## MANAGEMENT INFORMATION CIRCULAR

(Containing information as at June 19, 2019 unless indicated otherwise)

### SOLICITATION OF PROXIES

This Management Information Circular (“Information Circular”) is furnished in connection with the solicitation of proxies by the management of Decisive Dividend Corporation (the “Company”) for use at the Annual General Meeting of the holders (“Shareholders”) of common shares (“Shares”) of the Company (and any adjournment thereof) to be held on Wednesday, July 24, 2019 (the “Meeting”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation of proxies will be primarily by mail, proxies may be solicited personally or by email by the directors, officers and employees of the Company at a nominal cost. The costs thereof will be borne by the Company.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

### APPOINTMENT OF PROXY HOLDER

The individuals named in the accompanying form of proxy, David Redekop and James Paterson (the “Management Designees”), are directors of the Company and have indicated their willingness to represent, as proxies, the Shareholders who appoint them.

**A Shareholder has the right to designate some other person (who need not be a Shareholder) other than the Management Designees to represent him at the Meeting. Such right may be exercised by striking out the names of the Management Designees in the accompanying form of proxy and inserting the desired person's name in the blank space provided in the form of proxy or by completing another form of proxy. Such Shareholder should notify the nominee of the appointment, obtain his consent to act as proxy and should provide instructions on how the Shareholder's Shares are to be voted. In any case, the form of proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization where an attorney has executed the form of proxy.**

**A proxy will not be valid for the Meeting unless the completed form of proxy is received by the Company's registrar and transfer agent, Computershare, attention: Proxy Department, 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, or by facsimile to 866-249-7775 (toll-free within Canada and the United States) or 416-263-9524 (international), at least two (2) business days prior to the Meeting date or, if the Meeting is adjourned, with respect to any matters occurring following the recommencement of the adjourned Meeting, prior to the recommencement thereof, or by the Chairman of the Meeting prior to the commencement of the Meeting. Proxies delivered after such times will not be accepted.**

### REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by his attorney duly authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Company, at 301 – 1665 Ellis Street, Kelowna, British Columbia, V1Y 2B3 (**Attention: E. Blair Forrest**) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if

adjourned, any reconvening thereof, in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

## **INFORMATION FOR NON-REGISTERED SHAREHOLDERS**

Only registered Shareholders or duly appointed proxy holders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders (“Beneficial Shareholders”) because the Shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary (each an “Intermediary”) or in the name of a clearing agency. Beneficial Shareholders should note that only registered Shareholders may vote at the Meeting. If Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Shares will not be registered in such Shareholder’s name on the records of the Company. Such Shares will more likely be registered in the name of an Intermediary or an agent or nominee thereof. In Canada, the vast majority of such Shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which company acts as nominee for many Intermediaries). Shares held by Intermediaries (or their agents or nominees) on behalf of Beneficial Shareholders can only be voted (for or against resolutions) at the direction of the applicable Beneficial Shareholder. Without specific instructions, Intermediaries and their agents or nominees are prohibited from voting Shares on behalf of Beneficial Shareholders. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires Intermediaries to forward all proxy-related materials to and seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. The various Intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by an Intermediary is identical to the form of proxy provided by the Company to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e., the Intermediary or agent or nominee thereof) how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to non-registered shareholders and asks non-registered shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting. For the purposes hereof, a Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Shares directly at the Meeting. **The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Shares voted.**

There are two kinds of non-registered shareholders, (a) those who object to their identity being known to the issuers of securities which they own (“Objecting Beneficial Owners”, or “OBOs”) and (b) those who do not object to their identity being made known to the issuers of securities which they own (“Non-Objecting Beneficial Owners”, or “NOBOs”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) issuers may deliver proxy-related materials directly to their NOBOs.

The Company has decided to take advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the

Intermediary holding Shares on your behalf. By choosing to send these materials to its NOBOs directly, the Company (and not the Intermediaries holding Shares on their behalf) has assumed responsibility for (a) delivering these materials to its NOBOs, and (b) executing their proper voting instructions. As a result, if you are a NOBO of the Company, you can expect to receive a scannable voting instruction form from the transfer agent. Please complete and return the voting instruction form to the transfer agent in the envelope provided. In addition, internet voting information can be found in the voting instruction form. The transfer agent will tabulate the results of the voting instruction forms received from the Company's NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by the voting instruction forms it receives. This Information Circular and all accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders.

The Company's OBOs can expect to be contacted by Broadridge or their Intermediaries or an agent or nominee thereof as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of an Intermediary or an agent or nominee thereof, a Beneficial Shareholder may attend the Meeting as proxy holder for the registered Shareholder and vote its Shares in that capacity. Should a Beneficial Shareholder wish to attend the Meeting and indirectly vote its Shares as proxy holder for an applicable registered Shareholder, such Beneficial Shareholder should enter its own name in the blank space on the voting instruction form provided to such Beneficial Shareholder and return same in accordance with the instructions provided thereon.

All references to Shareholders in this Information Circular and the accompanying form of proxy and Notice of Meeting are to Shareholders of record unless specifically stated otherwise.

## VOTING OF PROXIES

The Shares represented by a properly executed proxy in favour of persons designated as proxy holders in the enclosed form of proxy will: (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxy holder on any ballot that may be called for; and (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy. **On a poll, such Shares will be voted in favour of each matter for which no choice has been specified or where both choices have been specified by the Shareholder.**

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy holder thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the Management Designees to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter that may be presented at the Meeting.

## **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Other than the election of directors and approval of the Equity Incentive Plan, no person who has been a director or executive officer of the Company, nor any proposed nominee for election as a director of the Company, nor any associates or affiliates of any of the foregoing, have a material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in the matters to be acted upon at the Meeting.

## **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

The Company is authorized to issue an unlimited number of Shares without par value. As at the Record Date (as defined below), the Company had 11,099,212 Shares issued of which 146,666 Shares are subject to certain escrow provisions, may be voted despite those escrow provisions but are not considered to be outstanding for accounting purposes as a result of those escrow provisions. Each Share carries the right to one vote.

Only Shareholders of record holding Shares at the close of business on June 19, 2019 (the “Record Date”) who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their Shares voted at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders, or who is holding a valid proxy on behalf of a Shareholder who is not present at the Meeting, will have one vote, and on a poll every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders, or who is represented by a valid proxy, will have one vote, for each Share registered in that Shareholder's name on the list of Shareholders, which is available for inspection during normal business hours at Computershare and will be available at the Meeting. Shareholders represented by proxy holders are not entitled to vote on a show of hands.

To the knowledge of the directors and senior officers of the Company, no persons or companies beneficially own, directly or indirectly, or exercise control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares.

## **STATEMENT OF EXECUTIVE COMPENSATION**

In this section:

“Named Executive Officer” or “NEO” means: (a) each individual who served as the Chief Executive Officer or the Chief Financial Officer of the Company, or an individual who acted in a similar capacity during the financial year ended December 31, 2018, regardless of the amount of compensation of that individual; (b) in respect of the Company or the Company's subsidiaries, the most highly compensated executive officer, other than the Chief Executive Officer and Chief Financial Officer, who was serving as an executive officer, or acting in a similar capacity, as at December 31, 2018 and whose total compensation for the financial year ended December 31, 2018 amounted to \$150,000 or more; and (c) any additional individual who would have been included under (b) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, as at December 31, 2018.

## **Equity Incentive Plans and Other Incentive Plans**

The Company currently has the following equity incentive and other incentive plans:

### **Stock Option Plan**

As at the date hereof, the Company has a rolling 10% stock option plan. The stock options issued to the NEO's and directors of the Company were issued pursuant to the current stock option plan. At the Meeting, shareholders of the Company will be asked to approve the Equity Incentive Plan, which permits the Company to grant deferred share units (DSUs) and restricted share units (RSUs) up to a maximum fixed number and permits the Company to grant stock options in an amount equal to 10% of the issued and outstanding Shares from time to time, less the number of Shares authorized to be issued under the fixed DSU / RSU component and the number of Shares issuable under the Company's employee share purchase plan described below. The particulars of the Equity Incentive Plan are described below under "Particulars of Matters to Be Acted Upon - Approval of Equity Incentive Plan".

### **Employee Share Purchase Plan**

The Company currently has a TSXV and shareholder approved employee share purchase plan (the "ESPP") in which permanent full-time employees of the Company or its affiliates who have completed six full calendar months of service and who reside in Canada may voluntarily choose to participate. The maximum amount that an employee may choose to invest in the ESPP is 5% of their salary on an annual basis and the maximum number of Shares that they may acquire cannot exceed 1% of the Company's issued and outstanding share capital during any 12-month period. The ESPP provides that Insiders of the Company, as a group, may not acquire Shares pursuant to the ESPP which would exceed, collectively,

2% of the Company's issued and outstanding share capital during any 12-month period. The Company does not issue Shares to the directors and officers of the Company under the ESPP.

The maximum number of Shares issuable pursuant to the ESPP is 50,000 Shares provided that such issuance does not exceed, when combined with the Shares issuable pursuant to the Plan, 10% of the Company's issued and outstanding share capital at the time of issuance. Up to the date hereof, the Company has issued an aggregate of 10,966 Shares under the ESPP.

### **Management Contracts**

There are no management functions of the Company or any of its subsidiaries which are to any substantial degree performed by a person other than the directors or executive officers of the Company or its subsidiaries.

### **Pension Benefits**

During the most recently completed financial year ended December 31, 2018, the Company did not provide any pension benefits to its NEOs or directors.

### **Corporate Governance Disclosure Pursuant to National Instrument 58-101**

The objectives of the Company's compensation policies and practices are to attract and retain highly qualified individuals, align the interests of its directors and officers with those of Shareholders and ensure all compensation paid is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Board has the ultimate responsibility for the Company's compensation policies and practices, but has established the Governance and Compensation Committee to assist it in fulfilling this responsibility. The Board has appointed Timothy Pirie, Warren Matheos and Bruce Campbell to its Governance and Compensation Committee. Timothy Pirie serves as the Chair of the Governance and Compensation Committee and Timothy Pirie and Bruce Campbell are independent as determined in accordance with the provisions of National Instrument 58-101 - Disclosure of Corporate Governance Practices ("NI 58-101"). Warren Matheos is not independent for the purposes of NI 58-101, by virtue of being an immediate family member of an executive officer.

The purpose of the Governance and Compensation Committee is to assist the Board in fulfilling its responsibilities in relation to setting the compensation of directors, the Chief Executive Officer and the officers that report directly to the Chief Executive Officer (the "Senior Executives") and overseeing the plans for:

- compensation, development and retention of employees;
- succession planning for the Chief Executive Officer and the Senior Executives; and
- general compensation and human resource policies and issues.

The Company has adopted a charter for the Governance and Compensation Committee which sets out the compensation of the Governance and Compensation Committee as well as its responsibilities, duties, principles and procedures.

Following review of available data and discussion by members of the Governance and Compensation Committee, recommendations are made by the Governance and Compensation Committee to the Board

for their consideration and approval. The Governance and Compensation Committee meets at least twice per year to fulfill its mandate.

The Governance and Compensation Committee considers the time, commitment, risks and responsibilities of the Directors and senior management and takes into account the types of compensation and the amounts paid to the directors and senior management of comparable publicly traded Canadian venture issuers.

In reviewing, determining and making its recommendation to the Board of the amount and type of compensation to be paid to the Company's directors and Senior Executives annually, the Governance and Compensation Committee considers the skill and level of responsibility involved in the individual's position, the contribution of the individual to the Company's success and completion of milestones, the individual's experience and qualifications, the Company's resources, industry practice and the existing stage of the Company's development. At the Governance and Compensation Committee's discretion, recommended director and/or Senior Executive compensation may consist of (a) base salary; (b) annual incentives; (c) long-term incentives, such as stock options, to align the personal interests of Senior Executives with the interests of Shareholders; and (d) any other form of compensation. The Company's CEO currently does not take any salary for his services and was compensated solely through the issuance of stock options until January 1, 2019. Commencing January 1, 2019, by virtue of being a director who does not receive cash compensation as an officer of the Company, the CEO started to receive director fees as outlined in Note (6) of the Summary Compensation Table above.

Due to the current stage of the Company's development, the Governance and Compensation Committee does not currently take into account any performance goals or similar conditions that are based on objective, identified measures such as Share price or earnings per Share when determining compensation for Senior Executives, including NEOs.

Due to the current stage of the Company's development, the Governance and Compensation Committee has not performed a formal evaluation of the implications of the risks associated with the Company's compensation policies and practices. However, the Governance and Compensation Committee does not believe that the Company's current compensation policies and practices will result in unnecessary or inappropriate risk taking, including risks that are likely to have a material adverse effect on the Company.

The Company's NEOs and directors are not permitted to purchase financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or directors.

The Governance and Compensation Committee members all bring experience from their current and past business activities in a variety of industries, in addition to their direct experience regarding compensation matters for various sized organizations. All members, being directors of the Company, have an adequate understanding of the objectives of the Governance and Compensation Committee and the direction of the Company. The Company intends to participate in surveys relating to compensation matters and, where appropriate, to engage professional consultation services from outside consultants concerning compensation matters.

**It is intended that on any vote or ballot relating to the adoption of the Plan, that the Shares represented by proxies in favour of Management Nominees will be voted for such resolution, unless a Shareholder has specified in the proxy that the Shares are to be voted against such resolution.**

### ***Background***

Shareholders are being asked to consider the approval of the adoption of the Plan which will enable the Company to grant awards of stock options ("**Options**"), restricted share units ("**RSUs**"), and deferred share units ("**DSUs**"). The Company believes that the Plan will better equip the Company to attract, retain and incent directors, officers and employees over the long term.

The Plan would be made available to (i) the officers, directors and employees of the Company or any of its affiliates or of designated service providers, (ii) designated service providers, all as selected by the

Board or a committee appointed by the Board (the “**Participants**”).

The objective of creating the Plan is to: (i) recruit and retain highly qualified personnel; (ii) provide those personnel with an incentive for productivity; (iii) provide an opportunity to those personnel to earn competitive total compensation; and (iv) provide those personnel with an opportunity to share in the growth and value of the Company.

### ***Summary of the Plan***

*The following is a summary of the Plan and is qualified in its entirety by the text of the Plan*

#### Awards

Awards granted under the Plan (the “**Awards**”) may consist of Options (the “**Option Component**”), RSUs (the “**RSU Component**”) and DSUs (the “**DSU Component**” and together with the RSU Component, the “**Share-Based Compensation Component**”). Each Award is subject to the terms and conditions set forth in the Equity Incentive Plan and to those other terms and conditions specified by the board of directors of the Company (the “**Board**”) and memorialized in a written award agreement.

#### Shares Subject to the Plan

The maximum number of Shares issuable to Participants under Awards subject to the Plan is (i) with respect to the Share-Based Compensation Component, a fixed number of 175,000 Shares, subject to increase with the approval of the TSXV and requisite approval of Shareholders in accordance with the policies of the TSXV; and (ii) with respect to the Option Component, that number of Shares equal to 10% of the issued and outstanding Shares from time to time, less the fixed number of Shares underlying the DSUs and RSUs under the Share-Based Compensation Component, and Shares reserved for issuance under the Corporation’s employee share purchase plan or any other securities based compensation at such time at such time.

The following restrictions apply to Awards under the Plan:

- (a) The aggregate number of Awards granted to one person (and corporations wholly owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Shares of the Company at the time of the grant (unless the Company has obtained the requisite approval from disinterested Shareholders);
- (b) The number of Shares underlying RSUs granted to any one person (and corporations wholly owned by that person) in a 12-month period must not exceed 1% of the issued and outstanding Shares of the Company at the time of the grant;
- (c) The number of Shares underlying DSUs granted to any person (and corporations wholly owned by that person) must not exceed 1% of the issued and outstanding Shares of the Company at the time of the grant;
- (d) The aggregate number of Awards granted to one service provider (including without limitation those service providers engaged in investor relations activities) in a 12-month period must not exceed 2% of the issued and outstanding Shares of the Company at the time of the grant. Any Award granted to a service provider shall vest in stages over 12 months with not more than 25% of the Shares subject to the Award vesting in any 3 month period;

- (e) The number of Options granted to insiders (as a group), within a 12-month period, together with any other Awards granted in such 12-month period (unless the Company has obtained the requisite approval from disinterested Shareholders), at any time, pursuant to the Plan and any other security-based compensation arrangement adopted by the Company, cannot exceed 10% of the issued and outstanding Shares;
- (f) The aggregate number of Shares issuable under the DSUs granted to insiders (as a group), within a 12-month period must not exceed 2% of the issued and outstanding Shares of the Company at the time of the grant (unless the Company has obtained the requisite approval from disinterested Shareholders); and
- (g) The aggregate number of Shares issuable under the RSUs granted to insiders (as a group), within a 12-month period must not exceed 2% of the issued and outstanding Shares of the Company at the time of the grant (unless the Company has obtained the requisite approval from disinterested Shareholders).

In the event of any recapitalization, reorganization, arrangement, amalgamation, split or combination, distribution or other similar event or transaction, substitutions or adjustments will be made by the Board in its discretion to: (i) the aggregate number, class and/or issuer of the securities reserved for issuance under the Plan; (ii) the number, class and/or issuer of securities subject to outstanding Awards; and (iii) the exercise price of outstanding Options, in each case in a manner that reflects equitably the effects of such event or transaction. In addition, the appropriate adjustments in the number of Shares under an Award and the other terms and conditions thereunder, may be made by the Board in its discretion to give effect to the adjustments in the number of Shares resulting from the implementation and operation of any shareholder rights plan of the Company, if any.

#### Administration

The Plan will be administered and interpreted by the Board or a committee designated by the Board, which initially shall be the Compensation and Governance Committee. The Board or appointed committee, if applicable, will have full authority to grant Awards under the Plan and determine the terms and conditions of such Awards, including the persons to whom Awards are to be granted, the type and number of Awards to be granted and the number of Shares to be covered by each Award. The Board will also have full authority to specify the time(s) at which Awards will be exercisable or settled.

#### Eligibility

Directors, officers and employees of the Company or any of its affiliates or designated service providers, or designated service providers, are eligible to be granted Awards under the Plan.

#### Share Options

The Plan provides that the Board may grant Options. Any Options granted under the Plan will have a maximum term of ten years, and will be exercisable at a price not less than 100% of the last closing price of a share on the TSXV (or any other stock exchange or market on which the shares are principally traded) before the date of the grant, less applicable discounts permitted by the TSXV, or such other minimum exercise price as may be required by the TSXV. Unless otherwise specified by the Board, Options will vest and be exercisable immediately.

Notwithstanding the foregoing, the Plan provides that in the event that the term of an Option expires during or within ten days after the last day of a “blackout period” imposed by the Company, the Option

shall expire on the date (the “**Blackout Expiration Date**”) that is ten business days following the end of the blackout period. The Blackout Expiration Date will not be subject to the discretion of the Board.

### RSUs

The Plan provides that the Board may grant Awards of RSUs. A RSU is a contractual promise to issue Shares at a specified future date. Any RSUs under the Plan will have a maximum term of ten years. Initially, RSUs will vest on and after the second anniversary of the date of grant, subject to the right of the Board to determine at the time of grant that a particular RSU will vest and be exercisable in whole or in part on a different date (including earlier or later dates) and to determine at any time after the time of grant that a particular RSU will be exercisable in whole or in part on an earlier date for any reason. In addition, vesting of RSUs may be subject to performance tests at the discretion of the Board.

An Award of RSUs shall be settled in Shares.

### DSUs

The Plan provides that the Board may grant Awards of DSUs. A DSU is a contractual promise to issue Shares at a specified future date.

DSUs will vest on the date of grant, subject to the right of the Board to determine at the time of grant that a particular DSU will be exercisable in whole or in part on a different date.

### Effects of Termination of Service

Generally, unless provided otherwise in the applicable award agreement or individual employment agreement, Options, RSUs or DSUs granted under the Plan will expire at the earlier of the applicable expiry date and: (i) with respect to the Options, 12 months after the Participant’s death; (ii) with respect to RSUs, the settlement date for such RSU shall be accelerated such that, subject to the fulfillment of any applicable conditions, the Shares underlying such RSUs shall be paid or issued as soon as practicable, after the Participant’s death; (iii) with respect to DSUs, the redemption of such DSUs shall accordance with its terms after the Participant’s death; (iv) with respect to Options and RSUs, 12 months after the date of the Participant’s retirement (or 90 days after the date such Participant ceases to be retired and is employed by a competitor of the Company); (v) DSUs will be redeemed in accordance with their terms after the date of the Participant’s retirement; (vi) with respect to Options and RSUs, 12 months after the Participant’s resignation or natural termination of a service provider contract, as applicable; (vii) 90 days after the date of a disability, as defined in the Plan; (viii) 90 days after the termination of the Participant’s employment or service without cause or a Participant’s contract as a service provider is terminated by the Company before its normal termination date without cause; (ix) immediately upon the termination of the Participant’s employment or service with cause (as defined in the Plan); and (x) 12 months after the date that a Participant who is not an employee or designated service provider ceases to hold office as a director or officer of the Company. The forgoing expiration dates are subject to any extensions resulting from a “blackout period”, if applicable, or at the discretion of the Board, subject to any applicable regulatory approvals.

### Assignability

Awards may not be assigned or transferred by a Participant, other than to a permitted assign or, in the case of a deceased Participant, by will or by the laws of descent or distribution. A “permitted assign” is an assign as determined by the Board. Notwithstanding the foregoing, the Plan Permits a Participant to

assign or transfer any Options, RSUs or DSUs to which such Participant is entitled to a personal holding company wholly-owned by such Participant.

#### Amendment and Termination of the Plan

The Board may, in its sole discretion, amend, suspend or terminate the Plan at any time, provided that no such amendment, suspension, or termination may be made without obtaining any required approval of any regulatory authority or stock exchange or materially prejudice the rights of any holder under any Award.

The Board may not, without approval of the Shareholders, make amendments to the Plan for any of the following purposes:

- to increase the maximum number of Shares that may be issued;
- to reduce the exercise price of Options to less than the “fair market value” (as defined in the Plan);
- to extend the expiry date of Awards for the benefit of an insider of the Company;
- to increase the maximum number of Shares issuable to insiders of the Company; and
- to amend the amending and termination provisions of the Plan.

The Board may, in accordance with the Plan and subject to the receipt of the required regulatory approval, where required, in its sole discretion, make amendments to the Plan including, but not limited to:

- amendments of a technical, clerical, or “housekeeping” nature, or to clarify any provision of the Plan;
- termination of the Plan;
- amendments to respond to changes in legislation, regulations, stock exchange rules or accounting or auditing requirements;
- amendments in respect of the vesting provisions of any Awards; and
- amendments to the termination provisions of Awards granted under the Plan that do not entail an extension beyond the original expiry date.

#### Change in Control

Upon or in anticipation of any change in control of the Company, the Board may, in its sole and absolute discretion and without the need for the consent of any Participant, cancel any Award in exchange for a substitute award of a successor entity. Substitute awards shall have no less economic value, no more stringent performance conditions, and similar vesting schedules as existing Awards. If such exchange for substitute awards is not effected by the Board, the Board has the discretion to accelerate the vesting of Options, RSUs and DSUs, provided that the Participant’s employment, service or term of office with the Company, is terminated without cause (as defined in the Plan).

A change in control means, for the purposes of the Plan the occurrence of any of the following, in one transaction or a series of related transactions:

- any person acquires beneficial ownership within the meaning of applicable securities law, directly or indirectly, of securities of the Company representing more than 50% of the voting power of the Corporation’ then outstanding Shares for the election of directors;
- a consolidation, securities exchange, reorganization, arrangement or amalgamation of the Company resulting in the Shareholders immediately prior to such event not owning at least a

majority of the voting power of the resulting entity's securities outstanding immediately following such event;

- the sale or other disposition of all or substantially all the assets of the Company;
- a liquidation or dissolution of the Company; or
- any similar event deemed by the Board to constitute a change in control for the purposes of the Plan.

**It is intended on any vote that may be called relating to the approval of the Company's equity incentive plan, that the Shares represented by proxies in favour of Management Designees will be voted for such resolution, unless a Shareholder has specified in the proxy that the Shares are to be voted against such resolution.**

### **Any Other Matters**

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the Management Designees to vote on such matters in accordance with their best judgment of such matters.
