compensate their contributions towards the long-term goals of the Company.

The following summary of the material terms of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. Shareholders may obtain a copy of the Plan from the Company prior to the Meeting on written request.

Eligible Participants. Options may be granted under the Plan to directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the "**Directors**"), employees of the Company or its subsidiaries (collectively, the "**Employees**") or consultants of the Company or its subsidiaries (collectively, the "**Consultants**"). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded options under the Plan.

Number of Common Shares Reserved. The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of options. Options that are exercised, cancelled or expire prior to exercise continue to be issuable under the Plan.

Limitations. Under the Plan, the aggregate number of options granted to any one person (including companies wholly-owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including Consultants and Employees or Directors whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12-month period, calculated at the date an option is granted to any such person. Disinterested

shareholder approval will be required for any grant of options which will result in the number of options granted to Insiders (as defined in the *Securities Act* (British Columbia)) as a group at any point in time or within a 12 month period exceeding 10% of the issued and outstanding Common Shares of the Company.

Exercise Price. The exercise price of options granted under the Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the TSX Venture Exchange (the “**Exchange**”) policy manual, or such other minimum price as is permitted by the Exchange in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the Exchange, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of stock options granted to Insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Term of Options. Subject to the termination and change of control provisions noted below, the term of any options granted under the Plan is determined by the Board and may not exceed ten (10) years from the date of grant. Disinterested Shareholder approval will be required for any extension to stock options granted to individuals that are Insiders at the time of the proposed amendment.

Vesting. All options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the Exchange, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide investor relations activities must vest in stages over 12 months with no more than one-quarter of the options vesting in any three month period. In the event of a Change of Control, as defined in the Plan, all unvested options will vest immediately. The acceleration of options held by persons retained to provide investor relations services to the Company will be subject to prior Exchange acceptance.

Dividend entitlement. The Plan does not include any dividend entitlement to participants. If participants were entitled to receive options in lieu of dividends declared by the Company, and if the Company did not have sufficient unallocated options available to satisfy the obligation, then the Company may settle those entitlements with cash.

Termination. Any options granted pursuant to the Plan will terminate upon the earliest of:

- (a) the end of the term of the option;
- (b) on the date the holder ceases to be eligible to hold the option (the “**Cessation Date**”), if the Cessation Date is as a result of dismissal for cause;
- (c) one year from the date of death or disability, if the Cessation Date is as a result of death or disability;
- (d) 90 days from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause; or
- (e) on such other date as fixed by the Board, provided that the date is no more than one year from the Cessation Date, if the Cessation Date is as a result of a reason other than death, disability or cause.

Exercise of Options. The exercise price of an option must be paid in cash, other than as described below as determined by the Board:

- (a) Cashless Exercise. The Company may make an arrangement with a brokerage firm pursuant to which the brokerage firm will loan money to an optionee to purchase the Common Shares issuable upon exercise of their options. The brokerage firm would then sell a sufficient number of Common Shares to cover the exercise price of the options in order to repay the loan made to the optionee. The brokerage firm would then receive an equivalent number of Common Shares from the exercise of the options and the optionee would then receive the balance of the Common Shares or the cash proceeds from the balance of such Common Shares.

- (b) Net Exercise. The Company may accept the exercise of options by optionees other than those who provide investor relations services without the optionee making any cash payment so the Company does not receive any cash from the exercise of the subject options, and instead the optionee receives only the number of Common Shares that is the equal to the quotient obtained by dividing:
- (i) the product of the number of options being exercised multiplied by the difference between the volume weighted average price (“**VWAP**”) of the Common Shares and the exercise price of the options; by
 - (ii) the VWAP of the Common Shares.

In the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Option Shares actually issued by the Corporation, must be included in calculating the limits set forth in Section 5(a) and Sections 6(f)(i)-(iii) and (iv) of the Plan.

Adjustments. Any adjustment to stock options granted or issued (except in relation to a consolidation or share split) will be subject to the prior acceptance of the Exchange.

Disinterested Shareholder approval will be sought in respect of any material amendment to the Plan. The proposed Plan is subject to Exchange acceptance and if the Exchange finds the disclosure to Shareholders to be inadequate, Shareholder approval may not be accepted by the Exchange.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

- (a) the Company’s 2022 stock option plan (the “**Plan**”) is hereby confirmed, ratified and approved, and in connection therewith a maximum of 10% of the issued and outstanding common shares at the time of each grant be approved for granting as options;
- (b) the board of directors of the Company be authorized in its absolute discretion to administer the Plan, and amend or modify the Plan in accordance with its terms and conditions and with the policies of the TSX Venture Exchange; and
- (c) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available at the records office of the Company at Suite 1200 – 750 West Pender Street, Vancouver, British Columbia, Canada until the business day immediately preceding the date of the Meeting, and a copy will also be made available at the Meeting.

Proxies received in favour of management will be voted in favour of the approval of the Plan, unless the Shareholder has specified in their Proxy that their Common Shares are to be voted against such resolution.

OTHER BUSINESS

As of the date of this Information Circular, management of the Company knows of no other matters to be acted upon at the Meeting. However, should any other matters properly come before the Meeting, the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the Common Shares represented by the Proxy.

Oversight and Description of Director and NEO Compensation

During the year ended February 29, 2024, the Board appointed a compensation committee made up of two directors: Alan Carter, and Andrei Giometti Sandoval Santos. Tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the compensation committee and overseen by the members of the Board. The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decision relating to them, as applicable, in accordance with the applicable corporate legislation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the compensation committee and the CEO, if any, in this regard. The Company currently has a short term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of stock options under the Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the Shareholders. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on the recommendations of the compensation committee as well as Board discussion without a formal agenda for objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.
