About Pure Energy

Pure Energy Minerals is a lithium resource company that has consolidated a pre-eminent land position at its Clayton Valley Project in the Clayton Valley of central Nevada for the exploration and development of lithium resources, comprising 950 claims over 23,360 acres (9,450 hectares), representing the largest land holdings in the valley.

Pure Energy's strategic partner, SLB, is operator of the Clayton Valley Project. In May of 2019, Pure Energy and SLB signed an Earn-In agreement over the CV Project which requires significant investment by SLB in the Project, to include the design and construction of a pilot plant capable of processing lithium-bearing brines for high-quality lithium hydroxide monohydrate ("lithium hydroxide" or "LiOH·H₂O") and/or lithium carbonate ("Li₂CO₃") products at a specified rate. For further details regarding SLB's participation, please refer to Pure Energy's Annual General and Special Meeting Management Information Circular dated April 4, 2019, available on SEDARplus.com.

On behalf of the Board of Directors,
"Joseph Mullin"
CEO, Pure Energy Minerals Ltd.
